Perth, 16th March, 1925.

THE following amendments to the Supreme Court Rules are published for general information.

H. G. HAMPTON,
Under Secretary for Law.

The Honourable SIR ROBERT FURSE McMILLAN, Knight, Chief Justice of Western Australia, and the Honourable ROBERT BRUCE BURNSIDE, the Honourable JOHN ALFRED NORTHMORE, and the Honourable THOMAS PERCY DRAPER, Puisne Judges of the Supreme Court of Western Australia, do hereby, in pursuance of the powers contained in "The Supreme Court Act, 1880," and of every other power them in this behalf enabling, make the following Rules, which shall be added to and form part of the Rules of the Supreme Court, 1909:—

ORDER XI.

The following paragraph is hereby inserted in Rule 1 of Order XI. after paragraph (g):—

- (h) The action is for the recovery of taxes (with or without interest or fines for default in payment thereof) which have been imposed or become due on or in respect of income that has accrued or is derived from some source within the jurisdiction, or on or in respect of property situate within the jurisdiction.

The following new Rules are hereby inserted in Order XI. after Rule 7:—

8. Where leave is given in a cause or matter to serve any writ or summons, originating summons, notice, or other document in France or in any other foreign country with which a Convention in that behalf has been or shall be made, the following procedure shall, subject to any special provisions contained in the Convention, be adopted:—

- (1) The party bespeaking such service shall file in the Central Office a Request in the Form No. 8 in Part 1 of Appendix A, which form may be varied as may be necessary to meet the circumstances of the particular case in which it is used. Such Request shall state the medium through which it is desired the service shall be effected, *i.e.*, whether (a) directly through the British Consul or (b) through the foreign judicial authority, and shall be accompanied by the original document and a translation thereof in the language of the country in which service is to be effected certified by or on behalf of the person making the Request, and a copy of each for every person to be served and any further copies which the Convention may require, unless the service is required to be made on a British subject directly through the British Consul, in which case the translation and copies thereof need not accompany the Request unless the Convention expressly requires that they should do so.

- (2) The documents to be served shall be sealed with the seal of the Supreme Court for use out of the jurisdiction, and shall be forwarded by the Master of the Supreme Court to the Governor for transmission to the foreign country.
- (3) An official certificate, transmitted through the diplomatic channel by the foreign judicial authority, or by a British Consular authority, to the Supreme Court, establishing the fact and the date of the service of the document, shall be deemed to be sufficient proof of such service, and shall be filed of record as, and be equivalent to, an affidavit of service within the requirements of these Rules in that behalf.
- (4) In cases where a Writ of Summons or notice thereof is served pursuant to this Rule, and an official certificate of service is produced, no endorsement of service under Order 9, Rule 8, shall be required.

9. Rule 8 shall not apply to or render invalid or insufficient any mode of service in any foreign country with which a Convention has been or shall be made which is otherwise valid or sufficient according to the procedure of the Supreme Court and which is not expressly excluded by the Convention made with such foreign country.

10. Where in any civil or commercial cause or matter pending before a Court or Tribunal in France, or in any foreign country with which a Convention in that behalf has been or shall be made, a Request for service of any document on a person in Western Australia is received by the Master of the Supreme Court from the Consular or other authority of such country, the following procedure shall, subject to any special provisions contained in the Convention, be adopted:—

- (1) The service shall be effected by the delivery of the original or a copy of the document, as indicated in the Request, and the copy of the translation, to the party or person to be served in person by the person whom a Judge of the Supreme Court may from time to time appoint for the purpose or by the authorised agent of such person.
- (2) No Court fees shall be charged in respect of the service. The particulars of charges of the person or agent employed to effect service shall be submitted to the Taxing Master of the Supreme Court, who shall certify the amount properly payable in respect thereof.
- (3) The Master of the Supreme Court shall transmit to the Consular or other authority making the Request a Certificate establishing the fact and the date of the service in person, or indicating the reasons for which it has not been possible to effect it, and at the same time shall notify to the said Consular or other authority the amount of the charges certified under paragraph (2) hereof.

ORDER XXXV.

The following new Rules shall be inserted in Order XXXV. after Rule 5 :—

5a. Where an order is made for the issue of a Request to examine a witness or witnesses in France, or in any other foreign country with which a Convention in that behalf has been or shall be made, the following procedure shall be adopted :—

- (1) The party obtaining such order shall file in the Central Office an undertaking in the Form No. 39b in Appendix K, which form may be varied as may be necessary to meet the circumstances of the particular case in which it is used.
- (2) Such undertaking shall be accompanied by—
 - (a) A request in the Form No. 39c in Appendix K, with such variation as may be directed in the order for the issue thereof, together with a translation of such request in the language of the country in which the same is to be executed.
 - (b) A copy of the interrogatories (if any) to accompany the request, and a translation thereof.
 - (c) A copy of the cross-interrogatories (if any), and a translation thereof.

Cash on Delivery Parcels Traffic.

On and after March 1st, 1925, parcels will be accepted under the system of Cash on Delivery. Under this arrangement parcels will be accepted to be delivered, when called for, to the person to whom parcel is addressed and the value of the parcel collected from the Consignee.

2. This particular traffic will be known as Cash on Delivery Parcels Traffic, or abbreviated as the "C.O.D." parcels traffic.

3. The "C.O.D." Parcels will be accepted for carriage from and to all Western Australian Government Stations where there is a resident Accounting Staff. C.O.D. parcels will not be accepted from or to Stations on the Midland Railway Line.

4. All parcels, including perishables, except when such are conveyed under the bulk rate (i.e., all parcels coming under the "Stamp" system) may be forwarded under C.O.D. conditions.

The conditions of contract in connection with risk and liability are shown at the foot of the Parcels Receipt (Form P.L. 34c) and the Combined Consignment Note and Waybill (Form P.L. 34b).

5. The Consignor must sign Forms P.L. 34b and c, also state on the documents the date he desires parcel returned if it be unclaimed. The period for which a parcel will be held must not exceed one (1) month. The value to be collected from the Consignee must be clearly shown.

6. A separate Waybill must be used for each consignment and a separate line on a Waybill for each parcel.

7. A commission of 3d. will be charged on each 10s. or part thereof on the declared value of the parcel, minimum charge for commission—6d. The charge for commission, freight and insurance, if any, must be dealt with at the Forwarding Station under the Stamp System.

8. A receipt will be given for a C.O.D. parcel on the Receipt Form provided (P.L. 34c), as it will be necessary for the receipt to be produced when payment is made by the Department to the Consignor, except in cases of approved Firms.

9. Should goods which are deliverable on payment of cash not be claimed and removed by the Consignee within one calendar month (or such less a period as may be specified on the label affixed to the parcel) after arrival at the station of destination, they will be returned to the Forwarding Station free of freight charges. For the first 12 days after such arrival no storage charges will be made, but thereafter storage charges will be charged.

10. Should the Consignor desire that a parcel consigned under C.O.D. conditions be delivered free, the Consignor must hand written authority to that effect to the Officer-in-Charge at Forwarding Station, who will make the necessary arrangements.

11. When a Consignor desires that a C.O.D. parcel be rebooked from one Station to another, the Consignor must hand to the Officer-in-Charge at Forwarding Station a Combined Consignment Note and Waybill (P.L. 34b) covering the conveyance from first destination to altered destination.

12. The amount due to Consignor will be made available at the Forwarding Station, except at Perth, where payment will be made at the Chief Accountant's Office. The Consignor, except in cases of approved firms, must hand in the Parcels Receipt (Form P.L. 34c) when payment is made.
