Ordinary meetings are the regular meetings held in pursuance of these By-laws for the transaction of the general business of the Board, including meetings adjourned for the purpose of any incomplete business, but an adjourned meeting would not exclude any business which was considered necessary to transact. Special meetings are those called under Section 130 of the Act, and shall include those called by the Chairman in response to a requisition signed by three members on his own behalf, and the notices for such special meetings shall have such special business notified thereon for which the meeting was called and for which each member shall receive seven days' notice. No business shall be transacted at a special meeting other than that for which the special meeting was called; provided that any matter of emergency can be discussed, with the ruling of the Chairman and the consent of those present. The ratepayers' meeting shall consist of one called under Section 143 of the Road Districts Act, and the standing orders shall, so far as the Act allows, apply to the proceedings, but the provisions of the Act shall be first dealt with. The Chairman, if present, shall preside at all meetings of ratepayers and of the Board, and in his absence or, after being present he shall retire, one of the members of the Board chosen by the ratepayers or members of the Board, as the case may be, shall preside.

A special meeting may, on the requisition of three members of the Board, be called at any time in manner prescribed by the Act, but the Chairman may call a special meeting of the Board as often as he may think proper. No business will be transacted at any ordinary or special meeting unless at least three members of the Board, inclusive of the Chairman, or the member of the Board chosen to preside in his absence, shall be present.

13. Any three members may require the Board room to be cleared of strangers, and the Chairman, or other presiding Chairman, shall immediately give directions to have the order executed.

15. The first business of all meetings of the Board shall be the reading of the minutes of the preceding meeting aloud with a view of their confirmation.

#### Voting.

16. Each member (including the Chairman) shall have one vote, and such Chairman shall, in case of equality of votes, have a casting vote in addition to his ordinary vote, and all questions at such meeting shall be decided by a majority of the votes of the members present. All motions and amendments shall be decided by a show of hands, unless a division is demanded before the next business is proceeded with.

#### Minutes of Meetings.

17. The minute-book prescribed by the Act shall be kept, in which any item of business transacted by the

Board at a meeting shall be then and there entered by the Secretary. Minutes of special or ordinary meetings shall be confirmed at the next ordinary meeting. No discussion shall take place upon the minutes of proceedings, except as to their accuracy or for the rectification of a clerical error.
