The areas marked "B" are not subject to such order of preference.

Applications must be lodged at the Local Land Office for the district in which the land is situated, not later than the date specified, but may be lodged before such date if so desired.

Should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, the applicants for the blocks will be duly notified of the date, time, and place of the meeting of the Board, and there shall be an interval of at least three days between the closing date and the sitting of the Board.

If an applicant wishes to appear before the Land Board in person he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

HIS Excellency the Governor in Executive Council has been pleased to approve under "The Cemeteries Act, 1897," and amending Acts, of the By-laws set out hereunder for the Wickepin Public Cemetery (Reserve 20149.)

C. G. MORRIS,
Under Secretary for Lands.

By-laws for the Management of the Wickepin Public Cemetery.

By virtue of all powers in that behalf vested in the Trustees of the Wickepin General Cemetery, the said Trustees make the following By-laws:—

1. All fees and charges payable to the Trustees, as set forth in Schedule A, shall be paid at the times and manner therein mentioned, unless otherwise ordered.

2. Any person desiring to inter any dead body in the Cemetery shall make an application in the form contained in Schedule B. Upon such application being approved by the Trustees, and upon payment of the prescribed fees, they shall cause to be issued to the person so applying an "Order for Burial," in the form contained in Schedule C.

3. All applications for interment shall be made at the office of the Trustees in such time as to allow of at least five working hours' notice to be given to the Secretary prior to the time fixed for burial. An extra charge shall be made for applications within such time. No free interment shall be allowed, unless the application, together with the Magistrate's order therefor, be handed in at the office in such time to allow of at least five working hours' notice being given as stated above.

4. The Trustees shall cause all graves to be dug, and vaults, brick graves, or graves to be re-opened as and when required.

5. Before any interment is allowed, the "Order for Burial" shall be handed to and retained by the Secretary.

6. Every coffin shall have upon the lid an approved metal plate bearing the name of the deceased stamped or otherwise indelibly inscribed in legible characters thereon. No coffin not complying with this By-law shall be admitted to or be interred in the Cemetery.

7. Every grave shall be at least six feet deep, and no interment shall be allowed in any grave with a less depth than three feet from the top of the coffin to the original surface of the surrounding ground.

8. In the case of an application for interment in any private grave or vault to which the deceased had no claim during life, the written and verified consent of the grantee shall be handed in with the application.

9. No burial shall be allowed to take place in the Cemetery, nor shall any coffin be allowed to enter the Cemetery, unless a certificate from the District Registrar of Deaths that the death has been registered, or a Coroner's order for burial is handed to the Secretary, at the latest, upon the funeral entering the Cemetery. The certificate shall be retained, but the Coroner's order shall be returned to the person producing the same.

10. Unless otherwise ordered the principal entrance to the Cemetery shall be opened between the hours of 7 a.m. and 6 p.m. daily.

11. The hours for burial shall be as follows:—

Week days, 8 a.m. to 5 p.m.,
