HIS Excellency the Governor in Council has approved of the amendment of Regulation 38 of the Education Act by the addition of the following clauses :—

2. All students leaving the Teachers' College and appointed as assistants shall be ranked as ex-students, except those who have, before entering the College, served as head teachers or assistants for two years. Service as head teacher or assistant before entering the College may be allowed to shorten proportionately the period of ex-studentship ;

HIS Excellency the Governor in Council has approved of the establishment of an Advisory Board, in connection with appointments made to staffs of High Schools and of Regulations in connection therewith, as set out hereunder :—

High Schools Advisory Board.

(a) A Board shall be appointed to advise the Department in the matter of making appointments to the staffs of High Schools, other than to those positions to which appointments are made on the recommendation of the Public Service Commissioner.

(b) The Board shall consist of—(1) The Chief Inspector of Schools ; (2) The head master of a First Class High School, elected by the teachers ; and (3) a nominee of the Minister who is not a member of the Public Service.

(c) The representative of the teachers and the nominee of the Minister shall hold office for the term of three years, and shall be eligible for re-election or re-appointment, as the case may be.

(d) The Board shall meet as often as necessary to consider applications for appointment to any advertised position on the staffs of the High Schools in respect of which the Board has jurisdiction to make a recommendation, whether such position be an existing one or one to be brought into existence by a new office being created.

(e) The Board in framing its recommendations to the Department shall take into consideration the particular circumstances of the vacant position and the particular fitness of the applicant to discharge the duties of the vacant position, and will be bound by the ordinary rules of seniority only in cases where the said fitness of two or more applicants is not capable, in the opinion of the Board, of clear distinction.

(f) The Director of Education may return the recommendation of the Board, with a request to the Board to reconsider it, for reasons to be set forth in such request, and thereupon the Board shall reconsider its recommendation and may, if it deems fit, make another recommendation.

(g) If the Board reaffirms its original recommendation unanimously, the Minister shall not appoint to the vacant position a person other than the person named in such recommendation.
