7. (1.) If any inspector shall discover in any railway carriage, truck, or wagon, or on any railway premises, or in any market, or in any other place whatsoever, any crate or other receptacle containing diseased birds, or which has been or is reasonably supposed by the inspector to have been recently used for the carriage of diseased birds or is infested with stickfast fleas, the inspector may cause such crate or receptacle to be disinfected in such manner as he shall deem fit, and shall have authority to do or cause to be done all such things as he may deem necessary for that purpose.

(2.) The expenses incurred by any inspector in carrying this Regulation into effect shall be recoverable by the Crown from the owner of the crate or receptacle by action in any court of competent jurisdiction.
