LAND OPEN FOR SELECTION BY DISCHARGED SAILORS AND SOLDIERS.

IT is hereby notified, for general information, that His Excellency the Governor in Executive Council has been pleased to approve of the areas scheduled hereunder being made available for selection under "The Land Act, 1898," and its amendments, and "The Discharged Soldiers Settlement Act, 1918," by persons who have been on active service with His Majesty's Naval or Military Forces, and can produce a satisfactory discharge; or the dependants of those who have been killed or have died on active service. The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof under Conditional Purchase.

Application may be made by relatives on behalf of Soldiers at the Front, subject to the condition that the applicant must receive a Qualification Certificate from the Land Qualification Board within six months from the date of his discharge, otherwise the holding will be forfeited.

Applications must be lodged at the Local Land Office for the District in which the land is situated, or at the Head Office, Perth.

The date fixed for areas being thrown open for selection does not imply that applications may not be lodged before such date and any applications so lodged will be treated as having been received on the appointed day.

Should any location be not applied for on the fixed date it will remain available for selection until it is applied for or otherwise dealt with.

There shall be an interval of at least three days between the closing of the date for applications and the date on which the Board sits. All applicants will be advised of the date fixed for the meeting of the Board. He may then, if he wishes, apply to Head Office for a Certificate to the Railway Department, which on presentation at the nearest Railway Station will entitle him to a Return Ticket at Excursion Rates to the place where the Board will sit, available for seven days from date of issue.

The prices quoted hereunder (exclusive of the value of improvements, if any, and survey fees, and land acquired by the Crown under the Agricultural Lands Purchase Act, 1909, or otherwise for settlement) are reduced by one-half.

- (e) Flashing or intermittent illuminated signs shall be allowed only above the first floor level.
- (f) Doctors and chemists shall be allowed to exhibit an approved lamp showing a red light and so fixed as to be seen up and down a street.

6. The maintenance and use of illuminated signs shall be in accordance with the following conditions:—

- The light from illuminated signs shall at no time be sufficiently intense to cause annoyance to the public.
- Illuminated signs shall be illuminated each and every night (Sundays excepted) from sunset until 9 o'clock p.m. and for no less time.
- Flashing and intermittent illuminated signs shall be allowed to continue the flashing and intermittent effects only between such hours as the Council shall at their discretion from time to time prescribe.
- Illuminated signs shall at all times be maintained as illuminated signs and shall be kept in a safe, secure, proper, and cleanly condition to the satisfaction of the Building Surveyor and in accordance with the provisions of the By-law.

7. Permits shall be granted, continued, and renewed at the absolute discretion of the Council, and on any failure by any permit holder to comply with all or any of the conditions or requirements set forth in this By-law the Council may serve on such permit holder notice in writing to conform to the By-law or to remove the illuminated sign in respect of which the breach of this By-law has been committed within three days, and on the failure of such permit holder to comply with the requirements of such notice the Council may forthwith, at the risk and expense of such permit holder, remove or have removed such illuminated sign, provided that if any illuminated sign is, in the opinion of the Building Surveyor, in a condition dangerous to the public, the Building Surveyor may forthwith, without any notice to the permit holder and at the permit holder's expense and risk, remove or have removed such illuminated sign.

8. Permits shall be granted for the balance of the year in which they are issued and shall expire on October the 31st of such year, and may be renewed yearly. They shall be in the form of Schedule No. 2 of Part II. of this By-law.

9. The holder of any permit shall, upon demand of any officer of the City of Perth, produce such permit for inspection.

10. Where anything by this By-law is directed to be done or forbidden to be done or where authority is given to any officer to direct anything to be done or to forbid anything to be done and such act so directed to be done remains undone or such act forbidden to be done is done, in every such case the person making default as to such direction and prohibition respectively shall be deemed to be guilty of a breach of this By-law, and every person guilty of a breach of this By-law shall be liable for every such offence besides any costs which may be incurred in the taking of proceedings against such person guilty of such offence as well as any costs or expenses which may be incurred in the execution of the work directed to be so executed and not so executed to a penalty not exceeding twenty pounds for every breach of any such By-law or to a penalty not exceeding two pounds for each day during which such breach shall be committed or continued.
