In the event of there being more than one applicant for such appointment, the election thereto shall be conducted by ballot, so as to obtain an absolute majority of the members present.

(b) The election of all other officers shall be conducted by a show of hands, unless a ballot be demanded, in which case the procedure in the foregoing By-law shall be followed.

7. The salary or allowance attached to the office under consideration of the Board shall be fixed in all cases preceding the election, and the salary of any officer when fixed shall not at any time be considered with a view to its increase or reduction, unless specially authorised by a meeting of the Board, at which a majority of the members are present.

Meetings and Proceedings.

9. Notice shall be given in writing by the Chairman or Secretary of ordinary or regular meetings, and also of every meeting adjourned for a term exceeding six days.

10. Meetings of the Board shall be of two kinds—“Ordinary” and “Special.” Ordinary meetings are the regular meetings held in pursuance of these By-laws for the transaction of the general business of the Board, including meetings adjourned for the purpose of any incomplete business, but an adjourned meeting would not exclude any business which was considered necessary to transact. Special meetings are those called under Section 130 of the Act, and shall include those called by the Chairman in response to a requisition signed by three members on his own behalf, and the notices for such special meetings shall have such special business notified thereon, for which the meeting was called, and for which each member shall receive seven days’ notice. No business shall be transacted at a special meeting other than that for which the special meeting was called, provided that any matter of emergency can be discussed, with the ruling of the Chairman and the consent of those present. The ratepayers’ meeting shall consist of one called under Section 143 of the Road Districts Act, and the Standing Orders shall, so far as the Act allows, apply to the proceedings, but the provisions of the Act shall be first dealt with. The Chairman, if present, shall preside at all meetings of ratepayers and of the Board, and in his absence, or after being present he shall retire, one of the ratepayers chosen by the ratepayers or members of the Board, as the case may be, shall preside.

11. Ordinary meetings shall be held at the office of the Board, Wagin, on the second Friday in the month, unless otherwise arranged by resolution carried to that effect at the preceding ordinary meeting of the Board, at which each member has received due notice of the proposed alteration.

12. A special meeting may, on the requisition of three members of the Board, be called at any time in the manner prescribed by the Act, but the Chairman may call a special meeting of the Board as often as he may think proper. No business will be transacted at any ordinary or special meeting unless at least five members of the Board, inclusive of the Chairman, or the member of the Board chosen to preside in his absence, shall be present.

13. A majority of members present may require the Board room to be cleared of strangers, and the Chairman, or other presiding Chairman, shall immediately give directions to have the order executed.

14. At all meetings of the Board when there is not a quorum present, or when the Board is counted out (which counting out shall take place whenever there shall be less than a quorum present), or within 30 minutes after time for which meeting is called; such circumstances, together with the names of the members then present, shall be recorded in the minute book.

15. The first business of all meetings of the Board shall be the reading of the minutes of the preceding meeting aloud with a view to their confirmation.

Voting.

16. Each member (including the Chairman) shall have one vote, and such Chairman shall, in case of equality of votes, have a casting vote in addition to his ordinary vote, and all questions at such meetings shall be decided by a majority of the votes of the members present. All motions and amendments shall be decided by a show of hands, unless a division is demanded, before the next business is proceeded with.

Minutes of Meeting.

17. The minute-book prescribed by the Act shall be kept in which any item of business transacted by the Board at a meeting shall be then and there entered by the Secretary. Minutes of special or ordinary meetings shall be confirmed at the next ordinary meeting. No discussion shall take place upon the minutes of proceedings, except as to their accuracy or for the rectification of a clerical error.

Standing Orders.

18. The order of business at all ordinary meetings of the Board shall be as follows, that is to say:—

- (c) Questions of which due notice has been given by members or officers of the Board.
- (d) The Chairman shall have the right of directing attention at any meeting to any matter or subject within the jurisdiction or official cognisance of the Board by a minute signed by himself, and such minute shall, when introduced, take precedence of all business before or to come before the Board, and the adoption thereof may be put by him from the Chair as a motion without being seconded, but he shall confine himself to the questions contained therein.
- (e) Reports of sub-committees.
- (f) Presentation of petitions or memorials, and consideration thereby.
- (g) Reading of correspondence (received and despatched) and taking action as may be deemed expedient in regard thereto.
- (h) Consideration of tenders and ratification of contracts.
- (i) Passing of accounts for payment.
- (j) Motions of which previous notice has been given.
- (k) Motions without notice (by leave of the Board under By-law 19).
- (l) General business.
- (m) Notice of motions.

19. In the event of any member having urgent business to place before the meeting he may move the suspension of the Standing Orders, and, if agreed to by the Board, such business shall take precedence to all others.

20. Any member wishing to rescind any motion shall act in direct compliance with Section 135 of the Road Districts Act, by giving seven days' notice to each member or submitting to the Secretary of the Board notice of his intention in time to enable him to give the necessary notice prescribed by the Act to each member.

Petitions.

21. Every petition or memorial shall be respectful and temperate in its language, and shall be presented to the Board by a member only, and any member presenting a petition or memorial to the Board shall affix his name to the beginning thereof, with the number of signatures; and any member presenting a petition or memorial shall acquaint himself with the contents thereof and ascertain that it does not contain language disrespectful to the Board. The nature or prayer of every petition or memorial shall be stated to the Board by the member presenting the same.

Tenders.

22. Tenders for work shall be opened and dealt with when the subject matter of the tenders comes on to be considered at the meeting of the Board, or by a committee appointed for the purpose.

ORDERS OF DEBATE.

Speakers must not digress.

23. A member having audience shall not digress from the subject of debate.

Unopposed Notices of Motion.

24.
