2. The maximum area of a Mineral Claim mentioned in paragraph 1 of this Regulation shall not exceed 300 acres, and the length of the claim shall not, except with the approval of the Minister, exceed twice its breadth.

3. Mineral Claims for the minerals mentioned in Clause 1 shall be taken possession of and marked off as prescribed in Regulation 131.

4. Two or more mineral claims, the property of the same person, the aggregate area of which does not exceed 600 acres, may, in the discretion of the Minister, be amalgamated on application in the prescribed form and on payment of the prescribed fee.

5. Application for registration of a Mineral Claim shall be made as prescribed in Regulation 137, and shall be advertised once in a local newspaper within 14 days of the application being lodged; and within 30 days of the lodging of the application any person may lodge an objection in duplicate in the form No. 34 in the Schedule.

6. Should no objection be lodged within the time specified, the Warden or Inspecting Surveyor may issue to a mining surveyor instructions to survey the claim without delay and to furnish an accurate plan and tracing thereof, together with a report and such other particulars as the Warden or Inspecting Surveyor may require.

Should any objection be lodged, instructions for survey shall not be issued until after the Minister's approval, as hereinafter provided for, is notified, but the Warden may order the survey to be made before reporting on the application to the Minister.

7. Prior to the hearing before the Warden, a report shall be obtained from the Government Geologist or other professional officer. The application and objections (if any) shall be heard in open Court by the Warden, who shall as soon as convenient submit the application and report, together with his recommendation thereon, for the consideration of the Minister, and the Minister may, notwithstanding anything contained in this Regulation, approve the application for the whole or any portion of the area applied for, and may impose such conditions as to him may seem fit.

(b.) The Warden shall thereupon obtain a report from the Government Geologist or other professional officer.

(c.) Should any officer report that prospecting cannot be carried on without detriment to the working by the claim holder of the mineral specified in the Mineral Claim, the Warden shall refuse the application; but if such officer reports that prospecting can be so carried on, the Warden shall thereupon refer the application, with a recommendation, to the Minister.

(d.) The Minister may, in his discretion, grant the application on such terms as he thinks fit; provided that no such prospecting area shall be granted within three hundred feet of the buildings, machinery, or workings on the Mineral Claim, unless the applicant shall first deposit with the Warden the estimated amount of any damage likely to be done to such buildings, machinery, or workings, to be determined by the Warden.

14. Should the holder of any such prospecting area make application for a claim or lease of any of the land comprised therein for the working of gold or a mineral other than that for which the Mineral Claim has been granted, the mineral claim holder shall surrender to the Crown such portion of his claim as may, in the opinion of the Minister, be necessary for the working of such gold or mineral deposit: Provided that no surrender shall be required on any such application,—

(a.) unless it is proved to the satisfaction of the Minister, by report from the Government Geologist or other professional officer, that such gold or mineral deposit exists; or

(b.) until after the expiration of such notice to the Mineral Claim holder as the Minister shall deem reasonable; or

(c.) without the consent of the Mineral Claim holder until after the expiration of three months' notice to the Mineral Claim holder, or such longer notice as the Minister may deem reasonable, unless the area applied for shall have been previously worked out by the Mineral Claim holder.

Provided also that such portion or portions only of the surface of the Mineral Claim shall be required to be surrendered as, in the opinion of the Minister, are necessary for the proper working of the gold or mineral deposit, and not for machinery or other purposes. Provided further, that if the discovery of gold or mineral deposit is the direct result of the Mineral Claim holder's operations, the Mineral Claim holder shall have the preferential right for 14 days of the discovery to apply for a mining lease or leases thereof.

Provided further, that should the Mineral Claim holder fail to surrender the land deemed by the Minister to be necessary for the working of the gold or mineral deposit, within 30 days of the date specified in the notice as aforesaid, the land shall be deemed to have been surrendered and may be dealt with accordingly.

*Meetings and Proceedings.*

7. Notice shall be given in writing by the Chairman or Secretary of ordinary or regular meetings, and also of every meeting adjourned for a term exceeding six days.

8. Meetings of the Board shall be of two kinds—"Ordinary" and "Special." Ordinary meetings are the regular meetings held in pursuance of these By-laws for the transaction of the general business of the Board, including meetings adjourned for the purpose of any incomplete business, but an adjourned meeting would not exclude any business which was considered necessary to transact. Special meetings are those called under Section 123 of the Act, and shall include those called by the Chairman in response to a requisition signed by three members on his own behalf, and the notices for such special meetings shall have such special business notified thereon for which the meeting was called, and for which each member shall receive seven days' notice. No business shall be transacted at a special meeting other than that for which the special meeting was called, provided that any matter of emergency can be discussed, with the ruling of the Chairman

and the consent of those present. The ratepayers' meeting shall consist of one called under Section 136 of the Roads Act, and the standing orders shall, so far as the Act allows, apply to the proceedings, but the provisions of the Act shall be first dealt with. The Chairman, if present, shall preside at all meetings of ratepayers and of the Board, and in his absence, or after being present he shall retire, one of the members of the Board chosen by the ratepayers or members of the Board, as the case may be, shall preside.

9. Ordinary meetings shall be held on the second Saturday in the month, at 2.30 p.m., unless otherwise arranged by resolution carried to that effect at the preceding ordinary meeting of the Board, of which each member has received due notice of the proposed alteration.

10. A special meeting may, on the requisition of three members of the Board, be called at any time in the manner prescribed by the Act, but the Chairman may call a special meeting of the Board as often as he may think proper. No business will be transacted at any ordinary or special meeting unless at least three members of the Board, inclusive of the Chairman or the member of the Board chosen to preside in his absence, shall be present.

11. Any three members may require the Board room to be cleared of strangers, and the Chairman, or other presiding Chairman, shall immediately give directions to have the order executed.

12. At all meetings of the Board when there is not a quorum present, or when the Board is counted out (which counting out shall take place whenever there shall be less than a quorum present), or within 30 minutes after time for which meeting is called, such circumstances, together with the names of the members then present, shall be recorded in the minute-book.

13. The first business of all meetings of the Board shall be the reading of the minutes of the preceding meeting aloud with a view of their confirmation.

#### *Voting.*

14. Each member (including the Chairman) shall have one vote, and such Chairman shall, in case of equality of votes, have a casting vote in addition to his ordinary vote, and all questions at such meetings shall be decided by a majority of the votes of the members present. All motions and amendments shall be decided by a show of hands, unless a division is demanded, before the next business is proceeded with.

#### *Minutes of Meetings.*

15. The minute-book prescribed by the Act shall be kept, in which any item of business transacted by the Board at a meeting shall be then and there entered by the Secretary. Minutes of special or ordinary meetings shall be confirmed at the next ordinary meeting. No discussion shall take place upon the minutes of proceedings, except as to their accuracy or for the rectification of a clerical error.

*Motions for Adjournment.*

34. No discussion shall be permitted upon any motion for adjournment of the Board. If upon the question being put on any such motion the same is negatived, the subject then under consideration or next on the business paper shall be discussed, and it shall not be competent for any member to again move a motion for adjournment until half an hour has elapsed from the time of moving the one that has been negatived.

Provided that an apprentice or probationer shall be deemed to be duly registered during the period of fourteen days allowed for registration.

(b) Any employer hereafter taking an apprentice or probationer shall, within fourteen days thereafter, register such apprentice or probationer, by giving notice thereof to the clerk of the Court in the prescribed form.

(c) If at the date of this award any employer is employing any person as an apprentice or probationer who has not been duly registered as such, he shall register such apprentice or probationer within fourteen days thereafter.

(d) The maximum number of apprentices allowed to any employer shall be in the proportion of one apprentice to every two, or fraction of two, journeymen employed by him: Provided, that this award shall not operate to render unlawful, or to vary the terms or provisions of any apprenticeship existing at the date of its commencement.

(e) For the purpose of ascertaining the number of apprentices allowed to be taken at any time, the number of journeymen employed shall be deemed to be the average number of journeymen on all working days of the six months immediately preceding such time.

(f) Apprentices to the Pastrycooking trade shall be engaged under the terms hereinafter set forth:—The term of apprenticeship shall be four years. A probationary period of three months previous to being bound shall be lawful, such probationary period to be deemed portion of the term of apprenticeship.

(g) Should any employer from unforeseen circumstances be unable to carry out his obligations to his apprentice he shall be allowed to transfer the apprentice to complete his term with another employer; but it shall be incumbent upon such former employer to notify the Clerk of the Court of the date of such transfer and when such apprenticeship commenced. (Form 2 in Appendix hereto.)

(h) The following provisions shall apply in respect of all apprenticeships:—

(1) An employer shall be deemed to undertake the duty which he agrees to perform as a duty enforceable under this award, and shall, subject to the provisions of subclause (n), pay the apprentice the rate of wages herein provided.

(2) At the end of the period of apprenticeship the employer shall give the apprentice a certificate (Form 5 in the Appendix hereto) to show that he has served his apprenticeship. Should the employer at any time before the termination of the term of apprenticeship desire to dispense with the services of the apprentice, he may, with the consent of the apprentice, transfer him to another employer carrying on business within a reasonable distance of the original employer's place of business, willing to continue to teach the apprentice, and to pay the rate of wages prescribed by this award, according to the total length of time served, and generally to perform the obligations of the original employer. He shall also give to the apprentice a certificate of the time served and of the rate of wages paid, and shall give notice to the clerk of the Court of such transfer in the form provided (Form 2 in the Appendix hereto). It shall not be obligatory upon the employer to find the apprentice another employer if he shall so misconduct himself as to entitle the employer to discharge him, but he shall nevertheless give him a certificate for the time actually served.

(3) An employer shall be deemed to fail in his duty towards his apprentice if he neglects to keep him constantly at work, but slackness of work may form a proper ground for transferring him to a master willing to undertake the responsibility of teaching him.

(4) When an apprentice is discharged for cause, the employer shall send notice in writing of the discharge, and the cause thereof, to the said clerk of the Court (Form 3 in the Appendix hereto).

(i) The minimum wage payable to an apprentice shall be:—

During the first year—12s. 6d. per week.  
During the second year—20s. per week.  
During the third year—30s. per week.  
During the fourth year—40s. per week.

(j) Every apprentice shall be bound to submit himself to examination, by a Board of Examiners hereinafter constituted, once in each year of his service, when called upon by the clerk of the Court so to do.

(k) The Clerk of the Court shall notify the Board of Examiners of the names and addresses of all candidates required to submit themselves to examination. The examination will be held at the place where the apprentice is employed, and it shall be the duty of each employer to provide such necessary material and machinery as may be required, and in all ways to facilitate the conduct of the examination.

(l) The examination will be held in the month of November in each year. The Board of Examiners shall consist of two persons skilled in the trade to be nominated by the union and by the employers carrying on business within the area to which this award applies, or, failing such nomination, or nominations, such person or persons as may be appointed for that purpose by the Court. In the event of a disagreement between the examiners, the matter in dispute shall be referred to a third person agreed to by them, or nominated by the Court, or the President, at the request of either member, and the decision of such third person shall be final and conclusive. The examiners shall examine the work of and inquire into the diligence of each apprentice and as to the opportunities provided by the employer to each apprentice to learn.

(m) The examiners shall report to the Court in writing as to the result of the examination.

(n) The Clerk of the Court shall supply to each candidate a certificate showing the result of his examination, and it shall be lawful for any employer to withhold the increase in wages accruing, in accordance with the scale set forth in subclause (i) hereof, from any apprentice who fails to satisfy the examiners.

(o) If the examiners report to the Court that any employer has not provided sufficient opportunity for the apprentice to learn, the employer shall be deemed *prima facie* guilty of a breach of this award under Section 90 of the Act, and may be summoned before the Court. Upon any such proceeding the report may be received in evidence.

(p) Such fees shall be paid by the Clerk to the examiners as the Court shall allow.

12. Nothing in this award shall in itself operate to reduce the wages of any worker below the rate actually received by him at the date hereof.

IN WITNESS WHEREOF this award has been signed by the President of the Court, and the seal of the Court has been hereto affixed, this thirty-first day of July, One thousand nine hundred and sixteen.

[SEAL.]
