Acting Under Secretary.

No. 15180.—C.S.O.

THE HEALTH ACT, 1911-15.

Colonial Secretary's Office,

3219/16.

Perth, 12th January, 1917.

HIS Excellency the Governor in Council has been pleased to approve of the following By-laws made by the Collie Municipal Council.

J. R. CAMPBELL,  
Acting Under Secretary.

COLLIE MUNICIPAL COUNCIL.

*By-laws.*

WHEREAS under the provisions of "The Health Act, 1911," a Local Health Authority may make By-laws: Now, therefore, the Municipality of Collie, being the Local Health Authority for the Municipal District of Collie, doth hereby make the following By-laws:—

All By-laws heretofore made under the Health Act by the Municipal Council of Collie are hereby repealed.

*Interpretation.*

In these By-laws the terms specified hereunder shall bear the meaning defined, unless the context indicates otherwise:—

- "Approved" shall mean approved by the Medical Officer of Health, or by Inspector of the Municipality of Collie as a Local Authority.
- "Local Authority" shall mean the Mayor and Councillors of Collie.
- "District" shall mean the Municipality of Collie and any area placed under their jurisdiction pursuant to the powers conferred by "The Health Act, 1911-15," Section 21.
- "Medical Officer" means the Medical Officer of the Municipality of Collie as the Local Authority, or any person temporarily acting in that capacity.
- "Collector" shall mean the officer appointed by the Authority to collect sanitary and other fees due to the Authority.
- "Person" shall include a partnership, company, or corporation.
- "Offensive material" shall mean and include dust, mud, ashes, rubbish, filth, blood, manure, dung, soil, or other material which is offensive, collected, placed, or found in or about any house stable, cow-house, pigsty, lane, yard, street, or place whatsoever.

*To regulate the appointment, duties, and conditions of service of officers and servants of the Board.*

(1.) (a.) The by-law of the Municipality of Collie relating to the appointment of officers and numbered IV. therein shall, *mutatis mutandis*, apply to the election of officers to the Local Authority.

*Duties of Inspector and Collector.*

(b.) The Inspector shall make constant inspections of all premises, yards, out-houses, and sanitary conveniences, and see that they are kept in such condition as not to be or cause a nuisance, or be a menace to public health. He shall serve all notices as required by the Health Act or by-laws relating thereto, and shall see that all such notices are complied with, and shall take such action as may be necessary to have his lawful orders carried out.

(c.) He shall make periodical inspections as often as may be requisite of all slaughtering establishments and other places where any noxious trade is being carried on, butchers' shops, fish-shops, laundries, etc., and ascertain that they are not in any way infringing the provisions of the Act, nor the by-laws of the Local Authority.

(d.) He shall inspect hotels, boarding-houses, etc., for the purpose of ascertaining that all the provisions of the Act, and the by-laws of the Board so far as they apply, are being carried out, and complied with.

(e.) He shall visit all bakeries from time to time and shall test the weight of bread therein exposed for sale, also shall visit all dairies, piggeries, soft-drink shops, and ascertain that they are kept in a clean and wholesome condition, and complying with the Act and the by-laws of the Local Authority.

(f.) He shall serve all requisite notices for the abatement of nuisances, infringements of the by-laws, and shall take such action as may be requisite or neces-

sary to enforce the provisions of the Act and by-laws of the Local Authority in all respects.

(g.) He shall, while filling the position of collector to the Local Authority, collect all moneys that may be due to the Local Authority, issuing official receipts for payment, and entering particulars of all such payments in the book for that purpose.

(h.) He shall pay all such moneys as are collected from day to day to the Town Clerk, who shall check the entries in the book with the receipts and shall initial all such entries on receiving the money answering to such entries.

*As to the time and mode of collecting and enforcing the payment of sanitary and other fees and licenses.*

2. (a.) All license fees payable under the Act shall be payable on the first day of January of each year, at the office of the Local Authority.

(b.) For the purpose of these by-laws, notwithstanding that a collector may be employed by the Local Authority, all licenses, sanitary and other fees and charges shall be payable at the office of the Local Authority.

PART I.—GENERAL SANITARY PROVISIONS.

*Earth closets and privies.*

3. No person shall construct or cause to be constructed any closet or privy which does not comply with the following conditions:—

- (a.) It shall not be within 20 feet of any dwelling-house or tank, nor within 50 feet of any other water supply, nor within 50 feet of the milking shed or milk room of any dairy, and shall be so constructed that the pan may be withdrawn from the rear of the convenience.
- (b.) The walls shall be of stone, brick, or other impervious material.
- (c.) There shall be at least two ventilating openings, of 50 square inches in area, one in each of the two opposite walls, and situated six feet above the floor level, and communicating with the outside air, or as may be approved.
- (d.) The roof shall be of galvanised iron, or other impervious material.
- (e.) The door shall be hung so that there is, when the door is closed, a clear space of at least three inches above and below it.
- (f.) The floor shall be of approved impervious material, and shall have a uniform fall of one in 30 from back to front; and its upper surface shall be not less than six inches above the level of the ground adjoining.
- (g.) The seat shall be hinged with its under surface 15 inches above the floor.
- (h.) A hinged aperture cover shall be provided to the seat so fixed that it will not remain raised unless held up.
- (i.) The riser shall be removable, and shall cease three inches above the floor.
- (j.) Guide bars one and a-half inches thick shall be fixed to the under-side of the seat from front to back of the panstead; the inner edges shall be parallel, and 15 inches apart, and shall be so placed as to direct the pan immediately below the centre of the aperture of the seat.
- (k.) A service door shall be provided and kept in position in the rear of the convenience, through which the pan must be withdrawn.
- (l.) When the land is fenced, the privy shall be placed in such a position so that the service door shall be accessible through such fence at the right-of-way or street.

*Urinals.*

4. No person shall construct or cause to be constructed a urinal, which does not comply with the following conditions:—

- (a.) The walls shall be composed of or faced with some impervious material, approved by the Local Authority.
- (b.) The floor shall be constructed of approved material, finished so as to be impervious, and have a fall of not less than one in 30 to a drain constructed at one side of such floor: the drain to be composed of similar material: such drain shall discharge into an approved receptacle.

- (c.) The roof shall be of impervious material, and so arranged that there is an opening on all sides between the top of the walls and the lower side of the roof of not less than six inches.
- (d.) A U-shaped trough shall be provided, placed against one of the walls, and composed or faced with galvanised iron, not thinner than 20 gauge, or some other approved impervious material, discharging in an approved manner to a sanitary pan, of the pattern prescribed by By-law 7, or other approved receptacle.
- (e.) The impervious surface of that side of the trough nearest to the wall shall be continued to a height of not less than two feet above the front edge of the trough; the front edge shall be not less than 24 inches, and not more than 26 inches above the floor level.
- (f.) The wall against which the trough is placed to be that wall which is adjacent to the lowest part of the floor.
- (g.) A water supply, and such fittings as may be required, for flushing purposes shall be provided to the satisfaction of the Local Authority.

#### *Retrospective application of By-laws.*

5. The owner of any premises upon which there is any sanitary convenience which does not comply with the provisions of by-laws 1 and 2 shall, when required by the Local Authority, provide a sanitary convenience which is in accordance with the requirements of the said by-laws, and shall remove from such premises every sanitary convenience which does not comply with the requirements of the said by-laws.

#### *Maintenance of sanitary conveniences.*

6. The occupier of any premises whereon there is a sanitary convenience shall—

- (a.) Maintain such convenience in a cleanly condition.
- (b.) When required by an inspector, efficiently disinfect such convenience.
- (c.) Maintain such conveniences so as to comply with by-laws 3 and 4.

#### *Supply of deodorants to be maintained.*

7. Every occupier shall cause to be kept in each earth closet or privy a sufficient supply of approved deodorant, and means for using same, and shall cause all nightsoil or other matter which may be deposited in the pan of such earth closet or privy to be immediately deodorised with a sufficient quantity thereof.

#### *Public latrines.*

8. (a.) No person shall foul any portion of a public sanitary convenience.

(b.) No person shall stand upon any portion of any such convenience.

(c.) Every such convenience shall be provided with a sufficient amount of artificial light, and such light shall be maintained after sunset for such time as such convenience remains open to the public.

#### *Sanitary services and receptacles.*

9. Every owner of a privy shall provide, in connection therewith, two pans, and such pans shall conform to the following specifications:—

- (a.) They shall be constructed of galvanised iron of not less than 22 gauge.
- (b.) They shall be 14½ inches high, and the diameter shall be thirteen and one-sixth inches.
- (c.) There shall be an iron band around the top one inch by a quarter of an inch, welded at the joint, and secured thereto by four quarter-inch diameter rivets placed through the band and pan at equal distances apart in the circumference thereof and so as to fit same neatly, and be level across the top.
- (d.) The seams of the pans shall be folded, grooved, and sweated with solder.
- (e.) There shall be two straps across the bottom, swaged and riveted thereto, and made of one and a-quarter galvanised hoop iron of not less than 20 gauge.
- (f.) Two handles of three-eighths of an inch round iron shall be properly riveted to the external

opposite sides at five inches below the top, projecting not more than two inches from the sides thereof.

(g.) The lid to be used on a pan from a privy shall be of approved design, and so constructed and fitted that when applied and fixed to a pan no liquids can escape from the latter.

(h.) The pan shall be removed from the privy at least once in each week.

If more than six and not more than ten persons use such privy, the pan shall be removed at least twice each week.

If more than ten and not more than fifteen persons use such privy, the pan shall be removed at least three times a week.

If more than fifteen and not more than twenty persons use such privy, the pan shall be removed nightly.

(i.) The occupier of any premises shall not permit any privy on such premises to be used by more than twenty persons.

(j.) Notwithstanding the provisions of by-law 9, the pan from any privy shall be removed at such times and with such frequency as an inspector may direct.

#### *Prescribing the method of removing used pans and replacing of clean ones.*

10. (a.) Every person removing a pan from a privy shall at once cover the same with an approved tight-fitting lid. He shall then place in the panstead of the privy a clean pan of the pattern described in by-law 7, and such clean pan shall be placed directly under the aperture of the seat, in such a way that the handle of the pan is not in contact with the riser, and the panstead door shall then be closed.

(b.) After the lid of a used pan has been placed in position no person shall remove such lid until after the pan has been transported to the site used for the disposal of nightsoil.

(c.) On reception at the place of disposal, the contents of each pan shall be emptied and disposed of in the manner prescribed in paragraph (f).

(d.) After the pan has been emptied, it and its lid must be thoroughly washed and scrubbed in clean water, and then the inside of each pan and both sides of the lid shall be thoroughly scrubbed in a disinfecting solution, a separate brush being used, and then wholly immersed in a solution of disinfectant having a germicidal value equal to a five per cent. solution of pure carbolic acid; or thoroughly cleansed in a steam-tight box or chamber with steam, to be applied to the pan and lid for not less than five minutes.

(e.) The interior surface of every pan and the underside of the lids shall, after being thoroughly cleansed, be properly coated with coal-tar applied hot, and such coating shall be renewed whenever necessary, so as to properly protect the whole internal surface of the pan and the underside of the lid.

(f.) The contents of such pans shall be disposed of by burial in a trench not exceeding two feet in depth nor two feet in width, and shall within twelve hours after being deposited be thoroughly covered with a layer of clean earth of at least six inches in depth.

#### *Rubbish receptacles to be provided.*

11. (a.) The occupier of every premises shall provide a receptacle or as many more such receptacles as may be required by an inspector, for temporarily holding refuse. Such receptacles shall be of metal not thinner than 24 gauge. Its capacity shall not be less than two and a-half cubic feet, nor more than four cubic feet, and so constructed as to be water-tight. It may be provided with two handles and shall have a close-fitting conical lid.

(b.) For the purpose of this by-law and by-laws 12 and 13, the term "refuse" does not include slops or liquid waste, and no person shall place any such slops or liquid waste in any such refuse receptacle.

#### *Refuse to be deposited in receptacles.*

12. The occupier of every premises shall cause all household refuse to be deposited in such receptacle, and such receptacle shall be maintained in a thoroughly clean and efficient condition, and in a condition to satisfy the requirements of by-law 11, and he shall, when required by an inspector, thoroughly cleanse and disinfect every such receptacle.

*Receptacles to be kept covered and emptied weekly.*

13. Every occupier shall cause such receptacle to be covered with its lid at all times, except when the lid is removed for the purpose of placing the refuse within the receptacle, and at such times the lid shall be immediately replaced. Every such receptacle shall be emptied once weekly, or so much more frequently as an inspector may direct.

*Method of emptying receptacles.*

14. (a.) The receptacle shall be emptied into a cart which shall be either constructed of or lined with some impervious material. Such cart shall be provided with a suitable cover, and during the time such cart is employed in the collection and removal of rubbish the contents shall be kept covered with the said cover.

(b.) When the contents of the rubbish receptacle shall have been placed in such cart the said receptacle shall be returned by the scavenger to the place from which it was taken.

*Rubbish not to be placed in street.*

15. No person shall place a rubbish receptacle in or upon any street, right-of-way, thoroughfare, lane, or footpath.

*Rubbish not to be deposited on public lands.*

(d.) From such trap liquid wastes shall be conducted direct to the soak well by means of an earthenware drain, circular in shape and at least 4in. in diameter and laid with a proper fall.

(e.) The soak well to be ventilated by means of a 4in. diameter galvanised iron pipe erected vertically carried up to a height of not less than 8 feet, or if the soak well is within 12 feet of the wall of a house the longer pipe shall be carried up at least one foot above the eaves of each house.

(f.) Where there is a series of more than one soak well the earthenware drain from the house shall connect with only one of such wells, and the connection between the well into which the connection discharges and subsequent wells shall be by means of a syphon placed vertically with the curve uppermost, and the inlet and outlet pipes at a height of two feet from the bottom of the respective wells.

(g.) When ordered by an inspector such well shall be emptied, cleansed, and disinfected in such manner and within such time as is specified in the requisition.

(2.) By discharging into the sewerage system.

*Sanitary charges.*

22. The occupier of any premises from which any sanitary service is effected shall pay to the local authority the charges specified in Schedule "A" hereto.

*Transport of offensive material.*

23. (a.) No person shall remove or transport any offensive matter between the hours of 8 a.m. and 8 p.m.

(b.) No person shall remove any pigwash or offensive matter unless such pigwash or offensive matter be carried in water-tight barrels or tanks securely covered to prevent the escape of any of the contents thereof, or the emission of any offensive odour therefrom.

(c.) Every person using any tank or barrel or vehicle in the removal of any pigwash or offensive matter shall keep such tank, barrel, or vehicle in a thoroughly clean condition, and in good repair.

(d.) The provisions of this by-law shall not apply to persons engaged in the removal of refuse as provided by by-law 16.

*Prevention of the use of nightsoil, urine, etc., as manure.*

24. (a.) No person shall use, or keep for the purpose of use, as manure any nightsoil or urine.

(b.) No person at any sanitary depot shall plant vegetable matter for human consumption on any part of such depot in the soil of which there has been deposited any nightsoil, urine, or offensive matter within six weeks.

*Prevention of the use of offal and blood as manure.*

25. (a.) No person shall transport, deposit, use, or store offal or blood for the purpose of being used as manure, unless it has been sterilised by steam or properly dried.

(b.) No person shall transport, deposit, use, or store for use as manure any blood in such a way as to be offensive, or deposit or store such material within one hundred feet of any dwelling-house or dairy.

*Driver of carts used in sanitary services not to loiter in streets, etc.*

26. No driver of any vehicle used in the transport of nightsoil, urine, liquid wastes, or offensive matter shall loiter in any street, right-of-way, lane, or other public place.

*Vehicles to be cleansed.*

27. All vehicles used in the carrying out of sanitary services specified in by-laws 12 and 16 shall be daily cleansed, and shall be maintained in such a condition as not to be offensive.

*Nuisances.*

28. No person shall deposit or permit to remain on the premises any refuse, liquid refuse, or offensive matter.

29. The occupier of any premises shall not permit accumulations of waste water to remain on any part of such premises.

30. The occupier of any premises shall, when ordered by an inspector, remove any accumulations of building or other material upon such premises, or shall when required by the inspector for the purpose of clearing the ground upon which such accumulations exist, for the purpose of destroying rats, or other vermin, or for any other purpose, so deal with such accumulations as the inspector may direct.

31. No person shall allow or permit any goat to enter on or remain in or upon any building whatever, which is used for human habitation.

*Keeping of swine.*

32. No person shall keep swine within the district without the express approval of the local authority.

*Stables.*

33. The occupier of any premises whereon any animal is kept shall provide housing accommodation which shall comply with the following conditions:—

(a.) It shall not be at any less distance than 20 feet of any dwelling-house, nor less than 50 feet from the milking-shed or milk room of any dairyman or food store.

as to the mode of contraction of infection, the means taken for preventing the spread of infection, and any other circumstances in connection with the occurrence of the case, and shall immediately after the removal of the patient, or if treated upon the premises, immediately after such patient is declared to be convalescent, disinfect such premises or such portion thereof, and also such articles therein as he deems necessary, or as the Medical Officer may direct.

##### *Insanitary buildings to be destroyed.*

8. The owner of any premises shall, when required by the Local Authority, destroy any insanitary house, building, or thing, or shall execute such amendments to such house, building, or thing as may be required by the Local Authority.

##### *Infected animals to be destroyed.*

9. The occupier of any premises shall, on being so ordered by a Local Authority, immediately destroy any infected animal which may be in his possession or upon premises occupied by him.

##### *Destruction of rats.*

10. The owner, tenant, or occupier of every premises shall, at all times, destroy any rats or mice therein, and such method for destruction shall be used as may be directed or approved by the Local Authority.

##### *Preventing the harbourage of rats.*

11. The owner, tenant, or occupier of any premises shall, at all times when so ordered by the Local Authority, carry out within the time specified such structural and other alterations thereto and to the drains thereof as may be directed, so as to render the buildings and drains sanitary, and to prevent the same being accessible to or a harbourage for rats.

##### *Disposal of body of person dead of an infectious disease.*

12. The occupier of any premises whereon there lies the body of any person who has died of an infectious disease shall cause such body to be buried or disposed of in such method, within such time, and with such precautions as may be directed by the Medical Officer, provided that no such body shall be removed from the premises where death occurred except to a cemetery or morgue.

##### *Medical Officer may examine persons.*

13. The Medical Officer may enter any house and examine bacteriologically or otherwise any inmate of such house, or any person found therein at the time of such visit, for the purpose of ascertaining whether such inmate or person is suffering from an infectious disease or is a medium for the transmission of an infectious disease, and such person shall submit to such examination and shall permit the Medical Officer to remove such specimens as he considers necessary to a proper examination.

##### *Certificates in cases of diphtheria.*

14. When under Section 238 of the Act a medical certificate is given as applying to a case of diphtheria, the certificate must specify that a bacteriological examination has been made with a negative result.

##### *Certificates on return of children to school.*

15. No parent shall send to school any child who has been suffering from an infectious disease or who has been in contact with any person who has been so suffering, unless a certificate has been obtained from a medical practitioner and is presented to the head teacher of the school to which the child is sent, certifying that such child is free from infection. Any such certificate shall be approved and endorsed by the Medical Officer.

##### *Special pan service.*

16. (a.) Whenever required by an inspector, a special service shall be maintained by the Local Authority or the contractor, as the case may be, at any premises. Such service shall consist of a duplicate pan of the type described in By-law 7, Part I., and the exterior of such pan shall be painted red; such pan shall be treated at the sanitary site separately from other pans, and its contents before burial shall be covered for a depth of one inch with quicklime and then slacked with boiling water and allowed to stand with a bag covering the pan.

(b.) When any pan is left at premises as above mentioned it shall contain sufficient disinfecting solution equal in strength to five per cent. pure carbolic acid, to cover the bottom of the pan to a depth of at least one inch.

*Special disinfection in typhoid cases.*

17. The occupier of every premises whereon a case of typhoid fever exists shall disinfect or cause to be disinfected all discharges of the patient before such discharges are placed in the pan provided in accordance with the preceding by-law.

*Library books.*

18. (a.) The person in charge of any library shall not lend a book to any person residing at a house wherein there is any case of infectious disease.

(b.) Any person residing at a house where a case of infectious disease occurs and who has in his possession a book obtained from a lending library shall, before returning such book to any library, disinfect the said book.

*Penalties for breaches of by-laws.*

19. Where anything by this part of the by-laws is directed to be done or forbidden to be done, or where authority is given to any officer to direct anything to be done or to forbid anything to be done, and such act so directed to be done remains undone or such act forbidden to be done is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said by-laws. And every person guilty of a breach of this part of the said by-laws shall be liable for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, to a penalty not exceeding Twenty pounds for every breach of any such by-law, or to a penalty not exceeding Two pounds for each day during which such breach shall be committed or continued, and in addition to such penalty shall be liable to pay to the Local Authority any expense incurred by such authority in consequence of any breach or non-observance of any by-law, or in the execution of any work directed to be executed and not so executed.

PART III.—DAIRIES AND MILK SHOPS.

*Interpretation.*

1. "Dairyman" means any person being the owner or having the care or control of any cow or goat from which the milk (or the cream, butter, or cheese therefrom) is sold or otherwise disposed to any other person.

"Vendor" means any person, other than a dairyman, who handles, sells, stores, or otherwise disposes of any milk (or the cream, butter, or cheese made therefrom on the premises), and includes any person keeping a milk shop or milk store.

"Stockyard" means any yard in which dairy cattle are kept, and includes all parts of the premises of a cow-keeper within one hundred feet of any milk room or milking shed, whether fenced or not, to which cattle or other stock have access.

"Dairy Cattle" shall include cows and goats, whether actually in milk or not, and any bull or he-goat running with any herd of cows or goats.

2. (a.) Every person who, at the coming into operation of these by-laws, is carrying on the business of a dairyman or vendor, and whose premises are not registered with the Local Authority, shall within one month make application to the Local Authority for license to carry on such trade, for registration of the premises whereon such trade is carried on.

(b.) Every person who, after the coming into operation of these by-laws, desires to commence the trade of a dairyman or vendor shall, prior to commencing such trade, make application to the Local Authority for a license to carry on such trade, and for the registration of the premises whereon such trade is to be carried on.

(c.) Every such application shall be made to the Local Authority in the form of Schedule "A" hereto, and upon the granting of any such application a license and registration shall be issued in the form of Schedule "B" hereto.

3. (a.) During the first week in January of each year every person carrying on the trade of a dairyman or vendor shall apply for a license to carry on such trade and for the registration of the premises whereon such trade is conducted, in the form of Schedule "A."

(b.) Upon the granting of any such application, a license and registration in the form of Schedule "B" shall be furnished by the Local Authority.

(c.) Every license and registration effected under this and the preceding by-law shall operate only during the current calendar year.

4. Every person making application as provided in By-laws 2 and 3 shall lodge a fee in accordance with the scale set out in Schedule "C" hereto, and upon the refusal of any such application shall be entitled to the return of such fee.

5. (a.) Every dairyman or occupier of grazing ground upon which dairy cattle are depastured, and every person for the time being having the control or care of any such premises, shall afford the Medical Officer or any inspector all reasonable assistance that may, for the purpose of inspecting such premises, be required of him.

(b.) He shall, upon being directed in writing so to do by any Medical Officer, forthwith remove his dairy cattle from any portion of the grazing ground upon which they may be depasturing, or from any part of any premises occupied by him, if such grazing land or premises is likely to prejudicially affect the milk or dairy cattle.

(c.) He shall not, until permission in writing is given him by such Medical Officer, permit or suffer any of his dairy cattle to graze or be depastured upon such prohibited land, or re-occupy such prohibited premises.

(d.) He shall, whenever required so to do and within a time to be specified by an inspector, muster all his dairy cattle and confine them in a stockyard to be named, or bail them in the milking shed, as may be directed by any such inspector as aforesaid, and he shall also otherwise assist, as may be required, in any inspection, examination, or test of the said cattle when so mustered or bailed.

6. (a.) Every dairyman shall cause every stockyard and stable upon his premises or used by him to be properly drained.

(b.) He shall not suffer or permit any animal other than dairy cattle to be at any time in his milking shed or in any place where milk is kept.

(c.) He shall not suffer or permit any dung or manure, offensive liquid, or offensive or noxious matter of any kind to accumulate or remain upon his premises.

7. (a.) No person shall erect or permit or suffer to be erected any fowlhouse or enclosure for fowls within fifty feet of any milking shed, milk room, or place where milk is stored or kept.

(b.) No dairyman or vendor shall permit any live poultry to be at large upon any part of the premises used in connection with his business, and shall, when so ordered by an inspector, confine such live poultry within approved enclosures.

8. No person shall erect or permit or suffer to be erected any piggery or enclosure for swine within one hundred feet of any milking shed, milk room, or place where milk is stored or kept.

9. Every dairyman or vendor shall provide and maintain sanitary conveniences as provided by By-law 3, Part I. He shall not have any sanitary convenience within fifty feet of a milking shed or milk room, or place where milk is kept or stored.

*Feeding animals.*

10. No dairyman shall serve or permit or suffer to be served to his cows or goats as food any musty, unsound, decayed, or unwholesome food, or any food which may injuriously affect the milk or health of such cows or goats, and if at any time an inspector has reasonable grounds for considering that any cattle food in or upon the premises is unsound, or unfit for use as food, he may require the dairyman to remove such food, and such dairyman shall thereupon remove such food from the premises.

He shall not permit or suffer any dry or dusty food to be fed to any animal in the milking shed while milking is in progress.

*Water supply.*

11. Every dairyman shall keep in or connected with every milking shed or stockyard in his occupation an abundant supply of wholesome water.

He shall cause every such milking shed or stockyard to be provided with approved receptacles of sufficient capacity for watering his dairy cattle, and every such receptacle shall be maintained in good repair and kept clean, and constantly supplied with wholesome water.

He shall cause any tank or other receptacle which may be provided for storing water to be emptied and cleansed from time to time, as often as may be necessary, to prevent the contamination of any water that may be stored therein.

If the water used by him for dairy purposes is obtained from a well, spring, stream, or any other natural source, he shall prevent any such source of supply being contaminated on his premises.

He shall not suffer or permit any dairy cattle to have access to impure or contaminated water.

#### *Milking shed.*

12. Every dairyman shall provide a proper milking shed in which his cows shall be milked, and such milking shed shall be roofed of approved material, so that the roof is weatherproof, and the lowest part of such roof shall be not less than seven feet in the clear above the floor.

He shall cause the floor of such milking shed to be constructed of good, durable, non-absorbent materials laid upon a sound, solid foundation so as to be permanently watertight and evenly graded with proper slopes, which shall be in the direction opposite to the feeding trough, to impervious open drains or channels laid the whole length of the shed or structure, and of such width as to permit of being readily cleansed with a broom; and no part of the surface of such floor shall be less than three inches above the adjoining ground.

He shall cause every wholly enclosed milking shed in his occupation to be sufficiently lighted by suitable openings in the walls or roof.

He shall not permit any feed-mixing bin to be within such milking shed.

#### *Milk room.*

13. Every dairyman and every vendor shall provide on his premises a detached room, which shall comply with the following conditions:—

- (a.) It shall be at least ten feet from any milking shed.
- (b.) It shall be at least six feet square in area, and eight feet in height measured from the top of the finished floor to the lowest part of the roof or ceiling.
- (c.) The floor shall be paved with impervious material laid so the lowest part of its surface is at least six inches above the adjacent ground. It shall have a fall of not less than one in one hundred and twenty to an impervious channel, discharging outside the building and properly connected to a drain or to an impervious receptacle of ample dimensions situate at least ten feet from the room and from the milking shed. The surface of such floor shall be finished smoothly and evenly, so as to afford no lodgment for liquids.
- (d.) The room shall be sufficiently ventilated and lighted.
- (e.) All exterior openings shall be fitted with fine fly-proof screens, constructed of suitable material, and the door shall be hung so as to be self closing.
- (f.) The walls and roof shall be constructed of approved materials, and the external surfaces of the walls, if such walls are not constructed of stone, brick, or concrete, and the external surface of the roof, if of metal, shall be properly painted with approved refrigerating paint, and shall be repainted with similar material whenever necessary or whenever ordered by an inspector.
- (g.) The internal wall surfaces, the ceiling, or if there is no ceiling, then the underside of the roof shall be covered with hard, smooth, and impervious material, and finished so as to afford no lodgment for dirt.
- (h.) The woodwork of the doors, the windows and their frames shall be properly painted and fitted so as to be fly-proof.
- (i.) The shelves, benches, tables, racks, or other fittings of such room shall be made of smoothly dressed wood or other approved material, and so fitted that they may be readily removed for cleansing purposes.
- (j.) The room shall be equipped with sufficient milk strainers of approved material and design, and with an approved cooler and refrigerator, which shall be properly connected with a cold water supply.

(k.) The dairyman or vendor shall at all times maintain such room and all its fittings and utensils in good order and repair, and scrupulously clean in every part, both inside and outside, and secure the removal and exclusion of flies from its interior.

(l.) He shall not suffer or permit such room to be used for any purpose other than the handling or housing of the milk or the storage of milk vessels.

(m.) He shall, whenever required to do so, pave the ground immediately surrounding the milk room with a layer of not less than three inches thick of approved material, and to a width of at least six feet.

(n.) He shall cause every vessel or utensil used by him for containing milk, when not in actual use in the collecting or distribution of milk, or in the process of being cleansed, to be stored in such milk room.

(o.) He shall not allow sour milk to remain in the milk room.

#### *Precautions in regard to milking.*

14. (a.) Every dairyman or vendor, or in the case where a cow or goat is used for milking purposes by any private person the person in control thereof, shall protect the milk from infection or contamination during the process of milking.

(b.) He shall, immediately prior to the milking of any animal, cause the udder and teats of such animal, and the adjacent part of the animal's skin, to be thoroughly cleansed, and the hands of the person milking such animal to be first thoroughly cleansed, for which purpose suitable appliances shall be provided by him in a convenient situation.

(c.) He shall cause the milk drawn from any animal on his premises (except as hereinafter mentioned) to be forthwith taken to the milk room, and there immediately strained and cooled.

(d.) He shall not mix with any milk intended to be used for human consumption the milk from any animal within thirty days before or five days after parturition, nor shall he mix with any milk intended for human consumption the first jets drawn from any teat.

(e.) He shall not allow any of his animals to be excited by hard driving, abuse, or harsh treatment.

#### *Care of milk during transport, storage, etc.*

15. (a.) Every dairyman or vendor shall take all reasonable and proper precautions in and in connection with the housing, storage, carriage, transport, or distribution of milk to prevent the exposure of the milk to any infection or contamination, or to anything likely to prove injurious or deleterious to it.

(b.) He shall not deposit nor keep any milk, or any milk vessel, implement, or article used in his trade or in connection therewith, in any room or place where it or they would be liable to become contaminated by impure air, or by any offensive, noxious, or deleterious gas or substance; or in any room used as a kitchen, bedroom, or living room; or in any room or building or part of a building communicating directly by door, window, ventilator, or otherwise with any room as a bedroom, living room, or kitchen, or in which there may be any person suffering from any such disease, and may not have been properly disinfected; or in any room or building or part of a building in which there may be any drain inlet.

(c.) He shall not house, store, or keep any vessels, utensils, receptacles, coolers, or any articles used by him to contain or treat milk within one hundred feet of an offensive trade establishment, except with the written consent of the Local Authority.

(d.) He shall not keep or cause or suffer any milk to be placed in any vessel, receptacle, or utensil, or run over a cooler or refrigerator, which is not thoroughly clean and properly tinned or enamelled.

(e.) He shall cause all cans and other receptacles used by him in the carriage of milk to be furnished with close-fitting lids, and he shall not suffer or permit any rag, cloth, or other material to be used with any such lid.

(f.) He shall cause all vessels, utensils, receptacles, coolers, or any articles used by him to contain or treat or manipulate milk, to be properly tinned or enamelled, and maintained at all times clean and in thorough order and repair.

(g.) He shall not suffer nor permit milk, whilst in transport or distribution, to be unnecessarily exposed to the sun.

*Cleanliness of vehicles, utensils, etc.*

16. (a.) Every dairyman or vendor shall provide an approved apparatus for heating water for cleansing, steaming, scalding, or sterilising purposes, and shall locate such apparatus in a position approved by an inspector.

(b.) He shall not allow any such apparatus to be used for washing or boiling bed or body clothing, or for any purpose than that specified in the preceding clause.

(c.) He shall cause every vessel, receptacle, utensil, strainer, cooler, or any other article used by him for containing, treating, or manipulating milk to be thoroughly cleansed immediately after it shall have been used, and then sterilised before re-use, with steam or boiling water.

(d.) He shall cause all bottles and the stoppers of any such bottles used by him in his trade to be thoroughly cleansed and sterilised before re-use or re-filling.

(e.) He shall cause every wheeled vehicle used by him for the carriage or distribution of the milk to be thoroughly cleansed at least once a day.

(f.) He shall cause any tank or other receptacle which may be provided for storing water to be emptied and cleansed from time to time as often as may be necessary to prevent the contamination of any water that may be stored therein.

*Cleanliness of premises.*

17. (a.) Every dairyman shall cause the ceiling or underside of the roof and the interior surface of the walls of every milking shed in his occupation to be properly cleansed and limewashed at least four times in every year. Provided that this requirement shall not apply to any part of such ceiling, roof, or walls that may be properly painted or varnished.

(b.) He shall cause the floor of every milking shed in his occupation to be thoroughly swept and cleansed, and all dung and other offensive matters to be removed from such shed immediately after each milking, and shall cause every part of such shed to be thoroughly cleansed as often as may be necessary to ensure that such shed be at all times clean.

(c.) He shall cause every stockyard and stable in his occupation to be kept clean, and shall every day collect and remove all dung and other offensive matters from such stockyard and stable; and shall cause every drain or drainage receptacle upon his premises to be thoroughly cleansed daily, and the contents of every such drainage receptacle to be removed from his premises.

(d.) He shall, whenever required so to do by an inspector, disinfect his milking shed or any other building upon his premises in the manner and with such materials and appliances as may be directed by the inspector.

(e.) He shall cause the ceiling or the underside of the roof and the interior surface of the walls and the floor of every forage or feed room and feed-mixing room, and every feed trough or bin or receptacle used for mixing feed on his premises to be kept clean.

*Removal of manure, etc.*

18. No dairyman or vendor shall allow dung, manure, offensive or putrescible matter of any kind to accumulate or remain in, upon, or about any house, milk room, milking shed, stable, stockyard, fowlhouse, piggery, or enclosure for fowls upon his premises, but shall cause the same to be removed daily.

*Disease among dairy stock.*

19. (a.) Every dairyman shall immediately report to the Local Authority and Commissioner the occurrence of any of the diseases in dairy stock specified in Schedule "D" hereto.

(b.) He shall, when directed by a medical officer or an inspector, cause every cow or other animal suffering from an infectious disease or in an infectious condition, or suffering from any disease which in his opinion may affect the wholesomeness of the milk, to be isolated in such a manner as is directed by such medical officer or inspector.

(c.) Neither he nor any other person shall allow any diseased cow or other diseased animal to come in contact with or graze upon the same grazing ground, or to be at large on any ground occupied or traversed by such cattle.

(d.) He shall cause any diseased cattle to be destroyed forthwith upon receipt of an order in writing from the Local Authority to that effect, and he shall cause the carcase of any such cow or other animal to be disposed of in the manner specified in such order.

Provided that any inspector who is a qualified veterinary surgeon is empowered, in the case of a cow suffering from any disease of the udder, to himself order the destruction of the animal affected.

20. (a.) Every dairyman shall, for the purpose of protecting milk against infection or contamination, at any time, and from time to time, permit the tuberculin test to be applied to any cow or other bovine animal in his possession or under his control, by any person duly approved by the Commissioner to perform such test.

(b.) He shall make no addition to his dairy herd of any animal or animals without the written permission of any officer specially appointed by the Commissioner, and such officer may examine such animal or animals and apply such tests as he deems necessary to ascertain the freedom from disease or otherwise of such animal or animals.

21. (a.) Every dairyman or vendor shall take every precaution against the infection or contamination of the milk by any person or animal suffering from any infectious or contagious disease.

(b.) He shall, whenever any sickness occurs in any houses or premises in his occupation, immediately report such occurrence to the Local Authority.

(c.) He shall, whenever so required by the medical officer, forthwith remove from his premises any sick person that may be therein.

(d.) He shall not permit any person suffering from any infectious or contagious disease, or recently in contact with or in attendance upon any person so suffering, to milk any animal or handle any vessel used for containing milk, or take part in the preparation or distribution of any milk produced or brought upon his premises.

22. The medical officer may, by notice in writing to the dairyman or milk vendor, temporarily prohibit the sale of milk from any dairy where any animal is diseased or supposed to be diseased, or where any person is suffering or supposed to be suffering from an infectious disease, or where there are reasonable grounds for suspecting that the milk supply from such dairy is causing the spread of infectious disease, and any notice given under this by-law shall remain in operation until cancelled.

*Penalties for breaches of by-laws.*

23. Where anything by this part of the by-laws is directed to be done or forbidden to be done, or where authority is given to any officer to direct anything to be done or to forbid anything to be done, and such act forbidden to be done is done or so directed to be done remains undone, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said by-laws. And every person guilty of a breach of this part of the said by-laws shall be liable for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, to a penalty not exceeding Twenty pounds for every breach of any such by-law, or to a penalty not exceeding Two pounds for each day during which such breach shall be committed or continued, and in addition to such penalty shall be liable to pay to the Local Authority any expense incurred by such Local Authority in consequence of any breach or non-observance of any by-law, or in the execution of any work directed to be executed and not so executed.

## PART IV.—BOARDING AND LODGING HOUSES.

1. Every person applying to be registered as a keeper of a boarding or lodging house shall make application in the form of Schedule "A" hereto, and upon the granting of such application he shall receive from the Local Authority a certificate in the form of Schedule "B."

Every such registration shall operate only during the current calendar year, and after the 31st day of December of that year the premises shall, unless re-registered, become unregistered.

2. Every such person shall with such application lodge a fee as described in Schedule "C" hereto, and shall annually, in the first week of January, make application for the renewal of registration of the premises, and with such application shall pay a fee in accordance with the said schedule.

Provided that if the registration for any year shall commence on or after the 1st day of July of that year, only half the fees shall be payable by the applicant.

3. No keeper of a boarding or lodging house shall permit a greater number of persons to occupy any sleeping apartment in such house at any one time than will admit of each such person having at least five hundred cubic feet of air space.

For the purpose of this clause two children under ten years of age shall be counted as one person.

4. No house shall be registered as a boarding or lodging house unless each room intended for use as a sleeping apartment for lodgers shall bear a distinguishing number, and the keeper of such house shall cause such distinguishing number to be conspicuously printed in two-inch figures on each side of the room door.

5. (a.) The Local Authority shall issue to every keeper of a boarding or lodging house a certificate in respect of each separate room, and such certificate shall specify the maximum number of lodgers which shall be permitted to occupy each such room respectively as a sleeping apartment at any one time.

(b.) The Local Authority may from time to time vary the number of lodgers to be received into any such room, and a notice shall be served on the keeper of such boarding or lodging house specifying such varied number of lodgers, and such keeper shall not allow a greater number of lodgers into such room than is specified on such notice after the time stated therein.

(c.) The certificates and notices to be given under the provisions of this By-law shall be in the form of Schedules "D" and "E" respectively.

6. The keeper of every boarding or lodging house shall at all times keep the certificate or notice mentioned in the last preceding by-law exhibited in a conspicuous place in the sleeping apartment in respect of which any such certificate or notice shall have been issued.

7. No keeper of a boarding or lodging house shall permit any room to be used as a sleeping apartment for lodgers other than a room certified for that purpose.

8. No keeper of a boarding or lodging house shall make any alterations to any such room, except with the consent of the Local Authority.

9. No room shall be registered as a sleeping apartment for lodgers if it be situated in a basement or below the level of the ground, or if it be used as a kitchen, scullery, dining or general sitting room, or unless such room is lit by windows placed in the external walls, having a ratio of not less than one square foot of unobstructed glass to each ten square feet of floor area.

10. No room shall be certified as a sleeping apartment for lodgers unless such room is sufficiently ventilated, and the keeper shall maintain all such means of ventilation as have been approved in good order and efficient action.

11. No keeper of a lodging-house shall allow persons of different sexes to occupy together the same sleeping apartment, except in the case of children under the age of ten years, or of married couples, in which latter case no other person above the age of ten years and not more than one married couple shall be allowed to occupy the same sleeping apartment at any one time.

12. No keeper of a lodging-house shall cause or allow any bed in any room which may be used as a sleeping apartment by persons of the male sex above the age of ten years to be occupied at any one time by more than one such person.

13. No keeper of a lodging-house shall cause or allow any lodger to occupy any bed in such house at any time within a period of eight hours after such bed shall have been vacated by the last preceding occupant thereof, unless such bed shall be provided with fresh bed linen,

14. No keeper of a lodging-house shall absent himself from such house unless he leaves some respectable person in charge thereof.

15. The keeper of every lodging-house shall—

- (a.) Cause the floor of every room or passage and every stair in such house to be kept thoroughly clean, and to be at least once a week thoroughly washed.
- (b.) Cause the yard and out-premises to be swept daily, and to be kept clean at all times.
- (c.) Cause the seat and floor of every privy on his premises to be scrubbed and washed weekly, and the walls to be lime-washed at least once in each month.
- (d.) Cause every window, every fixture, or fitting of wood, stone, or metal, and every painted surface in the interior of such house to be thoroughly cleansed at least once a week.
- (e.) Provide a sufficient number of lavatory appliances, and clean towels, and a sufficient quantity of clean water and soap for ablutionary purposes, in case of female lodgers supplied in their sleeping apartments, and in the case of male lodgers either supplied in their sleeping apartments or in a convenient room set apart and fitted exclusively for that purpose; and he shall cause all such articles to be kept in good order and clean, and shall renew the supply of water and soap, and clean towels as often as may be requisite.
- (f.) Disinfect such towels as may be required by an inspector.

*Cleansing bottles.*

- (e.) Between each time of filling, bottles must be soaked in a trough of water, must be thoroughly cleansed out with a brush, must be well rinsed by being placed in a vertical position over a jet of water, and must be drained after rinsing and before filling.
- (f.) If the bottles are not filled within twenty-four hours after being cleansed, they must be kept mouth downwards until used.
- (g.) The water in which bottles are soaked before they are brush-cleansed must be changed at least once daily.
- (h.) No lead pipe shall be used for conveying any part of the material, either gaseous or liquid, which enters into the composition of the cordials, unless it is lined with tin or other approved materials.
- (i.) Syrups must be stored in well-made, impervious receptacles with an impervious tight-fitting cover.
- (j.) All receptacles in which syrups are stored must be cleansed thoroughly with hot water and soda, or with superheated steam, at least once weekly between 1st October and 31st March, and at least once monthly between 1st April and 30th September.

*Bake Houses.*

56. Every person carrying on the trade of a baker shall, in addition to the foregoing general by-laws, comply with the following conditions:—

- (a.) He shall not permit any dog or other animal to be within the bake house.
- (b.) He shall not permit the bake house to be used for any other purpose than as a bake house.
- (c.) He shall not permit any person to smoke or expectorate in any bake house.

- (d.) He shall cause the floor of the bake house to be constructed of granolithic or other impervious material approved by the Local Authority.

(e.) He shall cause all flour intended to be used in connection with his trade to be so stored as to prevent it being contaminated and be protected from rats and vermin.

(f.) He shall cause the walls and ceiling of the bake house to be lime-washed whenever required by an inspector.

*Refrigerating Works—Cold Stores.*

57. (a.) The owner, occupier, or manager of any refrigerating works or cold stores, which are at any time used for the storage of food, shall maintain his premises in a clean condition throughout.

(b.) He shall at least twice in each year in the months of April and October thoroughly cleanse every cold chamber on his premises, and shall cause every part of the interior walls of every such chamber to be lime-washed at least once in every three months.

(c.) He shall not permit any food to be stored on the floor of any chamber.

(d.) He shall not receive any unsound meat or offal or offensive material on his premises to be stored, nor shall he permit any such unsound meat, offal, or offensive material to remain in any chamber.

(e.) He shall not permit the use of any straw upon the floor of any chamber.

(f.) He shall not permit any brine tub to be in any chamber.

(g.) He shall keep upon the premises duplicate keys of every chamber, and shall on demand by an inspector permit such inspector to have access to any chamber.

(h.) He shall provide means of artificial light, so as to permit efficient inspection of the contents of any chamber.

*Hotels, Boarding and Lodging Houses, Restaurants, Eating Houses, and Cooked Meat Shops.*

58. Every keeper of any such premises shall cause the premises to be maintained in a clean and sanitary condition.

59. The keeper of such premises shall provide a sufficient number of approved impervious receptacles with close fitting covers for the reception of food scraps and trade waste, and shall not permit or suffer such food scraps or trade waste to be placed elsewhere than in such receptacles. He shall cause such receptacles to be kept at all times in a clean and wholesome state.

60. The keeper shall cause the grease trap, where one is provided, to be kept at all times in a sanitary condition and shall cause the trap to be cleansed daily and all grease removed therefrom.

61. The keeper shall not suffer or permit pigwash to be removed from his premises between the hours of 9 a.m. and 9 p.m., and in cases where food waste is disposed of to contractors, the keeper shall be held responsible that duplicate receptacles are provided for interchange, with the full receptacles removed, so that those removed shall be replaced by clean washed and disinfected set.

62. The keeper shall cause all sanitary conveniences upon or in connection with his premises to be kept at all times in a scrupulously clean condition, and shall provide a plentiful supply of approved deodorant therein.

63. The keeper shall provide sufficient means of ablution with clean towels and soap for the use of employees, and he shall be responsible that employees handling food wash their hands before so doing.

64. The keeper shall not permit or suffer to be occupied as a sleeping place any room which is in direct communication with any dining room, kitchen, or other place used for the preparation of food stuffs.

65. The keeper shall cause any ice-chest used upon his premises to be kept at all times in a sweet and wholesome condition, and if meat is stored in any such chest it shall be kept exclusively for that purpose.

66. The keeper shall cause all food stuffs to be stored in such a place and manner as to prevent contamination from flies, dust, and vermin.

67. The keeper shall not suffer to be used in the preparation of food any tinned milks, fruits, jam, or fish, which upon opening show signs of decomposition, fermentation, or alteration in appearance of contents, and no bad eggs or rancid butter shall be used in the preparation of foods.

68. Employees shall be always cleanly in their person and shall not smoke nor expectorate within any dining room or kitchen appurtenant thereto.

69. The keeper shall adopt such means as will ensure the destruction of rats and vermin upon his premises, and as will prevent their harbourage therein, and shall keep, baited and set, rat-traps as directed by an inspector.

70. The keeper shall cause all means of drainage upon or in connection with his premises to be maintained at all times in good repair and efficient action.

71. The keeper shall cause all sink wastes to be trapped and to discharge over properly trapped gullies or a channel leading to a gully in the open air. No opening to a drain or drain inlet shall be within any kitchen or scullery.

#### *Penalties for breaches of By-laws.*

72. Where anything by this part of the by-laws is directed to be done or forbidden to be done, or where authority is given to any officer to direct anything to be done or to forbid anything to be done, and such act so directed to be done remains undone or such act forbidden to be done is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said by-laws. And every person guilty of a breach of this part of the said by-laws shall be liable, for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, to a penalty not exceeding Twenty pounds for every breach of any such by-law, or to a penalty not exceeding Two pounds for each day during which such breach shall be committed or continued, and in addition to such penalty shall be liable to pay to the Local Authority any expense incurred by such authority in consequence of any breach or non-observance of any by-law, or in the execution of any work directed to be executed and not so executed.

### PART VI.—BARBERS' SHOPS AND HAIR-DRESSING ESTABLISHMENTS.

1. Every person carrying on the business of a barber or hairdresser shall comply with the following by-laws:—

- (a.) There shall be kept at all times on the premises in each room in which the business is carried on, a vessel containing at least one gallon of disinfecting solution, hereinafter called "disinfecting solution," equal in strength to a 5 per cent. solution of carbolic acid.
- (b.) All razors, scissors, clippers, and combs in general use shall be sterilised by immersion in the disinfecting solution before and after using, or clippers may be so sterilised by being held in a flame.
- (c.) Hair brushes in general use shall after each use be immersed in the disinfecting solution and afterwards rinsed in clear water.
- (d.) Shaving brushes in common use shall after each use be first cleansed in very hot water and afterwards immersed in the disinfecting solution.
- (e.) Rotary or machine brushes shall not be used.
- (f.) An antiseptic soap powder shall be used to produce lather for shaving; boiling water shall be allowed to run on the lather brush, and then the soap powder sprinkled on before application to the face.
- (g.) Powder shall only be applied by a blower or absorbent cotton, which shall be used for one person only.
- (h.) For the purpose of stopping the flow of blood, or for treatment of an abrasion, calcined alum shall be applied on a pad of cotton wool, which pad shall be destroyed immediately after use; an alum stick shall not be used.
- (i.) Vaseline shall only be used from a squeeze tube.
- (j.) No sponge shall be used.
- (k.) Razor strops shall only be used for razors which have been disinfected since being used.
- (l.) The hair-cutting wrapper shall be placed only around the shoulders of customers, and fastened with a safety pin or other device at the back, and clean towels or absorbent wool shall be used about the neck to prevent the hair from falling inside the clothing.
- (m.) The outer garment of each operator shall be a washable white material; the sleeves shall be comparatively short.
- (n.) Where the steaming towel is used, a clean one shall be used for each customer.
- (o.) At least once daily the floor shall be sprinkled and swept.
- (p.) The premises, their fittings and equipment shall be maintained at all times in a thoroughly clean condition.
- (q.) All shelves, fittings, and tables on which instruments are placed shall be of glass, marble, slate, or other impervious material.
- (r.) A fresh piece of paper or clean linen shall be placed on the back of the chair or the rest for each customer.
- (s.) Hair clippings falling on the floor shall be immediately swept together, and placed in an impervious receptacle with a tightly fitting cover.
- (t.) In the case of any person obviously suffering from skin disease of the face or head, special instruments shall be employed, and these must be immediately immersed in the disinfecting solution for a period of not less than five minutes.
- (u.) Two impervious receptacles provided with tight fitting covers shall be provided; into the one all towels immediately after use shall be placed, together with other soiled linen; into the other shall be placed all hair clippings and other trade refuse.

2. No person shall spit upon the floor of any barber's shop or hairdressing establishment.

3. The Medical Officer or inspector may at all times at any reasonable hour enter and inspect any premises used for the purpose of the trade of a barber or hairdresser, and may inspect or remove for the purpose of examination any brush, comb, razor, clippers, or other

instrument or appliance or any towel or other thing therein which may be suspected on reasonable grounds of being contaminated with the infection of any contagious or infectious disease, provided that when any such article is so removed, a written receipt therefor shall be furnished to the occupier by the Medical Officer or inspector, and the article shall be returned by such officer within a period of three days.

4. Every person who enters a barber's shop or hair-dressing establishment for the purpose of being attended to shall, if he be suffering from any infectious disease, or any eruption of the skin of the face, neck, or head, notify the operator before taking his place in the chair.

5. A printed copy of the foregoing shall be conspicuously displayed in every barber's shop and hair-dressing establishment in the district.

#### *Penalties for breaches of by-laws.*

6. Where anything by this part of the by-laws is directed to be done or forbidden to be done, or where authority is given to any officer to direct anything to be done or to forbid anything to be done, and such act so directed to be done remains undone or such act forbidden to be done is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed guilty of a breach of this part of the said by-laws. And every person guilty of a breach of this part of the said by-laws shall be liable for every such offence, besides the costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, to a penalty not exceeding Twenty pounds for every breach of any such by-law, or to a penalty not exceeding Two pounds for each day during which such breach shall be committed or continued, and in addition to such penalty shall be liable to pay to the Local Authority any expense incurred by such authority in consequence of any breach or non-observance of any by-law, or in the execution of any work directed to be executed and not so executed.

### PART VII.—OFFENSIVE TRADES.

#### *Section A.—General.*

1. (a.) Every person who shall apply to a Local Authority for its consent to establish an offensive trade shall furnish in the form of Schedule "A" hereto a true statement of the particulars therein required to be specified.

(b.) Any person who makes a false statement in connection with any such application shall be guilty of a breach of these By-laws.

2. Every person applying for registration of premises whereon an offensive trade is carried on, or whereon it is intended to carry on, shall apply in the form of Schedule "C" hereto, and with such application he shall tender to the Local Authority a fee as prescribed in Schedule "C."

Provided that if the registration for any year shall commence on or after the first day of July in any year then the applicant shall be required to pay only one-half of the prescribed fee.

3. Every occupier of any premises upon which an offensive trade is carried on shall cause such premises, together with all drains, fittings, apparatus, machinery, utensils, receptacles, vehicles, tools, and appliances to be at all times maintained in a clean condition, good repair, and efficient action.

4. Every such occupier shall provide impervious receptacles provided with air-tight coverings which shall be kept closed of sufficient capacity to receive all offensive and decomposable material and trade refuse produced upon the premises, and all such offensive and decomposable material or trade refuse shall be immediately placed in such receptacles, and the contents thereof shall be removed from the premises at such times and with such frequency as an inspector may direct.

5. Every such occupier of any premises whereon an offensive trade is carried on shall comply with such other conditions as may be imposed upon and notified to him from time to time by the Local Authority, including the paving and draining of his premises or any part thereof, whether included under the provisions of this part of the by-laws or otherwise.

#### *Section B.—Slaughter-houses.*

1. Every occupier of a slaughter-house shall observe the following conditions:—

(a.) He shall not permit animals awaiting slaughter to be within sight of the killing pen during the period slaughtering is in progress.

(b.) He shall provide all animals awaiting slaughter with an ample supply of drinking water, at all times accessible to such animals.

(c.) He shall conduct the slaughtering of animals in an humane manner.

(d.) He shall cause all utensils and instruments used in the slaughtering or dressing of carcases to be at all times kept clean, and shall when so ordered by an inspector cause any such utensils or instruments to be sterilised by boiling.

(e.) He shall cause the killing pen to be hosed down after each killing.

(f.) He shall cause every dressed carcase to be hung so that every portion thereof is at least 18 inches above the door.

(g.) He shall not permit any but clean water to be used in the dressing of carcases.

(h.) He shall cause all viscera to be left either attached to or in such proximity to the carcase, of which it formed a portion, as will sufficiently indicate the relationship of the one to the other, or unless other means of identification are provided to the satisfaction of an inspector.

(i.) He shall cause none but clean white cloths to be used in wiping down any carcase.

2. Every such occupier shall cause sufficient means of ventilation to be provided in or in connection with the premises, and shall keep such at all times in proper order and efficient action, and so that the ventilation shall be by direct communication with the external air.

3. Every such occupier shall cause the hides or skins, fat, and offal of every animal slaughtered on the premises to be removed from the slaughter-house within twenty-four hours after the completion of the slaughtering of such animal.

4. No person shall erect any privy or urinal within one hundred feet of any slaughter-house.

5. The occupier of any slaughter-house shall not permit any animal, the flesh of which is intended for human consumption, to be kept for a longer period than six hours on any portion of the premises which is within one hundred feet of the killing pen, or any other portion of the premises used for the dressing or storage of carcases.

6. No such occupier shall permit any animal to be kept within one hundred feet of the premises.

7. No such occupier shall slaughter or allow to be slaughtered on his premises any animal, nor shall any occupier remove or permit to be removed from his premises the carcase of any slaughtered animal or part thereof unless and until such animal or carcase, as the case may be, is previously inspected by an inspector.

8. Every such occupier shall comply with such special precautions in the slaughtering of any animal as an inspector, as the result of an ante mortem inspection, shall direct.

#### *Section C.—Piggeries.*

1. For the purpose of this section of these By-laws, the term "piggery" shall include any portion of the premises to which pigs have access.

2. No premises shall be registered as a piggery unless every portion of such piggery is at least one hundred feet distant from any street or thoroughfare, and at least two hundred feet distant from any dwelling-house or dairy, or other premises wherein food is prepared for sale.

3. The occupier of every piggery shall provide either sties and enclosures, or enclosures within which his pigs shall be kept, and such sties and enclosures, or such enclosures, shall comply with the conditions hereinafter specified.

(a.) Where sties and enclosures are provided, the floor of every sty shall be properly paved with impervious materials, and every such floor shall have sufficient fall to a surface gutter, which shall be constructed of similar materials, and shall be not less than twelve inches wide and three inches deep in the centre of its width, and shall extend the whole length of the sty, and shall have sufficient fall so that it shall discharge all liquids falling upon the floor or upon the gutter into an impervious sump of sufficient capacity to receive at least one day's drainage.

The floor area of every such sty shall be in the proportion of not less than fifteen square feet to every pig over two months old that may be kept therein, and no pig-keeper shall keep a greater number of such pigs in any sty upon his premises than in the aforesaid proportion.

The area of every enclosure appurtenant to a sty or group of sties shall be not less than three times the area of the sty or group of sties to which it is appurtenant.

(b.) Where enclosures only are provided, then the fences of such enclosures shall be movable, and the fences shall be moved and re-erected so as to enclose a new site at such times as may be directed by an inspector.

4. (a.) The occupier of any piggery shall not permit any slaughtering of animals on his premises, nor shall he receive on his premises any carcase or part of a carcase of a diseased animal, and he shall not feed his pigs upon the flesh or offal of diseased animals.

(b.) He shall not receive, or suffer or permit to be received on such premises putrid matter for any purpose.

(c.) He shall cause all readily putrescible pig-feed that may be brought upon such premises to be immediately deposited in cooking vessels, which he shall cause to be maintained at such a temperature as to prevent their contents from putrifying, and shall not remove or permit or suffer such contents to be removed, except to the feeding troughs.

(d.) He shall not receive, or suffer, or permit to be received on such premises any kitchen, slaughter-house, or butchers' wastes or other putrescible pig-feed unless such materials are contained in galvanised iron receptacles fitted with air-tight covers.

5. Every such occupier shall securely fence all his enclosures, and shall provide in each such enclosure sufficient shelter sheds to afford proper shelter for all the pigs that may at any time be kept in any such enclosure.

6. Every such occupier shall provide a sufficient and constant supply of clean water, which shall be properly protected against pollution, and be always available for cleansing purposes.

7. (a.) Every such occupier shall provide feeding troughs—

(1) Where sties and enclosures are provided under the provisions of By-law 3 (a), then in every sty situated near to the drainage gutter, or in such a position as to be accessible to the pigs in two or more sties or enclosures.

(2) Where enclosures are provided under the provisions of By-law 3 (b), then in each such enclosure.

(b.) He shall cause all such feeding troughs, other than those provided in connection with movable enclosures, to be fixed upon a cement floor extending four feet in all directions from such trough, the whole to be so situated as to permit of being readily drained.

(c.) He shall not permit his pigs to be fed otherwise than at the feeding troughs provided in accordance with this by-law.

(d.) He shall cause all feeding troughs provided to be of a pattern which can be readily cleansed.

#### Section D.—Artificial Manure Depôts.

1. "Artificial manure" shall mean any manure or fertiliser prepared by any artificial process.

2. The occupier of an artificial manure depot shall not permit any artificial manure to be kept or stored in such premises, except in a building the walls, floors, and ceilings or undersides of the roof of which are constructed of durable and non-absorbent materials finished internally with a smooth surface.

3. Every such occupier shall cause every precaution to be taken to prevent at all times the emission of dust or offensive or noxious effluvia from every building on his premises.

4. Every such occupier shall cause all artificial manures received at or despatched from his premises to be previously packed in such a manner as to prevent any nuisance arising therefrom during transit.

#### Penalties for breaches of the by-laws.

Where anything by this part of the by-laws is directed to be done or forbidden to be done, or where authority is given to any officer to direct anything to be done or to forbid anything to be done, and such act so directed to be done remains undone or such act forbidden to be done is done, in every such case the person making default as to direction and prohibition respectively shall be deemed guilty of a breach of this part of the said by-laws. And every person guilty of a breach of this part of the said by-laws shall be liable, for every such offence, besides any cost or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, to a penalty not exceeding Twenty pounds for every breach of any such by-law, or to a

penalty not exceeding Two pounds for each day during which such breach shall be committed or continued, and in addition to such penalty shall be liable to pay to the Local Authority any expense incurred by such authority in consequence of any breach or non-observance of any by-law, or in the execution of any work directed to be executed and not so executed.

### TOWN LOTS OPEN FOR LEASING.

Department of Lands and Surveys,  
Perth, 12th January, 1917.

IT is hereby notified, for general information, that the undermentioned Lots are available for leasing, subject to the Regulations for the Leasing of Town and Suburban Lands, on and after the dates specified below, at the annual rentals shown in brackets:—

#### OPEN WEDNESDAY, 7th FEBRUARY, 1917.

##### Applications to be lodged at Kalgoorlie:—

6925/09—LEONORA (Gwalia), 479, £12 10s. (10s.).

†Subject to the condition that the lessee shall not carry on, or permit or suffer to be carried on, on this lot any trade or business whatsoever without the consent in writing of the Minister for Lands being first obtained.

Plans showing the arrangements of the Lots referred to are now obtainable at this office and the various District or Branch District Land and Survey offices.

Applications may be lodged at the offices mentioned at any time prior to the dates specified, and any applications so lodged will be deemed to have been lodged on that day.

In the event of two or more applications for the same Lot, priority will be determined as prescribed by Section 17 of "The Land Act, 1898," and Section 2 of "The Land Act Amendment Act, 1900."

In the event of any applicant obtaining a Lot on which there are improvements, not erected or owned by such applicant, he shall pay the fair value of such improvements to the Minister for Lands or his agent within 30 days in the manner provided by Clause 16 of the above Regulations.

Intending applicants are requested to lodge their applications before the date specified, and are reminded that it is unnecessary to employ an agent, as applications may be lodged personally or sent through the post.

\*Each of the above-mentioned Lots in townships marked with an asterisk, exclusive of reserves, will be leased on the condition that the purchaser or his transferees shall not at any time obtain or hold a license for the sale of intoxicating liquor on the lot purchased.

†Subject to the condition that the lessee shall not carry on, or permit or suffer to be carried on, on this lot any trade or business whatsoever without the consent in writing of the Minister for Lands being first obtained.

R. CECIL CLIFTON,  
Under Secretary for Lands.

# LAND FORFEITED AND AGAIN OPEN FOR SELECTION.

Department of Lands and Surveys,  
Perth, 12th January, 1917.

IT is hereby notified, for general information, that the undermentioned Leases, Licenses, and Occupation Certificates have been forfeited for non-compliance with the conditions under which they were granted, and the land contained therein will be again open for selection, under "The Land Act, 1893," and its amendments, on and after the dates and at the places mentioned.

Applications must be lodged at the Local Land Office for the district in which the land is situated, and should be lodged on or before the date specified.

All applications lodged before such date will be treated as having been received on that day, and if there are more applicants than one for any lot the application to be granted will be determined by the Land Board. Should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase, and a selector of a portion of any location available under Part VI. must take the balance of same under Grazing Lease Conditions.

The lands marked with an asterisk are available under Part VI.
