## LAND FORFEITED AND AGAIN OPEN FOR SELECTION.

Department of Lands and Surveys,  
Perth, 1st June, 1917.

IT is hereby notified, for general information, that the undermentioned Leases, Licenses, and Occupation Certificates have been forfeited for non-compliance with the conditions under which they were granted, and the land contained therein will be again open for selection, under "The Land Act, 1898," and its amendments, on and after the dates and at the places mentioned.

Applications must be lodged at the Local Land Office for the district in which the land is situated, and should be lodged on or before the date specified.

All applications lodged before such date will be treated as having been received on that day, and if there are more applicants than one for any lot the application to be granted will be determined by the Land Board. Should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, notice will be given in the *Government Gazette* and at least one newspaper advising the applicants for the blocks of the date, time, and place of the meeting of the Board, to deal with the matter but it shall not be obligatory on the Department to give any other notice.

If an applicant wishes to appear before the Land Board in person, he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof, if any, under Conditional Purchase.

The lands marked with an asterisk are available under Part VI.

REGULATIONS FOR THE SALE OF TOWN AND SUBURBAN LANDS.

Department of Lands and Surveys,  
1072/17. Perth, 1st June, 1917.  
HIS Excellency the Governor in Executive Council has been pleased to approve, under "The Land Act," and amending Acts, of the Regulations for the Sale of Town and Suburban Lands, as set out hereunder.

L. & S. 1072/17.  
REGULATION UNDER "THE LAND ACT, 1898,"  
FOR THE SALE OF TOWN AND SUBURBAN LANDS.

Town and Suburban Lands, except Suburban Lands set apart for cultivation, shall be sold subject to the conditions of sale set forth in the schedule hereto, and the purchase money or premium shall be payable in the instalments therein stated.

Schedule referred to.  
Conditions of Sale of Town and Suburban Lands advertised to be sold by auction at the \_\_\_\_\_ day of \_\_\_\_\_, 191\_\_\_\_.

1. The land offered for sale is particularised in the notice headed "Land Sales," published in the Government Gazette of the \_\_\_\_\_ day of \_\_\_\_\_, 191\_\_\_\_, and in the Schedule hereto, and will be sold subject to the terms and conditions of "The Land Act, 1898," and the Regulations thereunder, and to a depth of \_\_\_\_\_ feet below the natural surface.

2. The lots will be offered separately, and in such order as the auctioneer shall at the time determine.

3. The highest bidder shall be the purchaser, and if any dispute arise, the lot in dispute shall be put up again and resold.

4. Each lot shall be offered at the upset price, and if no advance be made, the applicant for the same shall be declared the purchaser at that price; but if any advance be made, the highest bidder shall be the purchaser as aforesaid. Bidding shall advance at the rate of not less than—

10s. when the upset price is £10 per lot or under.  
£1 when the upset price is above £10 per lot.

1s. per acre when the upset price is under £2 per acre.

2s. per acre when the upset price is £2 per acre or over.

Should the applicant not be the purchaser his deposit will be refunded in due course.

5. The purchaser shall, immediately upon the fall of the hammer, pay to the Minister for Lands or his agent a deposit at the rate of 10 per cent. upon the total amount of the purchase money, unless he has already paid a sufficient deposit on application, and any such deposit shall be considered as payment of the purchase money so far as the same will extend. Should the purchaser fail to pay the deposit as required, the purchase shall be void, and the lot shall be offered again immediately for sale.

6. The balance of purchase money shall be paid to the Minister for Lands or his agent within twelve months from the day of sale, by four equal quarterly instalments on the first days of January, April, July, and October, the first instalment being payable on the first day of the quarter next following the date of sale, the Crown Grant fees being payable with the last instalment of the purchase money. Provided that nothing shall prevent the balance of the purchase money and fees being paid at an earlier date should the purchaser so desire, but no Crown Grant of any Suburban Lot shall issue until the Minister is satisfied that the prescribed fencing has been effected.

7. In default of payment of any one of the several instalments of purchase money within thirty days after the dates mentioned; or if, in the case of Suburban Lots, the required fencing is not completed within two years from the date of sale, the land shall be absolutely forfeited, together with all purchase money and fees that may have been paid.

8. On payment of the final instalment of the purchase money, provided that in the case of Suburban Lots the condition of fencing has been complied with and maintained, a Crown Grant shall be issued on application and payment of the prescribed fee of Thirty shillings.

9. The purchaser will have the option of taking, in lieu of a grant of the fee simple, a lease under the Regulations gazetted the 23rd day of August, 1912, at the scheduled capital value nearest the upset price, for the term of 99 years, at a ground rent of 4 per centum on the capital value, and a premium equal to the amount of his bid in excess of the upset price, in which case the following conditions shall apply in place of paragraphs 5, 6, 7, and 8, viz.:—

(a) Every purchaser shall, at the fall of the hammer, pay to the auctioneer a lease fee of five shillings and a sum equal to the instalment of rent of lease purchased, payable in advance, pursuant to Section 136 of the said Act, unless the purchaser shall as an applicant have previously paid the same pursuant to Clause 4 of the said Regulations.

(b) The purchaser shall also pay, on the fall of the hammer, the sum of ten shillings or 10 per centum of the premium, whichever shall be the greater, and shall pay the balance (if any) of the premium within thirty days thereafter. In default of such payment the purchase shall be void, the deposit forfeited, and the lease may be put up again and re-sold.

10. Immediately after the sale the purchaser shall declare to whom or in whose name he requires the Crown Grant or Lease to issue, and the name, address, and occupation of such person shall thereupon be inserted in the form of application to purchase or lease.

11. If any lot is improved, the value of the improvements (unless the purchaser is the owner of the improvements) will be payable by the purchaser to the Minister for Lands or his agent, in addition to the purchase money or premium, forthwith after the sale, or at such time and by such instalments (if any) as the Minister may determine.

12. Each Suburban Lot shall be fenced on the surveyed boundaries, within two years from the date of sale, with a fence of the description prescribed by the said Act: Provided that the Minister for Lands may, if he think fit, dispense with the division fences between two or more adjoining lots purchased by one person; or may, if he thinks fit, accept other substantial improvements in lieu of fencing.

DEVELOPMENT OF MINING.

*Bonus for Production of Graphite.*

Department of Mines,  
Perth, 30th May, 1917.

It is hereby notified, for public information, that in order to aid the development of mining for Graphite in the State of Western Australia, a Bonus will be paid by the Government on marketable graphite mined and prepared for market within the State, on the following conditions, viz.:—

(1.) The graphite shall be "flake" graphite, and shall be, in the opinion of the Government officer appointed by the Minister to supervise all payments of bonuses under his notice, of good marketable quality.

(2.) The producer shall notify the Department of Mines when he forwards any parcel of the mineral on which a bonus is to be claimed, and shall give opportunity and authority for an officer of the Department to inspect the same before it is delivered finally to any manufacturer or consumer of graphite within the State, or is exported from the State, and shall give particulars of how it is intended to dispose of the parcel. He shall render an account for the bonus payable on each parcel on Treasury account forms together with account sales showing all particulars and details of the actual sale of each parcel, and a statutory declaration that all information given is true and correct, and that the graphite is the produce of his mine within the State of Western Australia.

(3.) The bonus shall be at the rate of five per cent. of the net proceeds at the mine of sale of each parcel as paid to the producer directly or indirectly by the manufacturer or consumer within the State or the purchaser outside the State.

(4.) For the purposes of these conditions, the company or person immediately controlling the working of the mine from which the graphite is raised shall be deemed to be the producer, and any bonus payable shall be paid to him or to his authorised agent. No bonus shall be payable to any intermediate sellers between the producer and the final buyers. The supervising officer may require, and shall be supplied with full information as to any intermediate sales, and his decision as to what is the sale price on which the bonus is payable shall be final.

(5.) The amount of bonus payable in any year to any one producer shall not exceed £500.

(6.) The bonuses shall be payable on ore sold after the date of this notice for which accounts are received up to but not later than 30th June, 1919.

(7.) The supervising officer if not satisfied with the information regarding the sale of any parcel may require further information to be supplied under statutory declaration, and no bonus shall be payable unless and until he is fully satisfied that all transactions are genuine business deals.

#### SCALE OF REMUNERATION.

The remuneration of the Instructor will, as a rule, be 12s. 6d. per lesson of two hours for each class in which he average attendance of students is at least equal to the number set down as the minimum average attendance for the class, and will be calculated proportionately if the average attendance of students falls below this number.

At the end of the year an adjustment will be made whereby the excess of students during one term will be allowed to make up for any deficiency in another term.

The remuneration for Headmasters shall be as follows:—

- 50 to 100 pupils—£1 per week for 36 weeks.
- 101 to 150 pupils—£1 5s. per week for 36 weeks.

- (a) In the centres with an enrolment up to 25 individual students—7s. 6d. per week for 36 weeks per annum.
- (b) In centres with an enrolment from 26 to 50 individual students—10s. per week for 36 weeks per annum.

- 11 to 15 classes—7s. 6d. per week.
- 16 to 20 classes—10s. per week.
- 21 to 25 classes—12s. 6d. per week.
- Over 25 classes—15s. per week.

#### EXAMINATIONS.

4. Annual examinations will be held on the work of each class, and a record of each student's success will be kept by the Headmaster or Secretary.

#### COURSES OF INSTRUCTION.

5. The various courses of instruction shall be those outlined in the Department's syllabus for each year. Instruction should not be given to a higher standard than is prescribed in the courses as outlined, without permission having first been obtained from the Department.

#### CONDUCT OF CLASSES.

6. (a) Students must, as a rule, confine their work to one of the courses specified, but permission may be granted by the Department, on application, to vary the courses according to local requirements.

(b) Students will be required to select two or three subjects from any course. Permission may be granted, on application to the Department, to vary this rule.

(c) Students who have not reached a standard of education equal to that prescribed for Class VI. in the State Schools should take the Preliminary Course in their first year.

(d) Students who have reached a standard equal to that of Class VI. in the State Schools will be eligible to attend the first year's classes in any course. Those who have reached a standard equal to Class VII. or VIII. in the State Schools will be eligible to attend the second year classes in any course.

(e) Students who complete any full course and pass the examination set by the Department thereon, may receive a certificate entitling them to further instruction in certain courses at the Technical School.

(f) No class that does not reach the minimum number specified by the syllabus may be commenced without permission of the Department.

(g) Each Headmaster and Secretary will be required to keep the following books and registers:—

(h) In small centres where no Technical Schools are established, students over 18 years of age may be admitted to vacancies in any Continuation School Class. Permission must in each case be first obtained from the Department.

(i) In small centres where no Technical Schools are established, students who complete the Second Year Course and gain a certificate at the annual examination may be permitted to continue their attendance, and receive further instruction of a more advanced nature.

(j) A student may be suspended by the Headmaster for misconduct or unsatisfactory behaviour. The circumstances must be reported to the Department for decision as to the permanent exclusion or re-admission of the student.

Education Department,  
Perth, 26th May, 1917.

HIS Excellency the Governor in Executive Council has approved of the following addition to the Regulations of the Technical School:—
