C. G. MORRIS,

Under Secretary for Lands.

LAND OPEN FOR SELECTION.

IT is hereby notified, for general information, that the areas scheduled hereunder are available for selection under and subject to "The Land Act, 1898," and its amendments, including such further amendments as may be made by Parliament during the current year.

All approvals shall be subject to the residence conditions as prescribed by Section 55 of the said Act.

The areas marked "A" shall be open for selection by the special classes of selectors hereinafter named in the following order of preference:—

- (1) Under "The Discharged Soldiers' Settlement Act, 1918," by "Discharged Soldiers" within the meaning of paragraphs (a), (b), and (c) of the interpretation of the term in Section 3 of that Act, and "Dependants" within the meaning of that term in the said section.
- (2) Under "The Land Act, 1898," by ex-British Soldiers who were on active service in the late war.
- (3) Under "The Land Act, 1898," by Munition Workers in the late war.
- (4) Under "The Land Act, 1898," by ordinary selectors.

(In the event of an applicant other than a Discharged Soldier under subparagraph (1) obtaining a block within a Repurchased Estate, the term of the lease and conditions of payment will be subject to re-adjustment in accordance with the provisions of "The Agricultural Lands Purchase Act, 1909.")

The areas marked "B" are not subject to such order of preference.

Applications must be lodged at the Local Land Office for the district in which the land is situated, not later than the date specified, but may be lodged before such date if so desired.

All applications lodged on or before such date will be treated as having been received on the closing day, and if there are more applicants than one for any block, the application to be granted will be determined by the Land Board, except in cases where it is already determined by the order of preference set out above under "A." Should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, the applicants for the blocks will be duly notified of the date, time, and place of the meeting of the Board, and there shall be an interval of at least three days between the closing date and the sitting of the Board.

If an applicant wishes to appear before the Land Board in person he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof, if any, under Conditional Purchase.

The prices quoted hereunder (exclusive of the value of improvements, if any, and survey fees, and land acquired by the Crown under "The Agricultural Lands Purchase Act, 1909," or otherwise for settlement) are reduced by one-half to Discharged A.I.F. Soldiers only.

THE FORESTS ACT, 1918.

Forest Regulations, 1925.

F.D. 1597/25.
Forests Department,
Perth, 21st March, 1928.

HIS Excellency the Governor in Executive Council has been pleased, under the provisions of "The Forests Act, 1918," and on the recommendation of the Conservator of Forests, to approve of amendment to the Forest Regulations, 1925, as follows:—

Regulation 18 is amended by the addition of the words "and shall, before timber is removed from the stump, distinctly brand one end of each section into which such log shall be sawn, hewn, or split, with his registered brand."

S. L. KESSELL,
Conservator of Forests.

IN THE COURT OF ARBITRATION, WESTERN
AUSTRALIA.

Nos. 44 and 45 of 1928.

In the matter of Elder Smith and Company, Limited (hereinafter referred to as "the Employers"), and in the matter of an application by the employers for an interpretation of Award dated 31st day of July, 1925, and numbered 10 of 1923, under Section 88 of "The Industrial Arbitration Act, 1912-1925."

UPON hearing Mr. L. L. Carter for the employers and Mr. H. V. Symons for the Coastal District Committee Amalgamated Engineering Union Association of Workers, Mr. T. H. Baird for the Australasian Society of Engineers' Industrial Union of Workers Coastal District, W.A., and Mr. E. A. Jackson for the Federated Society of Boilermakers and Structural Iron and Steel Workers' Union of Workers, Coastal District, W.A., the Court doth hereby order and declare the true interpretation of Clause 8 of Award dated 31st day of July, No. 10 of 1923, to be as follows:—

Where fitters and other journeymen are engaged on structural iron and steel work they shall be paid at the rate set out in Award dated the 3rd day of June, 1924, No. 40 of 1922 as amended, namely, the usual tradesmen's rate less 5 per centum. In all other respects the Award No. 10 of 1923 covers the avocations provided for therein.

E.g. If a journeyman under Award No. 10 of 1923 is engaged working on structural iron and steel works, he will be paid at the rate of £5 9s. per week, less 5 per cent.; but this rate is confined, as Section 8 clearly indicates, to tradesmen only, or, as it is put in the Award—"Fitters and other journeymen receiving the same rate of pay as fitters." If, for instance, a driller is employed whose wages are fixed by the Engineers' Award No. 10 of 1923 as amended, at £4 17s. per week, then such worker will receive £4 17s. per week, and not the higher rate.

Dated this 12th day of March, 1928.

By the Court,

(Seal.)

WALTER DWYER,
President.
