Subject as hereafter provided, this order applies to any land within a Repurchased Estate; but as regards applicants mentioned in subparagraphs (2), (3), and (4), this order shall not so apply until after the expiration of one month from the date when such land was notified in the *Government Gazette* as open to selection.

In the event of an applicant other than a Discharged Soldier under subparagraph (1) obtaining a block within a Repurchased Estate, the term of the lease and conditions of payment will be subject to re-adjustment in accordance with the provisions of "The Agricultural Land Purchase Act, 1909."

The areas marked thus § have been approved as suitable for the settlement of Discharged Soldiers under subparagraph (1), and application may be made for advances thereon under the provisions of "The Discharged Soldiers' Settlement Act, 1918."

The areas marked thus * are open under Part VI.

Applications must be lodged at the Local Land Office for the district in which the land is situated, and should be lodged on or before the date specified.

All applications lodged on or before such date will be treated as having been received on the closing day, and if there are more applicants than one of the class entitled to preference for any block the application to be granted will be determined by the Land Board. Should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, the applicants for the blocks will be duly notified of the date, time, and place of the meeting of the Board, and there shall be an interval of at least three days between the closing date and the sitting of the Board.

If an applicant wishes to appear before the Land Board in person he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof, if any, under Conditional Purchase.

The prices quoted hereunder (exclusive of the value of improvements, if any, and survey fees, and land acquired by the Crown under "The Agricultural Lands Purchase Act, 1909," or otherwise for settlement) are reduced by one-half to Discharged Soldiers only.
