C. G. MORRIS,
Under Secretary for Lands.

By-laws of the Southern Cross Public Cemetery.

The Yilgarn Road Board, being the Board appointed to control and manage the Southern Cross Public Cemetery, hereby make the following By-laws for the control and management of the said Cemetery:—

1. All fees and charges payable to the Board in accordance with Schedule A shall be paid when applications are made or orders given.

2. Any person desiring ground in the Cemetery for a private grave, vault, tomb, monument, cenotaph, tombstone, railing, wall, or for any other purpose shall apply to the Board therefor. If approved, the Board, on the payment of the required fees, shall issue to such person so applying a Certificate of Right of Burial, in the Form specified in Schedule B.

3. Any person desiring to place or erect any monument, tombstone, or enclosure in any part of the Cemetery shall, before obtaining permission to do so, submit a plan of such monument, tombstone, or enclosure, and specify the materials of which it is to be composed to the Board, and shall obtain such permission in writing before proceeding with the work in the Form of Schedule D.

4. Every person who shall place or erect any monument, tombstone, or enclosure upon any grave, the exclusive right of which has not been obtained, shall keep the same in repair, and if, after receiving one month's notice in writing from the Board such repairs are not executed, then the Board may order such monument, tombstone, or enclosure to be removed.

5. Every person who has the exclusive right of burial in any grave shall keep such grave, and any erection or construction thereon, in proper repair; and if, after receiving notice in writing from the Board requiring such repairs to be executed, shall fail so to do, then, after the expiration of twenty-eight days, the Board may cause such repairs to be executed, and may recover the cost thereof from such person in a summary way before two Justices in Petty Sessions.

6. (a) All applications for interment shall be made to the Secretary of the Board, and six working hours' notice shall be given to the Sexton prior to the time fixed for the burial, otherwise an extra charge will be made.

(b) The name of the deceased, age, and other particulars mentioned in Schedule C, shall be furnished when giving the order.

7. The Board shall cause all ordinary graves to be dug, but any person desiring to construct a brick grave or vault, shall be permitted to construct the same, under the direction of the Secretary, on payment of the required fees, and every coffin placed therein shall be bricked in, cemented, and made and kept airtight.

8. Every coffin shall have upon the lid an approved metal plate, with the name of the deceased and date of burial stamped or engraved thereon.

9. Every grave shall be at least six feet deep, except those used for the burial of infants, which the Board may allow to be of lesser depth; but no interment shall be allowed in any grave with a less depth than three feet from the top of the coffin to the original surface of the ground.

10. In the case of application for interment in any private grave or vault to which during life the deceased person had no claim, the written consent of the owner shall be given with the application, or other satisfactory evidence produced that the person desiring to bury therein is entitled to do so.

Supply to non-rated Premises.

56. Any person or persons requiring a water service to any non-rated property may be supplied on payment of a minimum charge, which shall be fixed by the Minister in each case. The minimum charge shall then take the place of a water rate, and the general provisions of these By-laws, as applying to ratepaying consumers, shall apply to minimum charge paying consumers.

Supply of Water not compulsory.

57. It shall be at the discretion of the Minister to supply water to any individual consumer or to any land whether rated or not.

Size of Service Pipes.

59. The size of the service pipe shall in each case be fixed at the discretion of the Minister.

Notice of intention to Build.

62. No service pipe shall communicate directly with any cistern, tank, or vessel intended or used for the reception of water other than water obtained from the Minister's mains.

Illegal taking or selling of Water.

Waste of Water.

67. Any person supplied with water by the Minister, whether by meter or otherwise, shall not allow the same to run to waste.

Limiting Supply.

Any repairs required shall be done by the officers of the Minister, and the expense incurred by the Minister in so doing shall, on demand, be paid by the owner or occupier of the land, and if not paid on demand shall be recoverable in the same manner as water rates.

Notice of damage or non-registration of Meter shall be given.

71. Any person supplied by the Minister with water through a meter shall, on finding that meter is damaged, or not registering, immediately give notice of the fact to the Local Water Supply Office.

Interference with Meters.

72. Period for Reading.

73. The quantity registered by a meter at any time between ten days before and ten days after any stated date may be taken as the reading of the meter at such stated date.

Averaging of Consumption.

74. During the time any meter is undergoing repairs, or should it cease to properly register the consumption of water, the Minister or any officer appointed by the Minister may, at his option, estimate the quantity of water consumed by taking an average of the quantity used during such previous period as the Minister may determine, and the quantity so ascertained shall be paid for by the consumer.

Testing of Meters.

75. If any consumer shall at any time be dissatisfied with any particular reading of a meter, and be desirous of having the meter tested, he shall give written notice thereof to the Minister or his officer within seven days of such reading, and thereupon the said meter shall be tested by passing through it a predetermined quantity of water, and if upon such testing it shall appear to the satisfaction of the Minister or his officer that the meter registered more than five per cent. in excess of the quantity that shall actually pass through it at such testing then the Minister shall bear the expense of and incidental to such testing, and shall also adjust the charge to the said consumer; but if the meter upon such testing shall not register more than five per cent. in excess of the quantity that shall actually pass through it, then the consumer shall pay to the Minister all the expenses of and incidental to such testing, providing that the expense of every test shall be fixed by the Minister, subject to a minimum charge of ten shillings for each test; provided also, that the consumer shall not be at liberty to avail himself of the right to test the registration of the meter for any period other than the period of registration next preceding the date of reading in respect of which he shall have given notice as aforesaid.

Authority to enter Premises.

76. Any officer acting under the Minister's authority may, at all reasonable times, enter any house or premises connected or intended to be connected with the water mains, in order to examine whether the water pipes and fittings in such house or premises are in proper order. Any person refusing such admission or in any way hindering such officer in the execution of his duty shall be liable to a penalty as hereinafter prescribed.

80. Work shall not be undertaken in connection with water supply, or in the extension or alteration thereof, until such time as the necessary printed permit is obtained. Two days' notice shall in all cases be given by the licensed plumber before work is intended to be commenced, unless the officer of the Minister duly appointed to issue permits expressly accepts shorter notice. In no case shall any water pipes or apparatus in connection with water supply be used until the said work shall have been inspected and, if necessary, tested by the said officer, and certified by him on the prescribed form. No underground or enclosed work shall be covered up or concealed from view until the same shall have been duly inspected and passed by the Inspector, and for this purpose the person to whom the permit has been issued shall immedi-

IN THE COURT OF ARBITRATION OF WESTERN AUSTRALIA.

Nos. 316 and 317 of 1929.

In the matter of the Amalgamated Road Transport Union of Workers, Perth (hereinafter referred to as "the Union"), and in the matter of an Application by the Union for an interpretation of Award dated the 1st day of October, 1928, No. 2 of 1928, under Section 88 of "The Industrial Arbitration Act, 1912-1925."

UPON the application of the Amalgamated Road Transport Union of Workers, Perth, for an interpretation of Clause 2 of Award dated the 1st day of October, 1928, No. 2 of 1928, and upon hearing Mr. O. Nilsson, on behalf of the Union, and Mr. L. L. Carter, on behalf of the Oakford Co-operative Transport Company, Limited, and Wakelam Brothers, the Court doth hereby order and declare that the true interpretation and meaning of the said clause is that, when a question arises as to the application of the Award to any particular place where work is carried on, then the place where the work is done and not the place where the Head Office or place of business of the employer, or the registered office of the Union is situate, is the determining factor; and, further, that where work is done both inside and outside the area covered by the Award during any particular week, the Award rates apply if the worker is engaged in doing a substantial part of his work during that period within the prescribed area.

Dated at Perth this 19th day of December, 1929.

15.—Under-rate Workers.

Any worker who by reason of old age or infirmity is unable to earn the minimum adult wage prescribed by this Agreement may be employed at such lesser wage (if any) as may be agreed upon in writing between the worker and the Secretary of the applicant Union. If within twenty-four hours after the worker has notified the Secretary of his or her desire to work at a lesser wage than the said minimum the Secretary and the worker do not agree as aforesaid, then the worker may apply to the most convenient Resident or Police Magistrate for a permit to work at such lesser wage. The worker shall give to the said Secretary at least twenty-four hours' notice in writing of his or her intention to make such application to the Magistrate, and the Secretary or his agent shall be entitled to attend before the Magistrate, and, pending the decision thereon in either case, the worker shall be entitled to work and be employed by an employer at the proposed lesser rate. The Magistrate may grant to such worker a permit to work for such wage and for such period not exceeding six calendar months, as he thinks fit, and his decision in the matter shall be final. The permit shall entitle the worker to work at the wage therein mentioned for such period as may be therein stated until the wage shall have again been settled by the Magistrate on the application of the said Secretary.

HOSPITAL EMPLOYEES (GOVERNMENT).

(Registered 27-10-1930.)

No. 25 of 1930.

THIS Agreement, made in pursuance of "The Industrial Arbitration Act, 1912-1925," this 17th day of October, One thousand nine hundred and thirty, between the Honourable John Lindsay, M.L.A., Minister for Works and Labour, on behalf of the Government of Western Australia, of the one part, and The Hospital Employees' Industrial Union of Workers, W.A. (Coastal Branch), of the other part, whereby it is mutually agreed by and between the parties hereto as follows:—

1. All full time wages workers in the Department who have served continuously for ten or more years after attaining the age of eighteen years will be entitled, subject to the following Regulations, to three months' long service leave, to be granted at the convenience of the Department.

2. They will be similarly entitled to a further period of three months' long service leave for ten years' continuous service, in accordance with paragraph 3 hereof; and to a further period of three months for seven years' subsequent continuous service; and thereafter to a further period of three months' long service leave in respect of each seven years' subsequent continuous service. The words "continuous service" do not include the period during which a worker is on long service leave or any period exceeding two weeks a worker is absent without pay.

3. The qualifying period for the second grant of long service leave to wages workers having more than ten years' continuous service on the first January, One thousand nine hundred and twenty-seven, will, without regard to the grant of the first period of such leave, commence as follows:—

To workers of twenty-eight years' service or over on 1st January, 1927—1st January, 1927;

To workers of twenty-two years' service and of less than twenty-eight years' service on 1st January, 1927—1st July, 1927;

To workers of less than ten years' service on 1st January, 1927, but who have completed ten years' service by 1st July, 1930—1st July, 1930.

4. Any public holidays occurring during the period in which a worker is on long service leave will be calculated as portion of the long service leave, and extra days in lieu thereof shall not be granted.

5. Long service leave is granted solely for recuperative purposes. No worker in the Department is to undertake during long service leave, without the consent of the Under Secretary for Works and Labour, any form of employment for hire or reward. Contravention of this Regulation will be followed by dismissal.

6. A worker dismissed from the service shall not be entitled to payment in respect of long service leave other than for leave that had accrued due to him prior to the date of the offence for which he was dismissed.

7. Workers may be paid their wages in advance, at their permanent classified rate of pay, for a period equivalent to the leave taken.

8. Any employee who is eligible for three months' long service leave and who resigns or is retired from the service shall be paid for such long service leave due.

9. A worker who retires at or over the age of 65, or who is retired on account of incapacity due to old age, or through ill health, and who has served continuously for at least twelve months next before such retirement, shall be paid for long service leave pro rata to date of retirement.

12. A worker whose service is broken owing to the exigencies of his particular work, for a period not exceeding two weeks, shall in respect of such period be deemed on "leave without pay."

13. Whenever possible not less than one month's notice will be given each worker prior to the date on which his long service leave is to commence.

15. This Agreement shall apply to full time workers employed by the Government and shall operate over the Old Men's Home, the Wooroloo Sanatorium, and the King Edward Memorial Hospital.
