Crown Law Department,
 Perth, 10th April, 1934.

HIS Excellency the Lieutenant-Governor in Executive
 Council has approved of the undermentioned Regulations
 under Section 249 of "The Licensing Act, 1911 (as
 amended)."

H. G. HAMPTON,

Under Secretary for Law.

REGULATIONS GOVERNING THE CONSIDERA-
TION OF PETITIONS PRESENTED TO THE
GOVERNOR UNDER SUBSECTION (2) OF SEC-
TION 47 OF THE LICENSING ACT, 1911-1922.

1. On the receipt of any petition presented to the
 Governor in Executive Council, praying for the grant of
 a new license under Subsection (2) of Section 47 of
 "The Licensing Act, 1911-1922," the Minister for Jus-
 tice shall cause inquiries to be made, in manner herein-
 after appearing, with a view to ascertaining whether

such petition is signed by a majority in number of the electors living in the area specified in Subsection (3) of that section (hereinafter called "the statutory area").

2. (a) A lithograph or plan shall be supplied by the Court to the Chief Electoral Officer marked with a circle showing the statutory area, and certified to by a qualified officer of the Lands Department.

(b) The Minister may obtain from the Chief Electoral Officer a roll containing the names of those persons who were qualified as electors under the provisions of "The Electoral Act, 1907-1921," in the statutory area at the date of the presentation of the petition.

(c) The Minister may require the applicant to prepay the cost of—

- (i) compiling the roll and of obtaining the report of the Chief Electoral Officer, and the Chief Electoral Officer shall fix a sum which in his opinion will be sufficient to pay such cost; and
- (ii) the advertisements hereinafter mentioned.

(d) The Chief Electoral Officer shall report as to whether the signatures on the petition are those of electors in the District who were qualified to vote at an election for the return of a member of the Legislative Assembly at the date of the presentation of the petition.

(e) Where the place of living of an elector falls partly within and partly without the area comprised in the circle, the Chief Electoral Officer shall, in preparing the roll, include or exclude the name of any person who, in his opinion, resides respectively inside or outside the statutory area.

3. The persons whose names appear on the roll as prepared by the Chief Electoral Officer shall be prima facie taken to be persons who at the date of the presentation of the petition were electors qualified to vote in the District at an election for the return of a member of the Legislative Assembly.

Such roll shall be exhibited at the office of the State Licensing Court for a period of 14 days from the date of its preparation, or for such period and in such locality as the Court shall decide, and notice thereof shall be given by the Court in the form Numbered 1 in the Schedule in the *Government Gazette* and a newspaper circulating in the statutory area.

4. No new names may be added to the roll after the date of the presentation of the petition, but the name of any elector may be objected to by an elector whose name appears on the roll as prepared by the Chief Electoral Officer.

The objection shall be in writing and shall be signed by the objector and lodged in duplicate with the Clerk of the Licensing Court, or with the Clerk of the Court of Petty Sessions, at such place as the Licensing Court may determine, and within such time as the Licensing Court may fix, and shall clearly set forth the grounds thereof. The objection shall be in the form Numbered 2 in the Schedule.

5. The sum of 2s. 6d. for each objection shall be deposited with the Clerk of the Licensing Court or the Clerk of Petty Sessions as aforesaid on the lodgment of the objection, and such sum shall be forfeited if the objection is held not to be reasonable.

6. (a) The Clerk of the Licensing Court or the Clerk of the Petty Sessions as aforesaid shall set down the objection for hearing before the members of the Court, who shall appoint the date and place for the hearing.

(b) The Clerk of the Licensing Court or the Clerk of Petty Sessions as aforesaid, shall give at least four clear days' notice of the objection to the person objected to at his address as shown on the roll prepared by the Chief Electoral Officer, and of the date and place appointed for the hearing. A copy of the objection, setting forth the grounds thereof, shall accompany the notice.

(c) The Clerk shall give a similar notice to the objector at his address as shown on the said roll.

7. The name of every elector whose enrolment is objected to shall be publicly exhibited outside such place or places as the Court may direct, and maintained there until the objection is heard and determined.

8. The person objected to may, on the hearing of the objection, either—

- (a) appear in person;
- (b) appear by an agent appointed in writing under his hand; or

(c) forward by post, addressed to the Clerk of the Licensing Court or the Clerk of Petty Sessions as aforesaid, a statement made by the person objected to and signed before another person whose name appears on the roll as prepared by the Chief Electoral Officer, setting forth the reasons for his remaining on the roll.

9. The Court shall hear and determine the objection, and may direct the Clerk to retain the name on the roll or to strike the name off the roll, or to make such amendment as may be necessary, according to such determination.

No grounds of objection shall be entertained, except such as are specifically set forth in the objection lodged as aforesaid.

10. After consideration of any objection the Court shall make a report to the Governor, through the Minister, and on the basis of that report the Governor will decide whether or not the petition is signed by a majority in number of the electors living within the statutory area at the date of the presentation of the petition.

1. Section 3 of Statute No. 20 is amended to read:—
3. The Research Studentships shall be given under the following conditions:—

- (a) Post Graduate Studentships of a value not exceeding £150 per annum are open to graduates of the University. An additional sum, not exceeding £100 per annum, may be spent under the direction of the Supervisor of the research for the provision of books, apparatus, and other expenses incidental to the student's work, and for expenses of travelling, to be approved by the Vice-Chancellor. These books and other materials shall remain the property of the University.
- (b) The Chancellor shall have received satisfactory assurance that the applicant's means are such as to make it difficult for him to continue as a full-time research student without the assistance of a Studentship.
- (c) A Studentship shall be given in the first instance for a period of one year, and that year normally is to be spent in Western Australia. The Academic Board may then renew the Studentship for a period of one or two years, if it is satisfied that the student in the meantime has shown such special ability as warrants the renewal.
- (d) The student shall not engage in any work other than that for which his Studentship has been granted, without the permission of his Supervisor.
- (e) Applications should reach the Vice-Chancellor at a date to be fixed by the Vice-Chancellor.
- (f) Applicants must submit a scheme of work, to be reported on by the Faculties concerned and submitted for the approval of the Senate. A schedule must also be submitted of the estimated amounts which will be required for books, apparatus, travelling, and other expenses.
- (g) The awards will be made by the Academic Board, after reports have been received from the Faculties. The Faculty concerned shall in each case appoint a Supervisor of the student's research. No awards shall be made in any year unless applicants of sufficient merit present themselves.
- (h) Payment of the grant under the Studentship may be made in instalments, at such times as may be decided, each instalment, with the exception of the first, which will be paid in advance, being payable only on receipt by the University of sufficient evidence that the holder of the Studentship is satisfactorily pursuing his studies.
- (i) At the close of the Studentship the research student shall be required to supply a full report to the University on the progress he has made with the work originally undertaken, including copies of any thesis or publications resulting from his work.
- (j) Whenever publication is made of any work carried out under a Hackett Research Studentship, this fact shall be acknowledged in the publication. If the Academic Board considers a thesis to be of sufficient merit, it may recommend to the Senate the expenditure of an additional sum, not exceeding £75, for the publication of the thesis, on condition that the University receive, without further cost, as many copies as it may require, which it may use in whatever way it may decide.

(k) A student who is allowed to hold his Studentship wholly or in part outside Western Australia, shall, before leaving the State, sign an agreement with the University. Under this agreement he shall undertake that if, within three years of the completion of his Studentship, he does not either return to Australia and become or remain domiciled therein, or satisfy the Senate that he has made *bona fide* endeavour to obtain suitable employment in Australia, he shall owe to the University a sum not exceeding one-half the total amount paid by the University in connection with his study outside Australia; such sum to be determined in each case by the Senate. From this total amount any sums expended on books and apparatus which have been returned to the University shall be excluded. This debt shall then be repaid to the University on the following conditions:—

- (i) The student shall, on the termination of the period of three years above-mentioned, commence to repay to the University the amount of his debt by half-yearly instalments, unless otherwise then agreed, but so that payment of the debt shall be made within a period not exceeding ten years.
- (ii) The Studentship shall be deemed to be completed on the 31st December in the year in which the student receives his last payment.

2. Every reprint of Statute No. 20 shall be printed as hereby amended, with a marginal note referring to this Statute.

12. All questions which shall come before the Board shall be decided by the majority of the members present, but the Chairman, in the case of an equality of votes, may give a casting vote. No question shall be decided at any meeting of the Board unless at least two-fifths of the members thereof be present.

13. Subject to the provisions of the Statutes and to the Regulations made by the Senate, the Board shall have power to regulate its own procedure, to fix the times and places of its meeting, and to do such other acts and things as the Senate shall authorise or prescribe, and to make such recommendations to the Senate as the Board may think fit.

14. The Board, after each meeting, shall forward a report to the Senate for its consideration, and the Senate shall have power, of its own motion, to review any decision of the said Board.

15. The words "Professor" and "Professorship" shall respectively include "Associate Professor" and "Associate Professorship."

16. (a) Statute No. 21 (Academic Board) is hereby repealed.

(b) Where in any Statute or Regulations reference is made to the Academic Board constituted by Statute No. 21 hereby repealed, such Statute or Regulation shall be construed and have effect as if the reference made therein were to the Professorial Board hereby constituted.

- (a) apply to have his name inserted in the Roll, if omitted therefrom; or

4. The Board shall hold an open Court to deal with any applications and objections, at a time and place to be fixed, of which seven days' notice shall be given, by exhibiting such notice on the outer door of the office of the Board, and, if practicable, by publishing such notice in a newspaper usually circulating in the District:

9. The Returning Officer shall be the Chairman or Vice-Chairman of the Board, or some other person appointed by the Board.

10. As soon as practicable after the votes have been taken, the Returning Officer shall at the polling-place, or at the chief polling-place if more than one, in the presence of such resident owners of rateable land as are in attendance, open the ballot boxes and examine the voting papers, and thereby ascertain and declare the result of the poll, that is to say, whether a majority of those resident owners who voted on the question submitted, namely, "Are you in favour of the loan being raised?" voted "yes" or "no."

11. The result of the vote shall be notified in writing by the Chairman of the Board to the Minister, and published in the *Gazette*.

12. Subject to these By-laws, the provisions of the said Act relating to the taking of a poll at the Election of members of the Board, so far as applicable, shall apply as nearly as may be.

13. These uniform general By-laws shall have the force of law in all Road Districts throughout the State.
