LAND OPEN FOR SELECTION.

IT is hereby notified, for general information, that the areas scheduled hereunder are available for selection under and subject to "The Land Act, 1898," and its amendments, including such further amendments as may be made by Parliament during the current year.

All approvals shall be subject to the residence conditions as prescribed by Section 55 of the said Act.

The areas marked "A" shall be open for selection by the special classes of selectors hereinafter named in the following order of preference:—

- (1) Under "The Discharged Soldiers' Settlement Act, 1918," by "Discharged Soldiers" within the meaning of paragraphs (a), (b), and (c) of the interpretation of the term in Section 3 of that Act, and "Dependants" within the meaning of that term in the said section.
- (2) Under "The Land Act, 1898," by ex-British Soldiers who were on active service in the late war.
- (3) Under "The Land Act, 1898," by Munition Workers in the late war.
- (4) Under "The Land Act, 1898," by ordinary selectors.

(In the event of an applicant other than a Discharged Soldier under subparagraph (1) obtaining a block within a Repurchased Estate, the term of the lease and conditions of payment will be subject to re-adjustment in accordance with the provisions of "The Agricultural Lands Purchase Act, 1909.")

The areas marked "B" are not subject to such order of preference.

Applications must be lodged at the Local Land Office for the district in which the land is situated, not later than the date specified, but may be lodged before such date if so desired.

All applications lodged on or before such date will be treated as having been received on the closing day, and if there are more applicants than one for any block, the application to be granted will be determined by the Land Board, except in cases where it is already determined by the order of preference set out above under "A." Should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, the applicants for the blocks will be duly notified of the date, time, and place of the meeting of the Board, and there shall be an interval of at least three days between the closing date and the sitting of the Board.

If an applicant wishes to appear before the Land Board in person he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof, if any, under Conditional Purchase.

The prices quoted hereunder (exclusive of the value of improvements, if any, and survey fees, and land acquired by the Crown under "The Agricultural Lands Purchase Act, 1909," or otherwise for settlement) are reduced by one-half to Discharged A.I.F. Soldiers only.

In respect of an employee in receipt of a weekly wage under section B of clause 4, more than one rehearsal may be held on any one day, where there is no performance on that day, but the rehearsals (with performances, if any) in respect of which the weekly wage is paid are seven or thirteen, as the case may be, in any week and no more. Provided, that if the employees desire an adjournment for luncheon before the rehearsal is finished, or if the actors refuse to go on before the rehearsal is finished without an adjournment for luncheon, then the luncheon period (not exceeding one hour) is not to be included when calculating the period from which overtime is to be paid.

7.—Duration of Performance and Rehearsals.

Except where otherwise provided, the duration of the performance for which the rates are prescribed by this Agreement for weekly, intermittent weekly, or casual employees are as follows:—

- (a) In picture shows, two and three-quarter hours;
- (b) In general theatrical performances other than pantomime, three hours, and in pantomime until the end of the performance; if the performance is longer in duration than such hours, all time in excess shall be paid for at overtime rates;
- (c) Rehearsals shall not exceed three consecutive hours in duration, between 10 a.m. and 3 p.m., or where the orchestra is rehearsing with the actors, between 10 a.m. and 4 p.m.; provided that if the employees desire an adjournment for luncheon before the rehearsal is finished, or if the actors refuse to go on before the rehearsal is finished without an adjournment for luncheon, the luncheon period (not exceeding one hour) is not to be included when calculating the period from which overtime is to be paid. Luncheon adjournment shall be between 12 noon and 2 p.m. Overtime shall be paid if the rehearsal continues beyond 3 p.m., or where the rehearsal is with the actors beyond 4 p.m.
- (d) Where a performance exceeds two and one-quarter hours an interval of ten minutes shall be allowed and such interval shall be included in the time worked.
- (e) Where a casual employee is employed for a performance exceeding four hours, such employee shall, unless meals are provided, be paid not less than 3s. 6d. for refreshment expenses in addition to the rates herein set out.
- (f) Whenever it happens that an employer or his representative requires an orchestra, or any member or members thereof, to play over any part or parts of a production immediately after a matinee performance of same has been completed, for the purpose of rectifying or re-arranging any part of the score or performance of the play, the musicians so employed shall be paid overtime rates as prescribed in Clause 8 (a) of this Agreement; provided, that the orchestra or such member or members thereof shall not be kept more than one hour for such purpose.

All overtime worked shall be computed weekly in the aggregate and shall be paid for at the rate above described; provided that no overtime shall be payable on the first night of general theatrical productions which are produced for at least six nights at the theatre, to which the proviso is applied; the alteration in items of a production shall not constitute a new production.

9.—Provisions as to Overtime, etc., apply to all Employees.

The provisions of this Agreement as to duration of performance or rehearsal, time of performance or rehearsal, and overtime, apply to all employees, whether casual or otherwise.

10.—Lower Rates may be agreed.

When the Union executive agrees with any respondent that for special reasons lower rates should be accepted by the employee, rates may be fixed at such rates as may be agreed upon between the parties.

11.—The Contract of Employment.

(a) Where an employee is not expressly engaged as a casual employee shall be deemed to be engaged as a

weekly employee or an intermittent weekly employee (as the case may be). A casual employee may at any time enter into an agreement with his employer to become a weekly employee, but such agreement shall not affect any casual rates payable by the employer to the employee before such agreement is entered into: Provided, that if a casual employee is employed as a weekly employee within three days of his employment as a casual employee his employment as a weekly employee shall in such case date from the beginning of his employment.

(b) An employee to become entitled to the payment of the wage prescribed for a weekly employee or for an intermittent weekly employee is to perform such of the prescribed work as the management shall from time to time require, on the days and during the hours usually worked by the class of employees affected.

(c) Any employee not attending for duty will lose his pay (at the employer's option) for the actual time of such non-attendance.

(d) The weekly wage prescribed by this Agreement shall be paid to each weekly employee and intermittent employee who is ready and willing to perform his stipulated work during any week, whether he is required to perform such work or not, and this provision is to apply to all engagements whether for open-air performance or otherwise.

(e) The employment of a weekly employee or of an intermittent weekly employee is to be terminated only by a week's notice on either side, but such notice may be given at any time during the week. This shall not affect the right of the employer to dismiss any employee without notice for malingering, inefficiency, neglect of duty or misconduct, and in such cases wages are to be paid up to the time of dismissal.

(f) Where an employee is engaged as a weekly employee for any fixed number of performances per week, such engagements shall not be altered to a weekly engagement for which a less sum is prescribed by this Agreement, except on a week's notice to the employee.

(g) The employer may deduct payment for any day the employee cannot be usefully employed because of any strike by the claimant organisation or of any other union, or through any breakdown of machinery, or any stoppage of work by any cause the employer cannot reasonably be held responsible for, other than the weather.

12.—Discrimination.

When engaging a musician employers shall not discriminate against the members of the claimant organisation.

The following days are holidays for the purpose of the Agreement:—The day observed as New Year's Day, Anniversary Day (26th January), Good Friday, Easter Monday, Anzac Day, Eight Hours' Day, King's Birthday, Christmas Day, and Boxing Day, and, in addition, all other days which are proclaimed by the Federal Government as public holidays, or are regarded and observed as holidays throughout the States of the Commonwealth. Provided, that a member of the claimant organisation shall not be entitled, when he moves from one State to another, to more than one of such holidays, by reason of the fact that any such holiday is observed on one day in one State and on another day in another State.

14.—Travelling Allowance and Transit.

(a) For all engagements or performances outside a 30-mile radius of the city or town where the musician is engaged, the employee shall be provided with first-class return boat or train accommodation; provided, that on the journey from Port Augusta to Kalgoorlie, the employee shall be provided with second-class accommodation; provided, also, that when a boat exceeds 6,000 tons, or where such boat carries first, second and third-class passengers, the employee shall, if required to

do so, accept second-class accommodation. In addition to the rates herein set out, the employee shall be allowed £1 for the trip from Adelaide to Perth, and 10s. for the trip on board any ship, and all other cases 10s. for each day (including Sunday) in addition to the rates herein set out. The engagement and allowance starts from the first day and from the place where the employee first starts travelling. Where the part spent in travelling of the starting and of the part so spent of the returning day are together not more than 24 hours, 10s. shall be paid for the whole combination of such parts; where they are more than 24 but not more than 36 hours, 15s. shall be paid, and where they are more than 36 hours, 20s. shall be paid.

Provided, that where the employee starts and returns from the trip of the same day, 10s. shall be paid in respect of that day.

Employees when travelling by train at night shall be provided with sleeping accommodation. If such sleeping accommodation is not provided, the employee shall be paid the sum which is charged to the public by the appropriate Railway Department for such sleeping accommodation.

(b) In all casual engagements where the employee has to pay more than 6d. for fares, the employer shall pay cost of return transit, computed as from the post office in the city or town where the musician is engaged.

15.—Performing outside the Orchestra Pit or Well.

(a) Where an orchestra is required to perform on the stage in view of the audience, each performer shall receive not less than 2s. 6d. per performance, or 15s. per week in addition to the rates hereinbefore prescribed.

(b) Where a member of the orchestra is required to play either solo, or as one of a duet, trio, or playing other than as part of a complete orchestra in view of the audience, he shall receive not less than 3s. per performance, or £1 per week in addition to the rates fixed by this Agreement.

16.—Supply of Music, etc.

(a) Where the music is supplied by the employee and not by the employer, the employee shall be paid 10s. 6d. per week in addition to the rates hereinbefore prescribed.

(b) The rates prescribed by this Agreement do not include any sums to be paid to a conductor leader, or leader, or any other employee for arranging parts, or doing any orchestration.

17.—Time when Employee is to be paid.

An employee shall be paid all moneys due to him under this Agreement within 48 hours from the termination of his engagement.

No authority to inspect shall be given by the claimant organisation unless the president or the secretary has good reason to suspect a breach of the Agreement has been committed by the employer whose time sheets are to be inspected. One day's notice to be given to the employer of any intended inspection.
