Special meetings are those called under Section 130 of the Act, and shall include those called by the Chairman in response to a requisition signed by three members, and the notices for such special meetings shall have such special business notified therein for which the meeting was called, and for which each member shall receive seven days' notice. 9. Ordinary meetings shall be held at the office of the Board on the day and at the hour appointed from time to time by resolution of the Board.

10. A special meeting may, on the requisition of three members of the Board, be called at any time in the manner prescribed by the Act, but the Chairman may call a special meeting of the Board as often as he may think proper. No business will be transacted at any ordinary or special meeting unless a quorum is present.

11. At any meeting of the Board it shall rest with the majority of the members of the Board present to exclude the public from such meeting when, in their opinion, it is expedient to do so.

12. At all meetings of the Board, when there is not a quorum present, or when the Board is counted out (which counting out shall take place whenever there shall be less than a quorum present, or within 30 minutes after time for which the meeting is called), such circumstances, together with the names of the members then present, shall be recorded in the Minute Book.

13. The first business of all ordinary meetings of the Board shall be the reading of the minutes of the preceding meeting aloud, with a view to their confirmation.

#### Voting.

14. Each member (including the Chairman) shall have one vote, and such Chairman shall, in case of equality of votes, have a casting vote in addition to his ordinary vote, and all questions at such meetings shall be decided by a majority of the votes of the members present. All motions and amendments shall be decided by a show of hands, unless a division is demanded, before the next business is proceeded with.

#### Minutes of Meetings.

15. The Minute Book prescribed by the Act shall be kept, in which any item of business transacted by the Board at a meeting shall be entered by the Secretary. Minutes of special or ordinary meetings shall be confirmed at the next ordinary meeting. No discussion shall take place upon the minutes of proceedings, except as to their accuracy, or for the rectification of a clerical error.

- (e) Reports of sub-committees and officers.
- (f) Deputations and presentation of petitions or memorials; and consideration thereof.

17. In the event of any member having urgent business to place before the meeting, he may move the suspension of the Standing Orders, and, if agreed to by the Board, such business shall take precedence of all others.

#### Tenders.

18. Tenders for work shall be opened and dealt with when the subject matter of the tenders comes on to be considered at the meeting of the Board, or by a committee appointed for the purpose. The Board may require a deposit of 5 per cent. of the amount of the tender to accompany such tender, or two satisfactory sureties.

Order of Debate—Speakers must not digress.

19. A member, when speaking, shall not digress from the subject of debate.

#### Consideration of Reports.

20. (a) Any report of a committee or any portion thereof may be amended by the Board in any matter if it may think fit, or may be referred back to the committee for further consideration.

(b) The recommendations of any committee, when adopted by the Board, shall be resolutions of the Board.

#### Precedence of Chairman.

21. When the Chairman rises in his place during the progress of a debate, any member when speaking or offering to speak shall immediately resume his seat, and every member shall preserve strict silence, so that the Chairman may be heard without interruption, but the member who was speaking may resume when the Chairman takes his seat.

#### Notice of Motion—Absence of Mover.

22. In the absence of a member who has placed a notice of motion on the business paper for any meeting, any other member may at such meeting move the same, or such motion may be deferred until next ordinary meeting of the Board.

#### Withdrawal of Motions.

23. Except as elsewhere provided, no motion, after being placed on the business paper, shall be withdrawn without the consent of the Board.

#### Motions to be seconded.

24. No motion shall be debated unless or until it has been seconded.

#### Motions not to be withdrawn without consent.

25. When a motion has been proposed and seconded it shall become subject to the control of the Board, and shall not be withdrawn without the consent of the Board.

#### Amendment may be moved.

26. When a motion has been proposed and seconded, any member shall be at liberty to move an amendment thereon, but no such amendment shall be debated unless or until it has been seconded.

#### Motions and Amendments to be in Writing.

27. No motion or amendment shall be debated unless or until it has been reduced to writing, if the Chairman so directs.

28. A motion or amendment not seconded cannot be discussed by any member except the mover, nor put by the Chairman.

29. In submitting a motion or amendment the Chairman shall put the question first in the affirmative and then in the negative.

#### Further Amendment may be moved on Amended Question.

30. If an amendment has been carried, the question as amended thereby shall become itself the question before the Board, whereupon any further amendment upon such question may be moved.

#### How subsequent Amendments may be moved.

31. If an amendment, whether upon an original question or amended as aforesaid, has been negatived, then a further amendment may be moved to the question to which such first-mentioned amendment was moved, and so on until there are no further amendments and the question is decided by the final vote in the affirmative or negative: Provided that not more than one question and one proposed amendment thereof shall be before the Board at any one time.

#### Motions for Adjournment.

32. No discussion shall be permitted upon any motion for adjournment of the Board. If upon the question being put on any such motion the same is negatived, the subject then under consideration or next on the business paper shall be discussed, and it shall not be competent for any member to again move a motion for adjournment until half an hour has elapsed from the time of moving the one that has been negatived.

#### Mover of Adjournment, when entitled to priority.

1. No person shall erect any building or alter or add to an existing building, or shall permit any person to erect any building or alter or add to an existing building on land of which he is the owner or of which he has the control, except such building, alteration or addition is erected in conformity with these By-laws.

2. No person shall build any structure intended to be used for human habitation or occupation, or capable of being used as such, or shall alter or add to any such existing structure without having obtained a Building License from the Board and paying the fees prescribed herein, namely:—

- (a) The fee for Building License.
- (b) The fee for the use of the portion of the street abutting on the building during building operations, and deposit as security for the reinstatement and repair of such portion of such street.
- (c) The charge of the Local Health Authority for providing the necessary pans and lids for the privy.

3. Before such Building License is issued plans and specifications, in the form prescribed herein, shall be submitted to the Surveyor, and a license will not be granted before seven days after the submission of such plans and specifications, unless in special circumstances of which special circumstances the Surveyor shall be the sole judge.

4. Plans shall be in ink, on tracing linen or on paper sufficiently strong to stand the erasure of "H" pencil marks without injury to the paper; and specifications shall be in typewriting or in ink manuscript clearly written and on strong paper.

5. Plans shall clearly show ground plans, elevations, and sections as are sufficient to make plain the construction and the dimensions of the proposed structure. The size of the rooms and thickness of walls shall be written on in figures.

Specifications shall show clearly both as to materials and size of same, the construction of the foundations, floors, internal and external walls, ceilings, and roof; also the ventilation of the structure, the number of privies and the construction of same, and shall provide for at least one privy of the prescribed construction, provided with the pan supplied by the Local Health Authority.

The ground floor level of any building to be erected abutting on any footpath shall not be less than ten inches above the level of the kerbing of the footpath upon which the building abuts, nor greater than ten inches above such kerbing, unless provision is made in the plan and specifications for safe ingress and egress at all doorways by means of either a suitable ramp or steps.

A block plan, signed by the builder or owner, shall be supplied, showing clearly the position of the intended structure on the block of land on which it is to be erected, and the position of the privy. Such plan will be retained by the Board.

6. If the plans and specifications submitted are in accordance with these By-laws and the prescribed fees are paid, the Surveyor shall sign them on behalf of the Board, and issue a Building License in the form prescribed herein, and for the period set forth in such license; but if the plans and specifications contain any matter which, in the opinion of the Surveyor, is contrary to the principles of sound or sanitary construction, and such matter is not covered by these By-laws, the Surveyor shall refer such matter to the Board at its next meeting, and the Board shall have power to decide any matter referred to in Clauses A to K of Section 37 of the Building Regulations, when such matter is not defined in these By-laws, and a Building License will not be granted until the Board decides on such matter; provided that such decision will not be unreasonably delayed.

Such authority shall hold good for not more than twelve months after the date fixed for the expiration of the Building License, but may be ex-

tended by the Board from time to time on the application of the then owner. If no such extension of time is granted such inflammable material shall then have become erected contrary to the provisions of Section 14 of the Building Regulation within the meaning of the said section, and the Board may at any time proceed in the manner set forth in the said Section 14.

8. No brick, stone, or concrete wall shall be erected nearer than two feet to the boundary of the block of land on which it stands unless it is a parapet wall rising to a height of not less than one foot above the roof gutter, and the Board will not approve of the subdivision of land which would have the effect of leaving an existing wall in conflict with this provision.

9. No structure of any kind shall be erected upon, over, or under any street, footpath, or public way unless the plans and specifications have been first submitted to and approved by the Board, and no verandah or signboard will be allowed over any footpath unless a clear way of not less than eight feet above such footpath is provided.

10. No street verandah shall be erected, except in accordance with a plan submitted to and approved by the Board, and every such verandah shall be provided with a suitable gutter to carry the water falling on such verandah. If the water from such gutter discharges into the street, it shall be carried into the street gutter by a cast or wrought iron downpipe of such size as the Board may direct, and such downpipe shall discharge into the street gutter in such manner as the Board may direct.

Any such street verandah, gutter, and downpipe shall at all times be kept in repair by the owner of the building in front of which it is built, to the satisfaction of the Board, and the owner shall carry out any repairs in such manner as may be ordered by the Board.

11. No privy shall be erected nearer than six feet to the block of land adjoining that on which it stands. Where a right-of-way adjoins such block, unless otherwise in special circumstances approved by the Board, the privy shall be erected so that the service door is three feet from such right-of-way, screened from observation therefrom, and accessible by means of an opening or gateway at one end of such screen.

12. Before the construction of any building is commenced a privy shall be provided on the land for the use of the workmen.

#### Fees Payable.

13. A Building License will be issued on payment of a fee of 10s.

For permission, during the erection of a building, to occupy any part of a street abutting on such building:—For the first three months, Ten shillings per week; for every subsequent three months, One pound per week.

Deposit for the repair of such part occupied:—One pound, and the Board may at any time require the amount of such deposit to be increased to such amount as may be ordered, on giving notice to the builder by post or leaving the notice at the building, and the Building License shall be suspended until the order of the Board is complied with.

#### Minimum width of Shop Fronts.

14. No plan of any new building or part of a building intended to be used as a shop shall be approved by the Board unless each such shop designed or intended to be let as a separate tenement has at least a width of twelve feet internal measurement of frontage to a street, and no alteration of any existing building shall be approved unless the provisions of this By-law are complied with.

#### 12.—Termination of Employment.

One week's notice at any time on either side shall be required before the engagement of any but a casual hand shall be determined: Provided that an employer may at any time dismiss an employee for refusal or neglect to obey orders, misconduct, carelessness in the performance of his duties, or if after receiving one week's notice he does not carry out his duties in the same manner as he did prior to such notice: Provided also that, except for the reasons mentioned in the first proviso to this clause, the engagement shall not be terminated by any notice expiring within a week of the Christmas or Easter holidays if it is intended to re-engage the employee immediately or very shortly after the holidays mentioned, and men in permanent employment shall not be changed to casual employees within one week of the Christmas or Easter holidays.

Notice given every week to determine the employment without any intention to determine the employment at the end of the week, but only with a view to dismissing men at any time, shall not be deemed notice for the purpose of this Award unless given during a general or shipping or coal strike.

#### 13.—Heavy Work.

Where employees are called upon to handle, without proper mechanical appliances, heavy stone, wool, or gunney bags over two hundredweight an extra man shall be provided.

The employer and the worker shall be severally responsible for the proper posting of such book daily. Such book shall be open on one day in each week, during working hours, to inspection by the secretary of the Union or any other person authorised in writing by him.

#### 15.—Travelling Allowances.

Employees engaged on work from which they are unable to return to their homes at night shall be paid such personal expenses as they reasonably incur, but they shall be paid at the rate of 7s. 6d. a day at the least. An employee prevented from returning with his turn-out to the depot or yard from which he started shall be paid any travelling expenses he has to incur and for the time he reasonably takes to get to his home beyond the time he would have taken to get to his home from the depot or yard.

#### 16.—Pay Day.

All wages shall be paid on either Wednesday, Thursday, or Friday of each week, but the day, once fixed, shall not be altered more than once in three months or without two weeks' notice to the employees. Such pays shall be available within ten minutes of the time the employee ceases duty, where it is practicable to pay the employee on pay day at the yard or depot. If not made available within that time through any fault or delay of the employer, or because the employee ceases work at a place which causes more than ten minutes' delay, overtime shall be paid for any excess of the ten minutes referred to. No employer shall hold more than one day's wages in hand.

#### 17.—Payment for Highest Function.

Where an employee is called upon to perform two or more classes of work on any one day he shall, for the purposes of assessing the wages to be paid, be deemed to have worked the day at the class for which the highest rate of wages is prescribed.

#### 18.—Commencing and Finishing Work.

Work shall commence when an employee signs on at the yard or depot in the morning and finish when he

signs off on leaving in the evening, except where the horses are stabled at the driver's own home. In such a case the driver shall be allowed twenty minutes in the morning and fifteen minutes in the evening to perform the necessary stable work. Drivers of milk carts need not sign on and off when they start and leave off work, but they shall sign once a day.

#### 19.—Temporary Change of Stable.

Where an employer transfers an employee, after he comes to work, from one stable or yard situated more than two miles distant from the stable or yard at which he usually works, fares to and from such altered stable or yard shall be allowed by the employer. If he is transferred temporarily to work at a stable which requires him to travel one mile or more from his home beyond the distance he usually travels, the fares to and from and excess time shall be paid for by the employer.

#### 20.—Proportion of Juniors.

Juniors may be employed in the proportion of one junior to every five adult drivers employed: Provided that grocers, greengrocers, retail milk vendors, pastry-cooks, and/or wood merchants who do not employ five adult drivers shall be permitted to employ one junior.

#### 21.—Annual Holidays.

(a) All employees, except ice carters and/or milk carters, shall be given one week's leave of absence on full pay after the expiration of each twelve months' service. Such leave shall be given to and taken by the employee within two months of becoming due. Where the engagement of any worker to which this subclause applies is terminated after one month's continuous service or after any period of continuous service from the date on which the previous annual holidays became due, he shall be paid in lieu of holidays in proportion to the length of his service.

(b) Ice carters shall be given two weeks' leave of absence on full pay after the expiration of each twelve months' service. Such leave shall be given to and taken by the employee within two months of becoming due. Where the engagement of any worker, to which this subclause applies, is terminated after one month's continuous service, or after any period of continuous service from the date on which the previous annual holidays became due, he shall be paid in lieu of holidays in proportion to the length of his service.

(c) Milk carters shall, if required generally speaking to work continuously seven days in the week, be allowed two weeks' holiday on full pay at the expiration of each twelve months' service: Provided, that if the engagement is terminated after the completion of six months' service but before the completion of twelve months' service, one day's pay shall be allowed for each month of service.

#### 22.—Boarding and Lodging.

Except in the case of parent and son, or retail milk carters, no employee shall board or lodge with his employer or on his premises. Where an employee boards and/or lodges with his employer in accordance with this clause, the employer shall be permitted to deduct from the wages of such employee for board £1 per week, and for lodging 7s. 6d. per week: Provided that nothing in this clause shall apply to stablemen.

#### 23.—General.

(a) Stablemen shall be entitled to receive one clear day's rest in seven. If they work on seven days in any week they shall receive Sunday rates for all time worked on Sunday of such week.

(b) Stablemen required to live at the stable shall be provided with suitable housing accommodation for a stableman free of cost, but if proper housing accommodation is provided for a stableman and his wife and family, and they elect to live there, the employer shall be entitled to charge a rent not exceeding half the rent a similar house in that locality would readily let at not exceeding ten shillings a week.

(c) No reduction shall be made from wages when an employee is learning the round.

(d) No junior under nineteen years of age shall be allowed to drive or be in charge of more than one horse in the City of Perth or in Fremantle.

(e) Employers shall, when engaging employees, state definitely whether such employee is engaged as a weekly or casual hand.

(f) Casual hands shall be notified at the end of the day if their services are not required next day. Failing such notice, a full day's wages shall be paid.

(g) Employers shall notify their employees on the working day preceding a holiday if their services are required next day. Failing such notice the employee shall be entitled to take the holiday and to receive a full week's wages.

(h) Employees shall be provided free by the employer with all shovels and other tools necessary for the loading and unloading of goods or material on to or from any vehicle.

(i) Each employee, with the exception of milk carters and/or ice carters, shall be entitled to holidays, and all carters and drivers shall be entitled to a half holiday from the hour of 1 p.m. on some working day in the week.

(j) A copy of this Award shall be exhibited by each employer where the industry is carried on by being posted or hung up in a place where it is easily accessible to the employees.

(k) Weekly hands ready and willing to work for the whole week, and not dismissed during the week for any reason set out in Clause 12 of this Award, shall be entitled to a full week's wages.

(l) Where an employer desires to vary or change his starting and finishing time (in accordance with the provisions of Clause 8 of this Award) he shall give two weeks' notice of such variation or change to his employees, and post a notice of the intended change at the depot or yard.

(m) No employee at present employed shall be dismissed or reduced in pay by reason of this Award.
