CEMETERIES ACT, 1897.

Amended By-laws—Broome Cemetery.

Department of Lands and Surveys,
Perth, 10th January, 1924.

THE Roads Board of Broome, as the Trustees of the Broome Public Cemetery, do hereby, under the provisions of "The Cemeteries Act, 1897," and amending Acts, make and publish the following By-laws for the management of the Broome Public Cemetery.

Broome Public Cemetery (Reserve 1647).

1. All fees and charges payable to the Trustees, as set forth in Schedule A, shall be paid at the times and manner therein mentioned, unless otherwise ordered.

2. Any person desiring to inter any dead body in the cemetery shall make an application in the form contained in Schedule B. Upon such application being approved by the Trustees, and upon payment of the prescribed fees, they shall cause to be issued to the person so applying an "Order for Burial," in the form contained in Schedule C.

3. All applications for interment shall be made at the office of the Trustees, in such time as to allow at least five working hours' notice being given to the Superintendent at the Cemetery prior to the time fixed for burial. An extra charge shall be made for applications within such time. No free interment shall be allowed unless the application, together with the magistrate's order therefor, be handed in at the office in such time as to allow of at least six working hours' notice being given as above.

4. The Trustees shall cause all graves to be dug, and vaults, brick graves, or graves to be re-opened as and when required.

5. Every coffin shall have upon the lid an approved metal plate bearing the name of the deceased stamped or otherwise indelibly inscribed in legible characters thereon. All coffins shall be made perfectly water-tight. Any coffin not complying with this By-law shall not be admitted to or be interred in the Cemetery.

6. Every grave shall be at least six feet deep, and no interment shall be allowed in any grave with a less depth than four feet six inches from the top of the coffin to the original surface of the surrounding ground.

7. In the case of an application for interment in any private grave or vault to which the deceased had no claim during life, the written and verified consent of the grantee shall be handed in with the application.

8. No burial shall be allowed to take place in the Cemetery, nor shall any coffin be allowed to enter the Cemetery, unless a certificate from the District Registrar of Deaths that the death has been registered, or a coroner's order for burial is handed to the Superintendent, at the latest, upon the funeral entering the Cemetery. Should the undertaker or his representatives be unable to produce the said certificate from the Registrar, he shall have a written guarantee to produce same within three days, and satisfactory reasons must be given for the non-production of such certificate in the first instance. In default of the production of the said certificate within three days, the undertaker's license may be suspended until such certificate is produced. The certificate will be retained, but the coroner's order shall be returned to the person delivering same.

9. The hours for burials shall be from 6 a.m. to 6 p.m., Sundays included; and no burial shall be allowed to take place at any other hour, except by written permission of the Trustees.

10. Every funeral shall enter by the principal entrance, and no vehicle, except the hearse and mourning coaches, shall be permitted to enter the Cemetery, or stand opposite the entrance gates. Horses shall not be allowed to proceed faster than at a walking pace within the Cemetery, and shall proceed at and by such roads as directed by the Superintendent or other officer of the Trustees from time to time. Any driver or other person failing or neglecting to observe such directions may be forthwith expelled from the Cemetery. No bicycle shall be ridden within the Cemetery.

11. No dogs shall be admitted into the Cemetery, and any found there shall be liable to be destroyed.

12. Any person violating the rules of propriety and decorum, or committing any nuisance or trespass, or injuring any tree, shrub, flower, border, grave, or any

erection, or in any way infringing these By-laws, shall be expelled from the Cemetery.

13. No person shall remove any plant, tree, shrub, flower (other than withered flowers, which are to be placed in the receptacles provided by the Trustees for same), or any article from any grave without first obtaining a permit from the Trustees or their representatives.

14. No person shall pluck any tree, plant, shrub, or flower growing in any portion of the Cemetery.

15. No person shall remove, or cause and induce and person to carry out of or attempt to carry out of the Cemetery any tree, plant, shrub, or flower without the written authority of the Trustees or their representatives.

16. No person shall promote or advertise, or carry on within the Cemetery any trade, business, or calling, either by solicitation, distribution of circulars, by cards or otherwise, or by any other system of advertisement whatsoever, without the written consent of the Trustees, and any person infringing this By-law shall be expelled from the Cemetery.

17. Subject to the By-laws, and to the directions of the Trustees, the Superintendent shall exercise a general supervision and control over all matters pertaining to the Cemetery, including the conduct of all funerals and interments within the Cemetery.

18. Any person requiring an "Exclusive Right of Burial" in any part of the Cemetery shall apply to the Trustees, in writing, specifying the location of the grave, and whether it is proposed to erect a brick grave or vault, and in such case submitting plan and specifications of the proposed work. Such application shall also state the names of any already deceased person whose remains it is proposed to inter therein.

19. Upon being satisfied on the matters aforesaid, and of the suitability of the said work, plans, and specifications, the Trustees may authorise the construction and erection thereof, or if no work is to be done may issue a "Grant" in the form "E" in the Schedule.

20. Upon the completion of the work aforesaid, the Trustees may, if and when such work is done to their complete satisfaction, issue a "Grant" in the form "E" in the Schedule.

21. Every such grant shall be subject to the By-laws for the time being, and no interment in any such grave or vault shall be allowed unless upon production of the "Order for Burial" aforesaid, nor shall any such grave or vault be opened unless with the written consent of the Trustees.

22. Every coffin placed in any such bricked grave or vault shall be bricked in, cemented, and any space surrounding such coffin to be filled in with charcoal, dry earth, or other suitable material, and covered with a slab of stone, slate, or iron, unless special written exemption be obtained from the Trustees.

23. In the event of such exemption being obtained from the Trustees, each coffin placed in any brick grave or vault shall be properly lead-lined and hermetically sealed.

24. If application be made for an "Order for Burial" in any grave or vault of the remains of any person other than the person to whom the grant was issued, or his registered assign, the written and verified consent of such grantee or assignee shall be produced, together with the "Grant of Right of Burial."

25. Should the grantee be unable to produce the "Grant of Right of Burial" on making application for a grave to be re-opened, for the purpose of interment, through having lost same, the said grantee shall make a sworn declaration to this effect, and shall pay the fee for a copy of such "Grant of Right of Burial," as prescribed in the Schedule "A," before an "Order for Burial" will be issued by the Trustees.

26. Any person desiring to place or erect, or to alter or add to any monument, tombstone, or enclosure in any part of the Cemetery must first obtain the written consent and approval of the Trustees and otherwise comply with Section 23 of the principal Act (61 Vict., No. 23).

27. Every tombstone, monument, or enclosure shall be placed on proper and substantial foundations, which, if required by the Trustees or their officers, shall extend to the bottom of the grave.

28. The materials used in every such erection shall be subject to the approval of the Superintendent or other officer appointed by the Trustees, and any material rejected shall be immediately removed from the

Cemetery by the contractor for the erection. All refuse and other rubbish remaining after any work is completed shall be immediately removed from the Cemetery by the person causing same.

29. Should any work by masons or others be not completed before Sunday, they shall be required to leave the work in a neat and safe condition, to the satisfaction of the Superintendent.

30. Monumental masons and other tradesmen shall, before commencing any work within the Cemetery, deposit with the Secretary to the Trustees the sum of 10s., which shall be forfeited if the provisions of either of the two preceding By-laws be not complied with to the satisfaction of the Superintendent.

31. All material required in the erection and completion of any work shall, as far as possible, be prepared before being taken to the Cemetery; and all materials required by tradesmen shall be admitted at such entrance as the Superintendent shall direct, and no vehicle conveying any such material with wheels less than 4in. broad shall be permitted to enter the Cemetery.

32. Subject to the approval of the Trustees, each applicant for an "Order for Burial" shall, within three months from date of the application, enclose the grave mentioned in such application with a kerbing of tiles, slate, or stone, and shall cause to be placed thereon a number-plate bearing the number of the grave or vault. Every grave, vault, monument, tombstone, kerbing, or any other erection shall be maintained and kept in thorough repair and proper condition by, and at the expense of the grantee. Should the grantee's residence not be known, or be out of the State, the Trustees to have power to do the work and keep an account against the grantee. No mounds shall be allowed.

33. No wooden fence, railing, cross, or other wooden erection shall be allowed on or around any grave or vault.

34. No trees or shrubs shall be planted on any grave except such as shall be approved by the Superintendent.

35. All workmen, whether employed by the Trustees or by any other person, shall at all times, whilst within the boundaries of the Cemetery, be subject to the supervision of the Superintendent, and shall obey such directions as that officer may find it necessary to give; and any workman permitting any breach of these Regulations and By-laws, or refusing or neglecting to comply with any directions of the said Superintendent, shall be removable from the Cemetery.

36. Licenses for grave dressing or decorating may be issued by the Trustees, in the form contained in Schedule "G"; such licenses to be renewed annually in the month of July.

37. Any person taking part in dressing or attending to any grave shall comply with the following rules:—

- (a) No rubbish, soil, sand, or other material removed in dressing a grave shall be placed on any other grave, and if placed on any adjoining ground shall be removed immediately the work is completed.
- (b) No sand, soil, or loam shall be taken from any portion of the Cemetery for the purpose of dressing any grave, except with the permission of the Superintendent.
- (c) The dressing of all graves, and the wheeling and carting of any material, shall be subject to the supervision of the Superintendent.
- (d) Work in all cases to be carried on with due despatch and only during regulation hours.

38. Prior to conducting any interment within the Cemetery or making use of the Cemetery for any purpose connected with interments, every undertaker shall pay to the Trustees an annual fee of £2 2s., and shall at the time of making such payment give his assent in writing to such conditions as the Trustees may deem fit to impose. Upon such assent being given, and payment of the fee made, he shall receive a "Permit," to hold good during good behaviour and until the first day of July following, and unless in the possession of such a "Permit" no undertaker shall be allowed to engage in or carry out any duty or work within the Cemetery.

39. The Trustees may decorate graves from time to time, when desired by the grantees so to do. If the grantees do not desire the Trustees to carry out this work, the grantees may either do it themselves or employ any person licensed by the Trustees for that purpose.

40. No person, except the relatives of the deceased, the Trustees, or those licensed by the Trustees, shall be permitted to decorate any grave.

41. Any person committing any breach of any of these By-laws and Regulations, or of any other Rules, Regulations, or By-laws, lawfully made under the authority of any Act, relating to Cemeteries shall for every such offence be liable to a penalty not exceeding £20, and in case of a continuing breach a further sum not exceeding £1 for every day during which such breach continues, and shall be forthwith removable from the Cemetery by the Trustees, and shall be treated as a trespasser, and may be proceeded against accordingly.

42. A plan of the Cemetery showing the distribution of the land, compartments, sections, situation, and number of grave, and a register of all certificates of "Rights of Burial," shall be kept at the office.

43. The area of ground allotted for each grave shall not exceed nine feet by five feet. No more than one interment shall be allowed in each allotted area.

THE LICENSING ACT 1911 (CONSOLIDATED)
(SECTION 47).

Petition for the Granting of a New License.

To His Excellency the Governor.

May it please Your Excellency,—

THE humble petition of the undersigned sheweth as follows:—

1. Your Petitioners are Electors living within an area comprised within a circle having a radius of 40 chains from the site of Nedlands Park House formerly known and licensed as The Nedlands Park Hotel situate on corner Broadway and Esplanade at Nedlands in the State of Western Australia.

2. That at the Licensing Court for the Subiaco-Leederville Licensing District of the said State held in December 1921 the said premises then known and licensed as The Nedlands Park Hotel were delicensed under the Local Option provisions of The Licensing Act 1911 as and from the 31st day of December 1921.

3. That since the said 31st day of December 1921 there has been a considerable increase of population in the said area described in paragraph 1 hereof and such increase is permanent and there is every prospect of the population further permanently increasing. Extensive building operations have been continuously carried on throughout the said area and new residences have been and are being erected in large numbers and are occupied so soon as completed. There are never any vacant houses and it is impossible to satisfy the demand for residences within the said area. To cope with the influx of population the Government Tramways have been compelled to re-organise the service so as to substantially increase the tramway facilities and several extra trams have had to be permanently put on.

New business premises also have been and are at present being erected and there has just been completed within the said area a large Hall and Picture Palace having a seating accommodation for about 800 people which has been erected at a cost of £4000 or thereabouts.

Your Petitioners are confident that the progress of the District is assured and that there is every prospect of it becoming one of the most populous districts within the suburbs of Perth.

4. That there are no licensed premises within the said area described in paragraph 1 hereof.

Your Petitioners therefore humbly pray that Your Excellency will be graciously pleased to authorise The Licensing Court to grant a new Publican's General License in respect of the said The Nedlands Park Hotel in pursuance of the provisions of Section 47 of The Licensing Act 1911.

And your Petitioners will ever pray etc.
