(Registered 26th May, 1934.)

Between W.A. Branch Australasian Meat Industry Employees' Union Industrial Union of Workers, Perth, and The Honourable Harold Millington, M.L.A., Minister for Agriculture.

THIS Agreement, made in pursuance of "The Industrial Arbitration Act, 1912-1925," this 29th day of March, 1934, between the Hon. Harold Millington, M.L.A., Minister for Agriculture, on behalf of the Government of Western Australia, of the one part, and the West Australian Branch Australasian Meat Industry Employees' Union Industrial Union of Workers, Perth, of the other part, whereby it is agreed by and between the parties as follows:—

1.—Area.

This Agreement shall operate over an area comprised within a radius of thirty miles from the General Post Office, in the City of Perth.

2.—Term.

This Agreement shall operate for a period of two (2) years from its date: Provided that, at any time after the expiration of twelve (12) months from its date, application may be made to the Court for alteration, revision, or amendment by any party or person affected by its provisions relating to hours or wages.

3.

This Agreement shall apply to all workers in the employ of the Minister for Agriculture, or any other Department controlling, employed in or in connection with the Saleyards or Abattoirs under the control of the Minister for Agriculture, or any other Department controlling same, and shall apply to all workers employed in the general maintenance of Abattoirs, Boiling Down and Fertiliser Section, and Saleyards.

4.—Hours.

Forty-four (44) hours shall constitute a week's work—Monday, Tuesday, Wednesday, Thursday, Friday, 8 hours; Saturday 4 hours. Where workers are not required to work on Saturday, the hours may be worked on five days of 8 hours 48 minutes each. No day shall be longer than as prescribed in this clause unless payment is made at overtime rates.

5.—Starting Times.

The starting time shall be 8 a.m. on all days, except in the case of workers employed as cleaners on the slaughter-floor after the day's kill is completed, whose hours can be regulated by mutual consent.

6.—Overtime.

Overtime for all work performed outside the hours prescribed for in Clauses 4 and 5—Overtime shall be paid as follows:—Mondays, Tuesdays, Wednesdays, Thursdays, Fridays, Saturdays, time and a half; Sundays, double time.

7.—Wages.

The minimum rates of wages payable weekly to each worker shall be:—

Basic Wage:—This Agreement is made on a basic wage at the rate of £3 9s. 3d. per week, within a radius of fifteen (15) miles from the General Post Office, Perth, and a basic wage at the rate of £3 9s. 6d. per week for the rest of the area covered by the Agreement.

Margin above Basic Wage,
per week.

Labourer	5/-
Chiller hands	6/-
Chiller tally clerks	10/-
Knocker down	10/-
Tallow man	20/-

8.—Weekly Hands.

The employment shall be weekly, and a week's notice shall be given by either side to terminate engagement; or a week's wages paid in lieu of same; such notice may be given before noon on any day.

(1) This clause shall not affect the right to dismiss for misconduct, and in such case wages shall be paid up to the time of dismissal only.

- (2) The Minister shall be entitled to deduct payment for any time during which the employee cannot be usefully employed through any breakdown of the employer's machinery, or through any stoppage of work by any cause which the employer cannot reasonably prevent.
- (3) No worker shall be entitled to payment for non-attendance, on the ground of personal ill-health, for more than six days during each year of service. Evidence satisfactory to the Minister shall be produced before payment of any wages under this subclause.

9.—Casual Hands.

All or any casual workers starting at any time during the day shall be paid the full rate for the day, and casual rates shall be paid unless the worker shall have been notified by the Departmental foreman before 5 p.m. on the day of engagement that he is to be employed as a permanent hand. Casual workers shall receive 10 per cent. in addition to ordinary wages, based on pro rata per day of wages for the class of work performed.

10.—Definitions.

“Labourer” shall mean any worker not otherwise specified, who is employed doing general maintenance, or cleaning work.

“Knocker Down” shall mean and include workers employed knocking down cattle, and, or, using tools of trade of a slaughterman's labourer, assisting in connection with the killing.

“Tallowman” shall mean one who attends to the digester, boiler, desiccator, or other means adopted to render fat, or produce fertiliser or other manures. This clause only applies to the head man in this Department.

“Chiller Hand” shall mean a worker who handles carcasses in or out of the chiller.

“Chiller Tally Clerk” shall mean workers employed keeping records of slaughtered stock into and out of the chillers.

11.—Mixed Functions.

Any worker called upon to do or performing any work which carries a higher rate of wages shall be paid such higher rate for the day.

12.—First Aid Equipment.

A first aid equipment shall be kept at the place of employment and shall be fully stocked.

13.—Holidays.

The following days shall be observed as close holidays:—New Year's Day, Good Friday, Easter Monday, Labour Day, Butchers' Picnic Day, Christmas Day, and Boxing Day.

When any of the specified holidays shall be observed upon a Sunday, or some other day on which work is not usually carried on, some other day or days shall be substituted in lieu thereof, the same to be mutually arranged to fit in with arrangements as it applies to killing at Abattoirs.

An annual holiday of five (5) consecutive working days on full pay shall be granted to each worker who has completed one year of service, to be taken at the convenience of the Department, within three months of the expiry of each year of service.

A worker who has not completed twelve months of service, and his services are dispensed with, shall be paid holiday pay, in lieu of the annual holiday, at the rate of 1/52nd part of his weekly wages for every week employed.

14.—Time and Wages Book.

A time and wages book shall be kept at the works, where the workers are employed, showing a record of the names of the workers, the classification, the starting and finishing time each day, the wages paid each week and the amount of overtime paid each week. Such time and wages book shall be open for inspection by the secretary of the Meat Industry Employees' Union, or such other person authorised by the President of the Union, during working hours on any day.

20 years to 21 years of age	3	9	0

Not more than one (1) junior shall be employed to every four (4) fully paid workers.

16.—Under-rate Workers.

A worker who by reason of old age or infirmity is unable to earn the minimum rate of wages herein prescribed, may be employed at a lower rate, which shall be agreed upon in writing between the worker and the secretary of the Union. If within seven (7) days after being notified in writing of the worker's desire to work at a lower rate of wage than that prescribed, the said secretary and the worker are unable to agree upon a lower rate, then the worker may apply to the Resident or Police Magistrate within whose Magisterial District the proposed employment will take place to fix such lower rate of wage. The worker shall give such secretary two (2) days' notice in writing of his intention to apply to the Magistrate, and the said secretary or his agent may attend and oppose the application. The Magistrate may fix the rate of wage, and his decision shall be final. Any worker whose wage shall have been so fixed, may work for such lower wage for a period of six (6) calendar months thereafter and the expiration of the said period, until fourteen (14) days' notice in writing shall have been given him by the secretary of the Union requiring his wage to be again fixed in the manner prescribed by this clause.
