1. All full time wages workers in the Department who have served continuously for ten or more years after attaining the age of eighteen years will be entitled, subject to the following regulations, to three months' long service leave, to be granted at the convenience of the Department.

2. They will be similarly entitled to a further period of three months' long service leave for ten years' continuous service in accordance with paragraph 4 hereof; and to a further period of three months for seven years' subsequent continuous service; and thereafter to a further period of three months' long service leave in respect of each seven years' subsequent continuous service. 10. A worker who retires or is retired upon reaching the retiring age, or through ill-health, and who has served continuously for at least twelve months next before such retirement, shall be paid for long service leave pro rata to date of retirement.
