List of Officers employed under the Provisions of the Public Service Act
on 1st July, 1934.

NOTE.—The salaries shown are the classified salaries, and are subject to deductions under “The Financial Emergency Acts, 1931-1934.”

The work attached to the position is classified, not the official. Salaries are based on Perth rates. This is in order to create a common basis on which to transfer and promote. The difference in localities is recognised and adjusted by means of “District Allowances.”

The officers throughout this List who served with the Australian Expeditionary Force are marked †. Those who volunteered and were not accepted are marked (v).

LIST OF PERSONS EXEMPT FROM THE PUBLIC SERVICE ACT.

(SECTION 5.)

Unless otherwise expressly provided this Act shall not apply—

to the Judges of the Supreme Court ; or
 any officer of either House of Parliament under the separate control of the President or Speaker, or under their joint control ; or
 the Agent General ; or
 the Auditor General ; or
 the Police Force ; or
 the Teaching Staff of the Education Department ; or
 any officer or person appointed by the Commissioner for Railways under the Government Railways, Act, 1904. or any Act amending the same ; or
 any officer or class of officers to whom or to which, on the recommendation of and for special reasons assigned by the Commissioner, the Governor declares that the provisions of this Act shall not apply.

Title of Office or Nature of Work.	Special reasons assigned on which the Governor in Council declared that the provisions of the Act shall not apply to such persons.	Date of Exemption.
<i>Judges' Associates</i>	If brought under the Act it would be necessary to alter the old established system, which there does not appear to be sufficient good reason to do, viz. : to take away from their Honours the right to appoint their own Associates. An Associate is really the confidential clerk to a Judge.	13-2-06
<i>Bailiffs</i> , when paid by fees	The time of these officers is not fully at the disposal of the Government. The payment made to them is in the nature of a fee for special services rendered, not a salary.	"
<i>Lecturers employed by Lands Department, and Meteorological Telegraphists and Observers</i>	Preceding remarks apply.	"
<i>Teaching Staff of School of Mines and Technical School, except the Director and Secretary of School of Mines, and the Director and Secretary of the Technical School</i>	The Teaching Staff of the Education Department is specially exempted under the Act (Section 5), and the teaching staffs of these two schools should be brought into line.	"
<i>Deputy Mining Registrars</i>	These persons are paid now from £12 to £24 per annum, and the payment is more in the nature of a fee for services rendered than a salary. In some cases the work is done by private individuals.	"
<i>The Employees of all State Batteries and Smelting Works, including Managers, Ore Buyers, and Assayers</i>	The work on which these employees are engaged is of a fluctuating nature. Batteries are liable to be closed down at any time.	"
<i>Land Guides</i>	These guides are appointed as required, and sometimes employed for very short periods.	"
<i>Hotel Managers</i>	These are under special agreement, and the Public Service Act and Regulations could not be made to apply to the requirements of the employment.	"
<i>Compositors, Machinists, Machine Paper Rulers, Bookbinders, Ticket Printers, Stereotypers, Typographical Printers, Photo-Litho. Printers, Litho. Printers, Litho. Machinists, Machine Feeders, Block Mounters, Stone Cleaners, Apprentices, Boundary Riders, Rabblers, Farm Hands and Labourers. Nurserymen, Gardeners, Grooms, Survey Hands, Camp Assistants, Watchmen, Packers, Storemen, Gangers, Working Foremen, Mechanics, Labourers, Engine-drivers, Firemen, Sailors, Boatmen, Signalmen, Bandmasters, Caretakers, Cleaners, Orderlies, Bakers, Pantry-men, Housekeepers, Domestic Servants, Cooks, Laundresses, Wardmaids, Housemaids, Nursemaids, Wardsmen, Yardmen, Quarantine Station Attendants ; also all persons who receive payment for services rendered who are not prohibited from doing private work.</i>	Neither the Act nor the Regulations fit in with the necessities surrounding the employment of this class of Government employees. The Public Service Act and Regulations issued under it may at any time clash with the Industrial Conciliation and Arbitration Act, Clause 107, which reads as follows :— " If any person employed by the Government on daily wages, payable weekly or fortnightly, is a member of any industrial union composed of workers of the same trade as such person, the Minister of the Department in which such person is employed shall, in relation to all such persons who are for the time being members of such union, and for the purposes of this division of this Act, be deemed an employer, and such persons shall be deemed workers." In making this and the foregoing recommendations I have had regard to the following considerations :— (1) Persons whose trade or calling is governed by any recognised trade customs, or who may be affected by the Industrial Conciliation and Arbitration Act. (2) Persons who by reason of their being in the Government Service are doing work which will unfit them for carrying on their occupations in the ordinary avenues of employment offering outside the Government Service. (3) The overtime payment under the regulations would not be considered at all adequate to compositors and others, and would clash probably with trade custom and the Arbitration Act. On the other hand it is reasonable for the class of officers to which the Regulations apply ; the nature of their work is different, and they have other privileges.	"

LIST OF PERSONS EXEMPT FROM THE PUBLIC SERVICE ACT—continued.

Title of Office or Nature of Work.	Special reasons assigned on which the Governor in Council declared that the provisions of the Act shall not apply to such persons.	Date of Exemption.
<i>District Medical Officers</i> (except where their whole time is at disposal of the State)	The services of District Medical Officers are not wholly at the command of the Government, such officials having the right of private practice, and to dispose of their time as they may think proper, subject to duties being done for which they are paid a retaining fee or salary. Neither the Public Service Act, nor the regulations framed under it, contemplate such officials being placed under their limitations or qualifying for long service leave and other privileges	11-10-05
<i>Nurses (except Matrons), Male and Female Attendants (except Matrons) in Lunatic Asylums, Warders, Matrons, and Gaolers engaged in Gaols and Prisons</i>	Neither the Act nor the Regulations fit in with the requirements surrounding the work of these Government employees, and they can be dealt with to greater advantage by special departmental regulations	8-8-06
<i>Officers in the Agent General's Office, London, classified at or in receipt of a salary of £250 per annum and under</i>	It would not be an economical arrangement for the State to recruit or promote under the provisions of the Public Service Act the minor officials employed in London	31-7-07
<i>Butchers, Shopmen, Stockmen, Slaughtering Supervisors, Employees at Government Abattoirs and Saleyards other than Clerical and Professional</i>	Owing to the casual nature of the employment, it is desirable that the power of appointment and dismissal should be vested in the Controller of Abattoirs	8-7-13
<i>Timekeepers</i>	The nature of their work is not such as is contemplated by the Act and Regulations.	12-5-13
<i>Employees of the South Perth Ferry Service</i> ...	Do. do. do.	29-7-14
<i>Fishermen employed by the State Fish Supply</i> ...	Do. do. do.	3-2-15
<i>Wharfingers and Tally Clerks</i>	The nature of their duties is not such as is contemplated by the Act and Regulations	18-6-19
<i>Cadets</i>	These officers are appointed under special conditions which are not covered by the Public Service Act and Regulations	23-6-20
<i>Agent General's Office Staff</i> (excepting Executive Officers and those especially appointed under the Public Service Act)	It would not be an economical arrangement for the minor officials of the London Office to be recruited and promoted under the provisions of the Public Service Act	25-8-20
<i>Secretary, Police Department</i>	In order that the office might be brought under the jurisdiction of the Police Act to secure the maximum efficiency in the administration of the Police Department	24-11-20
<i>Matrons, Government Hospitals</i>	In order that the whole of the Nursing Staff of the Government Hospitals (General) should be under the direct control of the Principal Medical Officer	8-12-20
<i>Field Staff, Forestry Department</i>	In order that these officers might be brought under the jurisdiction of the Forestry Act to secure more efficient administration	31-12-20
<i>Matrons of the Old Men's Home, Women's Home, and Wooroloo Sanatorium</i>	In order that the whole of the Nursing Staff of these Institutions might be under the direct control of the Principal Medical Officer	2-11-21
<i>Officers or Employees of the following Trading Concerns:—State Saw Mills, Wyndham Meat Works, State Shipping Service, State Implement Works—</i> with the exception of the officers employed thereon who are on the Permanent Staff under the Public Service Act, the General Manager of the State Saw Mills, the General and Assistant Managers Wyndham Meat Works, and those Officers of the State Shipping Service who were appointed prior to 1st November, 1919	For many years these officers have been paid wages at Award rates or rates fixed by Industrial Awards or Agreements or at special rates	1-11-33
