IT is hereby notified, for general information, that the areas scheduled hereunder will be available for selection under "The Land Act, 1898," and its amendments, on and after the dates set out in the schedules.

The areas marked "A" shall be open for selection by the special classes of selectors hereinafter named in the following order of preference:—

- (1) Under "The Discharged Soldiers' Settlement Act, 1918," by "Discharged Soldiers" within the meaning of paragraphs (a), (b), and (c) of the interpretation of the term in Section 3 of that Act, and "Dependants" within the meaning of that term in the said section.

(4) Under "The Land Act, 1898," by ordinary selectors.

(In the event of an applicant other than a Discharged Soldier under subparagraph (1) obtaining a block within a Repurchased Estate, the term of the lease and conditions of payment will be subject to re-adjustment in accordance with the provisions of "The Agricultural Land Purchase Act, 1909.")

The areas marked "B" are not subject to such order of preference.

The areas marked thus \* are open under Part VI.

Applications must be lodged at the Local Land Office for the district in which the land is situated, and should be lodged on or before the date specified.

All applications lodged on or before such date will be treated as having been received on the closing day, and if there are more applicants than one for any block the application to be granted will be determined by the Land Board, except in cases where it is already determined by the order of preference set out above under "A." Should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, the applicants for the blocks will be duly notified of the date, time, and place of the meeting of the Board, and there shall be an interval of at least three days between the closing date and the sitting of the Board.

If an applicant wishes to appear before the Land Board in person he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof, if any, under Conditional Purchase.

The prices quoted hereunder (exclusive of the value of improvements, if any, and survey fees, and land acquired by the Crown under "The Agricultural Lands Purchase Act, 1909," or otherwise for settlement) are reduced by one-half to Discharged Soldiers only.

346/19.

HIS Excellency the Governor in Council has been pleased to approve of the cancellation of Regulations 158 to 175 inclusive under the Education Act and Amendments, and to substitute therefor the following Regulations:—

REGULATIONS GOVERNING PARENTS' AND CITIZENS' ASSOCIATIONS AND SCHOOL BOARDS.

158. The Minister reserves to himself the control, through his officers, of the internal management of schools; but for other purposes he will avail himself of the assistance of Parents' and Citizens' Associations and School Boards.

159. In any locality the parents or guardians of children attending any Government school or schools, together with other persons interested in the welfare of the schools, may form a Parents' and Citizens' Association. The objects of such an Association shall be to promote the interests and efficiency of the school or schools, and to assist the teaching staff in all its relations to the community.

160. Every Association shall have power to frame its own rules, but, before such rules come into force, they must be approved by the Minister. The annual subscription shall not exceed one shilling.

161. At the first meeting after the establishment of an Association and at each annual meeting afterwards the members shall elect from among their number a president, two vice-presidents, a secretary, and a treasurer to hold office for the next twelve months.

162. At the first meeting and at each annual meeting afterwards arrangements shall be made for an election by ballot of five members of the Association to serve as the School Board for the year. The Head Teacher of the school (or, if several schools are concerned, the Head Teacher of the largest school), shall be the returning officer and shall conduct the election. Arrangements must be made for enabling members who are absent from the meeting to record their votes, a limit of time being fixed within which such votes may be received by the returning officer. Office-bearers of the Parents' Association (see Reg. 161) are eligible for election to the Board, subject to the following regulation.

163. Only those members who have paid their subscriptions for the year, and ex officio members, shall have the right to vote.

The teachers of Government schools within any locality shall, ex officio, be members of the Association formed in such locality, and may be elected to any office in the Association, but shall not be eligible for nomination as members of the School Board.

164. The Board shall elect, from its members, its own chairman and secretary.

165. The duties of a School Board shall be—

- (a) to advise the Department on the material requirements of the school, on minor repairs and alterations of and additions to buildings;
- (b) to consider and advise upon sites and plans of new buildings;
- (c) to carry out urgent repairs under conditions to be prescribed by regulations;
- (d) to advise upon applications made for the temporary use of school buildings;
- (e) to use every endeavour to induce parents to send their children to school, so that prosecutions may be avoided;

- (f) to arrange for the accommodation of teachers;
- (g) to make provision for the sanitary contracts and care of the outbuildings; and
- (h) such other duties as may from time to time be prescribed.

166. Urgent repairs calling for immediate attention, when there is no time to obtain the approval of the Minister, may be carried out by the Board, provided that the cost does not exceed £1 in the case of a school of one room, or £3 in the case of a larger school, or of teachers' quarters. For all other work the previous sanction of the Minister is required.

Accounts must be duly certified by the Chairman of the Board and the Head Teacher of the school, and should be forwarded to the Education Department as early as possible.

The following works may be carried out under the above provision:—

- (a) Small repairs to floors, steps, doors, windows, and furniture.
- (b) Repairs to tank, tank stands, taps, or other means of water supply.
- (c) Repairs to roofs, gutters, down-pipes, and drains.
- (d) Repairs to hearths, fireplaces, and chimneys.
- (e) Repairs to out-offices and urinals.
- (f) Repairs to fences and gates.
- (g) Removing dangerous trees or any stumps or rocks that are likely to be a source of danger to the children.
- (h) Any small repairs that will prevent the likelihood of damage to the buildings or of accidents to the teachers and scholars, or that will make the buildings more comfortable and convenient.

No new work that involves any structural alterations may be undertaken without the written approval of the Department.

167. Any member of a School Board who leaves the district to reside elsewhere shall cease to be a member of the School Board. The Association may make arrangements for the necessary election by ballot to fill his place.

168. The annual meetings of the Parents' Associations shall be held in the month of February or March. Should the first meeting of an Association be held after the 31st of August in any year, the School Board elected shall hold office until the annual meeting held in the second year thereafter.

169. The Board is empowered to grant not more than two days' holiday in each year. These holidays are not to be granted for the personal convenience of teachers, and the permission must be given in writing on the prescribed form. The teacher must inform the Department of such holidays at least a fortnight in advance. They should, as a rule, be given for the most important local fete or show in the year, when the majority of the children would be likely to be absent. They must not be given at the beginning or end of the term to supplement the regular holidays. School Boards should use their influence to see that Sunday School picnics or minor fetes take place in the holidays or on Saturdays.

170. No Parents' and Citizens' Association or School Board shall exercise any authority over the teaching staff, or interfere in any way with the control or management of any Government school.

CECIL ANDREWS,  
Director of Education.
