In the event of there being more than one applicant for such appointment, the election thereto shall be conducted by ballot, so as to obtain an absolute majority of the members present.

(b) The election of all other officers shall be conducted by a show of hands, unless a ballot be demanded in which case the procedure in the foregoing By-law shall be followed.

7. The salary or allowance attached to the office under consideration of the Board shall be fixed in all cases preceding the election, and the salary of any officer when fixed shall not at any time be considered with a view to its increase or reduction, unless specially authorised by a meeting of the Board, at which a majority of the members are present.

10. Meetings of the Board shall be of two kinds—"Ordinary" and "Special." Ordinary meetings are the regular meetings held in pursuance of these By-laws for the transaction of the general business of the Board, including meetings adjourned for the purpose of any incomplete business, but an adjourned meeting would not exclude any business which was considered necessary to transact. Special meetings are those called under Section 130 of the Act, and shall include those called by the Chairman in response to a requisition signed by three members on his own behalf, and the notices for such special meetings shall have such special business notified thereon, for which the meeting was called, and for which each member shall receive seven days' notice. No business shall be transacted at a special meeting other than that for which the special meeting was called, provided that any matter of emergency can be discussed, with the ruling of the Chairman and the consent of those present. The ratepayers' meeting shall consist of one called under Section 143 of the Road Districts Act, and the Standing Orders shall, so far as the Act allows, apply to the proceedings, but the provisions of the Act shall be first dealt with. The Chairman, if present, shall preside at all meetings of ratepayers and of the Board, and in his absence, or after being present he shall retire, one of the ratepayers chosen by the ratepayers or members of the Board, as the case may be, shall preside.

11. Ordinary meetings shall be held at the office of the Board, Nungarin, on the Saturday before full moon in each month, unless otherwise arranged by resolution carried to that effect at the preceding ordinary meeting of the Board, at which each member has received due notice of the proposed alteration.

12. A special meeting may, on the requisition of three members of the Board, be called at any time in the manner prescribed by the Act, but the Chairman may call a special meeting of the Board as often as he may think proper. No business will be transacted at any ordinary or special meeting unless at least four members of the Board, inclusive of the Chairman, or the member of the Board chosen to preside in his absence, shall be present.

13. A majority of members present may require the Board room to be cleared of strangers, and the Chairman, or other presiding Chairman, shall immediately give directions to have the order executed.

14. At all meetings of the Board when there is not a quorum present, or when the Board is counted out (which counting out shall take place whenever there shall be less than a quorum present), or within 30 minutes after time for which meeting is called; such circumstances, together with the names of the members then present, shall be recorded in the minute book.

15. The first business of all meetings of the Board shall be the reading of the minutes of the preceding meeting aloud with a view to their confirmation.

Voting.

16. Each member (including the Chairman) shall have one vote, and such Chairman shall, in case of equality of votes, have a casting vote in addition to his ordinary vote, and all questions at such meetings shall be decided by a majority of the votes of the members present. All motions and amendments shall be decided by a show of hands, unless a division is demanded, before the next business is proceeded with.

Minutes of Meeting.

17. The minute-book prescribed by the Act shall be kept in which any item of business transacted by the Board at a meeting shall be then and there entered by the Secretary. Minutes of special or ordinary meetings shall be confirmed at the next ordinary meeting. No discussion shall take place upon the minutes of proceedings, except as to their accuracy or for the rectification of a clerical error.

- (j) Motions of which previous notice has been given.
- (k) Motions without notice (by leave of the Board under By-law 19).
- (l) General business.
- (m) Notice of motions.

19. In the event of any member having urgent business to place before the meeting he may move the suspension of the Standing Orders, and, if agreed to by the Board, such business shall take precedence to all others.

20. Any member wishing to rescind any motion shall act in direct compliance with Section 135 of the Road Districts Act, by giving seven days' notice to each member or submitting to the Secretary of the Board notice of his intention in time to enable him to give the necessary notice prescribed by the Act to each member.

Petitions.

21. Every petition or memorial shall be respectful and temperate in its language, and shall be presented to the Board by a member only, and any member presenting a petition or memorial to the Board shall affix his name to the beginning thereof, with the number of signatures; and any member presenting a petition or memorial shall acquaint himself with the contents thereof and ascertain that it does not contain language disrespectful to the Board. The nature or prayer of every petition or memorial shall be stated to the Board by the member presenting the same.

Tenders.

22. Tenders for work shall be opened and dealt with when the subject matter of the tenders comes on to be considered at the meeting of the Board, or by a committee appointed for the purpose.

Correspondence.

25. All correspondence with the Board shall be addressed to the Secretary and submitted to the Board. No letter addressed to the Board shall be presented or read by a member.

Consideration of Reports.

26. (a) If in a report of a committee distinct recommendations are made, the decision of the Board may be taken separately on each recommendation.

(b) Any report of a committee or any portion thereof may be amended by the Board in any matter if it may think fit, or may be referred back to the committee for further consideration.

(c) The recommendation of any committee when adopted by the Board shall be resolutions of the Board.

Precedence of Chairman.

27. When the Chairman rises in his place during the progress of a debate, any member then speaking or offering to speak shall immediately resume his seat, and every member present shall preserve strict silence so that the Chairman shall be heard without interruption, but the member who was speaking may resume when the Chairman takes his seat.

Notice of Motion: Absence of Mover.

28. In the absence of a member who had placed a notice of motion on the business paper for any meeting, any other member may at such meeting move the same, or such motion may be deferred until the next ordinary meeting of the Board.

PUBLIC NOTICE.

IN connection with the lodgment of claims arising out of the Treaties of Peace with Germany, Austria, Hungary, and Bulgaria, it is hereby notified, for general information, that claims in respect of the matters referred to hereunder will be received by me and considered, provided they are lodged on or before Thursday, the 31st day of May, 1923.

2. The matters in respect of which claims may be lodged are:—

- (a) Compensation from the ex-Enemy Governments mentioned in respect of damage or injury inflicted upon property, rights or interests, including any company or association in which the claimants are interested in the territory of the former German, Austrian, Hungarian or Bulgarian Powers by the application of exceptional war measures or measures of transfer affecting ownership;
- (b) Restoration or compensation in respect of rights which have been affected by measures of execution taken in the territory of the former German, Austrian, Hungarian, or Bulgarian Powers to the prejudice of the claimant;
- (c) Cases in which a competent court has given or gives a decision relating to property, rights, and interests; contracts, prescriptions, judgments; and industrial property and such decision is inconsistent with the provisions of the relative Treaty;
- (d) Proceeds of liquidation by the German, Austrian, Hungarian, or Bulgarian Government during the war, of property, rights, and interests in Germany, Austria, Hungary, or Bulgaria respectively;

(e) Cash Assets held in—

- (i) Germany on 10th January, 1920;
- (ii) Austria on 16th July, 1920;
- (iii) Hungary on 26th July, 1921;
- (iv) Bulgaria on 9th August, 1920;

(f) Debts owing as at the respective dates mentioned in Clause (e) by German, Austrian, Hungarian, and Bulgarian nationals respectively;

(g) Acts committed by the German or Austro-Hungarian Governments since the 31st July, 1914, and 28th July, 1914, respectively, and before the 4th August, 1914; and by the Bulgarian Government since the 11th October, 1915, and before the 15th October, 1915.

3. It is also pointed out that the period for the receipt of claims, which must be settled through the Clearing Office, has expired and, therefore, no new claims whatever may be accepted if they concern matters which must be so dealt with. Any claimant whose claim has been rejected in the past, or who has not yet received satisfaction in respect of a claim already lodged, is, however, at liberty to bring the matter under the notice of the Controller of the Clearing Office (Enemy Debts), whereupon it will receive consideration with a view to ascertaining what steps may be taken to have the matter re-opened, or to expedite settlement as far as lies in the power of the Controller.

4. Should there be any other matters in respect of which members of the public may consider they are entitled to lodge claims against the Governments of any of the ex-Enemy Powers or their Nationals, full details should be communicated to the Public Trustee or to the Collector of Customs at any of the capital cities excepting Melbourne, if possible immediately, and in any case on or before Thursday, the 31st May, 1923.

5. *It cannot be too strongly emphasised that there will be no alternative to excluding from any payments which it may be decided to make in the future, in respect of the matters herein referred to, those claimants who have not lodged their claims on or before Thursday, the 31st May, 1923.*
