Notice given every week to determine the employment without any intention to determine the employment at the end of the week, but only with a view to dismissing men at any time, shall not be deemed notice for the purpose of this Award, unless given during a general or shipping or coal strike.

13.—Heavy Work.

Where workers are called upon to handle, without proper mechanical appliances, any one article of over two hundredweight, an extra man shall be provided.

14.—Time and Wages Book.

Each employer shall provide a time and wages book, to be kept in a place where it is easily accessible to both the employer and the worker. Such book shall show the name of the worker, the time he starts and finishes work each day, the number of hours worked by and the wages and overtime paid to each worker, and his signature for same. The employer and the worker shall be severally responsible for the proper posting of such book daily, except in the case of milk carters, when the book may be posted weekly. Such book shall be open on one day in each week, during working hours, to inspection by the secretary of the Union or any other person authorised in writing by him: Provided, that an employer may at his option, in lieu of a time book, provide a mechanical clock for the purpose of recording the starting and finishing times of workers, in which case a record of the number of hours worked each day by each worker, and the wages and overtime paid to such worker, shall be entered on a card or check (used in connection with such clock), which shall be signed by the worker on receipt of wages each week. The employer and the worker shall be severally responsible for the correct keeping daily of such card or check, which shall be open to inspection in the same manner as the time and wages book before-mentioned.

15.—Travelling Allowances.

Workers engaged on work from which they are unable to return to their homes at night shall be paid such personal expenses as they reasonably incur, but they shall be paid at the rate of seven shillings and sixpence (7s. 6d.) per day at the least. A worker prevented from returning with his turn-out to the depot or yard from which he started, shall be paid any travelling expenses he has to incur and for the time he reasonably takes to get to his home beyond the time he would have taken to get to his home from the depot or yard.

16.—Pay Day.

All wages shall be paid on either Wednesday, Thursday, or Friday of each week, but the day, once fixed, shall not be altered more than once in three (3) months or without two (2) weeks' notice to the workers. Such pays shall be available within ten (10) minutes of the time the worker ceases duty, where it is practicable to pay the worker on pay day at the yard or depot. If not made available within that time through any fault or delay of the employer, or because the worker ceases work at a place which causes more than ten (10) minutes' delay, overtime shall be paid for any excess of the ten (10) minutes referred to. No employer shall hold more than two (2) days' wages in hand.

17.—Payment for Highest Function.

Where a worker is called upon to perform two (2) or more classes of work on any one day he shall, for the purpose of assessing the wages to be paid, be deemed to

have worked the day at the class for which the highest rate of wages is prescribed.

Provided that, where the starting and finishing times of work done in a higher grade is entered in the time and wages book, or recorded on a trip card, and such work done in a higher grade is under two (2) hours in any one day, no extra payment shall be made. In the event of no record being made in either the time and wages book, or on a trip card, the provisions of the first paragraph of this clause shall apply.

The trip card referred to shall be open to inspection by the secretary of the Union or any other person authorised in writing by him.

18.—Temporary Change of Stable, Etc.

Where an employer transfers a worker after he comes to work from one stable, garage, or yard situated more than two (2) miles distant from the stable, garage, or yard, at which he usually works, fares to and from such altered stable, garage, or yard, shall be allowed by the employer. If he is transferred temporarily to work at a stable, garage, or yard, which requires him to travel one (1) mile or more from his home beyond the distance he usually travels, the fares to and from and excess time shall be paid for by the employer.

19.—Proportion of Juniors.

(a) Juniors may be employed in the proportion of one (1) junior to every five (5) adult drivers employed.

(b) Provided that grocers, greengrocers, retail milk vendors, pastrycooks, and/or wood merchants, who do not employ five (5) adult drivers, shall be permitted to employ one (1) junior.

(c) Provided also, that where no adult driver is employed one (1) junior driver may be employed.

(d) Provided further, that junior driver assistants may be employed in the proportion of one (1) junior to every three (3) adult drivers.

(e) When ascertaining the number of junior drivers and junior driver assistants to be allowed at the one time, the same adult drivers shall not be used twice in the calculations.

20.—Annual Holidays.

(a) All workers shall be given one (1) week's leave of absence on full pay after the expiration of each twelve (12) months' service. Such leave shall be given to and taken by the worker within three (3) months of becoming due. Where the engagement of any worker to which this subclause applies is terminated after one (1) month's continuous service, or after any period of continuous service from the date on which the previous annual holidays became due, he shall be paid in lieu of holidays in proportion to the length of his service.

(b) Provided that ice and/or ice-cream carters shall be given two (2) weeks' leave of absence on full pay after the expiration of each twelve (12) months' service. Such leave shall be given to and taken by the worker within three (3) months of becoming due. Where the engagement of any worker, to which this subclause applies, is terminated after one (1) month's continuous service, or after any period of continuous service from the date on which the previous annual holidays became due, he shall be paid in lieu of holidays in proportion to the length of his service.

(c) Provided also, that milk and/or cream carters shall, if required generally speaking to work continuously seven (7) days in the week, be allowed two (2) weeks' holiday on full pay at the expiration of each twelve (12) months' service. Provided that, if the engagement is terminated after the completion of one (1) month's service but before the completion of twelve (12) months' service, one (1) day's pay shall be allowed for each month of service.

(d) A worker dismissed for misconduct, or who illegally severs his contract of service, shall lose all rights under this clause.

(e) Holiday pay shall not accrue during a worker's absence from his employment for any cause whatsoever.

21.—Boarding and Lodging.

Except in the case of parent and son, or retail milk carters, no worker shall board or lodge with his employer or on his premises. Where a worker boards and/or lodges with his employer in accordance with this clause, the employer shall be permitted to deduct from the wages of such worker for board, one pound (£1) per week, and

for lodging, seven shillings and sixpence (7s. 6d.) per week. Provided, that nothing in this clause shall apply to stablemen.

22.—General.

(a) Stablemen shall be entitled to receive one (1) clear day's rest in seven (7). If they work on seven (7) days in any week they shall receive Sunday rates for all time worked on Sunday of such week.

(b) Stablemen required to live at the stable shall be provided with suitable housing accommodation for a stableman, free of cost, but if proper housing accommodation is provided for a stableman and his wife and family, and they elect to live there, the employer shall be entitled to charge a rent not exceeding half of the rent a similar house in that locality would readily let at, not exceeding ten shillings (10s.) a week.

(c) An employer shall be permitted to reduce for six (6) consecutive working days the prescribed wage by fifty per cent. (50 per cent.) whilst a worker is learning a round: Provided, that this shall apply only where the worker learning the round is accompanied by some other person for the purpose of teaching such worker the round.

(d) No junior under nineteen (19) years of age shall be allowed to drive or be in charge of more than one (1) horse in the cities of Perth or Fremantle.

(e) Employers shall, when engaging workers, state definitely whether such worker is engaged as a weekly or casual hand.

(f) Casual hands shall be notified at the end of the day if their services are not required next day. Failing such notice, a full day's wages shall be paid.

(g) Employers shall notify their workers on the working day preceding a holiday if their services are required next day. Failing such notice the worker shall be entitled to take the holiday and to receive a full week's wages.

(h) Workers shall be provided free by the employer with all shovels and other tools necessary for the loading and unloading of goods or material on to or from any vehicle.

(i) Each worker, with the exception of milk, cream, ice or ice-cream carters, shall be entitled to holidays as defined, and all carters and drivers shall be entitled to a half holiday from the hour of 1 p.m. on some working day in the week: Provided that, where milk and/or cream carters do not, generally speaking, work continuously seven (7) days in the week, they shall be entitled to holidays as defined.

(j) A copy of this Award shall be kept by each employer where the industry is carried on, where it is easily accessible to the workers.

(k) Weekly hands ready and willing to work for the whole week and not dismissed during the week for any reason set out in Clause 12 of this Award, shall be entitled to a full week's wages.
