No business will be transacted at any ordinary or special meeting unless a quorum is present.

13. At any meeting of the Board it shall rest with the majority of the members of the Board present to exclude the public from such meeting when, in their opinion, it is expedient to do so.

14. At all meetings of the Board, when there is not a quorum present, or when the Board is counted out (which counting out shall take place whenever there shall be less than a quorum present, or within 30 minutes after time for which the meeting is called), such circumstances, together with the names of the members then present, shall be recorded in the Minute Book.

#### Voting.

16. Each member (including the Chairman) shall have one vote, and such Chairman shall, in case of equality of votes, have a casting vote in addition to his ordinary vote, and all questions at such meetings shall be decided by a majority of the votes of the members present. All motions and amendments shall be decided by show of hands, unless a division is demanded, before the next business is proceeded with.

#### Minutes of Meetings.

17. The Minute Book prescribed by the Act shall be kept, in which any item of business transacted by the Board at a meeting shall be entered by the Secretary. 35. No discussion shall be permitted upon any motion for adjournment of the Board. If upon the question being put on any such motion the same is negatived, the subject then under consideration or next on the business paper shall be discussed, and it shall not be competent for any member to again move a motion for adjournment until half an hour has elapsed from the time of moving the one that has been negatived.
