## BUNBURY PUBLIC CEMETERY.

*By-laws.*

9985/10.

HIS Excellency the Governor in Executive Council has been pleased to approve of the following By-laws under "The Cemeteries Act, 1897," and amendments for the management of the Bunbury Public Cemetery (Reserve 14000).

By virtue of all powers in that behalf vested in the Trustees of the Bunbury Cemetery Board, the said Board makes the following By-laws:—

1. All fees and charges payable to the Board, as set forth in Schedule A, shall be paid at the times and manner therein mentioned, unless otherwise ordered.

2. Any person desiring to inter any dead body in the Cemetery shall make an application in the form contained in Schedule B. Upon such application being approved by the Board, and upon payment of the prescribed fees, they shall cause to be issued to the person so applying an "Order for Burial," in the form contained in the Schedule C.

3. All applications for interment shall be made at the office of the Trustees in such time as to allow at least five working hours' notice being given to the Superintendent at the Cemetery prior to the time fixed for burial. An extra charge shall be made for applications within such time. No free interment shall be allowed unless the application, together with the Magistrate's order therefor, be handed in at the office in such time as to allow of at least six working hours' notice being given as above.

4. The Board shall cause all graves to be dug, and vaults, brick graves, or graves to be re-opened as and when required.

5. Before any interment is allowed, the "Order for Burial" shall be handed to and retained by the Superintendent.

6. Every coffin shall have upon the lid an approved metal plate bearing the name of the deceased stamped

or otherwise indelibly inscribed in legible characters thereon. No coffin not complying with this By-law shall be admitted to or be interred in the Cemetery.

7. Every grave shall be at least 7ft. deep at the first interment, and no interment shall be allowed in any grave with a less depth than 3ft. from the top of the coffin to the original surface of the surrounding ground.

8. In the case of an application for interment in any private grave or vault to which the deceased had no claim during life, the written and verified consent of the grantee shall be handed in with the application.

9. No burial shall be allowed to take place in the Cemetery, nor shall any coffin be allowed to enter the Cemetery, unless a certificate from a District Registrar of Deaths that the death has been registered, or a Coroner's order for burial is handed to the Superintendent, at the latest, upon the funeral entering the Cemetery. Should the undertaker or his representative be unable to produce the said certificate from the Registrar, he shall give a written guarantee to produce same within three days, and satisfactory reasons must be given for the non-production of such certificate in the first instance. In default of the production of the said certificate within three days, the undertaker's license may be suspended until such certificate is produced. The certificate will be retained, but the Coroner's order shall be returned to the person delivering the same.

10. Unless otherwise ordered the principal entrance to the Cemetery shall open daily between the hours of 7 a.m. and 6 p.m. from 1st September to 30th April, and between 7 a.m. and 5 p.m. during the remaining months of the year.

11. The hours for burial shall be as follows:—

1st September to 30th April—Week days from 8 a.m. to 5 p.m. Sundays, from 2 p.m. to 5 p.m.

1st May to 31st August—Week days from 8 a.m. to 4.30 p.m. Sundays, from 2 p.m. to 4.30 p.m.

and no burial shall be allowed to take place, nor any coffin allowed to enter the Cemetery at any other hour except by written permission of the Board.

12. The time fixed for any burial shall be the time at which the funeral is to arrive at the Cemetery gates, and if not punctually observed, the undertaker responsible shall be liable to a fine of 10s. 6d.

13. Every funeral shall enter by the principal entrance, and no vehicle, except the hearse and mourning coaches, shall be permitted to enter the Cemetery, or stand opposite the entrance gates. Horses shall not be allowed to proceed faster than at a walking pace within the Cemetery, and shall proceed at and by such roads as directed by the Superintendent or other officer of the Trustees from time to time. Any driver or other person failing or neglecting to observe such directions may be forthwith expelled from the Cemetery. No bicycle shall be ridden within the Cemetery.

14. Children under the age of ten years entering the Cemetery must be in charge of some responsible person.

15. Smoking shall not be allowed within the Cemetery, nor any fire-works discharged therein.

16. No dogs shall be admitted into the Cemetery, and any found there shall be liable to be destroyed.

17. Any person violating the rules of propriety and decorum, or committing any nuisance or trespass, or injuring any tree, shrub, flower, border, grave, or any erection, or in any way infringing these By-laws, shall be expelled from the Cemetery.

18. No person shall remove any plant, tree, shrub, flower (other than withered flowers, which are to be placed in the receptacles provided by the Board for same), or any article from any grave without first obtaining a permit from the Board or their representatives.

19. No person shall pluck any tree, plant, shrub, or flower growing in any portion of the Cemetery.

20. No person shall remove or carry out of or attempt to carry out of the Cemetery any tree, plant, shrub, or flower without the written authority of the Board or their representative.

21. No person shall promote or advertise, or carry on within the Cemetery any trade, business, or calling either by solicitation, distribution of circulars, by cards or otherwise, or by any other system of advertisement whatsoever, without the written consent of the Board, and any person infringing this By-law shall be expelled from the Cemetery.

22. No person employed by or under the Board shall be permitted to accept any gratuity whatever, nor shall he be pecuniarily interested in any work in the Cemetery, other than the remuneration he receives from the Board, and any such person proved guilty of accepting any gratuity, or being pecuniarily interested in any such work, shall be liable to summary dismissal.

23. Subject to the By-laws and to the directions of the Trustees, the Superintendent shall exercise a general supervision and control over all matters pertaining to the Cemetery, including the conduct of all funerals and interments within the Cemetery.

24. Any person requiring an "Exclusive Right of Burial" in any part of the Cemetery shall apply to the Board, in writing, specifying the location of the grave, and whether it is proposed to erect a brick grave or vault, and in such case submitting plans and specifications of the proposed work. Such application shall also state the names of any already deceased person whose remains it is proposed to inter therein.

25. Upon being satisfied of the matters aforesaid, and of the suitability of the said work, plans, and specifications, the Board may authorise the construction and erection thereof, or, if no work is to be done, may issue a "Grant" in the Form "E" in the Schedule.

26. Upon the completion of the work aforesaid, the Board may, if and when such work is done to their complete satisfaction, issue a "Grant" in the Form "E" in the Schedule.

27. Every such Grant shall be subject to the By-laws for the time being, and no interment in any such grave or vault shall be allowed unless upon production of the "Order for Burial" aforesaid, nor shall any such grave or vault be opened, unless with the written consent of the Board.

28. Every coffin placed in any such bricked grave or vault shall be bricked in, cemented, and covered with a slab of stone, slate, or iron, unless special written exemption be obtained from the Board.

29. If application be made for an "Order for Burial" in any grave or vault of the remains of any person other than the person to whom the grant was issued, or his registered assign, the written and verified consent of such grantee or assignee shall be produced.

30. Any person desiring to place or erect, or to alter or add to any monument, tombstone, or enclosure in any part of the Cemetery must first obtain the written consent and approval of the Board, and otherwise comply with Section 23 of the principal Act (61 Viet., No. 23).

31. Every tombstone, monument, or enclosure shall be placed on proper and substantial foundations, which, if required by the Board or their officers, shall extend to the bottom of the grave.

32. The materials used in every such erection shall be subject to the approval of the Superintendent or other officer appointed by the Board, and any material rejected shall be immediately removed from the Cemetery by the Contractor for the erection. All refuse and other rubbish remaining after any work is completed shall be immediately removed from the Cemetery by the person causing the same.

33. Should any work by masons or others be not completed before a Sunday, they shall be required to leave the work in a neat and safe condition to the satisfaction of the Superintendent.

24.
