Applications must be lodged at the Local Land Office for the district in which the land is situated, not later than the date specified, but may be lodged before such date if so desired.

All applications lodged on or before such date will be treated as having been received on the closing day, and if there are more applicants than one for any block, the application to be granted will be determined by the Land Board, except in cases where it is already determined by the order of preference set out above under "A." Should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, the applicants for the blocks will be duly notified of the date, time, and place of the meeting of the Board, and there shall be an interval of at least three days between the closing date and the sitting of the Board.

If an applicant wishes to appear before the Land Board in person he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

10. Meetings of the Board shall be of two kinds—"Ordinary" and "Special." Ordinary meetings are the regular meetings held in pursuance of these By-laws for the transaction of the general business of the Board, including meetings adjourned for the purpose of any incomplete business, but an adjourned meeting would not exclude any business which was considered necessary to transact. Special meetings are those called under Section 130 of the Act, and shall include those called by the Chairman in response to a requisition signed by three members on his own behalf, and the notices for such special meetings shall have such special business notified thereon for which the meeting was called and for which each member shall receive seven days' notice. No business shall be transacted at a special meeting other than that for which the special meeting was called; provided that any matter of emergency can be discussed, with the ruling of the Chairman and the consent of those present. The ratepayers' meeting shall consist of one called under Section 143 of the Road Districts Act, and the standing orders shall, so far as the Act allows, apply to the proceedings, but the provisions of the Act shall be first dealt with. The Chairman, if present, shall preside at all meetings of ratepayers and of the Board, and in his absence or, after being present he shall retire, one of the members of the Board chosen by the ratepayers or members of the Board, as the case may be, shall preside.

11. Ordinary meetings shall be held at the office of the Board, Morawa, on the 2nd Wednesday in the month, unless otherwise arranged by resolution carried to that effect at the preceding ordinary meeting of the Board, of which each member has received due notice of the proposed alteration.

12. A special meeting may, on the requisition of three members of the Board, be called at any time in manner prescribed by the Act, but the Chairman may call a special meeting of the Board as often as he may think proper. No business will be transacted at any ordinary or special meeting unless at least three members of the Board, inclusive of the Chairman, or the member of the Board chosen to preside in his absence, shall be present.

13. Any three members may require the Board room to be cleared of strangers, and the Chairman, or other presiding Chairman, shall immediately give directions to have the order executed.

14. At all meetings of the Board, when there is not a quorum present, or when the Board is counted out (which counting out shall take place whenever there shall be less than a quorum present), or within 30 minutes after time for which meeting is called, such circumstances, together with the names of the members then present, shall be recorded in the minute book.

15. The first business of all meetings of the Board shall be the reading of the minutes of the preceding meeting aloud with a view of their confirmation.

Voting.

16. Each member (including the Chairman) shall have one vote, and such Chairman shall, in case of equality of votes, have a casting vote in addition to his ordinary vote, and all questions at such meeting shall be decided by a majority of the votes of the members present. All motions and amendments shall be decided by a show of hands, unless a division is demanded before the next business is proceeded with.

Minutes of Meetings.

17. The minute-book prescribed by the Act shall be kept, in which any item of business transacted by the Board at a meeting shall be then and there entered by the Secretary. Minutes of special or ordinary meetings shall be confirmed at the next ordinary meeting. No

- (f) Presentation of petitions or memorials, and consideration thereby.

- (k) Motions without notice (by leave of the Board under By-law 19).
- (l) General business.
- (m) Notice of motions.

19. In the event of any member having urgent business to place before the meeting, he may move the suspension of the Standing Orders, and, if agreed to by the Board, such business shall take precedence to all others.

20. Any member wishing to rescind any motion shall act in direct compliance with Section 135 of the Road Districts Act, by giving seven days' notice to each member or submitting to the Secretary of the Board notice of his intention in time to enable him to give the necessary notice prescribed by the Act to each member.

21. Every petition or memorial shall be respectful and temperate in its language, and shall be presented to the Board by a member only, and any member presenting a petition or memorial to the Board shall affix his name at the beginning thereof with the number of signatures, and any member presenting a petition or memorial shall acquaint himself with the contents thereof and ascertain that it does not contain language disrespectful to the Board. The nature or prayer of every petition or memorial shall be stated to the Board by the member presenting the same.

Consideration of Reports.

25. (a) If in a report of a committee distinct recommendations are made the decision of the Board may be taken separately on each recommendation.

(b) Any report of a committee or any portion thereof may be amended by the Board in any manner if it may think fit, or may be referred back to the committee for further consideration.

(c) The recommendations of any committee when adopted by the Board shall be resolutions of the Board.

Precedence of Chairman.

26. When the Chairman rises in his place during the progress of a debate, any member then speaking or offering to speak shall immediately resume his seat, and every member present shall preserve strict silence so that the Chairman shall be heard without interruption, but the member who was speaking may resume when the Chairman takes his seat.

Notice of Motion; Absence of Mover.

27. In the absence of a member who had placed a notice of motion on the business paper for any meeting any other member may at such meeting move the same, or such motion may be deferred until the next ordinary meeting of the Board.

Motions and Amendments to be in Writing.

32. No motion or amendment shall be debated unless or until it has been reduced to writing if the Chairman so directs.

How subsequent Amendments may be moved.

34. If an amendment, whether upon an original question or upon any question amended as aforesaid, has been negatived, then a further amendment may be moved to the question to which such first mentioned amendment was moved and so on, provided that not more than one question and one proposed amendment thereof shall be before the Board at any one time.

Motions for Adjournment.

35. No discussion shall be permitted upon any motion for adjournment of the Board. If upon the question being put on any such motion the same is negatived, the subject then under consideration or next on the business paper shall be discussed, and it shall not be competent for any member to again move a motion for adjournment until half an hour has elapsed from the time of moving the one that has been negatived.

Mover of Adjournment—When entitled to priority.
