LAND OPEN FOR SELECTION.

IT is hereby notified, for general information, that the areas scheduled hereunder are available for selection under and subject to "The Land Act, 1898," and its amendments.

The areas marked "A" shall be open for selection by the special classes of selectors hereinafter named in the following order of preference:—

- (1) Under "The Discharged Soldiers' Settlement Act, 1918," by "Discharged Soldiers" within the meaning of paragraphs (a), (b), and (c) of the interpretation of the term in Section 3 of that Act, and "Dependants" within the meaning of that term in the said section.
- (2) Under "The Land Act, 1898," by ex-British Soldiers who were on active service in the late war.
- (3) Under "The Land Act, 1898," by Munition Workers in the late war.
- (4) Under "The Land Act, 1898," by ordinary selectors.

(In the event of an applicant other than a Discharged Soldier under subparagraph (1) obtaining a block within a Repurchased Estate, the term of the lease and conditions of payment will be subject to re-adjustment in accordance with the provisions of "The Agricultural Lands Purchase Act, 1909.")

The areas marked "B" are not subject to such order of preference.

Applications must be lodged at the Local Land Office for the district in which the land is situated, not later than the date specified, but may be lodged before such date if so desired.

All applications lodged on or before such date will be treated as having been received on the closing day, and if there are more applicants than one for any block, the application to be granted will be determined by the Land Board, except in cases where it is already determined by the order of preference set out above under "A." Should any lands remain unselected such will continue available until applied for or otherwise dealt with.

If a Land Board sitting becomes necessary, the applicants for the blocks will be duly notified of the date, time, and place of the meeting of the Board, and there shall be an interval of at least three days between the closing date and the sitting of the Board.

If an applicant wishes to appear before the Land Board in person he may apply to the Head Office or to the Clerk in Charge of any of the District or Branch Land Offices for a certificate to the Railway Department, which, on presentation at the nearest Railway Station, will entitle him to a Return Ticket, at Excursion Rates, to the place where the Board will sit, available for seven days from the date of issue.

The selector of a Homestead Farm from any location available under Part VIII. must take the balance thereof, if any, under Conditional Purchase.

The prices quoted hereunder (exclusive of the value of improvements, if any, and survey fees, and land acquired by the Crown under "The Agricultural Lands Purchase Act, 1909," or otherwise, for settlement) are reduced by one-half to Discharged A.I.F. Soldiers only.

(b) He shall pay all such moneys as are collected from day to day to the Secretary of the Board, who shall check all such entries on receiving the moneys answering thereto, and shall initial such entries.

Appointment of Officers.

5. No permanent appointment shall be made to any office under the Board until after an advertisement has been published in one or more local newspapers calling for applications from persons competent to fill such an appointment. All appointments shall be made by resolution passed by the Board. In the event of there being more than one applicant for such appointment, the election thereto shall be conducted by ballot so as to obtain an absolute majority of the members present.

6. The election of all officers shall be conducted by a show of hands, unless a ballot be demanded, in which case the procedure in the foregoing By-law shall be followed.

7. The salary or allowance attached to the office under consideration of the Board shall be fixed in all cases preceding the election, and the salary of any officer when fixed shall not at any time be considered

with a view to its increase or reduction, unless specially authorised by a meeting of the Board, at which at least five of the members are present.

8. All complaints against servants of the Board must be in writing, and must in every case be signed by the person or persons complaining, and no notice whatever shall be taken of any complaint not made in accordance with this By-law. All such complaints as are receivable may be addressed to the Chairman, who, upon the receipt of such complaint, shall have power to investigate the same, and he shall report thereon to the Board at their next meeting.

Meetings and Proceedings.

9. Notice shall be given in writing by the Chairman or Secretary of ordinary or regular meetings, and also of every meeting adjourned for a term exceeding six days.

10. Meetings of the Board shall be of two kinds—"Ordinary" and "Special." Ordinary meetings are the regular meetings held in pursuance of these By-laws for the transactions of the general business of the Board, including meetings adjourned for the purpose of any incomplete business, but an adjourned meeting would not exclude any business which was considered necessary to transact. Special meetings are those called under Section 130 of the Act, and shall include those called by the Chairman in response to a requisition signed by three members on his own behalf, and the notices for such special meetings shall have such special business notified thereon for which the meeting was called, and for which each member shall receive seven days' notice. No business shall be transacted at a special meeting other than that for which the special meeting was called; provided that any matter of emergency can be discussed, with the ruling of the Chairman and the consent of those present. The ratepayers' meeting shall consist of one called under Section 143 of the Road Districts Act, and the standing orders shall, so far as the Act allows, apply to the proceedings, but the provisions of the Act shall be first dealt with. The Chairman, if present, shall preside at all meetings of ratepayers and of the Board, and in his absence, or, after being present he shall retire, one of the members of the Board chosen by the ratepayers or members of the Board, as the case may be, shall preside.

11. Ordinary meetings shall be held at the office of the Board, Perenjori, on every fourth Friday, unless otherwise arranged by resolution carried to that effect at the preceding ordinary meeting of the Board, of which each member has received due notice of the proposed alteration.

12. A special meeting may, on the requisition of three members of the Board, be called at any time in manner prescribed by the Act, but the Chairman may call a special meeting of the Board as often as he may think proper. No business will be transacted at any ordinary or special meeting unless at least three members of the Board, exclusive of the Chairman, or the member of the Board chosen to preside in his absence, shall be present.

13. Any three members may require the Board room to be cleared of strangers, and the Chairman, or other presiding Chairman, shall immediately give directions to have the order executed.

14. At all meetings of the Board, when there is not a quorum present, or when the Board is counted out (which counting out shall take place whenever there shall be less than a quorum present), or within 30 minutes after the time for which the meeting is called, such circumstances, together with the names of the members then present shall be recorded in the minute book.

15. The first business of all meetings of the Board shall be the reading of the minutes of the preceding meeting aloud with a view to their confirmation.

Voting.

16. Each member (including the Chairman) shall have one vote, and such Chairman shall, in case of equality of votes, have a casting vote in addition to his ordinary vote, and all questions at such meeting shall be decided by a majority of the votes of the members present. All motions and amendments shall be decided by a show of hands, unless a division is demanded before the next business is proceeded with.

Minutes of Meetings.

17. The minute book prescribed by the Act shall be kept, in which any item of business transacted by the

Board at a meeting shall be then and there entered by the Secretary. Minutes of special or ordinary meetings shall be confirmed at the next ordinary meeting. No discussion shall take place upon the minutes of proceedings, except as to their accuracy or for the rectification of a clerical error.

Standing Orders.

18. The order of business at all ordinary meetings of the Board shall be as follows, that is to say:—

- (a) Reading and confirmation of minutes of last ordinary, also special meetings (if any);
- (b) Consideration of business arising out of minutes;
- (c) Questions of which due notice has been given by members or officers of the Board;
- (d) The Chairman shall have the right of directing attention at any meeting to any matter or subject within the jurisdiction or official cognisance of the Board by a minute signed by himself, and such minute shall, when introduced, take precedence of all business before or to come before the Board, and the adoption thereof may be put by him from the Chair as a motion without being seconded, but he shall confine himself to the question contained therein;
- (e) Reports of sub-committees;
- (f) Presentation of petitions or memorials, and consideration thereby;
- (g) Reading of correspondence (received) and taking action as may be deemed expedient in regard thereto;
- (h) Consideration of tenders and ratification of contracts;
- (i) Passing of accounts for payment;
- (j) Motion of which previous notice has been given;
- (k) Motion without notice (by leave of the Board under By-law 19);
- (l) General business;
- (m) Notice of motions.

19. In the event of any member having urgent business to place before the meeting, he may move the suspension of the Standing Orders, and, if agreed to by the Board, such business shall take precedence to all others.

20. Any member wishing to rescind any motion shall act in direct compliance with Section 135 of the Road Districts Act, by giving seven days' notice to each member, or submitting to the Secretary of the Board notice of his intention in time to enable him to give the necessary notice prescribed by the Act to each member.

Petitions.

21. Every petition or memorial shall be respectful and temperate in its language, and shall be presented to the Board by a member only, and any member presenting a petition or memorial to the Board shall affix his name at the beginning thereof, with the number of signatures; and any member presenting a petition or memorial shall acquaint himself with the contents thereof and ascertain that it does not contain language disrespectful to the Board. The nature or prayer of every petition or memorial shall be stated to the Board by the member presenting the same.

Tenders.

22. Tenders for work shall be opened and dealt with when the subject-matter of the tenders comes on to be considered at the meeting of the Board, or by a Committee appointed for the purpose.

Orders of Debate—Speakers must not Digress.

23. A member having audience shall not digress from the subject of debate.

Unopposed Notices of Motion.

24. The Chairman may call over the notices of motion on the business paper in the order in which they appear thereon; and if objection is not taken to a motion being taken as a formal motion, may call upon the mover to move the same, and upon the motion being seconded may then, without discussion, put the motion to the vote.

Consideration of Reports.

25. (a) If in a report of a Committee distinct recommendations are made, the decision of the Board may be taken separately on each recommendation.

(b) Any report of a Committee, or any portion thereof, may be amended by the Board in any manner, if it may think fit, or may be referred back to the Committee for further consideration.

(c) The recommendations of any Committee, when adopted by the Board, shall be resolutions of the Board.

Precedence of Chairman.

26. When the Chairman rises in his place during the progress of a debate, any member then speaking or offering to speak shall immediately resume his seat, and every member present shall preserve strict silence, so that the Chairman shall be heard without interruption, but the member who was speaking may resume when the Chairman takes his seat.

Notice of Motion—Absence of Mover.

27. In the absence of a member who had placed a notice of motion on the business paper for any meeting, any other member may at such meeting move the same, or such motion may be deferred until the next ordinary meeting of the Board.

Withdrawal of Motions.

28. Except as elsewhere provided, no motion, after being placed on the business paper, shall be withdrawn without the consent of the Board.

Motions to be Seconded.

29. No motion shall be debated unless or until it has been seconded.

Motion not to be withdrawn without Consent.

30. When a motion has been proposed and seconded, it shall become subject to the control of the Board, and shall not be withdrawn without the consent of the Board.

Amendment may be Moved.

31. When a motion has been proposed and seconded any member shall be at liberty to move an amendment thereon, but no such amendment shall be debated unless or until it has been seconded.

Motions and Amendments to be in Writing.

32. No motion or amendment shall be debated unless or until it has been reduced to writing, if the Chairman so directs.

Further Amendment may be Moved on amended Question.

33. If an amendment has been carried, the question as amended thereby shall become itself the question before the Board, whereupon any further amendment upon such question may be moved.

How subsequent Amendments may be Moved.

34. If an amendment, whether upon an original question or upon any question amended as aforesaid, has been negatived, then a further amendment may be moved to the question to which such first-mentioned amendment was moved, and so on, provided that not more than one question and one proposed amendment thereof shall be before the Board at any one time.

Motion for Adjournment.

35. No discussion shall be permitted upon any motion for adjournment of the Board. If upon the question being put on any such motion the same is negatived, the subject then under consideration or next on the business paper shall be discussed, and it shall not be competent for any member to again move a motion for adjournment until half an hour has elapsed from the time of moving the one that has been negatived.

Mover of Adjournment—When entitled to Priority.

36. On resuming any discussion which has been adjourned, the mover of such adjournment shall be entitled, if he has not already spoken on the subject under discussion, to speak first.
