LAND OPEN FOR SELECTION.

IT is hereby notified, for general information, that the areas scheduled hereunder are available for selection under and subject to "The Land Act, 1898," and its amendments, including such further amendments as may be made by Parliament during the current year.

All approvals shall be subject to the residence conditions as prescribed by Section 55 of the said Act.

The areas marked "A" shall be open for selection by the special classes of selectors hereinafter named in the following order of preference:—

- (1) Under "The Discharged Soldiers' Settlement Act, 1918," by "Discharged Soldiers" within the meaning of paragraphs (a), (b), and (c) of the interpretation of the term in Section 3 of that Act, and "Dependants" within the meaning of that term in the said section.

- (2) Under "The Land Act, 1898," by ex-British Soldiers who were on active service in the late war.
- (3) Under "The Land Act, 1898," by Munition Workers in the late war.
- (4) Under "The Land Act, 1898," by ordinary selectors.

(In the event of an applicant other than a Discharged Soldier under subparagraph (1) obtaining a block within a Repurchased Estate, the term of the lease and conditions of payment will be subject to re-adjustment in accordance with the provisions of "The Agricultural Lands Purchase Act, 1909.")

The areas marked "B" are not subject to such order of preference.

Applications must be lodged at the Local Land Office for the district in which the land is situated, not later than the date specified, but may be lodged before such date if so desired.

All applications lodged on or before such date will be treated as having been received on the closing day, and if there are more applicants than one for any block, the application to be granted will be determined by the Land Board, except in cases where it is already determined by the order of preference set out above under "A." Should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, the applicants for the blocks will be duly notified of the date, time, and place of the meeting of the Board, and there shall be an interval of at least three days between the closing date and the sitting of the Board.

If an applicant wishes to appear before the Land Board in person he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof, if any, under Conditional Purchase.

The prices quoted hereunder (exclusive of the value of improvements, if any, and survey fees, and land acquired by the Crown under "The Agricultural Lands Purchase Act, 1909," or otherwise for settlement) are reduced by one-half to Discharged A.I.F. Soldiers only.

Provided that an apprentice or a probationer shall be deemed to be duly registered during the period of fourteen days allowed for registration.

(b) An employer hereafter taking an apprentice or probationer shall, within fourteen days thereafter, register such apprentice or probationer by giving notice thereof to the Clerk of the Court in the prescribed form (Form B in the Appendix).

(c) If at the date of this Award any employer is employing any person as an apprentice or a probationer who has not been duly registered as such, he shall register such apprentice or probationer within fourteen days thereafter.

(d) The maximum number of apprentices allowed to any employer shall be in the proportion of one apprentice to every three or fraction of three journeymen employed by him.

(e) For the purpose of ascertaining the number of apprentices allowed to be taken at any time, the number of journeymen employed shall be deemed to be the average number of journeymen employed on all working days of the six months immediately preceding such time.

Provided that an employer who is himself a tradesman and actually working at the trade may be included as a journeyman for the purpose of ascertaining the number of apprentices that may be taken.

(f) The term of apprenticeship shall be five years. A probationary period of three months previous to being bound shall be lawful. Such probationary period shall be deemed portion of the term of apprenticeship.

(g) Should any employer from unforeseen circumstances be unable to carry out his obligations to his apprentice, he shall be allowed to transfer the apprentice to complete his term with another employer; but it shall be incumbent upon such former employer to notify the Clerk of the Court of the date of such transfer and when such apprenticeship commenced (Form 2 in the Appendix).

(h) The following provisions shall apply in respect of all apprenticeships:—

(2) At the end of the period of apprenticeship the Registrar shall give the apprentice a certificate (Form 5 in the Appendix) to show that he has served his apprenticeship. Should the employer at any time before the termination of the term of apprenticeship desire to dispense with the services of the apprentice he may, with the consent of the apprentice, transfer him to another employer carrying on business within a reasonable distance of the original employer's place of business willing to continue to teach the apprentice and pay the rate of wages prescribed by this Award, according to the total length of time served, and generally to perform the obligations of the original employer. He shall also give the apprentice a certificate of the time served and of the rate of wages paid, and shall give notice to the Clerk of the Court of such transfer in the form provided (Form 2 in the Appendix). It shall not be obligatory on the employer to find the apprentice another employer if he shall so misconduct himself as to entitle the employer to discharge him, but he shall nevertheless give him a certificate for the time actually served.

(3) An employer shall be deemed to fail in his duty towards his apprentice if he neglects to keep him constantly at work, but slackness of work may form a proper ground for transferring him to another employer willing to undertake the responsibility of teaching him.

(4) When an apprentice is discharged for cause the employer shall send notice in writing of the discharge and the cause thereof to the said Clerk of the Court (Form 3 in the Appendix).
