IN THE COURT OF ARBITRATION, WESTERN AUSTRALIA.

No. 393 of 1928.

In the matter of the General Motors (Australia) Proprietary, Limited (hereinafter referred to as "the employer"), and in the matter of an application by the employer for an interpretation of Award dated the 28th day of September, 1928, No. 26 of 1926, under Section 88 of "The Industrial Arbitration Act, 1912-1925."

UPON hearing Mr. F. S. Andrews on behalf of the employer and Mr. P. J. Trainer on behalf of the West Australian Coach, Car, and Rolling Stock Builders' Industrial Union of Workers, Perth, the Court doth hereby order and declare in connection with the definition

"Painter's labourer," in Clause 4 of Award dated the 28th day of September, 1928, No. 26 of 1926, that the washing-off of the grease up to but not including the use of the blow-pipe is not painter's labourer's work within the meaning of the definition, but if a painter's labourer is employed for any portion of a day doing such work, and also doing painter's labourer's work properly so called, he must, nevertheless, be paid the painter's labourer's rate for that day.

Dated at Perth this 16th day of November, 1928.

By the Court,

(SEAL.)

WALTER DWYER,
President.
