7. The salary or allowance attached to the office under consideration of the Board shall be fixed in all cases preceding the election, and the salary of any officer when fixed shall not at any time be considered with a view to its increase or reduction unless specially authorised by a meeting of the Board, at which at least five of the members are present.

9. Notice shall be given in writing by the Chairman or Secretary of ordinary or regular meetings, and also of every meeting adjourned for a term exceeding six days.

10. Special meetings are those called under Section 130 of the Act, and shall include those called by the Chairman in response to a requisition signed by three members on his own behalf, and the notices for such special meetings shall have such special business notified thereon for which the meeting was called, and for which each member shall receive seven days' notice. No business shall be transacted at a special meeting other than that for which the special meeting was called, provided that any matter of emergency can be discussed, with the ruling of the Chairman and the consent of those present. The ratepayers' meeting shall consist of one called under Section 143 of the Road Districts Act, and the standing orders shall, so far as the Act allows, apply to the proceedings, but the provisions of the Act shall be first dealt with. The Chairman, if present, shall preside at all meetings of ratepayers and of the Board, and in his absence, or after being present he shall retire, one of the members of the Board chosen by the ratepayers or members of the Board, as the case may be, shall preside.

11. Ordinary meetings shall be held at the office of the Board, Yalgoo, on the second Wednesday in the month, unless otherwise arranged by resolution carried to that effect at the preceding ordinary meeting of the Board, of which each member has received due notice of the proposed alteration.

12. A special meeting may, on the requisition of three members of the Board, be called at any time in manner prescribed by the Act, but the Chairman may call a special meeting of the Board as often as he may think proper. No business will be transacted at any ordinary or special meeting unless at least three members of the Board, inclusive of the Chairman or the member of the Board chosen to preside in his absence, shall be present.

13. Any three members may require the Board room to be cleared of strangers, and the Chairman, or other presiding Chairman, shall immediately give directions to have the order executed.

14. At all meetings of the Board when there is not a quorum present, or when the Board is counted out (which counting out shall take place whenever there shall be less than a quorum present), or within 30 minutes after time for which meeting is called, such circumstances, together with the names of the members then present, shall be recorded in the minute book.

15. The first business of all meetings of the Board shall be the reading of the minutes of the preceding meeting aloud with a view of their confirmation.

Voting.

16. Each member (including the Chairman) shall have one vote, and such Chairman shall, in case of equality of votes, have a casting vote in addition to his ordinary vote, and all questions at such meetings shall be decided by a majority of the votes of the members present. All motions and amendments shall be decided by a show of hands, unless a division is demanded, before the next business is proceeded with.

Minutes of Meetings.

17. The minute-book prescribed by the Act shall be kept, in which any item of business transacted by the Board at a meeting shall be then and there entered by the Secretary. Minutes of special or ordinary meetings shall be confirmed at the next ordinary meeting. - (e) Reports of sub-committees.
- (f) Presentation of petitions or memorials, and consideration thereby.
- (g) Reading of correspondence (received and despatched) and taking action as may be deemed expedient in regard thereto.

- (j) Motions of which previous notice has been given.
- (k) Motions without notice (by leave of the Board under By-law 19).
- (l) General business.
- (m) Notice of motions.

19. In the event of any member having urgent business to place before the meeting, he may move the suspension of the Standing Orders, and, if agreed to by the Board, such business shall take precedence to all others.

20. Any member wishing to rescind any motion shall act in direct compliance with Section 135 of the Road Districts Act, by giving seven days' notice to each member or submitting to the Secretary of the Board notice of his intention in time to enable him to give the necessary notice prescribed by the Act to each member.

Petitions.

21. Every petition or memorial shall be respectful and temperate in its language, and shall be presented to the Board by a member only, and any member presenting a petition or memorial to the Board shall affix his name to the beginning thereof, with the number of signatures; and any member presenting a petition or memorial shall acquaint himself with the contents thereof and ascertain that it does not contain language disrespectful to the Board. The nature or prayer of every petition or memorial shall be stated to the Board by the member presenting the same.

Tenders.

22. Tenders for work shall be opened and dealt with when the subject matter of the tenders comes on to be considered at the meeting of the Board, or by a Committee appointed for the purpose.

ORDERS OF DEBATE.

Speakers must not digress.

23. A member having audience shall not digress from the subject of debate.

Unopposed Notices of Motion.

24. The Chairman may call over the notices of motion on the business paper in the order in which they appear thereon; and if objection is not taken to a motion being taken as a formal motion, may call upon the mover to move the same, and upon the motion being seconded may then, without discussion, put the motion to the vote.

Correspondence.

25. All correspondence with the Board shall be addressed to the Secretary and submitted to the Board. No letter addressed to the Board shall be presented or read by a member.

Consideration of Reports.

26. (a.) If in a report of a committee distinct recommendations are made, the decision of the Board may be taken separately on each recommendation.

(b.) Any report of a committee or any portion thereof may be amended by the Board in any matter if it may think fit, or may be referred back to the committee for further consideration.

(c.) The recommendations of any committee when adopted by the Board shall be resolutions of the Board.

Precedence of Chairman.

27.
