No. 15086.—C.S.O.

The Fisheries Act, 1905-13.

PROCLAMATION

WESTERN AUSTRALIA, { By His Excellency Major General Sir
TO WIT. } Harry Barron, Knight Commander of
HARRY BARRON, the Most Distinguished Order of St.
Governor. Michael and St. George, Commander
of the Royal Victorian Order, Governor
in and over the State of Western
[L.S.] Australia and its Dependencies, in
the Commonwealth of Australia.

2053/16; A. & F. 1215/16.

WHEREAS by Section 9 of "The Fisheries Act, 1905-13," it is provided that the Governor may, by Proclamation, prohibit all persons from taking any fish whatsoever, in every or any specified portion of Western Australian waters, by means of fishing nets and fishing lines, or either of such means of capture or by any other specified means of capture, for any specified term: Now therefore I, the said Governor, by and with the advice and consent of the Executive Council, do hereby, in exercise of the powers aforesaid and of every other power enabling me in this behalf, proclaim and declare as follows:—

That all that portion of Western Australian waters defined in the Schedule hereto shall be closed against the use of fishing nets for a term of three years as from the date of this Proclamation.

Schedule.

Bibra Lake (the whole), situate within the boundaries of the Fremantle District Road Board, and some six miles South-East of the town of Fremantle.

Given under my hand and the Public Seal of the said State, at Perth, this 16th day of August, 1916.

By His Excellency's Command,

H. P. COLEBATCH,

Colonial Secretary.

GOD SAVE THE KING !!!

The Roads Act, 1911.

Upper Chapman Road District.

PROCLAMATION

WESTERN AUSTRALIA, { By His Excellency Major General Sir
TO WIT. } Harry Barron, Knight Commander of
HARRY BARRON, the Most Distinguished Order of St.
Governor. Michael and St. George, Commander
of the Royal Victorian Order, Governor
in and over the State of Western
[L.S.] Australia and its Dependencies, in
the Commonwealth of Australia.

Ex. Co. 2412; P.W. 688/13.

WHEREAS it is provided by Section 195 of "The Roads Act, 1911," as amended by "The Roads Act Amendment Act, 1912," that a Board may adopt in any townsite, or in any area defined for that purpose by Proclamation, the system of valuation on the annual value: And whereas it is desirable to approve of and define the area herein-after described as an area within which the Upper Chapman Road Board may adopt the system of valuation on the annual value: Now therefore I, the said Governor, by and with the advice and consent of the Executive Council, do hereby approve of and define the following area situated within the Upper Chapman Road District, viz., all that Townsite Reserve No. 15204 known as Nolba, as the same is described and comprised in the notice published in the *Government Gazette* of the 9th day of January, 1914, page 8, as an area in which the said Road Board may adopt the system of valuation on the annual value.

Given under my hand and the Public Seal of the said State, at Perth, this 16th day of August, 1916.

By His Excellency's Command,

WM. J. GEORGE,

Minister for Works and Trading Concerns.

GOD SAVE THE KING !!!

THE HEALTH ACT, 1911-15.

Colonial Secretary's Office,

Perth, 11th August, 1916.

HIS Excellency the Governor in Council has been pleased to approve the following By-laws made by the Perth City Council on the 6th September, 1915, under the provisions of "The Health Act, 1911-15."

F. D. NORTH,

Under Secretary.

CITY OF PERTH.

Health By-laws.

WHEREAS under the provisions of "The Health Act, 1911," a Local Health Authority may make By-laws: Now, therefore, the City of Perth, being the Local Health Authority for the Municipal District of Perth, doth hereby make the following By-laws:—

All By-laws heretofore made under the Health Act by the Municipal Council of the City of Perth are hereby repealed.

In the construction of these By-laws, unless the context otherwise requires,—

"Act" means the Health Act, 1911-12.

"Approved" shall mean approved by the Medical Officer of Health or by an Inspector of the City of Perth as a Local Authority.

"Local Authority" shall mean the City of Perth.

"Council" shall mean the City of Perth.

"District" shall mean the Municipal District of the City of Perth, and includes any area placed under the jurisdiction of the City of Perth being a Local Authority pursuant to Section 21 of "The Health Act, 1911-12."

"Town Clerk" means the Town Clerk of the City of Perth, or any person temporarily acting in that capacity.

"Medical Officer" means the Medical Officer of the City of Perth as the Local Authority, or any person temporarily acting in that capacity.

"Building Surveyor" shall mean the Building Surveyor of the City of Perth.

"Inspector" shall mean and include any person appointed by the City of Perth as such Local Authority under "The Health Act, 1911-12," and any acting or assistant Inspector.

"Person" shall include a partnership, company, or corporation.

"Refuse" shall mean and include dust, ashes, rags, straw, tins, boxes, broken glass, house and trade refuse, waste paper, and all rubbish of whatsoever kind.

PART I.

Closets and Urinals.

1. No person shall hereafter erect any closet or urinal within a distance of 20 feet from any dwelling house or place of business, unless with the express permission of the Local Authority.

2. No person shall hereafter erect any urinal within a distance of 15 feet from any well from which any water is supplied for use, or is used or likely to be used by man for drinking or domestic purposes, or for manufacturing drinks for the use of man, or otherwise in such a position as to endanger the pollution of any such water.

3. The owner of any house or premises having a closet or urinal attached thereto or used in connection therewith shall cause the entrance to such closet or urinal to be effectually screened from public view.

4. Every person who shall hereafter erect a urinal shall cause the walls thereof to be composed or faced with some impervious material approved by the Local Authority.

5. The floor of every urinal shall be finished so as to be impervious, and have a fall of not less than one in 30 to a drain constructed at one side of such floor; the drain to be composed of similar material; such drain shall discharge to a trapped gully, connected by a glazed earthenware pipe of sufficient size to a sewer, or if there be no sewer then, if ordered by the Local Authority, to an excavation of not less than three feet in diameter, and not less than four feet in depth, filled to a depth of three feet with coke breeze, small stones, or other similar material.

6. Every person who shall hereafter erect any earth closet shall construct the walls thereof of stone or brickwork or concrete rendered in cement, and the floor space in front of the seat thereof of jarrah, flags, tiles, or other non-absorbent material, having a fall or inclination towards the door thereof of at least half an inch to the foot, and at a height of at least six inches above the level of the surface of the adjoining ground, and the whole of the floor space immediately beneath the seat of such closet of concrete or other impervious material, at such a height that it shall be at least three inches above the level of the surface of the adjoining ground, and that the top of the pan shall not be more than one inch from the underside of the seat, and shall construct both sides of the space between the floor and the seat of such closet of flags, slate, asphalt, or brickwork at least 4½ inches thick and rendered in cement, and shall cause such closet—

(a) To be provided with a properly fitted door, which shall at all times be kept in a thorough state of repair.

(b) To be supplied and kept supplied with a sufficient number of pans of the type and size provided by the Board. Such pans shall be purchased from the Council.

(c) To be provided with a trap-door of a size sufficient to admit any such pans.

(d) To be provided with a seat so constructed that the whole or a sufficient part thereof may be readily removed or adjusted in such a manner as to afford access to the space beneath such seat for the purpose of cleansing such space.

(e) To be provided with guide bars beneath such seat so arranged that the pan when pushed against such bars shall be immediately beneath the hole in such seat.

(f) To be constructed in such a manner and in such a position as to admit of the removal of the contents of any such pan from such closet, and from the premises in connection with which such closet is used, without being carried through any dwelling-house or building.

(g) To be provided with sufficient openings for ventilation as near the top as practicable, and communicating directly with the external air, or with such other means of ventilation as may be approved by the Inspector.

(h) To be provided with a hinged aperture cover to the seat, so fixed that it will not remain raised unless held up.

(i) To be provided with a metal pipe of not less than three inches in diameter, opening at one end under the seat, and projecting at the other at least one foot above the roof, the top being surmounted by a cowl; the pipe to be of uniform bore throughout, and free from bends.

Retrospective application of By-laws.

7. The owner of any premises upon which there is any sanitary convenience which does not comply with the provisions of By-laws 1 to 5 shall, when required by the Local Authority, provide a sanitary convenience which is in accordance with the requirements of the said By-laws, and shall remove from such premises every sanitary convenience which does not comply with the requirements of the said By-laws.

Maintenance of Sanitary Conveniences.

8. The occupier of any premises whereon there is a sanitary convenience shall—

(a) Maintain such convenience in a cleanly condition

(b) When required by an inspector, efficiently disinfect such convenience.

Supply of deodorants to be maintained.

9. Every occupier shall cause to be kept in each earth closet or privy a sufficient supply of approved deodorant, and means for using the same, and shall cause all night-soil or other matter which may be deposited in the pan of such earth closet or privy to be immediately deodorised with a sufficient quantity thereof.

Public latrines.

10. (a) No person shall foul any portion of a public sanitary convenience.

(b) No person shall stand upon any portion of any such convenience other than the floor.

(c) Every such convenience shall be provided with a sufficient amount of artificial light, and such light shall be maintained after sunset for such time as such convenience remains open to the public.

(d) No person shall write upon or otherwise deface any portion of the structure or fittings of any such convenience.

(e) A charge of one penny shall be paid by each person for the use of a closet in a public latrine controlled by the local authority.

Rubbish receptacles to be provided.

11. The occupier of every house or premises shall cause—

- (a) Such house or premises to be provided with as many receptacles for the temporary deposit of refuse as may be required by notice in writing from the inspector. Such receptacles shall be constructed of 22 gauge plain galvanised iron 17½ inches in depth and 18 inches in diameter, with a handle on each side made of ¾ in. round iron, and a conical cover made of 26 gauge plain galvanised iron, with a handle on top. The bottoms of such receptacles shall be knocked up and the seams grooved, and the bottoms and seams sweated with solder inside.
- (b) For the purpose of this By-law and By-laws 12 and 13, the term "refuse" does not include slops or liquid waste, and no person shall place any such slops or liquid waste in any such refuse receptacle.

Refuse to be deposited in receptacles.

12. The occupier of every premises shall cause all refuse to be deposited in such receptacle, and such receptacle shall be maintained in a thoroughly clean and efficient condition, and in a condition to satisfy the requirements of By-law 11, and he shall, when required by an inspector, thoroughly cleanse and disinfect every such receptacle.

Receptacles to be kept covered and emptied weekly.

13. Every occupier shall cause such receptacle to be covered with its lid at all times, except when the lid is removed for the purpose of placing the refuse within the receptacle, and at such times the lid shall be immediately replaced. Every such receptacle shall be emptied once weekly, or so much more frequently as an Inspector may direct.

Rubbish not to be placed in street.

14. No person shall place a rubbish receptacle in or upon any street, right-of-way, thoroughfare, lane, or footpath.

Rubbish not to be deposited on public lands.

15. No person shall deposit any filth, dirt, ashes, rubbish, sludge, liquid refuse or offensive matter in or about a street or way or upon any land, except upon such land as is specially set apart for the purpose of such deposit under the provisions of the Act.

Rubbish only to be removed from cart at prescribed places.

16. No person, without the previous consent in writing of the Town Clerk, shall remove any rubbish or refuse or dead animal from any premises, and no person shall deposit any rubbish except at such place or places as shall have been set apart for the purpose.

27. No person shall keep swine within the district, except with the express approval of the local authority.

Stables.

28. The occupier of any premises whereon a horse is kept shall provide a stable, which shall comply with the following conditions:—

- (a) It shall not be at any less distance than 20 feet of any dwelling-house, nor less than 50 feet from the milking-shed or milk-room of any dairy or food store.
- (b) The walls shall be constructed of concrete, brick, stone, wood, or galvanised iron, as may be approved by the Council.
- (c) The roof shall be constructed of some impervious material.
- (d) There shall be on all sides of the building between the wall and the roof a clear space of at least six inches in height.
- (e) The upper surface of the floor shall be raised at least three inches above the surface of the surrounding ground, and shall be constructed of granolithic cement, concrete, or some other approved impervious material; it shall have a fall of one in a hundred to a drain.
- (f) The drain shall empty to a trapped gully situated outside the stable, and such gully shall have a fine-meshed screen placed over its upper surface, and shall discharge in the manner provided in By-law No. 19.
- (g) There shall be provided outside each such stable a receptacle for manure; such receptacle shall be constructed of brick, faced inside and outside with cement or with approved impervious material; it shall be provided with a tight-fitting hinged cover, and shall be emptied at least once weekly.
- (h) The receptacle shall be constructed so that the bottom or floor thereof shall not in any case be lower than the surface of the ground adjoining such receptacle.
- (i) All manure produced on the premises shall be collected daily and placed in the receptacle for manure.
- (j) The stable shall be maintained in a cleanly condition, and shall be cleansed and disinfected when so ordered by an inspector.

29. No stable shall be erected unless and until plans, specifications, and site of the proposed stable have been approved in writing by the Building Surveyor.

Keeping of poultry or pigeons.

30. (a) The occupier of any premises shall not keep any poultry or pigeons, except for the purpose of immediate sale, within that portion of the district embraced within the following boundaries:—On the North by the railway, on the East by Pier Street, on the South by the Swan River, and on the West by King Street.

(b) The occupier of any premises shall not keep any pigeons or poultry within 20 feet of any dwelling house, and where pigeons are kept they shall be continually confined.

(c) All enclosures or cages within which birds of any description are kept shall be maintained at all times in a clean condition, and shall at any time be cleansed, disinfected, or otherwise dealt with as an inspector may direct.

(d) The occupier of any premises whereon any other animals are kept shall at all times maintain all enclosures or structure of any description wherein such animals are confined in a clean condition, and at any time when so directed by an inspector shall immediately cleanse and disinfect any such enclosure or structure.

Disposal of carcases of animals.

31. The owner or occupier of any premises whereon there is a dead animal shall not dispose of the carcase of such animal, but shall give notice thereof to the Local Authority, who shall remove the same, and such owner or occupier shall pay to the Local Authority for such removal the fees specified in Schedule "A" hereto.

Drainage of land used for building purposes.

32. No person shall erect any dwelling or use as a dwelling-house any building existing upon land which is so situated as not to permit of being drained by gravitation into an existing drain or sewer, unless—

- (a) Such land has been covered with clean earth to such depth that every part of the surface

of such land is at least one foot above the nearest existing sewer, and unless such land is effectively drained.

- (b) Ventilating openings are provided in each wall below the level of the floor joists; such ventilating openings to be in the proportion of one air brick (nine inches long by six inches high) for each ten feet length of wall, and such ventilating openings shall not connect with the air cavity in any wall.
- (c) If required by the Local Authority, the surface of the land upon which the house is to be, or is erected, shall be covered with a layer of cement concrete or other specified material of such depth as may be directed.
- (d) The underside of any part of the lowest wooden floor of any such building shall be not less than six inches above the surface of the land.

Sites of new buildings to be thoroughly drained.

33. (a) Every person who shall erect a new building shall cause the intended site of any such building to be properly and thoroughly drained; and he shall cause any soakage or drainage from the adjoining sites or buildings to be completely diverted from the site of such new building.

(b) He shall cause the whole top of the surface of every foundation wall of such new building to be completely covered with an approved damp course composed of impervious and durable materials.

(c) He shall cause such damp course to be placed beneath the level of the lowest timbers of the lowest floors of such new building, and if any breaks are made in the horizontal layers of the damp course such breaks shall be properly connected with damp-proof material.

(d) He shall cause every part of an external wall of such building which is below the surface of the ground adjoining it and above the damp course to be sufficiently protected from contact with the ground by rendering such part with some approved impervious material, such rendering to extend for three inches above the surface of the ground and three inches below the horizontal damp course.

(e) He shall cause a damp course to be placed immediately above the flashing in parapet walls.

Buildings to be provided with spouting and downpipes and with drains.

34. (a) The owner of every dwelling-house shall cause such dwelling-house, and the owner of any other building shall, when so ordered by the Local Authority, cause such other building to be provided with spouting and downpipes sufficient to receive, without overflowing, all rain water flowing into them.

(b) He shall cause such spouting to be fixed to the eaves of every roof of every building on his premises, so that all rain water flowing from the roof shall be received by such.

(c) He shall, in connection with his premises, provide and lay such proper drains, with such falls as shall be sufficient to carry off from such premises all storm or rain water, and he shall maintain all such spouting, downpipes, and drains in good order and efficient action.

Certain space to be allowed in sleeping-rooms.

35. No sleeping-room in any dwelling-house shall be occupied by such a number of inmates that for every inmate over the age of ten years there is less than five hundred cubic feet of air space, and for every inmate under the age of ten years there is less than three hundred cubic feet of air space, and the occupier of every such dwelling-house shall be responsible for any breach of this By-law.

Air space to be allowed in work rooms, offices, etc.

36 (a) The occupier of every premises shall provide for every person employed upon such premises sufficient space for each individual. "Sufficient space" shall mean at least five hundred cubic feet for each such person employed during the hours of daylight, and six hundred cubic feet for each such person employed between sunset and the next succeeding sunrise.

(b) In calculating the total cubic space, deduction shall be made in respect of the space occupied with furniture, fittings, and projections of the walls into the room.

(c) In calculating the available cubic space for each person, each room shall be considered separately, and sufficient air space shall be allowed in each room for the maximum number of persons employed in such room at any one time.

(d) The provisions of this By-law shall not apply in the case of premises the cubic air space of which is provided for by Statute or by any other By-law.

Ventilation of houses.

37. No person shall erect any house unless such house is ventilated in every part and room thereof in the ratio of 24 square inches of inlet and 24 square inches of outlet of uncontrolled ventilating area to each hundred square feet of floor area.

The inlet ventilating openings shall be placed so as to deliver air at a height of from six feet six inches to eight feet above the floor, and the outlet ventilating openings shall be placed in the ceiling, and such outlets shall communicate with the outer air, either by gable vents of an adequate area or by shafts projecting through the roof and surmounted by cowls.

The situation of ventilating openings, and the general arrangement of the ventilation, shall be subject to the approval of the Building Surveyor.

Application of By-law may be made retrospective.

38. The owner of any house erected prior to the coming into operation of these By-laws shall, when so directed by the Local Authority, ventilate such house in the manner provided in By-law No. 37.

Expectoration.

39. No person shall expectorate on any made foot-path in any street or public place, or on any building to which the public have access, or on any approach thereto, or on any railway carriage, tramcar, or other public conveyance.

Manufacture of flock.

40. No person shall use for the manufacture of flock any material other than new material, unless such material before it is used be subjected to a moist heat at a temperature of 212deg. Fahrenheit, and maintained at such temperature for a period of not less than 20 minutes, the heat to be applied in such a manner that every part of the material is maintained at the temperature for the time specified.

Storage of rags, etc.

41. Any person using or storing rags or other material in marine stores, flock, bedding, or furniture manufactories shall keep or store the same so as not to be a nuisance, or injurious or dangerous to health, and shall, whenever required so to do by an inspector, disinfect any such rags or other materials in such manner and at such place as is directed by an inspector.

Maintenance of footways and pavements.

42. The occupier of any premises shall maintain the footways or pavements immediately adjacent to his premises in a clean condition.

Maintenance of public vehicles.

43. The owner of any public vehicle shall maintain such vehicle at all times in a clean condition, and shall, when required to do so by an inspector, thoroughly cleanse and disinfect such vehicle in the manner prescribed by such inspector.

Water tanks—Maintenance and cleansing of.

44. (a) The occupier of any premises, the water supply of which is drawn or partly drawn from tanks, shall maintain the roof forming the catchment for such tanks, together with the spouting and downpipes appurtenant to such roof, in a clean condition, and shall at least once in each year, during the months of April or May, thoroughly clean any tank the water from which is used for human consumption.

(b) He shall also, when ordered by an inspector, empty, cleanse, and disinfect any tank upon his premises the water of which is used for human consumption.

(c) Every such tank shall be fitted with a tight-fitting cover.

Wells—Construction and maintenance of.

45. The occupier of any premises shall not use the water of any well for human consumption, unless such well complies with the following conditions:—

(a) It shall be at least 100 feet from any soak well, or any other probable source of pollution.

(b) It shall be lined with impervious material to a depth of six feet below the surface of the ground, and such lining shall be carried up to a height of at least 12 inches above the surface of the ground adjacent to such well.

(c) The well shall be covered with a tight-fitting cover, and such cover shall have no other opening than is essential for the insertion of a pump.

(d) The surface of the ground immediately adjacent to such well shall be covered with impervious material for a distance of at least two feet around such well in all directions.

Mosquito eradication and reduction.

46. The owner or occupier of any house or premises shall keep such house or premises free of stagnant water liable to breed mosquitoes. For the purpose of this By-law the presence of mosquito larvæ in any collection of water wherever situated shall be sufficient evidence that such water is stagnant.

47. All fountains, pools, ponds, or excavations made for any purpose whatever in public or private property, which may contain water, shall be kept stocked with mosquito destroying fish, or shall be kept covered with a film of petroleum oil, or other approved larvicide. The onus of compliance with this By-law shall rest upon the owner or occupier. In the case of public property, the onus of compliance shall be upon the authority having control of such property.

48. The owner or occupier of any house or premises shall keep his house or premises free of refuse likely to become the breeding place of mosquitoes.

49. The owner or occupier of any house or premises whereon there is any tank, well, cistern, vat, or barrel, shall protect the same with a mosquito proof cover, and all openings other than the delivery exit shall be screened with mosquito-proof netting to the satisfaction of the Inspector.

50. The owner or occupier of any house shall cause all eaves, gutters, and downpipes to be maintained in good repair and free of obstruction, to prevent the accumulation of water therein and to permit of the ready passage of water from the roof.

51. The occupier of any house or premises whereon water is kept in horse troughs, poultry drinking vessels, washing tubs, and other receptacles, shall frequently change such water and keep the vessels clean and free from vegetable matter and slime.

52. The occupier or owner, when so required by the Local Authority, shall cut down and remove any undergrowth or vegetation on his premises likely to harbour mosquitoes.

53. Any person cutting turfs, or removing soil or other material from public or private lands, shall forthwith fill in with clean sound material and make level the surrounding surface the excavation caused thereby, unless written permission to the contrary be obtained from the Local Authority.

54. The occupier of any vegetable garden shall cause all drains and channels therein to be kept clear and free from any obstruction likely to facilitate the breeding of mosquitoes.

55. The owner or occupier of any land upon which there is water likely to become a breeding place for mosquitoes shall, when required by the Local Authority, effectually drain such land, and for that purpose shall, to the satisfaction of the Local Authority,—

(a) Make such drains on the land as may be necessary for effectually draining it.

(b) Fill up all irregularities in the surface of such land.

(c) Adjust the surface thereof, and, if necessary, raise the level of the surface in such a manner—

(i.) That the water on the land may flow into the drains without obstruction.

(ii.) That no water shall remain on any portion of the land other than in the drains.

56. All drains made under the provisions of the preceding By-law shall be kept by the occupier or owner in good order and free from obstruction.

57. It shall be lawful for the Local Authority or its officer to enter upon any house or premises and to execute any such works as are required by these By-laws.

58. Where any person is required by these By-laws, or by an order issued under the provisions of these By-laws, to execute any works, and such person fails or

neglects to comply with such By-laws, or with such order issued thereunder, then the Local Authority may execute such work, and may recover from such person the cost of executing such work, in addition to any penalty for which such person may be liable under these By-laws.

Penalties for breaches of By-laws.

59. Where anything by this part of the By-laws is directed to be done or forbidden to be done, or where authority is given to any officer to direct anything to be done or to forbid anything to be done, and such act so directed to be done remains undone, or such act forbidden to be done is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said By-laws. And every person guilty of a breach of this part of the said By-laws shall be liable for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, to a penalty not exceeding Twenty pounds for every breach of any such By-law, or to a penalty not exceeding Two pounds for each day during which such breach shall be committed or continued, and in addition to such penalty shall be liable to pay to the Local Authority any expense incurred by such authority in consequence of any breach or non-observance of any By-law, or in the execution of any work directed to be executed and not so executed.

PART II.—INFECTIOUS DISEASES.

Inspection of premises.

1. An inspector shall visit all premises in the district at least once in each period of six months, and so much more frequently as may be necessary, and immediately after every such inspection shall submit a report to the Local Authority on the condition of such premises, specifying any breach of the provisions of the Act or the Regulations or By-laws made thereunder.

Cleansing and disinfection of premises.

2. The occupier of any premises shall cleanse and disinfect such premises, or any part thereof, at such times and in such manner as the inspector may direct.

Contacts liable to restrictions.

3. After it has been found that a person in any house is suffering from an infectious disease, any inmate of such house, or any person who enters or quits such house, shall be deemed to be a contact, and shall be liable to restrictions, and obey such instructions as the Local Authority or its Medical Officer may direct or issue, and may be removed to an isolated place provided for that purpose; and, if so removed, shall remain in such place for such period as the Medical Officer may direct.

Premises may be declared "isolated."

4. For the prevention of the spread of infectious disease, the Local Authority may from time to time

declare any house or premises to be infected, and no person shall quit or enter any house or premises which has been declared by the Local Authority to be infected without the written consent of such authority.

Disinfection of personal effects.

5. When required by the Medical Officer, any person shall attend at such place as the said officer shall indicate, for the purpose of the disinfection of his body, clothing, and effects, in such manner as may be directed by the Medical Officer.

Occupier to permit disinfection.

6. The occupier of any premises whereon any case of infectious disease has occurred shall, when required by the inspector, permit such inspector to disinfect the premises or any part thereof and any articles therein.

Premises upon which infectious disease reported to be inspected.

7. Upon receipt of a notification of a case of infectious disease, an inspector shall visit the premises whereon the case has occurred, and shall make inquiries as to the mode of contraction of infection, the means taken for preventing the spread of infection, and any other circumstances in connection with the occurrence of the case, and shall immediately after the removal of the patient, or if treated upon the premises, immediately after such patient is declared to be convalescent, disinfect such premises or such portion thereof, and also such articles therein as he deems necessary or as the Medical Officer may direct.

Insanitary buildings to be destroyed.

8. The owner of any premises shall, when required by the Local Authority, destroy any insanitary house, building, or thing, or shall execute such amendments to such house, building, or thing as may be required by the Local Authority.

Infected animals to be destroyed.

9. The occupier of any premises shall, on being so ordered by a Local Authority, immediately destroy any infected animals which may be in his possession or upon premises occupied by him.

Destruction of rats.

10. The owner, tenant, or occupier of every premises shall, at all times, destroy any rats or mice therein, and such method for destruction shall be used as may be directed or approved by the Local Authority.

Preventing the harbourage of rats.

11. The owner, tenant, or occupier of any premises shall, when so ordered by the Local Authority, carry out within the time specified such structural and other alterations thereto and to the drains thereof as may be directed, so as to render the buildings and drains sanitary, and to prevent the same being accessible to or a harbourage for rats.

Disposal of body of person dead of an infectious disease.

12. The occupier of any premises whereon there lies the body of any person who has died of an infectious disease shall cause such body to be buried or disposed of in such method, within such time, and with such precautions as may be directed by the Medical Officer; provided that no such body shall be removed from the premises where death occurred except to a cemetery or morgue.

Medical Officer may examine persons.

13. The Medical Officer may enter any house and examine, bacteriologically or otherwise, any inmate of such house or any person found thereon at the time of such visit, for the purpose of ascertaining whether such inmate or person is suffering from an infectious disease or is a medium for the transmission of an infectious disease, and such person shall submit to such examination and shall permit the Medical Officer to remove such specimens as he considers necessary to a proper examination.

Certificates in cases of diphtheria.

14. When under Section 238 of the Act a medical certificate is given as applying to a case of diphtheria, the certificate must specify that a bacteriological examination has been made with a negative result.

Certificates on return of children to school.

15. No parent shall send to school any child who has been suffering from an infectious disease or who has been in contact with any person who has been so suffering, unless a certificate has been obtained from a medical practitioner and is presented to the head teacher of the school to which the child is sent, certifying that such child is free from infection. Any such certificate shall be approved and endorsed by the Medical Officer.

Special pan service.

16. (a) Whenever required by an inspector a special pan service shall be maintained by the Local Authority or the contractor, as the case may be, at any premises. Such service shall consist of a duplicate pan of the type described in By-law 5 (b), Part I., and the exterior of such special pan shall be painted yellow or red; such pan shall be treated at the sanitary site separately from the other pans, and its contents before burial shall be thoroughly mixed with an equal quantity of a disinfecting solution equal in strength to 5 per cent. pure carbolic acid.

(b) When any pan is left at premises as above mentioned, it shall contain sufficient disinfecting solution of the above strength to cover the bottom of such pan to a depth of at least one inch.

Special disinfection in typhoid cases.

17. The occupier of every premises whereon a case of typhoid fever exists shall disinfect or cause to be disinfected all discharges of the patient before such discharges are placed in the pan provided in accordance with the preceding By-law.

Library books.

18. (a) The person in charge of any library shall not lend a book to any person residing at a house wherein there is a case of infectious disease.

(b) Any person residing at a house where a case of infectious disease occurs, and who has in his possession any book obtained from any lending library shall, before returning such book to any library, disinfect the said book.

Penalties for breaches of By-laws.

19. Where anything by this part of the By-laws is directed to be done or forbidden to be done, or where authority is given to any officer to direct anything to be done or to forbid anything to be done, and such act so directed to be done remains undone, or such act forbidden to be done is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said By-laws. And every person guilty of a breach of this part of the said By-laws shall be liable for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against any such person guilty of such offence, to a penalty not exceeding Twenty pounds for every breach of any such By-law, or to a penalty not exceeding Two pounds for each day during which such breach shall be committed or continued, and in addition to such penalty shall be liable to pay to the Local Authority any expense incurred by such authority in consequence of any breach or non-observance of any By-law, or in the execution of any work directed to be executed and not so executed.

PART III.—PRIVATE HOSPITALS.

1. For the purpose of these By-laws, "Private hospitals" shall be divided into the following classes:—

"A."—Hospitals in which medical, surgical, and maternity cases, and also cases of tuberculosis, beri-beri, or any of the fevers known by the following names:—typhoid or enteric, malarial, dengue, or Malta fever are treated.

"B."—Hospitals in which the following cases are treated:—Cerebro-spinal meningitis, scarlatina or scarlet fever, diphtheria, membranous croup, puerperal fever, septicæmia, pyæmia, erysipelas.

2. A keeper of a private hospital may be granted registration of a hospital under Class "A" and also under Class "B," provided always that that portion of the premises set apart for the treatment of cases under Class "B" shall comply with all the By-laws relating to that class of hospital, and that a separate staff is maintained. A distance as may in each case be de-

termined by the Local Authority shall separate the buildings used for the treatment of cases specified in Class "A" and Class "B" respectively.

3. Every person who occupies or conducts any private hospital shall, within one week of the coming into operation of these By-laws, and thereafter during the first week in September in each year, make application for registration in the form set out in Schedule "A" hereto.

4. The applicant shall cause notice of such application to be published in a newspaper, and the Local Authority shall not give consideration to any such application until one month has elapsed after the publication of such notice.

5. Every person who, after the coming into operation of these By-laws, intends to open, occupy, or conduct any private hospital shall, before opening, occupying or conducting any such private hospital, make application for registration thereof in the manner prescribed in By-law No. 3 hereof.

6. No application for registration shall be granted unless the premises in respect of which registration is sought comply with the following conditions:—

(a) Hospitals in Class "A" shall be so situated that the building used as the hospital shall, on all sides, have between it and the boundary of the land used for the purposes of a hospital, a clear space of not less than fifteen feet.

Hospitals in Class "B" shall be so situated that the building used as the hospital shall, on all sides have between it and the boundary of the land used for the purposes of a hospital a clear space as may in each case be determined by the Local Authority.

(b) Every room to be occupied by one or more patients shall have at least one thousand cubic feet of air space and one hundred square feet of floor area and eight feet of lineal wall space for each patient, and if the floor be of wood, the bottom edges of the ground floor joists of every such room shall be at least nine inches above the ground, and the space under every such floor sufficiently ventilated.

(c) Every such room shall be separately and independently and efficiently ventilated to the external air.

(d) Every such room shall be provided with windows in the external walls, having a ratio of one square foot of clear glass to each ten square feet of floor area.

(e) Every such room is constructed so as to be readily isolated.

(f) Every wall of such room shall be properly protected immediately above the foundations by a durable damp course.

(g) The inner surfaces of every wall and every ceiling shall be so constructed that they can without sustaining injury be frequently washed or disinfected.

(h) The angles which are formed by one wall with any other wall and by any wall with the ceiling shall be rounded.

(i) The external walls shall be weather-proof, the roof watertight, and properly provided with gutters and down-pipes.

(j) The drainage of the premises shall be sufficient and satisfactory and in accordance with the By-laws of the Local Authority.

(k) The water supply shall be abundant and wholesome.

(l) Ablutionary appliances shall be provided of such number and so arranged as the medical officer may prescribe.

(m) A laundry with all necessary appliances, sufficient to cleanse and disinfect all bedding, body clothing, linen, napery and other similar articles shall be provided.

(n) At least three-fifths of the area of the site shall be unbuilt upon and open to the sky.

7. Upon receipt by the Local Authority of an application for the registration of any premises as a private hospital, it shall direct inquiries to be made respecting the application and the applicant, and if, after such inquiry, and upon the receipt from the medical officer of a certificate in the form of Schedule "B" hereto, it appears to the local authority that all the conditions and reservations of the preceding by-laws are satisfied, it may grant the application for registration, and issue

to the applicant a certificate of registration; subject, however, to any conditions it may think fit to impose with respect to the maximum number of patients that shall be lodged in such hospital at any one time, the number of certified nurses to be employed in such hospital, and the period for which such registration is granted.

8. The certificate of the registration granted in the name of the applicant as aforesaid shall be in the form set out in Schedule "C" hereto, and shall not be transferable except with the consent in writing of the local authority.

Every such registration shall operate only during the current municipal year of the City of Perth, and after the thirty-first day of October of that year the premises shall, unless re-registered, become unregistered.

9. The Local Authority may revoke or cancel any registration of a private hospital if the person conducting such hospital or anyone in the employ of such person shall commit any breach or infringement of or shall neglect or fail to observe any of the By-laws; or such registration may be suspended, revoked, or cancelled by the Local Authority upon the recommendation of its medical officer.

10. The Inspector shall at least once in each period of three months inspect every such private hospital, and report to the Local Authority.

11. Every person conducting or keeping a private hospital shall—

- (a) At all times give access to every part of such premises to the medical officer, inspector, or any person appointed by the Local Authority in that behalf, and afford any such officer all reasonable assistance that may for the purpose of inspection be required of him, and shall permit any such medical officer to see and examine any patient in consultation with the medical attendant.
- (b) Flush and disinfect all drains upon the premises at least once in every day, and cause all such drains to be maintained in good order and efficient action.
- (c) Provide and at all times keep upon such premises, in efficient order, all materials and appliances necessary for the use of the inmates and staff, or that may be directed by the medical officer to be furnished.
- (d) At all times exercise a close personal supervision of the premises and the persons employed therein or thereon and cause all orders or directions of the medical practitioner in charge of the treatment of any patient to be faithfully and diligently carried out.
- (e) The keeper of every such private hospital shall not be absent from the premises for more than one week at a time without the written consent of the medical officer.
- (f) Forthwith carry out all orders or directions that may be given from time to time by the inspector relating to the sanitary arrangements, the collection or disposal of excrementitious matters, refuse, and liquid or other wastes.
- (g) At all times keep all household linen, beds, bedding, furniture, cutlery, crockery, cooking and other utensils, and all other things used in the conduct or management of such hospital, thoroughly clean and disinfected, and when required by the medical officer shall disinfect any or all of the said things.
- (h) Not permit persons of different sexes to occupy the same room, except married couples or children under the age of ten years.
- (i) Not permit more than one married couple to occupy the same room.
- (j) Cause all refuse or condemned linen or clothing to be burnt on the premises in such a manner as may be directed by an inspector.
- (k) Provide separate approved airtight receptacles into which all used surgical dressings, human tissues or fluids other than those already provided for in these By-laws shall be placed, and all such special refuse shall be burnt.
- (l) Not make any alteration to any registered premises, or any part thereof, unless with the approval of the medical officer and the written consent of the Town Clerk.
- (m) Not at any time employ, engage, or permit or suffer to be on the premises any person to nurse, assist, or attend any patient, unless

such person is a duly certified nurse or attendant, as hereinafter mentioned, or unless such person is a relative of the patient.

12. (a) The keeper of a hospital of Class "A" shall not permit any maternity or surgical cases to be treated in the same ward as any other class of case, but any maternity case or cases and any surgical case or cases respectively shall be treated in a separate ward, and by a separate staff.

(b) Should any of the diseases specified to be treated in a Class "B" hospital arise in a Class "A" hospital, then the keeper of such hospital shall cause such case to be immediately removed from the hospital; or if the condition of the patient is such that this cannot be done, then no maternity case shall be admitted and treated in the building in which the infectious case is being treated.

(c) Should any case of puerperal fever be admitted to a Class "B" hospital when any other case is under treatment in such hospital, then such case of puerperal fever shall be treated in a separate ward and by a separate staff.

13. Every person conducting or keeping a private hospital shall enter in a book, hereinafter called the case book, particulars concerning all patients received into such hospital, and shall at all times permit the medical officer or inspector of the Local Authority to inspect such case book.

14. Every such person shall cause to be recorded in such case book the full name, age, sex, and address of every patient, also a short history of the patient while in such hospital, giving in particular the date of admission, the nature of any disease manifest at the time of admission or afterwards, any operation performed, with the name of the operator or operators, and the result of such operation, and the date when the patient left the hospital, or, in the event of death occurring, the date of such death.

15. Every such person shall cause to be recorded in such case book, in case of confinement, the date and a short history of such confinement, the result of such confinement, both at the time of delivery and during the subsequent stay in the hospital, and the sex and condition of the infant.

16. Every such person shall cause to be recorded in such case book, in all cases in which a patient has been under the professional care of a medical practitioner, or under the charge of a nurse, the name and address of the medical practitioner or of the nurse.

17. (a) Every such person shall, whenever any infectious or contagious disease is admitted into or occurs in such hospital, immediately report the fact to the local authority.

(b) He shall cause any patient in such hospital discovered or suspected to be suffering from any infectious or contagious disease to be separated or isolated from all other patients in such hospital.

(c) He shall carry out the requirements of the medical officer and execute all such cleansing and disinfecting as may be directed by him.

(d) No such person shall suffer or permit a greater number of patients to be in any hospital than the number mentioned in his certificate of registration.

18. Every person conducting a private hospital shall maintain at all times a sufficient number of nurses and assistants in such hospital.

19. Any person desiring to be qualified to become a nurse or attendant in any hospital shall apply for a certificate to the Medical Officer, who may require the applicant to pass such examination as he thinks fit, and may direct the Town Clerk to grant or refuse such certificate. Any certificate so granted shall be in the form of Schedule "D" to this By-law, and may be cancelled at any time in the discretion of the Health Officer, but until so cancelled the person named therein shall be qualified to nurse or assist in any hospital registered under this By-law.

Penalties for breaches of the By-laws.

20. Where anything by this part of the By-laws is directed to be done or forbidden to be done, or where authority is given to any officer to direct anything to be done or to forbid anything to be done, and such act so directed to be done remains undone or such act forbidden to be done is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said By-laws. And every person guilty of a breach of this part of the said By-laws shall be liable for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings

against such person guilty of such offence, to a penalty not exceeding Twenty pounds for every breach of any such By-law, or to a penalty not exceeding Two pounds for each day during which such breach shall be committed or continued, and in addition to such penalty shall be liable to pay to the Local Authority any expense incurred by such authority in consequence of any breach or non-observance of any By-law, or in the execution of any work directed to be executed and not so executed.

PART IV.—DAIRIES AND MILK SHOPS.

1. "Dairyman" means any person being the owner or having the care or control of any cow or goat from which the milk (or the cream, butter, or cheese therefrom) is sold or otherwise disposed of to any other person.

"Vendor" means any person other than a dairyman, who handles, sells, stores, or otherwise disposes of any milk (or the cream, butter, or cheese made therefrom on the premises), and includes any person keeping a milk shop or milk store.

"Stockyard" means any yard in which dairy cattle are kept, and includes all parts of the premises of a cowkeeper within one hundred feet of any milk room or milking shed, whether fenced or not, to which cattle or other stock have access.

"Dairy cattle" shall include cows and goats, whether actually in milk or not, and any bull or he-goat running with any herd of cows or goats.

2. (a) Every person who, at the coming into operation of these By-laws, is carrying on the business of a dairyman or vendor, and whose premises are not registered with the Local Authority, shall within one month make application to the Local Authority for license to carry on such trade, and for the registration of the premises whereon such trade is carried on.

(b) Every such application shall be made to the Local Authority in the form of Schedule "A," and upon the granting of any such application a license and registration shall be issued in the form of Schedule "B."

3. (a) During the month of October of each year every person carrying on the trade of a dairyman or vendor shall apply for a license to carry on such trade, and for registration of the premises whereon such trade is conducted, in the form of Schedule "A."

(b) Upon the granting of any such application a license and registration in the form of Schedule "B" shall be furnished by the Local Authority.

Every license and registration effected under this and the preceding By-law shall operate only during the current municipal year of the City of Perth.

4. Every person making application as provided in By-laws 2 and 3 shall lodge a fee in accordance with the scale set out in Schedule "C" hereto, and upon the refusal of any such application shall be entitled to the return of such fee.

Provided that if the license and the registration for any year shall commence on or after the first day of May of that year, only one-half of the fee shall be paid by the applicant.

5. (a) Every dairyman or occupier of grazing ground upon which dairy cattle are depastured, and every person for the time being having the control or care of any such premises shall afford the medical officer or any inspector all reasonable assistance that may, for the purpose of inspecting such premises, be required of him.

(b) He shall, upon being directed in writing so to do by any medical officer, forthwith remove his dairy cattle from any portion of the grazing ground upon which they may be depasturing, or from any part of any premises occupied by him, if such grazing land or premises is likely to prejudicially affect the milk or dairy cattle.

(c) He shall not, until permission in writing is given him by such medical officer, permit or suffer any of his dairy cattle to graze or be depastured upon such prohibited land, or re-occupy such prohibited premises.

(d) He shall, whenever required so to do and within a time to be specified by an inspector, muster all his dairy cattle and confine them in a stockyard to be named, or bail them in the milking shed, as may be directed by any such inspector as aforesaid, and he shall also otherwise assist, as may be required, in any inspection, examination or test of the said cattle when so mustered or bailed.

6. (a) Every dairyman shall cause every stockyard and stable upon his premises or used by him to be properly drained.

(b) He shall provide sufficient stabling accommodation for the horses kept on the premises, and such stabling shall be disconnected from and be at least 50 feet distant from the milking shed, or the milk room, or any place where milk is stored.

(c) He shall not suffer or permit any animal other than dairy cattle to be at any time in his milking shed or in any place where milk is kept.

(d) He shall not suffer or permit any dung or manure, offensive liquid, or offensive or noxious matter of any kind to accumulate or remain upon his premises.

7. (a) No person shall erect or permit or suffer to be erected any fowl-house or enclosure for fowls within fifty feet of any milking-shed, milk room, or place where milk is stored or kept.

(b) No dairyman or vendor shall permit any live poultry to be at large upon any part of the premises used in connection with his business, and shall, when ordered by an inspector, confine such live poultry within approved enclosures.

8. No person shall erect or permit or suffer to be erected any piggery or enclosure for swine within one hundred feet of any milking shed, milk room, or place where milk is stored or kept.

9. Every dairyman or vendor shall provide and maintain sanitary conveniences as provided by By-laws 1 to 6 of Part I. He shall not have any sanitary convenience within fifty feet of a milking shed, or milk room, or any place where milk is stored or kept.

Feeding of Animals.

10. (a) No dairyman shall serve or permit or suffer to be served to his cows or goats as food any musty, unsound, decayed, or unwholesome food, or any food which may injuriously affect the milk or health of such cows or goats, and if at any time an inspector has reasonable grounds for considering that any cattle food in or upon premises is unsound or unfit for use as food, he may require the dairyman to remove such food, and such dairyman shall thereupon remove such food from the premises.

(b) He shall not permit or suffer any dry or dusty food to be fed to any animal in the milking shed while milking is in progress.

Water Supply.

11. (a) Every dairyman shall keep in or connection with every milking shed or stockyard in his occupation an abundant supply of wholesome water.

(b) He shall cause every such milking shed or stockyard to be provided with approved receptacles of sufficient capacity for watering his dairy cattle, and every such receptacle shall be maintained in good repair and kept clean, and constantly supplied with wholesome water.

(c) He shall cause any tank or other receptacle which may be provided for storing water to be emptied and cleansed from time to time, as often as may be necessary, to prevent the contamination of any water that may be stored therein.

(d) If the water used by him for dairy purposes is obtained from a well, spring, stream, or any other natural source, he shall prevent any such source of supply being contaminated on his premises.

(e) He shall not suffer nor permit any of his dairy cattle to have access to impure or contaminated water.

Milking Shed.

12. (a) Every dairyman shall provide a proper milking shed in which his cows shall be milked, and such milking shed shall be roofed of approved material, so that the roof is weatherproof, and the lowest part of such roof shall be not less than seven feet in the clear above the floor, and such shed shall be efficiently ventilated to the satisfaction of the Medical Officer or inspector.

(b) He shall cause the floor of such milking shed to be constructed of good, durable, non-absorbent materials laid upon a sound, solid foundation so as to be permanently watertight and evenly graded with proper slopes, which shall be in the direction opposite to the feeding trough, to impervious open drains or channels laid the whole length of the shed or structure and of such width as to permit of being readily cleansed with a broom; and no part of the surface of such floor shall be at less than three inches above the adjoining ground.

(c) He shall cause such open drains or channels to discharge to a trapped gully, situated outside the milking shed, or to a covered impervious receptacle of sufficient capacity to contain at least one day's flow of drainage, which receptacle shall not be less than 20 feet distant from such milking shed and from any milkroom.

(d) He shall cause every wholly enclosed milking shed in his occupation to be sufficiently lighted by suitable openings in its walls or roof.

(e) He shall not permit any feed-mixing bin to be within such milking shed.

Milk Room.

13. Every dairyman and every vendor shall provide on his premises a detached room, which shall comply with the following conditions:—

(a) It shall be at least ten feet from any milking shed.

(b) It shall be at least six feet square in area, and eight feet in height measured from the top of the finished floor to the lowest part of the roof or ceiling.

(c) The floor shall be paved with impervious material laid so that the lowest part of its surface is at least six inches above the adjacent ground. It shall have a fall of not less than one in one hundred and twenty to an impervious channel, discharging over a trapped gully outside the building and properly connected to a drain, or to an impervious receptacle of ample dimensions situate at least ten feet from the room and from the milking shed. The surface of such floor shall be finished smoothly and evenly, so as to afford no lodgment for liquids.

(d) The room shall be sufficiently ventilated and lighted.

(e) All exterior openings shall be fitted with fly-proof screens, constructed of suitable material, and the door shall be hung so as to be self-closing.

(f) The walls and roof shall be constructed of approved materials, and the external surfaces of the walls, if such walls are not constructed of stone, brick, or concrete, and the external surface of the roof, if of metal, shall be properly painted with an approved refrigerating paint, and shall be repainted with a similar material whenever necessary or whenever ordered by an inspector.

(g) The internal wall surfaces, the ceiling, or if there is no ceiling, then the underside of the roof shall be covered with hard, smooth, and impervious material, and finished so as to afford no lodgment for dirt.

(h) The woodwork of the doors, the windows and their frames shall be properly painted, and fitted so as to be fly-proof.

(i) The shelves, benches, tables, racks, or other fittings of such room shall be made of smoothly dressed wood or other approved material, and so fitted that they may be readily removed for cleansing purposes.

(j) The room shall be equipped with sufficient milk strainers of approved material and design, and with an approved cooler or refrigerator, which shall be properly connected with a cold water supply.

(k) The dairyman or vendor shall at all times maintain such room and all its fittings and utensils in good order and repair, and scrupulously clean in every part, both inside and outside and secure the removal and exclusion of flies from its interior.

(l) He shall not suffer or permit such room to be used for any purpose other than the handling or housing of milk or milk products, or the storage of milk vessels.

(m) He shall, whenever required to do so, pave the ground immediately surrounding the milk room with a layer of not less than three inches thick of approved material, and to a width of at least six feet.

(n) He shall cause every vessel or utensil used by him for containing milk, when not in actual use in the collecting or distribution of milk, or in the process of being cleansed, to be stored in such milk room.

(o) He shall not allow sour milk to remain in the milk room.

Precautions in regard to milking.

14. (a) Every dairyman or vendor shall protect the milk from infection or contamination during the process of milking.

(b) He shall immediately prior to the milking of any animal cause the udder and teats of such animal, and the adjacent parts of the animal's skin, to be thoroughly cleansed, and the hands of the person milking such animal to be first thoroughly cleansed, for which purpose suitable appliances shall be provided by him in a convenient situation.

(c) He shall cause the milk drawn from any animal on his premises (except as hereinafter mentioned) to be forthwith taken to the milk room, and there immediately strained and cooled.

(d) He shall not mix with any milk intended to be used for human consumption, the milk from any animal within thirty days before or five days after parturition, nor shall he mix with any milk intended for human consumption the first jets of milk drawn from any teat.

(e) He shall not allow any of his animals to be excited by hard driving, abuse, or harsh treatment.

Care of Milk during transport, storage, etc.

15. (a) Every dairyman or vendor shall take all reasonable and proper precautions in and in connection with the housing, storage, carriage, transport, or distribution of milk to prevent the exposure of the milk to any infection or contamination, or to anything likely to prove injurious or deleterious to it.

(b) He shall not deposit nor keep any milk, or any milk vessel, implement, or article used in his trade or in connection therewith—

in any room or place where it or they would be liable to become contaminated by impure air, or by any offensive, noxious or deleterious gas or substance; or

in any room used as a kitchen, bedroom, or living room; or

in any room or building or part of a building communicating directly by door, window, ventilation, or otherwise with any room used as a bedroom, living room or kitchen, or in which there may be any person suffering from any infectious or contagious disease, or which may have been used by any person suffering from any such disease, and may not have been properly disinfected; or

in any room or building, or part of a building in which there may be any drain inlet.

(c) He shall not house, store, or keep any vessels, utensils, receptacles, coolers or any articles used by him to contain or treat milk, within one hundred feet of an offensive trade establishment, except with the written consent of the Local Authority.

(d) He shall not keep or cause or suffer any milk to be placed in any vessel, receptacle or utensil, or run over a cooler or refrigerator, which is not thoroughly clean and properly tinned or enamelled.

(e) He shall cause all cans and other receptacles used by him in the carriage of milk to be furnished with close-fitting lids, and he shall not suffer or permit any rag, cloth, or other material to be used with any such lid.

(f) He shall cause all vessels, utensils, receptacles, coolers or any articles used by him to contain or treat, or manipulate milk to be properly tinned or enamelled, and maintained at all times clean and in thorough order and repair.

(g) He shall not suffer nor permit milk, whilst in transport or distribution, to be unnecessarily exposed to the sun.

Cleanliness of Vehicles, Utensils, etc.

16. (a) Every dairyman or vendor shall provide an approved apparatus for heating water for cleansing, steaming, scalding, or sterilising process, and shall locate such apparatus in a position approved by an Inspector.

(b) He shall not allow any such apparatus to be used for washing or boiling bed or body clothing, or for any purpose other than that specified in the preceding clause.

(c) He shall cause every vessel, receptacle, utensil, strainer, cooler, or any other article used by him for containing, treating, or manipulating milk to be thoroughly cleansed immediately after it shall have been used, and then sterilised with steam or clean boiling water.

(d) He shall cause all bottles and the stoppers of any such bottles used by him in his trade to be thoroughly cleansed and sterilised before re-use or re-filling.

(e) He shall cause every wheeled vehicle used by him for the carriage or distribution of the milk to be thoroughly cleansed at least once a day.

(f) He shall cause any tank or other receptacle which may be provided for storing water to be emptied and cleansed from time to time as often as may be necessary to prevent the contamination of any water that may be stored therein; such cleansing shall not be less seldom than once a year, or oftener if so ordered by an Inspector.

Cleanliness of Premises.

17. (a) Every dairyman shall cause the ceiling or underside of the roof and the interior surface of the walls of every milking shed in his occupation to be properly cleansed and limewashed at least four times in every year, that is to say, once during the first week of the months of January, April, July, and October, and at such other times as may be specified in an order in writing from the Medical Officer or Inspector. Provided that this requirement shall not apply to any part of such ceiling, roof, or walls that may be properly painted or varnished or constructed of or covered with any material such as would render the limewashing unsuitable or inexpedient, and that may be otherwise properly cleansed.

(b) He shall cause the floor of every milking shed in his occupation to be thoroughly swept and cleansed and all dung and other offensive matters to be removed from such shed immediately after each milking, and shall cause every part of such shed to be thoroughly cleansed as often as may be necessary to ensure that such shed shall be at all times clean.

(c) He shall cause every stockyard and stable in his occupation to be kept clean, and shall every day collect and remove all dung and other offensive matters from every such stockyard and stable.

(d) He shall cause every drain, drain inlet, or drainage receptacle upon his premises to be thoroughly cleansed daily, and the contents of every such drainage receptacle to be removed from his premises.

(e) He shall, whenever required so to do by an inspector, disinfect his milking shed or any other building upon his premises, in the manner and with such materials and appliances as may be directed by the inspector.

(f) He shall cause the ceiling or the underside of the roof and the interior surface of the walls and the floor of every forage or feed store and feed-mixing room, and every feed trough or bin or receptacle used for mixing feed on his premises to be kept clean.

Removal of manure, etc.

18. No dairyman or vendor shall allow dung, manure, offensive or putrescible matter of any kind to accumulate or remain in, upon, or about any house, milk room, milking shed, stable, stockyard, fowlhouse, pigery, or enclosure for fowls upon his premises, but shall cause the same to be removed daily.

Disease among dairy stock.

19. (a) Every dairyman shall immediately report to the Local Authority and Commissioner the occurrence of any of the diseases in his dairy stock specified in Schedule "D" hereto.

(b) He shall, when directed by a medical officer or an inspector, cause every cow or any other animal suffering from an infectious disease or in an infectious condition, or suffering from any disease which in his opinion may affect the wholesomeness of the milk, to be isolated in such a manner as is directed by such medical officer or inspector.

(c) Neither he nor any other person shall allow any diseased cow or other diseased animal to come in contact with or graze upon the same grazing ground, or to be at large on any ground occupied or traversed by such cattle.

(d) He shall cause any diseased cattle to be destroyed forthwith upon receipt of an order in writing from the Local Authority to that effect, and he shall cause the carcass of any such cow or other animal to be disposed of in the manner specified in such order.

Provided that any inspector who is a qualified veterinary surgeon is empowered, in the case of a cow suffering from any disease of the udder, to himself order the destruction of the animal affected.

20. (a) Every dairyman shall, for the purpose of protecting milk against infection or contamination at any time, and from time to time, permit the tuberculin test to be applied to any cow or other bovine animal in his possession or under his control by any person duly approved by the Commissioner or Medical Officer to perform such test.

(b) He shall make no addition to his dairy herd of any animal or animals without the written permission of an officer specially appointed by the Commissioner or Medical Officer, and such officer may examine such animal or animals and apply such tests as he deems necessary to ascertain the freedom from disease or otherwise of such animal or animals.

21. (a) Every dairyman or vendor shall take every precaution against the infection or contamination of the milk by any person or animal suffering from any infectious or contagious disease.

(b) He shall, whenever any sickness occurs in any houses or premises in his occupation, immediately report such occurrence to the Local Authority.

(c) He shall from time to time, if required to do so by the Medical Officer, furnish to such Medical Officer a written list of the names and addresses of his customers.

(d) He shall, whenever so required by the Medical Officer, forthwith remove from his premises any sick person that may be therein.

(e) He shall not permit any person suffering from any infectious or contagious disease, or recently in contact with or in attendance upon any other person so suffering, to milk any animal or handle any vessel used for containing milk, to take part in the preparation or distribution of any milk produced or brought upon his premises.

22. The Medical Officer may, by notice in writing to the dairyman or milk vendor, temporarily prohibit the sale of milk from any dairy where any animal is diseased or supposed to be diseased, or where any person is suffering or supposed to be suffering from an infectious disease, or where there are reasonable grounds for suspecting that the milk supply from such dairy is causing the spread of infectious disease, and any notice given under this By-law shall remain in operation until cancelled.

Penalties for breaches of By-laws.

23. Where anything by this part of the By-laws is directed to be done or forbidden to be done, or where authority is given to any officer to direct anything to be done or to forbid anything to be done, and such act so directed to be done remains undone or such act forbidden to be done is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said By-laws. And every person guilty of a breach of this part of the said By-laws shall be liable for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, to a penalty not exceeding Twenty pounds for every breach of any such By-law, or to a penalty not exceeding Two pounds for each day during which such breach shall be committed or continued, and in addition to such penalty shall be liable to pay to the Local Authority any expense incurred by such authority in consequence of any breach or non-observance of any By-law, or in the execution of any work directed to be executed and not so executed.

PART V.

Boarding-houses.

1. Every person applying to be registered as the keeper of a boarding-house shall make application in the form of Schedule "A" hereto, and upon the granting of such application he shall receive from the Local Authority a certificate in the form of Schedule "B."

2. Every person shall, with such application, lodge a fee as prescribed by Schedule "C" hereto, and apply annually, during the month of November, make application for the renewal of registration of his premises, and with such application shall pay a fee in accordance with the said schedule.

3. No keeper of a boarding-house shall permit a larger number of persons to occupy any sleeping apartment in such house at any one time than will admit of each such person having at least five hundred cubic feet of air space.

(For the purpose of this clause two children under ten years of age shall be counted as one person.)

4. No house shall be registered as a boarding-house unless each room intended for use as a sleeping apartment for boarders shall bear a distinguishing number, and the keeper of such house shall cause such distinguishing number to be conspicuously printed in two-inch figures on each side of the door of such room.

5. (a) The Local Authority shall issue to every keeper of a boarding-house a certificate in respect of such separate rooms, and such certificate shall specify the maximum number of boarders which shall be permitted to occupy each such room respectively as a sleeping apartment at any one time.

(b) The Local Authority may from time to time vary the number of boarders to be received into any such room, and a notice shall be served on the keeper of such house specifying such varied number of boarders, and such keeper shall not allow a greater number of boarders into such room than is specified on such notice after the time stated therein.

(c) The certificates and notices to be given under the provisions of this By-law shall be in the form of Schedules "D" and "E" respectively.

6. The keeper of every boarding-house shall at all times keep the certificate of notice mentioned in the last preceding By-law exhibited in a conspicuous place in the sleeping apartment in respect of which any such certificate or notice shall be issued.

7. No keeper of a boarding-house shall permit any room to be used as a sleeping apartment for boarders other than a room certified for that purpose.

8. No keeper of a boarding-house shall make any alterations to any such room except with the consent of the Local Authority.

9. No room shall be registered as a sleeping apartment for boarders if it be situated in a basement or below the level of the ground, or if it be used as a kitchen, scullery, dining or general sitting room, or unless such room is lit by windows placed in the external walls, having a ratio of not less than one square foot of unobstructed glass to each ten square feet of floor area.

10. No room shall be certified as a sleeping room for boarders unless such room is sufficiently ventilated, and the keeper shall maintain all such means of ventilation as have been approved in good order and efficient action.

11. No keeper of any boarding-house shall cause or allow any boarder to occupy any bed in such house after such bed shall have been vacated by the last preceding occupant thereof, unless such bed shall be provided with fresh bed linen.

12. No keeper of a boarding-house shall absent himself from such house unless he leaves some reputable person in charge thereof.

13. The keeper of every boarding-house shall—

- (a) Cause the floor of every room and passage and every stair in such house to be thoroughly clean, and to be at least once a week thoroughly washed.
- (b) Cause the yard and out premises to be swept daily and to be kept at all times clean and free from filth.
- (c) Cause the seat and floor of every privy on the premises to be scrubbed and washed daily, and the walls to be lime-washed at least once in three months, or so much more frequently as may be directed by an inspector.
- (d) Cause every window, every fixture or fitting of wood, stone, or metal, and every painted surface in such house to be thoroughly cleansed at least once a month, or so much more frequently as may be directed by an inspector.
- (e) Provide a sufficient number of lavatory appliances and clean towels and a sufficient quantity of clean water and soap for ablutionary purposes, and shall cause all such articles to be kept in good order and clean, and shall renew the supply of water and soap and clean towels as often as requisite.
- (f) Disinfect such towels as may be required by an inspector.
- (g) Cause all faeces, urine, or other refuse to be removed from every room once at least in every day before the hour of ten in the forenoon, and every vessel, utensil, or other receptacle for such faeces, urine, or refuse shall be thoroughly cleansed at least once in every day.
- (h) Cause all beds, bedsteads, blankets, rugs, covers, sheets, towels, and house linen to be kept clean, free from vermin, and in a wholesome condition.
- (i) Cause every sheet and all household linen in use to be washed at least once in every week.
- (j) Furnish every sleeping apartment with a sufficient number of toilet utensils and, bedsteads and sufficient bedding so that each bed shall be provided with a mattress, two sheets, a blanket or rug, and in winter time not less than one additional blanket or rug.

(k) Cause all doors and windows of every sleeping apartment to be opened and kept fully opened at least four hours during each day.

(l) Cause the bed clothes of every bed to be removed therefrom as soon as conveniently may be after each bed shall have been vacated by any boarder, and such bed clothes and bed to be freely exposed to the air during two hours at least of each day.

(m) Cause any room together with its contents, or any other portion of the premises, to be cleansed and disinfected whenever directed so to do by an inspector.

(n) Exhibit in a suitable and conspicuous position in each bedroom upon the premises copies of all By-laws received from the Local Authority, so that the contents may be clearly and distinctly legible.

(o) Permit any inspector or police officer or constable to inspect any portion of the premises at any time, and truthfully answer all inquiries made by such inspector, police officer, or constable.

(p) Cause any part of his premises or any fittings thereon to be painted at such times and in such manner as is directed by the medical officer or inspector.

Infectious Diseases.

14. The keeper of every boarding-house shall prevent all bedding, linen, blankets, towels, and other similar articles which have been used by a person suffering from an infectious disease from coming in contact with similar articles used by other inmates of the premises, and shall forthwith sufficiently disinfect all such articles, and in so doing shall obey any directions given by the medical officer or by an inspector.

15. The keeper of every boarding-house shall, as soon as it comes to his knowledge that any person on the premises is suffering from an infectious disease, effectively isolate such person until removal to some hospital, and he shall provide separate knives, forks, spoons, plates, and other articles used in the consumption of food for the use of each person, and such articles shall, immediately after use, be efficiently disinfected.

16. The keeper of every boarding-house shall, immediately upon the vacating of any room which has been occupied by a person suffering from an infectious disease, effectively disinfect such room, and shall take such other measures in respect of such room or the contents thereof as an inspector may direct.

Precautions against fire.

17. The keeper of every boarding-house shall provide and maintain fire extinguishing appliances of the number and pattern, and situate in such position as the Local Authority may direct.

18. The keeper of every boarding-house licensed to accommodate more than twenty-five people above the ground floor shall provide on each floor above the ground floor at least one stairway leading from such floor to the floor immediately below other than the main stairway, so situated and constructed of fire-resisting material as may be directed by the Local Authority.

19. No premises shall be registered as a boarding-house unless—

- (a) The external walls and roof thereof are weather-proof and watertight.
- (b) Every wall, including every partition wall, is provided with a damp-proof course.
- (c) Every part of the floor, if of wood, is at least twelve inches above the surface of the ground; if of concrete, then the upper surface is not less than three inches above the surface of the ground.
- (d) Every internal wall is complete from the floor to a height of not less than eight feet.
- (e) Every passage is at least four feet wide.
- (f) Every main stairway is at least three feet six inches in width, the risers not greater than six and a-half inches in height, and the treads not less than ten inches in width, and every stairway is free from winders.
- (g) Every stairway is provided with handrails on both sides thereof, the handrails to be two feet eight inches above the nosing of the treads.

- (h) Separate sanitary conveniences are provided for each sex, and so situated and screened as to ensure sufficient privacy.
- (i) Each such convenience during the hours of darkness is sufficiently lighted by artificial light.
- (j) The inner surface of all walls is so constructed that they can, without sustaining injury, be washed.

20. The keeper of every boarding-house shall take such measures for the destruction of vermin as may be directed by an inspector.

21. Where anything by this part of the By-laws is directed to be done or forbidden to be done, or where authority is given to any officer to direct anything to be done or to forbid anything to be done, and such act so directed to be done remains undone or such act forbidden to be done is done, in every such case the person making such default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said By-laws. And every person guilty of a breach of this part of the said By-laws shall be liable for every such offence, besides any costs which may be incurred in the taking of proceedings against such person guilty of such offence, as well as any costs or expenses which may be incurred in the execution of the work directed to be so executed and not so executed, to a penalty not exceeding Twenty pounds for every breach of any such By-law, or to a penalty not exceeding Two pounds for each day during which such breach shall be committed or continued.

This section does not apply to the three offences enumerated in Section 131 of 'The Health Act, 1911.'

No house shall be registered as a lodging-house unless each room intended for use as a sleeping apartment for lodgers shall bear a distinguishing number, and the keeper of such house shall cause such distinguishing number to be conspicuously printed in two-inch figures on each side of the door of such room.

5. (a) The Local Authority shall issue to every keeper of a lodging-house a certificate in respect of such separate rooms, and such certificate shall specify the maximum number of lodgers which shall be permitted to occupy each such room respectively as a sleeping apartment at any one time.

(b) The local authority may from time to time vary the number of lodgers to be received into any such room, and a notice shall be served on the keeper of such house specifying such varied number of lodgers, and such keeper shall not allow a greater number of lodgers into such room than is specified on such notice after the time stated therein.

(c) The certificates and notices to be given under the provisions of this By-law shall be in the form of Schedule "D" and "E" respectively.

6. The keeper of every lodging-house shall at all times keep the certificate or notice mentioned in the last preceding by-law exhibited in a conspicuous place in the sleeping apartment in respect of which any such certificate or notice shall be issued.

7. No keeper of a lodging-house shall permit any room to be used as a sleeping apartment for lodgers other than a room certified for that purpose.

8. No keeper of a lodging-house shall make any alterations to any such room except with the consent of the local authority.

9. No room shall be registered as a sleeping apartment for lodgers if it be situated in a basement or below the level of the ground, or if it be used as a kitchen, scullery, dining, or general sitting room; or unless such room is lit by windows placed in the external walls, having a ratio of not less than one square foot of unobstructed glass to each ten square feet of floor area.

10. No room shall be certified as a sleeping-room for lodgers unless such room is sufficiently ventilated, and the keeper shall maintain all such means of ventilation as have been approved in good order and efficient action.

Separation of sexes.

11. No keeper of a lodging-house shall allow persons of different sexes to occupy together the same sleeping apartment, except in the case of children under the age of ten years or of married couples, in which latter case no other person above the age of ten years, and not more than one married couple shall be allowed to occupy the same sleeping apartment at any one time.

12. No keeper of a lodging-house shall cause or allow any bed in any room which may be used as a sleeping apartment by persons of the male sex above the age of ten years, to be occupied at any one time by more than one such person.

13. No keeper of any lodginghouse shall cause or allow any lodger to occupy any bed in such house at any time within a period of eight hours after such bed shall have been vacated by the last preceding occupant thereof, unless such bed be provided with fresh bed linen.

14. No keeper of a lodging-house shall absent himself from such house unless he leaves some reputable person in charge thereof.

15. The keeper of every lodging-house shall—

- (a) Cause the floor of every room and passage and every stair in such house to be thoroughly clean, and to be at least once a week thoroughly washed.
- (b) Cause the yard and out premises to be swept daily, and to be kept at all times clean and free from filth.
- (c) Cause the seat and floor of every privy on the premises to be scrubbed and washed daily, and the walls to be lime-washed at least once in every three months or so much more frequently as may be directed by an inspector.
- (d) Cause every window, every fixture or fitting of wood, stone, or metal, and every painted surface in each house to be thoroughly cleansed at least once a month, or so much more frequently as may be directed by an inspector.
- (e) Provide a sufficient number of lavatory appliances and clean towels, and a sufficient quantity of clean water and soap for ablutionary purposes, and shall cause all such articles to be kept in good order and clean, and shall renew the supply of water and soap and clean towels as often as requisite, and shall cause such appliances, towels, soap and water to be supplied, in the case of female lodgers in their sleeping apartments, and in the case of male lodgers, either in the sleeping apartments or in a convenient room set apart and fitted exclusively for that purpose.
- (f) Disinfect such towels as may be required by an inspector.
- (g) Cause all faeces, urine, or other refuse to be removed from every room at least once in every day before the hour of ten in the forenoon, and every vessel, utensil, or other receptacle for such faeces, urine, or refuse shall be thoroughly cleansed at least once in every day.
- (h) Cause all beds, bedsteads, blankets, rugs, covers, sheets, towels, and house linen to be kept clean, free from vermin and in a wholesome condition,

- (i) Cause every sheet and all household linen in use to be washed at least once in every week.
- (j) Furnish every sleeping apartment with a sufficient number of toilet utensils and bedsteads, and sufficient bedding so that each bed shall be provided with a mattress, two sheets, a blanket or rug, and in winter time not less than one additional blanket or rug.
- (k) Cause all the doors and windows of every sleeping apartment to be opened and kept fully opened at least four hours during each day.
- (l) Cause the bed clothes of every bed to be removed therefrom as soon as conveniently may be after each bed shall have been vacated by any lodger, and such bed clothes and bed to be freely exposed to the air during two hours at least each day.
- (m) Cause any room, together with its contents, or any other portion of the premises to be cleansed and disinfected whenever directed so to do by an Inspector.
- (n) Exhibit in a suitable and conspicuous position, in each bedroom upon the premises, copies of all By-laws received from the Local Authority, so that the contents may be clearly and distinctly legible.
- (o) Permit any inspector or any police officer or constable to inspect any portion of the premises at any time, and truthfully answer all inquiries made by such inspector, police officer or constable.
- (p) Cause any part of his premises or any fittings thereon to be painted at such times and in such manner as is directed by the medical officer or inspector.

Infectious diseases.

16. The keeper of every lodging-house shall prevent all bedding, linen, blankets, towels, and other similar articles which have been used by a person suffering from an infectious disease from coming in contact with similar articles used by other inmates of the premises, and shall forthwith sufficiently disinfect all such articles, and in so doing shall obey any directions given by the medical officer or by an inspector.

17. The keeper of every lodging-house shall, as soon as it comes to his knowledge that any person on the premises is suffering from an infectious disease, effectively isolate such person until removal to some hospital, and he shall provide separate knives, forks, spoons, plates, and other articles used in the consumption of food for the use of each person, and such articles shall, immediately after use, be efficiently disinfected.

18. The keeper of every lodging-house shall, immediately upon the vacating of any room which has been occupied by a person suffering from an infectious disease, effectively disinfect such room, and shall take such other measures in respect of such room or the contents thereof as an inspector may direct.

Precautions against fire.

19. The keeper of every lodging-house shall provide and maintain fire-extinguishing appliances of the number and pattern and situate in such position as the Local Authority may direct.

20. The keeper of every lodging-house licensed to accommodate more than twenty-five people above the ground floor shall provide, on each floor above the ground floor at least one stairway leading from such floor to the floor immediately below, other than the main stairway, so situated and constructed of fire-resisting material as may be directed by the Local Authority.

21. No premises shall be registered as a lodging-house unless—

- (a) The external walls and roof thereof are weather-proof and watertight.
- (b) Every wall, including every partition wall, is provided with a damp-proof course.
- (c) Every part of the floor, if of wood, is at least twelve inches above the surface of the ground; if of concrete, then the upper surface is not less than three inches above the surface of the ground.
- (d) Every internal wall is completed from the floor to a height of not less than eight feet.
- (e) Every passage is at least four feet wide,

- (f) Every main stairway is at least three feet six inches wide; the risers not greater than six and a-half inches in height, and the treads not less than ten inches in width, and every stairway is free from winders.
- (g) Every stairway is provided with hand rails on both sides thereof; the hand-rails to be two feet eight inches above the nosing of the treads.
- (h) Separate sanitary conveniences are provided for each sex, and so situated and screened as to ensure sufficient privacy.
- (i) Each such convenience, during the hours of darkness, is sufficiently lighted by artificial light.
- (j) The inner surface of all walls is so constructed that they can, without sustaining injury, be washed.
22. The keeper of every lodging-house shall take such measures for the destruction of vermin as may be directed by an inspector.

Penalties for breaches of By-laws.

23. Where anything by this part of the By-laws is directed to be done or forbidden to be done, or where authority is given to any officer to direct anything to be done, or to forbid anything to be done, and such act so directed to be done remains undone, or such act forbidden to be done is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said By-law, and every person guilty of a breach of this part of the said By-law shall be liable, for every such offence, besides any costs which may be incurred in the taking of proceedings against such person guilty of such offence, as well as any costs or expenses which may be incurred in the execution of the work directed to be so executed and not so executed, to a penalty not exceeding Twenty pounds for every breach of any such By-law, or to a penalty not exceeding Two pounds for each day during which such breach shall be committed or continued.

This section does not apply to the three offences enumerated in Section 131 of "The Health Act, 1911."

4. The occupier of every such premises shall, when so ordered by the Local Authority, pave the floor or such portion thereof as may be directed with impervious materials, in such manner as is specified in the order; and shall, when so ordered, further provide proper drainage, so that all liquids falling upon such floor shall be conducted to a drain inlet situated outside the building within which the floor is laid.

5. Every occupier of such premises shall, when so ordered by the Local Authority, line the walls of any such premises, or such portion thereof as may be specified, to such a height from the floor as may be directed.

6. The occupier of every such premises shall cause such premises to comply with the following conditions:—

(a) Every room which is used in connection with the manufacture, preparation, or keeping of food shall be properly ceiled.

- (b) Every such room shall be provided with natural light in the ratio of one square foot of window area to every ten square feet of floor area.
- (c) Every such room shall be efficiently ventilated by through ventilation.
- (d) Every such room shall be provided with effective sub-floor ventilation, unless the floor be of concrete or similar impervious material.
- (e) All offensive material or trade refuse produced upon such premises shall be immediately placed in an impervious receptacle, provided with a tight-fitting cover, and the contents of such receptacle shall be removed at least once in each week, or with such greater frequency as may be directed by an Inspector, and
- (f) Every such receptacle shall, after each emptying, be thoroughly cleansed.

7. Every occupier of any such premises shall cause all food which is ordinarily consumed in the condition in which it is sold to be protected from contamination by flies or dust, by one of the following methods—

- (a) Cause all such foods to be kept in enclosures covered by glass or fine-mesh wire gauze.
- (b) Cover all door and window openings, and other apertures on the premises with screens of fine-mesh wire gauze, and fit all doors so that they are self closing.

Every such occupier shall maintain the fittings provided under this By-law at all times in good order and repair.

8. Every occupier of such premises shall provide for use by his employees wash-hand basins in the ratio of one to every ten employees, and shall maintain a supply of soap and clean towels in connection with such basins. Every occupier of such premises shall provide an efficient supply of wholesome water.

9. The occupier of any such premises shall not permit any sanitary convenience to be situated in any room where food is manufactured, prepared, or kept; and any sanitary convenience, and also any stable shall be so situated as to be completely cut off from any such room by cross ventilation.

10. The occupier of every such premises shall provide a receptacle in which any food withdrawn from sale shall be immediately placed, and any food not within such receptacle shall be deemed to be exposed for sale.

11. No person shall use any place for or in connection with the sale, manufacture, preparation, storage, or packing of any food for sale, which is at any time used as a sleeping or living apartment, or which communicates directly with a sleeping apartment, or in which anything is kept, or any animal allowed to be, or in which any work is carried on which would be likely to contaminate such food or injuriously affect its wholesomeness or cleanliness.

12. No person shall deposit any vegetable or other food intended for sale for human consumption upon the floor of any premises, and all such deposits shall be kept at least nine inches clear of such floor in such a way that there is a clear space between the floor and the underside of the staging or support upon which the deposits are kept.

13. No person shall use or permit to be used any cellar for the storage or preparation of food, unless with the written consent of the local authority.

14. No person who sells bread, meat, fish, or milk, and no employee of any such person shall change or receive from a purchaser any bread, meat, fish, or milk which has previously been delivered to such purchaser unless for the reason that such food is unwholesome, and whenever any food is so changed or received it shall be immediately destroyed or placed in a refuse receptacle.

15. 31. No person shall apply to his mouth any vessel or utensil which contains milk, or which comes into contact with any milk for sale.

32. No person shall keep, store, carry, or place or suffer to be kept, stored, carried, or placed any milk for sale or in course of delivery to any customer, so as to be exposed to flies or dust, or so as to be accessible to any animal.

33. No person shall suffer the interior of any vessel used for containing or for measuring milk to be exposed to flies or dust.

34. No person shall keep, measure, carry, or deliver any milk for sale, or cause or suffer any such milk to be kept, measured, carried, or delivered in any vessel which is not clean.

35. No person shall use any vessel with rough or torn edges or surface for containing, measuring, or carrying, any milk for sale or for delivery to any customer.

36. No person shall store, keep, or sell milk in any place in which is stored, kept, or sold, any kerosene, vegetables, fish, meat (except meat in hermetically sealed tins), or any other substance by which milk is, or is liable to be, contaminated, or adversely affected.

37. No person shall use or suffer or cause to be used, for closing or for helping to close, any churn, tin, or other vessel containing milk for sale, any rag, canvas, paper, wood, or other absorbent material.

38. No person shall use any vessel unless it is in such a state of repair as to be free from dents which may interfere with the thorough and easy cleansing of such vessel, or in which the tinning has become impaired or defective.

39. Every person who consigns or sells milk in a wholesale quantity to a milk vendor for retail sale shall prior to despatch cause the cans, or other receptacles in which it is conveyed, to be securely closed by means of a leaden seal, or a lock, or by other means, unless such milk be delivered personally by the producer or owner thereof to the retail vendor.

40. Any person interfering in any way with such seal or lock other than an Inspector or the consignee or his agent, shall be guilty of an offence against this By-law.

41. On the arrival of any milk at a railway station or other place within the district to which it is consigned an Inspector shall be at liberty to take samples of the milk from such cans or other receptacles for the purpose of analysis.

42. No person shall transfer any milk, condensed or concentrated milk or cream from one vessel to another vessel on any street or any public place, except when transferred to the vessel of the producer for immediate delivery to the customer.

43. No person shall permit any vessel containing milk or cream for sale to remain in any public place, or in any such position where the contents of such can may be exposed to the heat of the sun.

44. Every person selling or delivering milk for sale shall cause all cans, bottles or other vessels used in the sale, disposal, or delivery of milk to be effectually cleaned and sterilised before such cans, bottles, or other vessels are again used.

45. No person shall permit any vessel which has been handled by any person suffering from any infectious disease to be used to hold or convey milk until such vessel has been thoroughly sterilised, and no person shall remove any can, bottle, or other vessel used for the holding or storage of milk to be removed from any premises at which a case of infectious disease has occurred, until the consent of an Inspector has been given.

Providing for the Cleanliness and Freedom from Contamination of Ice-cream and Ices.

46. No person shall manufacture, store, or deposit for sale any ice-cream or ices, or suffer them to be so manufactured, stored, or deposited in any open shed or enclosed space.

47. No person shall manufacture, store, or deposit for sale any ice-cream or ices, or suffer them to be manufactured for sale, stored, or deposited in any room or building—

- (a) Unless such room or building is provided with tight, close-jointed walls and floors.
- (b) Unless the internal walls are covered with tiles, smooth iron, or smooth plaster, cement or wood, painted or colour washed or frequently lime washed.
- (c) Unless the floors are constructed of cement, concrete, tiles, or well smoothed wood.
- (d) Unless it is well lighted and ventilated.
- (e) Unless all openings are efficiently protected by gauze screens against the ingress of flies and the entry of dust.

48. No person shall manufacture, store, or deposit ice-cream or ices, or suffer or permit them to be manufactured, stored, or deposited in any dwelling room or in any room communicating directly with a privy or water closet, or stable, or within an apartment used for sleeping, or in any room having an opening communicating directly with any drain or sewer.

49. No person engaged in the manufacture or sale of ice-cream or of ices shall suffer his hands or any part of his person to come in contact with any ice-cream or ices.

50. No person shall manufacture, store, or deposit any ice-cream or ices in any vessel which is not clean, and every person engaged in the manufacture or sale of ice-cream or of ices shall at all times maintain all vessels and utensils used for containing or coming in contact with ice-cream or ices in a condition of cleanliness.

51. No person shall sell any ice-cream or ices which after having been once frozen, have run down or melted, and which have been again frozen.

52. (a) Every person making or vending ice-cream or ices for sale shall, before the 1st day of October of each year, make application for registration in the form of Schedule "A" hereto, and upon the granting of such application by the local authority, a certificate in the form of Schedule "B" hereto shall be issued.

(b) No application shall be granted until the premises occupied by the applicant have been inspected, and found to comply with the provisions of these By-laws.

(c) Every person registered in accordance with this By-law shall notify the local authority of any intended occupation of other premises than those specified on the certificate of registration.

53. (a) No person shall expose or offer or hawk ice-cream or ices for sale in any public place unless such person is licensed by the Local Authority.

(b) Every person desiring to engage in the trade of an itinerant vendor or hawker of ice-cream or ices shall, before so engaging in such trade, or if already so engaged, then during the first week of November in every year, apply to the Local Authority in the form of Schedule "C" for a license to carry on such trade, and upon such application being granted a license shall be issued in the form of Schedule "D" hereto.

(c) Every license granted under this By-law shall operate only during the period ended the 31st day of October next succeeding the date of issue, and after the said 31st day of October shall cease to be in force.

54. Every person engaging in the trade of an itinerant vendor or hawker of food shall comply with the following conditions:—

- (a) He shall cause all food usually consumed in the condition in which it is sold to be protected from contamination by flies and dust by means of screens composed of glass or fine meshed wire gauze, or other material approved by an inspector.
- (b) He shall not permit any other person to handle or touch any food on his vehicle.
- (c) He shall maintain his clothing and his person at all times in a clean condition.

Aerated waters, temperance drinks, cordials, and syrups.

55. Every person who makes or offers for sale any aerated waters, temperance drinks, cordials, and syrups shall on the coming into operation of this By-law, at once apply to the Local Authority for registration in the form of Schedule "A," and upon such application being granted shall receive a certificate in the form of Schedule "B."

56. (a) Every person who, subsequent to the coming into operation of this By-law, desires to carry on the trade of a maker or vendor of aerated waters, temperance drinks, cordials, and syrups shall, before commencing such trade, apply for registration and pay the same fee in the same manner as provided in the preceding By-law.

(b) Every registration effected under this and the preceding By-law shall operate only during the period ended the 31st day of October succeeding the date of issue, and after the said 31st day of October every such registration shall cease to be in operation.

57. The occupier of any premises used for the manufacture of aerated waters, temperance drinks, cordials, and syrups shall comply with the following conditions:—

- (a) The floors of such premises shall be of approved construction and materials, and shall have a sufficient fall to a trapped gully or other approved receptacle outside the building, and such floors shall be thoroughly washed down daily.
- (b) All yards adjoining, and sheds and outbuildings appurtenant to such buildings, shall be kept clean and free from any rubbish, garbage, or offensive material.
- (c) All tanks (or other receptacles) in which water is stored and which is intended to be used in the manufacture shall be provided with an impervious tight-fitting cover which shall always be kept in position; such tanks or other receptacles shall be emptied and cleansed throughout at least once in every twelve months.
- (d) If filtering apparatus of any design is provided for filtering water before use, it must be cleaned and boiled at least once weekly.

Cleansing bottles.

- (e) Between each time of filling bottles must be soaked in a trough of water, must be thoroughly cleansed out with a brush, must be well rinsed by being placed in a vertical position over a jet of water, and must be drained after rinsing and before filling.
- (f) If bottles are not filled within twenty-four hours after being cleansed, they must be kept mouth downward until used.
- (g) The water in which bottles are soaked before they are brush-cleansed must be changed at least once daily.
- (h) No lead pipe shall be used for conveying any part of the material, either gaseous or liquid, which enters into the composition of the cordials, unless it is lined with tin or other approved materials.
- (i) Syrups must be stored in well-made impervious receptacles with an impervious tight-fitting cover.
- (j) All receptacles in which syrups are stored must be cleansed thoroughly with hot water and soda, or with superheated steam, at least once weekly between the 1st October and the 31st March, and at least once monthly between the 1st April and the 30th September.

Bake-houses.

58. Every person carrying on the trade of a baker shall, in addition to the foregoing general By-laws, comply with the following conditions:—

- (a) He shall not permit any dog or other animal to be within the bake-house.
- (b) He shall not permit the bake-house to be used for any other purpose than as a bake-house.
- (c) He shall not permit any person to smoke or expectorate in the bake-house.
- (d) He shall cause the floor of the bake-house to be constructed of granolithic or other impervious material approved and laid in such manner as is approved by the Local Authority.
- (e) He shall cause all flour intended to be used in connection with his trade to be so stored as to prevent it being contaminated and be protected from rats and vermin.

Markets.

59. The occupier of any market or portion of any market shall not deposit or permit to be deposited any vegetable or other foodstuffs upon the floor, but all such vegetables and other foodstuffs shall be deposited upon a wooden staging, the under surface of which shall be at least nine inches above the floor, the space between the floor and the staging being entirely open for inspection and cleansing.

Refrigerating Works—Cold Stores.

60. (a) The owner, occupier, or manager of any refrigerating works, or cold stores, which are at any time used for the storage of food, shall maintain his premises in a clean condition throughout.

(b) He shall, at least twice in each year, in the months of April and October, thoroughly cleanse every cool chamber on his premises, and shall cause every part of the interior walls of every such chamber to be lime-washed at least once in every three months.

(c) He shall not permit any food to be stored on the floor of any chamber.

(d) He shall not receive any unsound meat or offal or offensive material on his premises to be stored, nor shall he permit any such unsound meat, offal, or offensive material to remain in any chamber.

(e) He shall not permit the use of any straw upon the floor of any chamber.

(f) He shall not permit any brine tub to be in any chamber.

(g) He shall keep upon the premises duplicate keys of every chamber, and shall on demand by an inspector permit such inspector to have access to any chamber.

(h) He shall provide means of artificial light, so as to permit efficient inspection of the contents of any chamber.

Hotels, boarding and lodging-houses, restaurants, eating-houses and cooked meat shops.

61. Every keeper of any such premises shall cause the premises to be maintained at all times in a clean and sanitary condition.

62. The keeper of such premises shall provide a sufficient number of approved impervious receptacles with close fitting covers for the reception of food scraps and trade waste, and shall not permit or suffer such food scraps or trade waste to be placed elsewhere than in such receptacles. He shall cause such receptacles to be kept at all times in a clean and wholesome state.

63. The keeper shall cause the grease trap, where one is provided, to be kept at all times in a sanitary condition, and shall cause the trap to be cleansed daily and all grease removed therefrom.

64. The keeper shall not suffer or permit pigwash to be removed from his premises between the hours of 7.30 a.m. and 8 p.m., and in cases where food waste is disposed of to contractors, the keeper shall be held responsible that duplicate receptacles are provided for interchange with the full receptacles removed so that those removed shall be replaced by a clean washed and disinfected set.

65. The keeper shall cause all sanitary conveniences upon or in connection with his premises to be kept at all times in a scrupulously clean condition, and shall provide a plentiful supply of approved deodorant therein.

66. The keeper shall provide sufficient means of ablution with clean towels and soap for the use of employees, and he shall be responsible that employees handling food wash their hands before so doing.

67. The keepers shall not permit or suffer to be occupied as a sleeping place any room which is in direct communication with any dining-room, kitchen, or other place used for the preparation or storage of foodstuffs.

68. The keeper shall cause any ice chest used upon his premises to be kept at all times in a sweet and wholesome condition, and if meat is stored in any such chest it shall be kept exclusively for that purpose.

69. The keeper shall cause all foodstuffs to be stored in such a place and manner as to prevent contamination from flies, dust, and vermin.

70. The keeper shall not suffer to be used in the preparation of food, any tinned milks, fruits, jam or fish, which upon opening show any signs of decomposition, fermentation or alteration in appearance of contents, and no bad eggs or rancid butter shall be used in the preparation of foods.

71. Employees shall be always cleanly in their person, and shall not smoke nor expectorate within any dining-room or kitchen appurtenant thereto.

72. The keeper shall adopt such means as will ensure the destruction of rats and vermin upon his premises, and as will prevent their harbourage therein, and shall keep baited and set rat-traps as directed by the inspector.

73. The keeper shall cause all means of drainage upon or in connection with his premises to be maintained at all times in good repair and efficient action.

74. The keeper shall cause all sink wastes to be trapped and to discharge over properly trapped gullies or a channel leading to a gully in the open air. No opening to a drain or drain inlet shall be within any kitchen or scullery.

Penalties for breaches of By-laws.

75. Where anything by this part of these By-laws is directed to be done or forbidden to be done, or where authority is given to any officer to direct anything to be done or to forbid anything to be done, and such act so directed to be done remains undone, or such act forbidden to be done is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said By-laws. And every person guilty of a breach of this part of the said By-laws shall be liable, for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, to a penalty not exceeding Twenty pounds for every breach of any such By-law, or to a penalty not exceeding Two pounds for each day during which such breach shall be committed or continued, and in addition to such penalty shall be liable to pay to the Local Authority any expense incurred by such authority in consequence of any breach or non-observance of any By-law or in the execution of any work directed to be executed and not so executed.

PART VIII.—BARBERS' SHOPS AND HAIRDRESSING ESTABLISHMENTS.

1. Every person carrying on the business of a barber or hairdresser shall comply with the following By-laws:—

- (a) There shall be kept at all times on the premises in each room in which the business is carried on, a vessel containing at least one gallon of disinfecting solution, hereinafter called "disinfecting solution," equal in strength to a five per cent. solution of carbolic acid.
- (b) All razors, scissors, clippers, and combs in general use shall be sterilised by immersion in the disinfecting solution before and after using, or clippers may be so sterilised by being held in a flame.
- (c) Hair brushes in general use shall once daily be immersed in the disinfecting solution, and afterwards rinsed in clear water.
- (d) Shaving brushes in common use shall after each use be first cleansed in very hot water, and afterwards immersed in the disinfecting solution.
- (e) Rotary or machine brushes shall not be used.
- (f) An antiseptic soap powder shall be used to produce lather for shaving; boiling water shall be allowed to run on the lather brush, and then the soap powder sprinkled on it before application to the face.
- (g) Powder shall only be applied by a blower or absorbent cotton which shall be used for one person only.
- (h) For the purpose of stopping the flow of blood, or for treatment of an abrasion, calcined alum shall be applied on a pad of cotton wool, which pad shall be destroyed immediately after use; an alum stick shall not be used.
- (i) Vaseline shall be used only from a squeeze tube.
- (j) No sponge shall be used.
- (k) Razor strops shall only be used for razors which have been disinfected since being used.
- (l) The hair-cutting wrapper shall be placed only around the shoulders of customers and fastened with a safety pin or other device at the back, and clean towels or absorbent wool shall be used about the neck to prevent the hair from falling inside the clothing.
- (m) The outer garment of each operator shall be of a washable white material; the sleeves shall be comparatively short.
- (n) When the steaming towel is used, a clean one shall be used for each customer.
- (o) At least once daily the floor shall be sprinkled and swept.
- (p) The premises, their fittings, and equipment, shall be maintained at all times in a thoroughly clean condition.
- (q) All shelves, fittings, and tables on which instruments are placed shall be of glass, marble, slate, or other impervious material.
- (r) A fresh piece of paper or clean linen shall be placed on the back of the chair or on the rest for each customer.
- (s) Hair clippings falling on the floor shall be immediately swept together, and placed in an impervious receptacle with a tightly fitting cover.
- (t) Each basin shall be provided with a properly trapped waste pipe and a supply of water.
- (u) In the case of any person obviously suffering from skin disease of the face or head, special instruments shall be employed, and these must be immediately immersed in the disinfecting solution for a period of not less than five minutes.
- (v) Two receptacles shall be provided; into the one all towels immediately after use shall be

placed, together with other soiled linen; into the other, which shall be impervious and provided with a tight-fitting cover, shall be placed all hair clippings and other trade refuse.

(w) A clean towel shall be used for each customer.

2. No person shall spit upon the floor of any barber's shop or hair-dressing establishment.

3. The medical officer or inspector may at all reasonable times enter and inspect any premises used for the purpose of the trade of a barber or hair-dresser, and may inspect or remove for the purpose of examination any brush, comb, razor, clippers, or other instrument or appliance or any towel or other thing therein which may be suspected, on reasonable grounds, of being contaminated with the infection of any contagious or infectious disease, provided that when any such article is so removed, a written receipt therefor shall be furnished to the occupier by the medical officer or inspector, and the article shall be returned within a period of three days.

4. Every person who enters a barber's shop or hair-dressing establishment for the purpose of being attended to shall, if he be suffering from any infectious disease or any eruption of the skin of the face, neck, or head, notify the operator before taking his place in the chair.

5. A printed copy of the foregoing shall be conspicuously displayed in every barber's shop and hair-dressing establishment in the district.

Penalties for breaches of By-laws.

6. Where anything by this part of the By-laws is directed to be done or forbidden to be done, or where authority is given to any officer to direct anything to be done, or to forbid anything to be done, and such act so directed to be done remains undone or such act forbidden to be done is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said By-laws. And every person guilty of a breach of this part of the said By-laws shall be liable, for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, to a penalty not exceeding Twenty pounds for every breach of any such By-law, or to a penalty not exceeding Two pounds for each day during which such breach shall be committed or continued, and in addition to such penalty shall be liable to pay to the Local Authority any expense incurred by such authority in consequence of any breach or non-observance of any By-law, or in the execution of any work directed to be executed and not so executed.

- Section P.—Marine Stores.
- Section Q.—Rag and Bone Merchants' Premises.
- Section R.—Chemical Works.
- Section S.—Flock Factories.

Section A.—General.

1. (a) Every person who shall apply to a Local Authority for its consent to establish an offensive trade shall furnish in the form of Schedule "A" hereto a true statement of the particulars therein required to be specified, and shall by advertisement in a newspaper give one month's notice of his application.

(b) Any person who makes a false statement in connection with any such application shall be guilty of a breach of these By-laws.

2. Before the consent of the Local Authority is given to the establishment of any offensive trade, the medical officer shall furnish to the local authority a report in the form of Schedule "B" hereto, upon the premises whereon it is proposed to establish such offensive trade.

3. Every person applying for the registration of premises whereon an offensive trade is carried on shall apply for such registration in the form of Schedule "C" hereto, and with such application he shall tender to the Local Authority a fee as prescribed in Schedule "D."

Provided that if the registration for any year shall commence on or after the first day of May in any year then the applicant shall be required to pay only one-half of the prescribed fee.

4. Upon the registration of any premises whereon an offensive trade is carried on, the Local Authority shall supply to the person who has applied for such registration a certificate in the form of Schedule "E" hereto.

5. No person shall establish any offensive trade within any portion of the City without having first obtained the approval of the Local Authority.

6. Every occupier of any premises upon which an offensive trade is carried on shall cause such premises, together with all drains, fittings, apparatus, machinery, utensils, receptacles, vehicles, tools, and appliances, to be at all times maintained in a clean condition, good repair, and efficient action.

7. Every such occupier shall provide upon such premises an ample supply of clean water, together with such fittings as may be required by an inspector for the purpose of making the water supply readily available for use.

8. Every such occupier shall provide a sufficient supply of ablutionary appliances for use by his employees, and which may also be used by an inspector.

9. Every such occupier shall cause the internal surface of every wall, the underside of every ceiling or roof, together with such fittings as may be directed by the inspector, to be thoroughly washed with hot lime-wash at least four times in every year, that is to say, at least once between the periods 1st and 10th March, 1st and 10th June, 1st and 10th September, and 1st and 10th December respectively, and at such other times as may be directed by the inspector; but this By-law shall not apply to the occupier of any premises in respect of which other provision for lime-washing is made in this part of these By-laws.

10. The occupier of every such premises shall provide, use and maintain in efficient action appliances capable of effectively destroying or of rendering harmless all offensive effluvia, vapours, or gases arising in any process of his business or from any material, residue, or other substance which may be kept or stored upon his premises.

11. Every such occupier shall provide impervious receptacles, provided with air-tight coverings which shall be kept closed, of sufficient capacity to receive all offensive and decomposable material and trade refuse produced upon the premises, and all such offensive and decomposable material or trade refuse shall be immediately placed in such receptacles, and the contents thereof shall be removed from the premises at such times and with such frequency as an inspector may direct, but with no less frequency than once in each working day.

12. No such occupier shall, without the consent in writing of the Local Authority, and at any time after the registration of his premises, make or permit any change or alterations whatever in the premises, and upon contemplating any such change or alterations shall give notice thereof to the local authority.

13. Every such occupier shall cause all materials received upon his premises for the purpose of his trade which are offensive or capable of becoming offensive, to be so stored as to prevent the creation of a nuisance.

14. The occupier of any premises whereon any of the offensive trades specified hereunder are carried on shall cause the floor of his premises to be properly paved and drained with impervious materials; such floor shall have a smooth surface, and with a fall to a surface gutter in such way that all liquids falling upon such floor shall be conducted by such gutter to a drain inlet situated outside the building wherein the floor is situated:—

- Slaughter-houses.
- Piggeries.
- Bone mills.
- Places for storing, drying, or preserving bones, hides, hoofs, or skins.

Fat-melting, fat-extracting, or tallow-melting establishments.
 Blood-drying.
 Gut-scraping, gut-spinning, and preparation of sausage skins.
 Wool-scouring establishments.
 Laundries.
 Cleaning establishments and dye works.
 Places for boiling tripe, ox feet, and trotters, and extracting oil.
 Soap and candle works.

15. Every occupier of any premises whereon any of the offensive trades specified hereunder are carried on shall cause all liquid refuse, before being discharged into any drain inlet from any part of his premises to be cooled to a temperature not exceeding 80deg. Fahrenheit, and to be further directed to such screening or purifying treatment as the Local Authority may from time to time direct:—

Slaughter-houses.
 Bone mills.
 Fat-melting, fat-extracting, or tallow-melting establishments.
 Gut-scraping, gut-spinning, and preparation of sausage skins.
 Wool-scouring establishments.
 Fish shops.
 Laundries.
 Cleaning establishments and dye works.
 Places for boiling tripe, ox feet, and trotters, and extracting oil.
 Soap and candle works.

16. Every such occupier of any premises whereon an offensive trade is carried on shall comply with such other conditions as may be imposed upon and notified to him from time to time by the local authority, including the paving and draining of his premises or any part thereof, whether included under the provisions of By-law 14 or otherwise.

17. Where in any By-law contained in this part any duty is thrown upon the occupier of any offensive trade premises, the By-law shall be interpreted to include employees of any such occupier, and any such employee committing a breach of these By-laws shall be liable to the same penalties as if he were the occupier.

18. In addition to the foregoing By-laws, the occupier of any premises whereon any offensive trade is carried on shall comply with any other By-laws in this Part which apply to the particular trade carried on by him.

Penalties for breaches of By-laws.

19. Where anything by this part of the By-laws is directed to be done or forbidden to be done, or where authority is given to any officer to direct anything to be done or to forbid anything to be done, and such act so directed to be done remains undone, or such act forbidden to be done is done, in every such case the person making default as to such direction or prohibition respectively shall be deemed guilty of a breach of this part of the said By-laws. And every person guilty of a breach of this part of the said By-laws shall be liable for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, to a penalty not exceeding Twenty pounds for every breach of any such By-law, or to a penalty not exceeding Two pounds for each day during which such breach shall be committed or continued, and in addition to such penalty shall be liable to pay to the Local Authority any expense incurred by such authority in consequence of any breach or non-observance of any By-law, or in the execution of any work directed to be executed and not so executed.

Section B.—Slaughter-houses.

1. Every occupier of a slaughter-house shall observe the following conditions:—

- (a) He shall not permit animals awaiting slaughter to be within sight of the killing pen during the period slaughtering is in progress.
- (b) He shall provide all animals awaiting slaughter with an ample supply of drinking water, at all times accessible to such animals.
- (c) He shall conduct the slaughtering of animals in an humane manner.
- (d) He shall cause all utensils and instruments used in the slaughtering or dressing of carcasses to be at all times kept clean, and shall when so ordered by an inspector cause any such utensils or instruments to be sterilised by boiling.
- (e) He shall cause the killing pen to be hosed down after each killing.

- (f) He shall cause every dressed carcase to be hung so that every portion thereof is at least 18 inches above the floor.
 - (g) He shall not permit any but clean water to be used in the dressing of carcasses.
 - (h) He shall cause all viscera to be left either attached to or in such proximity to the carcase, of which it formed a portion, as will sufficiently indicate the relationship of the one to the other, or unless other means of identification are provided to the satisfaction of an inspector.
 - (i) He shall cause none but clean white cloths to be used in wiping down any carcase.
2. Every such occupier shall cause sufficient means of ventilation to be provided in or in connection with the premises, and shall keep such at all times in proper order and efficient action, and so that the ventilation shall be by direct communication with the external air.
3. Every such occupier shall cause the hides or skins, fat and offal of every animal slaughtered on the premises to be removed from the slaughter-house within twenty-four hours after the completion of the slaughtering of such animal.
4. No person shall erect any privy or urinal within one hundred feet of any slaughter-house.
5. The occupier of any slaughter-house shall not permit any animal, the flesh of which is intended for human consumption, to be kept for a longer period than six hours on any portion of the premises which is within one hundred feet of the killing pen, or any other portion of the premises used for the dressing or storage of carcasses.
6. No such occupier shall permit any animal to be kept within one hundred feet of the premises.
7. No such occupier shall slaughter or allow to be slaughtered on his premises any animal, nor shall any occupier remove or permit to be removed from his premises the carcase of any slaughtered animal or part thereof unless and until such animal or carcase, as the case may be, is previously inspected by an inspector.
8. Every such occupier shall comply with such special precautions in the slaughtering of any animal, as an inspector, as the result of an ante mortem inspection, shall direct.

Section C.—Piggeries.

1. For the purpose of this section of these By-laws, the term "piggery" shall include any portion of the premises to which pigs have access.
2. No premises shall be registered as a piggery unless every portion of such piggery is at least one hundred feet distant from any street or thoroughfare, and at least two hundred feet distant from any dwelling house or dairy, or other premises wherein food is prepared for sale.
3. The occupier of every piggery shall provide either sties and enclosures, or enclosures within which his pigs shall be kept, and such sties and enclosures, or such enclosures, shall comply with the conditions hereinafter specified.
- (a) Where sties and enclosures are provided, the floor of every sty shall be properly paved with impervious materials, and every such floor shall have sufficient fall to a surface gutter, which shall be constructed of similar materials, and shall be not less than twelve inches wide and three inches deep in the centre of its width, and shall extend the whole length of the sty, and shall have sufficient fall so that it shall discharge all liquids falling upon the floor or upon the gutter into an impervious sump of sufficient capacity to receive at least one day's drainage.
- The floor area of every such sty shall be in the proportion of not less than fifteen square feet to every pig over two months old that may be kept therein, and no pig-keeper shall keep a greater number of such pigs in any sty upon his premises than in the aforesaid proportion.
- The area of every enclosure appurtenant to a sty or group of sties shall be not less than three times the area of the sty or group of sties to which it is appurtenant.
- (b) Where enclosures only are provided, then the fences of such enclosures shall be movable, and the fences shall be moved and re-erected so as to enclose a new site at such times as may be directed by an inspector.
4. (a) The occupier of any piggery shall not permit any slaughtering of animals on his premises, nor shall he receive on his premises any carcase or part of a

carcase of a diseased animal, and he shall not feed his pigs upon the flesh or offal of diseased animals.

(b) He shall not receive, or suffer, or permit to be received on such premises putrid matter for any purpose.

(c) He shall cause all readily putrescible pig-feed that may be brought upon such premises to be immediately deposited in cooking vessels, which he shall cause to be maintained at such a temperature as to prevent their contents from putrifying, and shall not remove or permit or suffer such contents to be removed, except to the feeding troughs.

(d) He shall not receive, or suffer, or permit to be received on such premises any kitchen, slaughter-house or butchers' wastes or other putrescible pig-feed unless such materials are contained in galvanised iron receptacles, fitted with air-tight covers.

5. Every such occupier shall securely fence all his enclosures, and shall provide in each such enclosure sufficient shelter sheds to afford proper shelter for all the pigs that may at any time be kept in any such enclosure.

6. Every such occupier shall provide a sufficient and constant supply of clean water, which shall be properly protected against pollution, and be always available for cleansing purposes.

7. (a) Every such occupier shall provide feeding troughs—

(1) Where sties and enclosures are provided under the provisions of By-law 3 (a), then in every sty, situated near to the drainage gutter, or in such a position as to be accessible to the pigs in two or more sties or enclosures.

(2) Where enclosures are provided under the provisions of By-law 3 (b), then in each such enclosure.

(b) He shall cause all such feeding troughs, other than those provided in connection with movable enclosures, to be fixed upon a cement floor extending four feet in all directions from such trough, the whole to be so situated as to permit of being readily drained.

(c) He shall not permit his pigs to be fed otherwise than at the feeding troughs provided in accordance with this By-law.

(d) He shall cause all feeding troughs provided to be of a pattern which can be readily cleansed.

Section D.—Artificial Manure Depots.

1. "Artificial manure" shall mean any manure or fertiliser prepared by any artificial process.

2. The occupier of an artificial manure depot shall not permit any artificial manure to be kept or stored in such premises, except in a building, the walls, floors, and ceilings, or undersides of the roof of which are constructed of durable and non-absorbent materials finished internally with a smooth surface.

3. Every such occupier shall cause every precaution to be taken to prevent at all times the emission of dust or offensive or noxious effluvia from every building on his premises.

4. Every such occupier shall cause all artificial manures received at or despatched from his premises to be previously packed in such a manner as to prevent any nuisance arising therefrom during transit.

Section E.—Bone Mills.

1. "Bone manure" shall mean manure wholly or partially prepared from bone.

2. No occupier of a bone mill shall permit any bones to be dealt with upon his premises unless such process is wholly conducted within a building the walls, floors, and ceilings, or roof thereof are constructed of durable and non-absorbent materials, finished internally with a smooth surface.

3. (a) Every such occupier shall cause all milling processes to be conducted in airtight casings, and the products of the milling to be conveyed to airtight receivers or sound bags through airtight shoots or conveyors.

(b) He shall cause every precaution to be taken to prevent at all times the emission of dust or offensive or noxious effluvia from every building on his premises.

4. (a) Every such occupier shall cause all bones and bone manure received or produced upon his premises to be stored in such a manner and in such a position as to prevent, as far as practicable, the emission of noxious or offensive effluvia therefrom.

(b) He shall cause all bones or bone manure received or despatched from such premises to be previously packed in such a manner as to prevent any nuisance arising therefrom during transit.

Section "F"—Places for Storing, Drying, or Preserving Bones, Hides, Hoofs, or Skins.

1. Every occupier shall cause all materials which have been received upon his premises where his trade is carried on to be stored in such a manner and in such a position as to prevent, as far as practicable, the emission of noxious, offensive, or injurious effluvia therefrom.

Section "G"—Fat Melting, Fat Extracting, or Tallow Melting Establishments.

1. The occupier of any premises on which the trade of fat melting, fat extracting, or tallow melting is carried on shall provide covers to the apparatus in which the melting or extracting is carried on; such covers shall be of iron, and be at all times kept in position on the apparatus, except when the cover is removed for the purpose of emptying, filling or cleansing the apparatus.

2. Every such occupier shall cause every wall within a radius of ten feet of the melting or extracting apparatus to be covered with impervious material, and all parts of the boiling or other apparatus shall be composed or covered with some approved impervious material.

Section "H"—Blood Drying.

1. (a) Every occupier of premises used for blood drying shall cause all blood which has been received upon his premises where his trade is carried on, and which is not required for immediate use, to be stored in such a manner and in such a situation as to prevent the emission of offensive or injurious effluvia therefrom.

(b) He shall cause all blood brought upon his premises to be brought in closed vessels or receptacles constructed of galvanised iron or other non-absorbent material.

(c) He shall also cause every process of his business to be carried on in a building paved with impervious material, and having walls covered to a height of at least six feet with hard, smooth, and impervious material.

Section "I"—Gut Scraping, Gut Spinning, and Preparation of Sausage Skins.

1. (a) Every gut scraper shall cause all undried guts which have been received upon the premises where his trade is carried on, and which are not required for immediate use, to be placed in suitable vessels or receptacles, properly constructed of galvanised iron, or some other non-absorbent material, and furnished with close fitting covers.

(b) He shall cause the several vessels or receptacles in which the guts have been placed to be covered, and to be kept covered until it becomes necessary to remove the contents for actual use.

(c) He shall also cause all undried guts to be treated immediately upon arrival at his premises with an approved deodorant solution.

2. Every gut scraper shall, at frequent intervals during every working day, cause every floor or pavement upon the premises where his trade is carried on to be thoroughly swept, and to be copiously sprinkled or washed with an approved deodorant solution.

3. Every gut scraper shall, at the close of every working day, cause every bench or table, every tub, vessel, or utensil, and every implement which has been in use during the day upon the premises where his trade is carried on, or which is in a foul or offensive condition, to be thoroughly cleansed with water containing an approved deodorant.

4. Every gut scraper shall, at the close of every working day, cause all filth and refuse which has been splashed upon any part of the internal wall surface of any building upon his premises where his trade is carried on, to be removed by scraping or by some other effectual means.

Section "J"—Fellmongeries.

1. In the construction of this section of these By-laws, unless the context otherwise requires—

"Fellmonger" shall mean a person who buys or receives skins and prepares them for any subsequent use.

2. A fellmonger shall not cause or suffer any skin which by reason of decomposition has become useless for the purpose of leather dressing to be kept for a longer time than may be necessary in any part of the premises where his trade is carried on.

3. Every fellmonger shall cause the supply of water in every tank or other receptacle upon the premises where his trade is carried on, for the washing or soaking of any skin, to be renewed as often as may be necessary to prevent the emission of offensive or injurious effluvia from the contents of the tank or other receptacle.

4. (a) Every fellmonger shall cause every tank or other receptacle used upon his premises where his trade is carried on, for the washing or soaking of any skin, and not being a tanning pit, to be emptied at least once every day.

(b) He shall cause every part of the tank or other receptacle, when emptied, to be thoroughly cleansed, and shall cause all filth which has been removed therefrom to be forthwith conveyed from the premises in suitable vessels or receptacles furnished with close fitting covers.

5. Every fellmonger shall cause all waste lime which has been taken out of any pit upon the premises where his trade is carried on, to be forthwith deposited in approved vessels or receptacles, or in a properly constructed cart or carriage, which, when filled or loaded, shall be covered in such a manner as to prevent the emission of offensive or injurious effluvia from the contents thereof, and shall with all reasonable despatch be removed from the premises.

Section "K"—Manure Works.

1. Every occupier of a manure works shall store the manure which may be received or manufactured or prepared upon the premises where his trade is carried on in such a manner and in such a situation as to prevent the emission of noxious or offensive effluvia therefrom, or so as to be a nuisance or injurious to health.

2. Every occupier of a manure works shall, when so ordered by an Inspector, limewash such portion of the premises as he is directed so to do.

Section "L"—Wool Scouring Establishments.

1. In this section of these By-laws the expression "wool scouring establishment" shall include a place where wool is received for the purpose of being cleansed.

2. The premises shall not be situated upon the catchment area of any water supply, nor in the neighbourhood of any fresh water river, stream, watercourse, lake, well, or reservoir, and must be at least one hundred feet distant from any dwelling house or place where food intended for human consumption is prepared or stored.

Section "M"—Fish Curing Establishments.

1. (a) A fish curer shall not suffer or permit any decomposing fish to be kept on the premises where his trade is carried on for a longer period than is reasonably necessary.

(b) He shall cause all such decomposing fish to be deposited in galvanised iron or other impervious receptacles furnished with airtight covers, and kept securely covered until removed from the premises.

2. Every occupier of a fish curing establishment shall, when so ordered by an Inspector, limewash such portion of the premises as he is directed so to do.

Section "N"—Fish Shops.

1. The occupier of every fish shop shall cause the fireplace in any room in which the cooking of fish is carried on, to be so constructed that all the vapours and effluvia of such cooking shall be carried direct into a chimney flue of sufficient sectional area; or shall carry out such cooking under a hood provided with ventilating pipe commencing at the uppermost extremity of such hood, and discharging direct into the open air, or into an existing chimney.

2. The occupier of every fish shop shall cause the chimney shaft or ventilating pipe from such room to be carried up at least ten feet above the level of the roofs of the adjoining houses.

3. The occupier of a fish shop shall not permit any decomposing fish to be kept on any part of the premises where his trade is carried on.

4. The occupier of every fish shop shall provide a room wherein all cleaning of fish shall be carried out, and such room shall comply with the provisions of By-law 14 of Section "A" hereof.

Section "O"—Laundries.

Cleaning Establishments and Dyeworks.

1. Every occupier of a laundry, cleaning establishment, or dyeworks shall cause all the liquid wastes produced upon the premises where his trade is carried on to be collected and conducted by impervious channels or

drains to a trapped drain inlet, or some other approved receptacle, or such liquid wastes shall be disposed of as an Inspector may direct.

2. Every such occupier shall cause every floor or pavement, and every wall of any building upon the premises where his trade is carried on to be kept at all times in good order and repair so as to prevent the absorption therein of any liquid which may be splashed, or spilled, or may fall or be deposited thereon.

3. No occupier of a laundry, nor any of his employees shall, in the damping or sprinkling of articles preparatory to the ironing thereof, sprinkle or damp the articles by discharging water from the mouth.

4. Every occupier of a laundry or cleaning establishment or dyeworks shall provide a reception room, in which all articles brought to the premises for laundering, or cleaning or dyeing, shall be received, and the occupier shall not permit such reception room to be used for the storage, either temporarily or otherwise, of any food; nor shall he use or suffer or permit any person to use for sleeping purposes any of the workrooms of the premises.

5. Every occupier shall provide on top of the impervious floor, and for a width of three feet in front of any washing troughs or washing machines, a wooden grating of such height as will prevent the employees from standing upon such floor.

6. Every occupier of a laundry or cleaning establishment or dyeworks shall cause such articles as may be directed by an Inspector to be thoroughly disinfected to the satisfaction of that officer.

Section "P"—Marine Stores.

1. The occupier of every marine store shall comply with the following conditions as regards those premises:—

(a) The yards shall be enclosed with a close fence, at least eight feet in height; any gates required to give access to the yards shall also be eight feet in height.

(b) The walls of the building used for the purpose of trade shall be constructed of stone or brick, and the internal surfaces of all walls above the floor or pavement shall be smoothly rendered with good Portland cement mortar, or, where approved by the local authority, of galvanised iron.

2. Sufficient provision for ventilation shall be made by suitable openings in the roof, or otherwise, and every room in the building shall be properly connected with one or more of the afore-mentioned openings.

Section "Q"—Rag and Bone Merchant's Premises.

1. (a) Every rag and bone merchant shall cause all materials which have been received upon the premises where his trade is carried on, to be stored in such a manner and in such a situation as to prevent the emission of noxious or offensive effluvia therefrom, or so as to be a nuisance or injurious to health.

(b) He shall cause all rags, second-hand clothing, textile fabrics, old bedding, and other material of similar description or manufacture received upon his premises to be immediately disinfected with some effective disinfectant.

Section "R"—Chemical Works.

1. The occupier of a chemical works shall—

(a) Store all material awaiting treatment, all material in the course of preparation, and all prepared material awaiting distribution in such a way as not to be a nuisance.

(b) Collect and dispose of all gases produced in the works in such a way as to render such gases inoffensive, as far as practicable, and so as to prevent a nuisance occurring from such gases.

Section "S"—Flock Factories.

1. The occupier of a flock factory shall—

(a) Adopt effective means to immediately remove all dust escaping from the machinery and material, and such dust shall not be allowed to escape into the air.

(b) Adopt effective means of collecting all dust so removed and disposing of it in such a way that it shall neither be a nuisance nor escape into the air.

(c) Effectively cleanse and also sterilise all second-hand clothing and all other materials received on the premises other than cuttings from new material, by washing them in soap and water, and keeping them in boiling water for at least fifteen minutes.

OPEN WEDNESDAY, 30th AUGUST, 1916.

Applications to be lodged at Kalgoorlie:—

333/01—BOULDER, 1518 and 1519, £15 each (12s.
each). Reserve 7919 is hereby cancelled.

Plans showing the arrangements of the Lots referred to are now obtainable at this office and the various District of Branch District Land and Survey offices.

Applications may be lodged at the offices mentioned at any time prior to the dates specified, and any applications so lodged will be deemed to have been lodged on that day.

In the event of two or more applications for the same Lot, priority will be determined as prescribed by Section 17 of "The Land Act, 1898," and Section 2 of "The Land Act Amendment Act, 1900."

In the event of any applicant obtaining a Lot on which there are improvements, not erected or owned by such applicant, he shall pay the fair value of such improvements to the Minister for Lands or his agent within 30 days in the manner provided by Clause 16 of the above Regulations.

Intending applicants are requested to lodge their applications before the date specified, and are reminded that it is unnecessary to employ an agent, as applications may be lodged personally or sent through the post.

*Each of the above-mentioned lots in townsites marked with an asterisk, exclusive of reserves, will be leased on the condition that the purchaser or his transferees shall not at any time obtain or hold a license for the sale of intoxicating liquor on the lot purchased.

†Subject to the condition that the lessee shall not carry on, or permit or suffer to be carried on, on this lot any trade or business whatsoever without the consent in writing of the Minister for Lands being first obtained.

R. CECIL CLIFTON,
Under Secretary for Lands.

LAND OPEN FOR SELECTION.

Department of Lands and Surveys,
Perth, 18th August, 1916.

IT is hereby notified, for general information, that the areas scheduled hereunder will be made available for selection under "The Land Act, 1898," and its amendments, on and after the dates set out in said schedule. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease Conditions.

The lands marked with an asterisk are available under Part VI.

Applications must be lodged at the Local Land Office for the district in which the land is situated.

Any application may be lodged before the fixed date, but will be treated as having been received on that day; if there are more applicants than one for any lot the application to be granted will be determined by the Land Board, and should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, after the closing of the date for receiving applications, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter; but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

THE MUNICIPAL CORPORATIONS ACT, 1906.

City of Perth.

P.W. 2057/16.

IT is hereby notified, for general information, that His Excellency the Governor in Council has approved, under the provisions of "The Municipal Corporations Act, 1906," of the By-law numbered 29, with accompanying schedules alphabetically lettered from A. to O. inclusive, passed by the City of Perth for regulating the Licensing, Use, and Traffic of Motor Cars and other Vehicles, as printed hereunder; also to repeal By-laws previously passed by the Perth Municipality for a similar purpose, numbered 29, 32, and 33.

(Sgd.) C. A. MUNT,
Under Secretary for Works.

CITY OF PERTH.

By-law No. 29.

Motor Vehicles.

A By-law of the Municipality of the City of Perth made under Part VIII. of "The Municipal Corporations Act, 1906," and numbered 29, for regulating the licensing, use, and traffic of motor cars, motor wagons, and motor and other vehicles as herein described.

In pursuance of the powers conferred by the said Act, the Mayor and Councillors of the City of Perth do hereby order as follows:—

1. By-laws Nos. 29, 32, and 33 of the Municipality are hereby repealed.

2. In the construction of this By-law, unless the context otherwise requires, the following terms shall have the meanings set out against them respectively, that is to say:—

- (a.) "Cycle" means and includes a bicycle, tri-cycle, or other velocipede.
- (b.) "Motor Car" means and includes any motor car, automobile, motor carriage, or other carriage or vehicle of four wheels propelled either partly or wholly by any volatile spirit, electricity, or steam, or by any means other than animal power.
- (c.) "Motor Wagon" means and includes any motor wagon, motor car, automobile, or other carriage or vehicle of four wheels used wholly or partially for the conveyance of goods or merchandise, and propelled either partly or wholly by any volatile spirit, electricity, or steam, or by any means other than animal power.
- (d.) "Motor Cycle" means any motor cycle or tri-cycle or other carriage or vehicle of two or three wheels propelled either partly or wholly by any volatile spirit, electricity, or steam.
- (e.) "Motor Carrier" means a motor vehicle designed to travel on three wheels, and weighing unladen more than two hundredweight.
- (f.) "Engine" means any steam lorry, traction, or other engine on its own wheels, and includes a street roller whether driven by steam or horse power.
- (g.) "Trailer" means any vehicle, motor car, or engine, attached to or hauled or drawn by another vehicle, motor car, or portable vehicle.
- (h.) "Council" means the Municipality of the City of Perth.
- (i.) "Road" means any land notified in the *Government Gazette* as a road, or as a main road or minor road, and includes any road or street declared or notified as such under any repealed Act; and any Public highway or street, whether carriage way, bridle path, track, cycle track, or footpath within the district; and all bridges, culverts, drains, ferries, jetties, fords, gates, buildings, and other things appertaining thereto; and any part of a road within the Municipal district of the City of Perth.
- (j.) "District" or "Municipality" means the Municipal District of the City of Perth.
- (k.) "Traffic Inspector" means the Traffic Inspector of the Council or any one of his assistants.
- (l.) Where any other definition is necessary, it shall be as laid down in the above-mentioned Act.

3. No motor car, motor wagon, motor cycle, motor carrier or trailer shall be kept and used within the Municipality unless and until a license shall be obtained therefor, or within 48 hours of acquiring possession thereof or except during the currency of such license.

4. An application for a license for a motor car, motor wagon, or motor cycle, not to be used for hire, shall be made by the owner or his duly authorised agent in the form prescribed in Schedule "A" hereto.

5. An application for a license for a motor carrier, engine, trailer, or any motor vehicle not specified in the last preceding section, and not to be used for hire, shall be in the form prescribed in Schedule "B" hereto.

6. The license to be issued for a motor car, motor wagon, and motor cycle, not to be used for hire, shall be in accordance with Schedule "C," "D," and "E" hereto respectively.

7. The license to be issued in respect of any motor carrier, engine, trailer, or any other motor vehicle not specified in Section 4, and not to be used for hire, shall be in accordance with the form prescribed in Schedule "F" hereto.

8. The fees to be paid in respect of any licenses issued under this By-law are as per details and basis as set forth in Schedule "G" hereto.

9. Every license in respect to any motor car, motor wagon, motor cycle, motor carrier, engine or trailer, or cycle, shall expire on the 31st day of October next after the same shall be granted, provided that in respect of any license granted after the 30th of April in any year, the fee payable for such year shall be one-half of the annual fee for such license. Every vehicle used as a trailer must be licensed under this by-law, and the fee for such license shall be the same as the fee payable for a vehicle license for a vehicle by which the trailer is drawn, and no trailer shall be deemed to be duly licensed whilst it is being drawn by a vehicle in respect of which the license fee is higher than that paid for the license obtained for the trailer; provided that nothing herein shall apply to an agricultural machine drawn on or along any road.

10. The owner of any motor car, motor wagon, or motor carrier licensed under this by-law shall, within seven days after any alteration in the colour of the painting or in the form of the body thereof, give written notice to the Council of such alteration.

11. If any person shall become the owner of a licensed motor car, motor cycle, motor wagon, or motor carrier during the currency of the license thereof, he shall upon production of the license to the Council, and upon payment of the sum of 5s., be entitled to have a license issued to him in respect of such motor car, motor cycle, motor wagon, or motor carrier for the balance of the term for which the original license was granted.

12. The owner of a licensed motor car, motor cycle, motor wagon, or motor carrier shall be entitled during the currency of the license thereof to have such license transferred to any other motor car, motor cycle, motor wagon, or motor carrier of a similar class which may be required by him upon supplying to the Traffic Inspector particulars of such other motor car, motor cycle, motor wagon, or motor carrier, and upon payment of the sum of 5s., and if such motor car, motor cycle, motor wagon, or motor carrier would have been liable for a higher fee than the fee paid upon the license proposed to be transferred, upon payment of the excess fee.

13. No person shall ride, drive, or impel a motor car, motor wagon, motor cycle, or motor carrier in any road within the municipality which has not attached thereto a proper horn or other instrument which is capable of giving audible and sufficient warning of the approach or position of such motor vehicle.

14. Every driver or rider of a motor car, motor cycle, motor wagon, or motor carrier shall, when approaching the intersection of any streets and/or before turning round a corner of any street, sound such horn or other instrument, and shall at all other times whenever necessary give audible and sufficient warning of the approach or position of such motor car, motor cycle, motor wagon, or motor carrier by sounding a horn or other instrument, provided that no driver, rider, or person in charge shall sound any horn or other instrument while the said motor car, motor cycle, motor wagon, or motor carrier is standing upon any road.

15. No person shall drive, ride, or impel a motor car, motor wagon, motor cycle, motor carrier or cycle upon any footpath except when crossing from or to any premises at a regulation crossing place.

16. No person shall drive a motor car, motor wagon, or motor carrier backwards for a greater distance or time than the necessity of the case or the purpose of safety shall require.

17. No person shall drive, ride, or impel any motor car, motor cycle, cycle, motor wagon, motor carrier, or other motor vehicle:—

- (a.) Across an intersection or round the corner of any streets or ways at a speed exceeding six miles an hour.
- (b.) Within the area bounded on the East by the East side of Pier Street, and on the West by the West side of King Street, and on the North by the North side of Wellington Street, and on the South by the South side of Hay Street, at a speed exceeding 10 miles an hour.
- (c.) Within any other portion of the municipality, at a speed exceeding 20 miles an hour.
- (d.) At any time in any portion of the municipality, recklessly or negligently, or at a speed or in a manner which is dangerous to the public, having regard to all the circumstances of the case, including the nature, condition, and use of the road, and to the amount of traffic then upon or which might reasonably be expected to be upon such road.

18. No person shall drive, ride, or impel any motor car, motor cycle, cycle, motor wagon, motor carrier or other motor vehicle from any right-of-way into a street or from any street into a right-of-way at a speed exceeding four miles an hour, and shall sound a bell, horn, or other instrument to give audible and sufficient warning of the approach of such motor car, motor cycle, cycle, motor wagon, motor carrier, or other motor vehicle before entering any street or right-of-way.

19. Every driver or rider of a motor car, motor cycle, or motor carrier, or other motor vehicle when taking up or setting down persons in a street, or when waiting for any such purpose, shall act under the directions of any officer of the Corporation of the City of Perth or of any police constable who may be on duty in such street.

20. The driver of any motor car, motor wagon, motor cycle, or motor carrier shall, if any accident occurs to any person, whether on foot or horseback, or in a vehicle, or to any horse in charge of any persons in the presence of such driver in the street or road, stop and remain stationary for a reasonable time, and shall give his name and address, and (if he be not the owner) also the name and address of the owner of the motor car, motor wagon, motor cycle, or motor carrier if required by any police constable or officer of the Council, or by any person acting on behalf of any person injured, or of the owner of any property damaged.

21. Every person riding, driving, or impelling a motor car, motor wagon, motor cycle, motor carrier, or cycle who shall meet or overtake any animal which shall become restive or alarmed shall stop such motor car, motor wagon, motor cycle, motor carrier or cycle, and shall remain stationary as long as may be reasonably necessary.

22. (a.) Every driver or rider of a motor car, motor cycle, cycle, motor carrier, motor wagon shall, when passing any other motor car, motor cycle, cycle, motor carrier or motor wagon, or vehicle, or any animal proceeding in an opposite direction along any road, keep such other motor car, motor cycle, cycle, motor carrier, motor wagon, or vehicle or animal on his right, and when passing any other motor car, motor cycle, cycle, motor carrier, motor wagon, vehicle, other than a tram car, or any animal proceeding in the same direction, shall pass on the right hand side thereof. Within that portion of the Municipality bounded on the South by the South side of St. George's Terrace, on the West by the West side of Milligan Street, on the North by the North side of Wellington Street, and on the East by the East side of Pier Street, when passing a stationary tramcar which is proceeding in the same direction, then he shall pass on the left or near side of such tramcar.

(b.) No person within that portion of the Municipality specified in the last preceding clause shall drive, ride, or impel any motor car, motor cycle, cycle, motor carrier or motor wagon while passing on the near side of any stationary tramcar at a faster rate than four miles an hour.

(c.) Every driver or rider of a motor car, motor wagon, motor cycle, cycle, or motor carrier shall use due care in passing any stationary tramcar, and shall not pass any tramcar whilst any person or persons are boarding or alighting on or from such tramcar.

23. The person in charge of any motor car, motor cycle, cycle, motor carrier, or motor wagon shall at all times keep the same, whether moving or stationary, as

near as practicable to the footpath on the left or near side of such road and parallel thereto.

24. The person in charge of any motor car, motor cycle, cycle, motor carrier, or motor wagon upon any public road who is about to turn to the right into another road, shall not begin to turn such motor car, motor cycle, cycle, motor carrier, or motor wagon until such person has passed the centre of the road into which such person is about to turn.

25. No person shall drive, ride, or impel any motor car, motor wagon, motor cycle, or motor carrier in any road or public place abreast of or side by side with more than one other motor car, motor wagon, motor cycle, or motor carrier, except when taking part in a duly authorised parade or procession.

26. No driver or rider of a motor car, motor wagon, motor cycle, or motor carrier shall, when on such vehicle, be in a position in which he can not have control over the same, nor shall he quit it without having stopped the machinery, and taken due precautions against it starting in his absence, nor shall he allow it to stand on such road so as to cause an unnecessary obstruction thereof, nor shall he allow it to stand at the intersection of any road, nor shall he be absent from it for more than fifteen minutes.

27. The driver or rider of any motor car, motor cycle, motor wagon, motor carrier or cycle upon any road, when about to stop or turn such motor car, motor cycle, motor wagon, motor carrier or cycle, shall give some intelligible signal of such intention to so stop or turn, so that the same may be visible to any person immediately following.

28. The rider or driver of any motor car, motor cycle, motor wagon, or motor carrier, when using the same within the Municipality, shall always have an efficient silencer attached to such motor car, motor cycle, motor wagon, or motor carrier, and while so using such motor car, motor cycle, motor wagon, or motor carrier shall at all times keep the said silencer in full and efficient working order and in use, and shall not in any manner cause or allow such silencer to become ineffective.

29. The owner of any motor car, motor cycle, motor wagon, or motor carrier shall, when required by an officer of the Council or police constable, furnish the name and address of the persons driving such motor car, motor cycle, motor wagon, or motor carrier at any particular time.

30. No owner or driver of any motor car, motor cycle, motor wagon, or motor carrier shall at any time, without having in each case previously obtained the written consent of the Council, place, or suffer or permit to be placed, on the outside of such motor car, motor cycle, motor wagon or motor carrier for advertising purposes, any notice, advertisement or printed bill, or any name, letter, device, design, picture or number.

31. Whenever at any theatre, place of entertainment, or public meeting, the Traffic Inspector or other officer of the Council shall deem it necessary so to do, he may appoint temporary stands for private engaged and disengaged cars respectively, and every driver of a licensed car under this division shall take such place upon any such stand as he shall direct.

32. Should the Traffic Inspector or other officer of the Council at any time be of opinion that it is necessary to move any car from any appointed stand or place, it shall be lawful for him to direct the driver of same to move to any place he shall deem fit, and any driver who shall refuse to obey such directions shall be guilty of an offence against this division.

33. No person shall use or drive or impel a motor car, motor wagon or motor carrier in the Municipality unless there shall be fixed and kept in a conspicuous place in the centre of the front thereof not more than two feet above the front axle, and in the centre of the back thereof not less than one foot and not more than two feet above the rear axle, a rectangular plate in an upright position, upon which is inscribed the licensed number together with the distinguishing letter or letters of the local authority licensing such motor car, motor wagon, or motor carrier, in characters not less than four inches high, and of a corresponding breadth, painted in the case of motor cars, motor wagons, motor carriers intended for private use in white on a black ground, and in the case of cars intended for hire, or wagons or carriers for hire for the conveyance of goods, in black on a white ground, so that the inscription of the plates shall be easily distinguishable from in front or behind as the case may be.

34. No person shall ride, drive or impel any motor cycle unless there shall be attached thereto, in a conspicuous position in front and at the rear, number plates containing the number of the license of such motor cycle, together with the distinguishing letter or letters of the local authority licensing such motor cycle. The said number is to be at least two inches in height, and to be in white figures on black ground.

35. On payment to the Council of an annual fee of £4 in the case of motor cars, motor wagons, or motor carriers, and of the sum of £2 10s in the case of motor cycles, the Traffic Inspector may assign to any manufacturer of or dealer in motor vehicles, general identification numbers not exceeding three, which may be used for such motor cars, motor wagons, motor carriers, or motor cycles on trial after completion or on trial by an intending purchaser.

36. The Traffic Inspector shall keep in the register of motor vehicles a record showing the name of the manufacturer or dealer to whom any general identification numbers have been assigned, the place of business of the manufacturer or dealer, and a description of the colouring of the plate issued by the Council to such manufacturer or dealer.

37. The colouring of the plates having placed thereon or annexed thereto any of such distinguishing numbers shall be different from the colouring of the plates required to be used by owners and specified in Sections 33 and 34 of this By-law, but all other provisions of this By-law as to size and positions of the plates shall apply. The said plates shall be issued by the Council at the expense of the person requiring the same, and no manufacturer, dealer, or other person shall use any plates other than those issued by the Council.

38. No person shall use any motor car, motor wagon, motor cycle, or motor carrier exhibiting a plate with a manufacturer's or dealer's identification number thereon for any purpose than either of those specified in Clause 35 of this By-law.

39. Whenever any such manufacturer or dealer shall use any number assigned to him under this By-law, he shall keep a record of the name and address of the person driving such motor car, motor wagon, motor carrier, or motor cycle on each occasion, and such record shall be open to inspection at any time by the Traffic Inspector or any person appointed in writing to make an inspection.

40. No person shall in any way obscure or conceal the number on any number plate attached to any motor car, motor wagon, motor cycle, or motor carrier, or suffer or permit any such number to be in any way obscured or concealed.

41. Without prejudice to the generality of the above prohibition the following act or omissions are prohibited, that is to say:—Placing any article or thing or suffering any article or thing to be placed over, before or upon the number or any part thereof; smearing or putting any grease or oily matter or suffering any grease or oily matter to be smeared or put on or above the number or any part thereof.

42. (a.) Every cycle except a motor cycle, shall carry a bell suitable for giving warning of approach, which shall be used as a signal whenever any person on foot or on horseback or vehicle is being approached or passed. No cyclist shall use as a signal any instrument capable of making a sound other than a bell.

(b.) No person shall leave any cycle in or on any street, road, or footway so as to become an obstruction, and every person shall remove his cycle immediately upon being requested to do so by any constable or officer or member of the Council.

(c.) No motor cyclist or cyclist shall pass at a speed exceeding eight miles an hour any person who shall be riding or driving any horse or other animal.

(d.) No person shall ride any cycle round the corner formed by the junction of any roads in the Municipality, or across the intersection of any of the said roads, at a pace exceeding six miles an hour.

(e.) No person whilst riding a cycle shall hold on to any tramcar, motor car, or other vehicle of any description whilst in motion.

(f.) No person in charge of a cycle or motor cycle shall allow, within the Municipality, any other person to be carried on or thereby, except in or upon a proper side attachment, and any person so doing shall be guilty of an offence against this By-law.

(g.) No person shall ride or impel any bicycle, motor cycle, tricycle, or other velocipede upon or over any portion or part of a park or public reserve.

(h.) No person shall ride or impel any cycle in any street or public place, abreast or side by side with more than one other cycle, except when taking part in a duly authorised parade or procession.

(i.) Every person riding a motor cycle or cycle upon any public street shall, when about to stop, raise his hand or give some intelligible signal of such his intention, so that the same may be visible to any person immediately following, and,

(j.) Upon the Traffic Inspector or Police Constable holding up his hand or otherwise giving an order or direction, stop so long or proceed in such manner or direction as such Traffic Inspector or Police Constable shall deem necessary to allow a free space between any vehicles, or for cross traffic, or for any other like purpose.

(k.) Shall at all times keep the same as near as practicable to the footpath on the left or near side of such street, and

(l.) Before turning to the right into another street, shall pass the centre of the street into which he is about to turn.

(m.) No person shall ride a cycle upon any public street without keeping at least one hand upon the handle-bar of such cycle.

Lights.

43. No person shall between sunset and the following sunrise ride, drive, or impel, hawl or place on any road within the Municipality any motor car, motor wagon, motor cycle, cycle, motor carrier, engine or trailer, unless a lamp or lamps as hereinafter prescribed are kept continually burning sufficient to afford an adequate means of signalling the approach or position of the motor car, motor wagon, motor cycle, cycle, vehicle, motor carrier, engine or trailer.

Motor Cars, Motor Wagons, and Motor Carriers.

(a.) At least two lamps so constructed and placed as to exhibit a white light in the direction in which such motor car, motor wagon, or motor carrier is proceeding or intending to proceed, and one lamp so constructed and placed as to exhibit a red light from the rear of the motor car, motor wagon, or motor carrier, and a white light to so illuminate the rear number plate as to make the inscription thereon easily distinguishable, and all such lamps shall during the time aforesaid and whilst such motor car, motor wagon, or motor carrier is in any street or way be kept lighted and shall show a light sufficiently clear and strong to afford adequate means of signalling the approach or position of such motor car, motor wagon, or motor carrier.

Motor Cycles.

(b.) One efficient lamp—and in the case of a motor cycle with attachment, two efficient lamps—so constructed and placed as to exhibit a white light in the direction in which the motor cycle is proceeding or intending to proceed, and a red light from the rear, and such lamp or lamps shall be lighted and kept lighted during such time as aforesaid and whilst such motor cycle is in any street, road, or way, shall show a light sufficiently clear and strong to afford adequate means of signalling the approach or position of such motor cycle.

A light from the rear shall not be insisted on if a "red reflex" is affixed in such a manner as to adequately reflect the light from an approaching vehicle, to the satisfaction of the Traffic Inspector of the Council.

Cycles.

(c.) One lamp attached to the front of the cycle, and exhibiting a white light in the direction in which the cycle is proceeding or intending to proceed, and red light from the rear.

A light from the rear shall not be insisted on if a "red reflex" is affixed in such a manner as to adequately reflect the light from an approaching vehicle, to the satisfaction of the Traffic Inspector of the Council.

Engines.

- (d.) Two lamps attached to the front of the engine, one to be fixed to each side of the engine and exhibiting white lights in the direction in which the engine is proceeding or is intending to proceed, and one lamp attached to the front of the engine between the white lights exhibiting a green light in the direction in which the engine is proceeding, and one lamp attached to the back of the engine and exhibiting a green light from the rear of the engine.

Trailers.

- (e.) Similar lights shall be required to be attached as if the vehicle were driven or impelled.

*Division 2.**Regulating Motor Cars and Motor Wagons for Hire.*

The following Sections of the By-law shall apply solely to motor cars, motor wagons, and motor carriers for hire.

44. No motor car, motor wagon, or motor carrier shall be used for hire within the City of Perth unless and until a license shall have first been obtained from the Council for the same, and except during the currency of such license.

45. No person shall act as a driver of any car plying or used for hire, or motor wagon or motor carrier for the conveyance of goods without having a valid and subsisting license from the Council so to act, which license the Council is authorised to grant on being satisfied that the person applying for the same is a person of good character and proper skill and fitness and competent to perform the duties of a driver.

46. An application for a license under Section 44 for a car shall be made by the owner or his duly authorised agent in the form prescribed in Schedule "H" hereto, and for a motor wagon or motor carrier as per Schedule "I."

47. An application for a license under Section 45 of this By-law as driver of a car shall be made by the applicant in the form of Schedule "J" hereto.

48. The fees to be paid for licenses under this Division of the By-law for cars to be hired shall be the same as those detailed in Schedule "G" and for the license of each driver of a car the sum of 10s.

49. Every license issued under this Division of the By-law shall expire on the last day of the financial year of the Council next after the same shall be granted. Provided that in respect of any license granted after the sixth month of any year the fee payable for such year shall be one-half of the annual fee for such license.

50. The Council, upon any application to license a car under this Division of the By-law, shall cause an inspection to be made of the car to which the same shall relate, and shall not grant a license unless such car shall be found to be in a fit and proper condition for public use.

51. The license for a motor car, motor wagon, or motor carrier licensed under Section 50 of this By-law shall be in the form of Schedules "K" and "L" hereto respectively.

52. The license for a driver of a car or wagon licensed under this Division of the By-law shall be in the form of Schedule "M" to this By-law, and shall be issued in duplicate. One copy of such license to be called the "original," shall be lodged by the driver with his employer at the time of his being employed, to be retained by such employer during the time of such employment, and the other copy, to be called the "duplicate" shall be retained by the driver, who shall not lend or part with the same.

53. The owner of any motor car, motor wagon or motor carrier licensed under this Division of the By-law shall, when required by any police constable or officer of the Council, furnish the name and address of the person driving such motor car, motor wagon or motor carrier at any particular time.

54. The licensed driver of a motor car, motor wagon, or motor carrier licensed under this Division of the By-law shall be constantly in attendance on the same whilst it is standing on a public stand or plying for hire.

55. The licensed driver of a motor car, motor wagon or motor carrier licensed under this Division of the By-law shall not suffer any unlicensed person to drive the same whilst plying for hire.

56. No person under the age of 17 years shall be licensed under this Division of the By-law as a driver.

57. No driver of any motor car licensed under this Division of the By-law shall allow more than the number of persons for which such car is licensed to be carried in or by the same, and no person shall enter such car after he has been informed by the driver that the same has already the full number of passengers.

58. The driver of any motor car licensed under this Division of the By-law shall stop the same upon demand by the Traffic Inspector or other duly authorised officer of the Council to enable such Inspector or officer to count the number of passengers, or to ascertain the name of any person who may be offending against this By-law.

59. No driver of any motor car licensed under this Division of the By-law shall, except whilst on an appointed stand, permit his vehicle to stand or loiter in any part of the Municipality longer than may be absolutely necessary for taking up or setting down passengers, and no such driver shall wilfully, wrongfully, or forcibly prevent or endeavour to prevent the driver of any other licensed vehicle from taking a fare or passenger.

60. No driver except upon request of a police constable or officer of the Council, shall carry in or upon any motor car licensed under this Division of the By-law any person in a state of intoxication or any person who so noisily conducts himself as to occasion annoyance to any passenger, or to disturb the public peace.

61. The driver of any motor car licensed under this Division of the By-law, having agreed to convey a fare or passenger to any given point, shall do so by the most direct route available and without delay, unless otherwise directed by the passenger.

62. No driver shall smoke whilst driving any motor car licensed under this Division of the By-law conveying any passenger, without first applying and obtaining the permission of the passenger.

63. Any police constable or authorised officer of the Council may at any time order the driver of any car licensed under this Division of the By-law to remove such car from any public stand or road in the District if the same shall, in his opinion, be so dirty or otherwise in such a condition as to be unfit for public use.

64. No driver of any licensed car shall carry or permit to be carried in or upon any such car any other person than the hirer thereof, except with the consent of such hirer.

65. The following stands are hereby appointed as stands for motor cars licensed under this Division:—

- (1.) A stand in the centre of St. George's Terrace, beginning at a point 81 feet West of the West side of Barrack Street, and extending Westward for a distance of 79 feet, then after a break of $5\frac{1}{4}$ chains extending a further distance of 4 chains. The cars upon this stand shall face Eastwards, and each car taking up a position on the stand shall take up its position at the rear of the rearmost car then upon the stand, and as soon as any car leaves the stand the cars standing at the rear of such car shall immediately close up.
- (2.) A stand for one car only in the centre of St. George's Terrace beginning at a point 33 feet East of the Eastern side of Barrack Street.
- (3.) A stand in the centre of St. George's Terrace, beginning at a point 80 feet East of the Eastern side of Barrack Street, and extending Eastward one chain.
- (4.) A stand in the centre of St. George's Terrace, beginning at a point 70 feet West of the Western side of William Street, and extending Westward three chains.

66. Motor cars licensed under this Division of the By-law shall take their places upon any appointed stands in the order of their arrival there, and when any car shall be called or driven off any stand, the driver of the car immediately behind shall draw the same up to the place thus vacated, and the drivers of the cars in the rear shall follow up in a like manner; provided that after every fourth car on any stand there shall be left a space of eight feet for foot passengers to pass through, and after every eighth car a space of 18 feet for vehicles to pass through. No driver shall permit his car to stand at the side of the street near any appointed stand.

67. No licensed driver shall—

- (a) Place his car upon a temporary stand appointed for engaged cars unless his car is actually engaged.
- (b) Accept an engagement whilst his car is standing upon a temporary stand appointed for engaged cars.

68. Should the Traffic Inspector or other officer of the Council at any time be of opinion that it is necessary to move any car from any appointed stand or place, it shall be lawful for him to direct the driver of same to move to any place he shall deem fit, and any driver who shall refuse to obey such directions shall be guilty of an offence against this Division.

69. The driver of any motor car, motor wagon, or motor carrier licensed under this Division shall at all times whilst plying for hire, or whilst on any stand, act under the directions of the police constable, the traffic inspector or other officer of the Council, and any driver who shall refuse to obey such directions shall be guilty of an offence against this by-law.

70. Every motor car licensed under this Division standing on a public stand shall be deemed to be plying for hire, and the driver thereof shall, immediately upon demand and upon tender of the amount legally chargeable, take any fare if not previously engaged.

71. If at any place other than on a public stand the driver of a motor car licensed under this Division shall solicit engagement, by word of mouth or sign, he shall immediately upon demand and upon tender of the amount lawfully chargeable, take any fare then offering.

72. The rates and fares which may be lawfully charged by the driver or owner of any car licensed under this Division for hire thereof shall be those set out in Schedule "N."

73. It shall be the duty of the owner and driver of every car licensed under this Division to fix or cause to be fixed, and to keep fixed inside such car, both front and back, in such a conspicuous position as to be easily seen by any passenger therein, two copies of the table of rates and fares for the time being chargeable under this By-law, printed in clear and legible characters.

74. No licensed driver shall demand from any passenger more than the fare or rate fixed by the By-law, and if any person pays such driver on demand any sum exceeding the legal fare, he may recover the same summarily, and such driver shall be deemed guilty of an offence against this By-law.

75. Any passenger by a motor car licensed under this Division who shall refuse to pay the legal fare or rate payable by him in accordance with this Division shall be deemed guilty of an offence against this By-law.

76. Every person travelling by any motor car may take with him ordinary personal luggage not exceeding in weight 28lbs. without any charge being made for the carriage thereof, but shall pay a sum not exceeding 6d. for every 28lbs. or fractional part thereof in excess of such weight, irrespective of the distance the same may be carried; but the driver of such motor car may refuse to carry baggage which would, with the full number of passengers, exceed the weight such car is reasonably expected to carry.

77. The Town Clerk of the Council may, by notice in writing, require any driver licensed under this Division, against whom a complaint of committing an offence against this Division has been made, to attend before the Council or a committee thereof to show cause why his license should not be suspended or cancelled, and may, on satisfactory proof of or on conviction by any court of competent jurisdiction for such offence, suspend or cancel such license; and if he shall fail to attend pursuant to such notice, or to show good cause to the contrary, the said Council or committee may, by notice in writing, in the form of Schedule "O" to this Division, suspend or cancel the license of such driver, and when a license is suspended or cancelled both the original and duplicate shall be endorsed accordingly.

78. When a driver's license has been suspended or cancelled by the Council it shall be an offence against this By-law for such driver to apply for a license to the Council or any other Local Authority—in the case of suspension, during the period of such suspension, and in the case of cancellation during the balance of the financial year—without producing such suspension or cancellation to such Council or Local Authority.

79. The driver of any car licensed under this Division who accepts an engagement to call at any house or place for a passenger, and neglects to perform such engagement, either by himself or a substitute, shall be guilty of an offence against this By-law.

80. No person whilst in charge of any motor car, motor carrier, or motor wagon which is standing upon any authorised stand shall—

- (a) Act in a noisy manner either by calling out loudly or by the sounding of any horn or instrument or in any other manner whatsoever.
- (b) Be drunk.
- (c) Use any indecent, threatening, or insulting language.

Penalties for Breaches of By-laws.

81. Where anything by this By-law is directed to be done or forbidden to be done, or where authority is given to any officer to direct anything to be done, or to forbid anything to be done, and such act so directed to be done remains undone or such act forbidden to be done is done, in every such case the person making such default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of this By-law. And every person guilty of a breach of this part of this By-law shall be liable for every such offence, besides any costs which may be incurred in the taking of proceedings against such person guilty of such offence as well as any costs or expenses which may be incurred in the execution of the work directed to be so executed and not so executed, to a penalty not exceeding Twenty pounds for every breach of any such By-law, or to a penalty not exceeding Two pounds for each day during which such breach shall be committed or continued.

THE MUNICIPAL CORPORATIONS ACT, 1906.

Fremantle Municipality.

Ex. Co. 2299; P.W. 1273/16.

IT is hereby notified, for general information, that His Excellency the Governor in Council has approved of the attached By-laws of the Fremantle Municipality, in accordance with the provisions of "The Municipal Corporations Act, 1906."

C. A. MUNT,
Under Secretary for Works and Industries.

A BY-LAW of the Municipality of Fremantle made under Section 179 of "The Municipal Corporations Act, 1906," and numbered 91, for regulating the erection, putting up, and situation of signboards or other signs, or awnings, blinds, or overhanging lamps, or other things over or near any footway or roadway within the Municipality of Fremantle.

In pursuance of the powers conferred by the said Act, the Mayor and Councillors of the Municipality of Fremantle order as follows:—

1. No person shall erect, put up, allow or suffer to remain any signboard, sign, awning, blind, or overhanging lamp, or other things over or near any footway or roadway, without first having made written application to and having obtained the consent in writing of the Fremantle Municipal Council; such application to give full particulars of the shape, nature of material, and method of securing any such signboard, sign, awning, blind, overhanging lamp, or other things to be erected or put up.

2. No person shall allow, permit, or suffer any portion of any signboard, sign, awning, blind, or overhanging lamp, or other things, to be of a less height from the surface of the footway or roadway than eight feet.

3. After three months' notice by the Council, any sign not conforming with the foregoing shall be taken down or altered as the Council may from time to time by order direct and require.

4. Every person committing any offence against the provisions of this By-law shall, on conviction, forfeit and pay any sum not exceeding Twenty pounds.

Passed this 6th day of March, 1916.

THE ROADS ACT, 1911.

Meekatharra Road Board.

Re-division into Wards, re-naming of Wards, and determining number of Members for each Ward.

Notice of intention.

Department of Works and Industries,
P.W. 1193/16. Perth, 9th August, 1916.

IT is hereby notified, for public information, that it is the intention of His Excellency the Governor in Executive Council, under the provisions of "The Roads Act, 1911," and all other powers him enabling in this behalf, to redivide the Meekatharra Road District into Two Wards, to have the names and boundaries set forth in the Schedule hereunder, and to determine the number of members for each Ward as set forth in the said Schedule.

Plans showing boundaries of the new Wards may be seen at the Local Government Office of the Department of Works and Industries, Perth.

To come into force after the 31st December, 1916.

C. A. MUNT,
Under Secretary for Works and Industries.

Schedule.

Town Ward.

All that territory in the said Meekatharra Road Board District comprised within the Commonage boundaries of the Meekatharra and Gabanintha Commons. Six members.

Country Ward.

All that territory comprised in the said Meekatharra Road Board District other than that described and comprised in the said Town Ward. Three members.

THE ROADS ACT, 1911.

Uniform General By-laws for regulating the Registration of Camels, Licensing of Camel-drivers, and regulating the Control of Camels in all Road Districts in the North-West Part of the State.

WHEREAS under Section 180 of "The Roads Act, 1911," it is provided that the Governor may make and publish in the *Government Gazette* Uniform General By-laws, and may prescribe from time to time the Road Districts in which such By-laws shall have the force of law: Now, therefore, His Excellency the Governor of the State of Western Australia, acting with the advice of the Executive Council, in exercise of the powers conferred by the said Act, doth hereby make and publish the By-laws for regulating the registration and licensing of camels and licensing of camel-drivers, also other matters in connection with traffic of camels on public roads; and such By-laws shall apply within all Road Districts whose Boards have their Head Quarters North of the 27th degree parallel of South latitude.

201. These By-laws shall apply to all camels domiciled within any district having their head quarters North of the 27th degree parallel of South latitude, and shall come into operation from the first day of January, 1917.

202. "Head Quarters" of a Board or District shall mean the office or place at which the Road Board of the District carries out its usual business under "The Roads Act, 1911," and all interpretations under the said Act shall, so far as may be, apply to these By-laws.

203. No person shall own, keep, or use within any Road District (hereinafter referred to as "The District") any camel unless such camel is registered for the time being at the office of the Road Board of such District; provided that no person shall be required to register a camel under this By-law during such time as the camel is duly registered by some other Road Board.

Application for Registration.

204. Application for registration shall be made to the Secretary of the Board by writing in the Form "A" of the Schedule, and shall contain the particulars indicated thereby, and shall be signed by the applicant or his agent.

Registration Fees.

205. The following scale of fees shall be payable for registration of camels plying for hire:—

When used for packing:

In respect of every bull over three years of age, 7s. 6d. per annum.

In respect of every bull camel under three years of age, 5s. per annum.

In respect of every cow or gelding, 2s. 6d. per annum.

When used for draught:

In respect of every camel used for draught only (except bulls over three years of age), One shilling (1s.) per annum.

Provided:

(a.) That no registration fee shall be payable in respect of any cow or gelding used solely by prospectors for prospecting purposes, upon the production of a certificate to the Board from a Warden or Mining Registrar to that effect; also that these fees shall only apply when registration is effected before the 31st day of July, after which the fee shall be doubled.

(b.) That when camels are kept for breeding purposes only and do not use any roads or watering places under the control of any local authority, and are duly registered as such, no fee shall be charged.

(c.) That for the period ending 30th June, 1917, the fees shall be half those stated above.

(d.) That the fees provided under these By-laws shall not apply for the period ending the 30th June, 1917, in cases where registration has already been effected under other By-laws.

206. A certificate of registration shall be issued by the Secretary of the Board to the applicant, in the Form "B" of the Schedule.

Registration Discs.

207. On the registration of every camel the Board will issue to the applicant a registration disc inscribed with the number and the letters signifying the name of the district.

208. The letters signifying the name of the district shall be those letters allocated against each district in Schedule "N" of Uniform General By-laws No. 95, published in the *Government Gazette* of the 4th August, 1916.

209. Every person in charge for the time being of any camel shall keep the registration disc attached to the neck of the camel, and visible.

Camel-drivers' Licenses.

210. No person shall ply or drive any camel or camels for hire within any district unless he is the holder of a camel-driver's license in force for the time being issued by the Board of such District, or unless he is the holder of a license in force for the time being issued by the Board of some other Road District.

211. The fee payable for a camel-driver's license shall be Five shillings (5s.) per annum, and shall be payable on application for such license; provided that for the period ending 30th June, 1917, the fee shall be 2s. 6d.

212. A camel-driver's license shall be in the Form "C" of the Schedule, and the licensee shall be required to sign his name in the margin thereof before the license is issued to him.

213. Every registered camel-driver's license shall expire on the 30th day of June in the year for which it was granted.

214. A camel-driver's license shall be transferable by endorsement at the office of any Road Board to which these By-laws apply, on payment of a fee of One shilling (1s.); the transferee to sign his name in the margin thereof.

License and Registration Certificate to be produced.

215. Every camel-driver shall produce his camel-driver's license and certificate of registration for each and every camel in his charge, whenever called upon so to do by any officer of the police, or any member or officer of any Road Board to which these By-laws apply.

Limit of Number of Camels to be Driven.

216. No person shall at the same time drive or take the charge of more than fourteen camels, whether draught or pack camels or partly draught and partly pack camels.

217. In all cases of camels meeting or overtaking a horse or bullock team, or a vehicle of any description, the person in charge or the driver of such camels shall, when within two hundred yards of the team or vehicle, take the camels off the road, and at least ten (10) feet from the centre thereof.

218. No camel-owners, drivers, or persons in charge of camels shall allow any camel to remain at a well or pool more than half-an-hour for the purpose of watering, or allow any camel to camp within 300 yards of any well or natural surface water, nor allow any camels to camp less than 100 yards from any road.

Unregistered Camels may be Destroyed.

219. Any unregistered camel found straying in any part of the Road District may be seized and either sold or destroyed, after such camels have been advertised for three weeks in some paper circulated in the District; the owner shall be liable to pay to the Board the cost and expense incurred, in addition to registration fees.

Penalty for suffering Camels to Stray.

220. If any camel is suffered to stray, the owner thereof and any person who, having been in charge thereof, has suffered it to stray, shall be guilty of an offence against these By-laws.

Penalty for driving Diseased Camels.

221. If any person drives or rides any camel suffering from any infectious or contagious disease on any road, reserve, or camping place within the district, he shall be guilty of an offence against these By-laws.

Public Watering Places not to be used by Diseased Camels.

222. No camel suffering from any infectious or contagious disease shall be allowed to water at any public watering place.

Any person who having, as owner, driver, or otherwise, the custody of any camel suffering from any infectious or contagious disease permits such camel to water at any public watering place shall be guilty of an offence against these By-laws.

Diseased Camels may be Destroyed.

223. It shall be lawful for any police constable or any person acting with the authority of the Board to slaughter and destroy any camels found suffering from any infectious or contagious disease on any road.

224. No camel-driver shall permit his camels to camp within 300 yards of any gate on any road in the district.

Penalties.

225. Every person guilty of an offence against these By-laws shall for every such offence be liable to a penalty of not less than Ten shillings and not exceeding Twenty pounds.

FREMANTLE HARBOUR TRUST.

Discontinuance of Navigation Light at seaward end of old Sea Jetty, Gage Roads, Fremantle.

NOTICE TO MARINERS.

NOTICE is hereby given by the Fremantle Harbour Trust Commissioners, for the information and guidance of Mariners using the port of Fremantle, that the fixed red light previously exhibited at the end of the old sea jetty, Gage Roads, was wrecked by heavy weather on Sunday, 23rd July, 1916, and it has been decided not to replace it, as owing to a very considerable portion of the jetty having been removed the light has ceased to have any value as a navigation mark.

Charts affected:

No. 1058, Rottneet Island to Warnbro Sound.
No. 1700; Plan of Gage Roads.

Dated at Fremantle, this 1st day of August, 1916.
