By-laws.

Department of Lands and Surveys,
Perth, 2nd December, 1925.

HIS Excellency the Governor in Executive Council has been pleased to approve of the following By-laws under Section 14 of "The Cemeteries Act, 1897" (61 Vict., No. 23), for the management of the Kondinin Cemetery (Reserve 18128).

C. G. MORRIS,
Under Secretary for Lands.

By virtue of the powers vested in them the Board of Trustees make the following By-laws and Regulations:—

1. All fees and charges payable to the Trustees, as set forth in Schedule "A," are to be paid at the time when the applications are made or orders given.

2. Any person desiring ground in the Cemetery for any grave, private grave, vault, or tombstone, monument or enclosure, or for any other purpose, shall make application therefor on prescribed form. Upon such application being approved of the Trustees shall cause to be issued to such person so applying a Certificate of Right of Burial in the form specified in the Act (*see* Schedule "B").

3. All applications for interment shall be made at the office of the Trustees in time to allow of at least five (5) working hours, notice being given to the Secretary at the Cemetery prior to the time fixed for burial, otherwise an extra charge shall be made. No free interment shall be allowed unless the application and order therefor be handed in at the office in time to allow of at least six (6) working hours' notice being given as above.

4. The name, age, late place of residence, probable cause of death of deceased, and any other particulars mentioned in Schedule "D," shall be furnished at the time of giving the order.

5. The Trustees shall cause all ordinary graves to be dug, but any person requiring a brick grave or vault shall be permitted to construct the same under the supervision of the Secretary, after submitting a plan of same and obtaining a written approval of the Trustees thereto, and on payment of the necessary fees; and every coffin placed therein shall be bricked in, cemented, and covered by a slab of stone, slate, or iron, unless special exemption be obtained from the Trustees in writing.

6. Every coffin shall have upon the lid an approved metal plate, bearing the name of the deceased stamped or otherwise indelibly inscribed in legible characters thereon.

7. Every grave shall be at least 7ft. deep, and no interment shall be allowed in any grave with less depth than 3ft. from the top of coffin to the original surface of the surrounding ground after such interment.

8. No interment shall be allowed in any private grave or vault without the production of the Certificate of Right of Burial, as in Schedule "B," or other satisfactory evidence that the person desiring to bury therein is entitled to do so, except in such cases as are provided for in the following By-law.

9. In the case of an application for interment in any private grave or vault to which the deceased had no claim during life, the written consent of the owner shall be handed in with the application.

10. No burial shall be allowed to take place in the Cemetery without a certificate from the District Registrar of Deaths that the death has been registered, or a Coroner's order for burial. Such certificate or order shall at the latest be handed to the Secretary upon the funeral entering the Cemetery.

11. The hours fixed for burials shall be as follows:—
Week days, from 8 a.m. to 5 p.m.; Sundays, 2 p.m. to 5 p.m.

15. All hearses shall proceed by such roads as directed, and the drivers shall at all times observe such directions as may be issued to the Secretary by the Trustees from time to time for the regulation of the traffic.

16. No headstones, footstone, kerbing, monument or any other erection of any kind shall be permitted, nor shall any inscription be allowed until the plans and particulars of the same have been approved by the Trustees.

17. Every erection shall be placed on proper and substantial foundations, and if required by the Trustees or their officers, such foundations shall extend to the bottom of the grave.

18. The materials used in every erection shall be subject to the approval of the Secretary or other officer appointed by the Trustees, and any material rejected shall be immediately removed from the Cemetery by the contractor or person responsible for the erection.

19. All material, refuse, and other rubbish remaining after any work is completed shall be immediately removed from the Cemetery by the person responsible therefor.

20. In the event of the refuse, rubbish, or material referred to in previous By-law not being so removed, the Trustees shall have power to cause the same to be removed, and to recover the costs of such removal from the person or persons responsible therefor.

21. All materials required in the erection and completion of any stone or other work shall, as far as possible, be prepared before being taken to the Cemetery, and all materials required by tradesmen shall be admitted at such entrance to the Cemetery and conveyed along such roads or tracks as the Secretary shall direct, and no vehicle conveying any such material with wheels less than 4in. broad shall be permitted to enter the Cemetery.

22. The Trustees will not (unless in very exceptional cases) permit the removal of any corpse from any grave for re-interment in this or any other Cemetery.

23. Before any such exceptional case, as referred to in the last By-law, be dealt with by the Trustees, a written application, setting forth the reason for the proposed removal, and verified by a statutory declaration, shall be produced by the nearest available representative of the deceased, and in the event of such application being granted, the permission of the Chief Secretary, in addition to the permission of the Trustees, shall be obtained. If in the opinion of the Trustees it is necessary, the coffin shall be enclosed in a second and air-tight coffin prior to removal.

24. No wooden fences, railings, crosses, etc., shall be allowed.

25. The shape and height of all graves, etc., shall be subject to the approval and supervision of the Secretary.

26. No trees or shrubs shall be planted in any enclosure, except such as are approved by the Secretary.

27. All workmen, whether employed by the Trustees or by any other person, shall at all times, whilst within the boundaries of the Cemetery, be subject to the super-

vision of the Secretary, and shall obey such directions as that officer may find necessary to give, and any workman committing any breach of these Regulations and By-laws, or refusing or neglecting to comply with any directions of the said Secretary, shall be removed from the Cemetery.

28. Any person taking part in dressing or attending to any grave shall comply with the following rules:—

- (c) The dressing of all graves, and the wheeling and carting of any material shall be subject to the supervision of the Secretary.
- (d) Work in all classes to be carried on with due despatch, and only during regulation hours.

30. No dogs shall be admitted into the Cemetery and any found there shall be liable to be destroyed.

31. Any person violating the rules of propriety and decorum, or committing any nuisance or trespass, or injuring any trees, shrub, flower, border, or any erection, or in any way infringing "The Cemeteries Act, 1897," or any rule, regulation, or by-law made for protecting the Cemetery, shall be prosecuted as the law directs.

32. No person shall promote or advertise, or carry on within the Cemetery or its approaches, any trade, business, or calling, either by solicitation, distribution of circulars or cards, or otherwise, or by any other system of advertisement whatsoever.

33. No person employed by or under the Trustees shall be permitted to accept any gratuity whatever whilst in discharge of his duty, nor shall he be pecuniarily interested in any work in the Cemetery other than that for which he receives payment from the Trustees, and any person so employed accepting any gratuity, or being pecuniarily interested in any such work shall be liable to summary dismissal.
