Kalgoorlie Cemetery By-laws.

Department of Lands and Surveys,
5246/96, Vol. 3. Perth, 26th September, 1934.

HIS Excellency the Lieutenant-Governor in Executive Council has been pleased to approve of the following By-laws for the Control and Management of the Kalgoorlie Public Cemetery in lieu of those previously gazetted, which are hereby cancelled.

W. P. ODELL,
Under Secretary for Lands.

KALGOORLIE GENERAL CEMETERY

(Town Lots 768-769-1367).

By-laws.

In pursuance of the powers vested in them, the Trustees of the Kalgoorlie General Cemetery make the following By-laws (that is to say):—

1. That all applications for interment shall be made to the Secretary of the Trustees, and six working hours' notice shall be given to the officiating Minister of Religion and the sexton prior to the time fixed for the burial, otherwise an extra charge shall be made.

2. The name of the deceased, age, and other particulars mentioned in Schedule "C" shall be furnished when giving the order, and no burial shall be permitted without such order.

3. Prior to conducting any interment within the Cemetery or making use of the Cemetery for any purpose connected with interments, every undertaker shall pay to the Trustees an annual fee of 10s. 6d., and shall at the time of making such payment, give, if required, his assent in writing to such conditions as the Trustees may deem fit to impose. Upon such assent being given and payment of the fee made, he shall receive a "Permit," to hold good during good behaviour and until the first day of July following, and unless in the possession of such a "Permit" no undertaker shall be allowed to engage in or carry out any duty or work within the Cemetery.

4. The Trustees shall cause all ordinary graves to be dug, but any person desiring to construct a brick grave or vault shall be permitted to construct the same, under the direction of the Secretary or Surveyor, on payment of the required fees, and every coffin placed therein shall be bricked-in, cemented, and made and kept air-tight.

5. Every coffin shall have upon the lid an approved metal plate, bearing the name of the deceased stamped or otherwise indelibly inscribed in legible characters thereon. No coffin not complying with this By-law shall be admitted to or be interred in the Cemetery, except where so ordered by the Coroner or other authority.

6. That every grave shall be at least six feet deep, except those used for the burial of infants, which the Trustees may allow to be of lesser depth; but no interment shall be allowed in any grave with a less depth than three feet from the top of the coffin to the original surface of the ground.

7. That, in the case of application for interment in any private grave or vault to which during life the deceased person had no claim, the written consent of the owner shall be given with application or other satisfactory evidence that the person desiring to bury therein is entitled to do so.

8. The hours for burials shall be as follows:—

Week days:—September to April inclusive, 9 a.m. to 6 p.m.; May to August inclusive, 9 a.m. to 5 p.m.

Sundays:—Throughout the year from 9 to 10 a.m. and from 12 noon to 5 p.m.

9. That no burial shall be allowed to take place before or after the hours above-mentioned except by special permission and upon payment of the fee for burials "not in the usual hours."

10. That the time stated in the order for burial (Schedule C) shall be the time when the funeral is to be at the Cemetery and the same shall be punctually observed.

11. That every funeral shall enter by the principal entrance and thence follow the sexton to the grave. No bicycle, velocipede, carriage or vehicle except hearses and mourning-coaches, shall be permitted to pass the said entrance. Horses shall not be driven faster than at a walking pace, and no horse or other animal shall be ridden in the Cemetery.

12. That the Trustees shall not (except in very exceptional cases) permit the removal of any corpse from any grave for re-interment in this or any other Cemetery, and before such exceptional case be dealt with by the Trustees, a written application, setting forth the reasons for the proposed removal of such corpse, and verified by a statutory declaration, shall be produced by the nearest available representative of the deceased; and, in the event of such application being granted, the permission of the Governor (except where the re-interment takes place in this Cemetery), in addition to the permission of the Trustees, shall be obtained. If found necessary, the coffin shall be enclosed in a second and air-tight wooden or leaden coffin prior to removal.

13. That any person desiring ground in the Cemetery for a private grave, vault, tomb, monument, cenotaph, tombstone, railing, wall, or for any other purpose, shall apply to the Trustees therefor. If approved, the Trustees, on payment of the required fee, shall issue to such person so applying, a Certificate of Right of Burial in the form specified in Schedule B.

14. Any person desiring to place or erect any monument, tombstone, or enclosure in any part of the Cemetery shall, before obtaining permission to do so, submit a plan of such monument, tombstone or enclosure, and specify the materials of which it is to be composed, to the Trustees, and shall obtain such permission in writing before proceeding with the work in the form of Schedule D.

15. That no catacomb shall be allowed.

16. And every person who shall place or erect any monument, tombstone, or enclosure upon any grave, the exclusive right of which has not been obtained, shall keep the same in repair; and if, after receiving one month's notice in writing from the Trustees, such repairs are not executed, then the Trustees may order such monument, etc., to be removed.

17. Every person who has the exclusive right of burial in any grave shall keep such grave, and any erection or construction thereon, in proper repair; and, if after re-

ceiving notice in writing from the Trustees requiring such repairs to be executed, shall fail so to do, then, after the expiration of twenty-eight days, the Trustees may cause such repairs to be executed, and may recover the cost thereof from such person in a summary way before two Justices in Petty Sessions.

18. That no erection of an estimated value of ten pounds (£10) or over will be permitted until a certificate of right of burial shall have first been had and obtained.

19. That every erection shall be placed upon proper and substantial foundations, and, if required by the Trustees, shall extend to the bottom of the grave. All refuse, rubbish, or material remaining after any work is completed shall be removed from the Cemetery at once, by and at the expense of the person causing the same.

20. All materials required in the making, repairing, or completion of any work shall, as far as possible, be prepared before being taken into the Cemetery, and shall be subject to the approval of the Secretary or Surveyor. Any material rejected shall be immediately removed from the Cemetery by the Contractor concerned.

21. Monumental masons and other tradesmen shall, before commencing any work within the Cemetery, deposit with the Secretary to the Trustees the sum of ten shillings, which shall be forfeited if the provisions of either of the two preceding By-laws be not complied with to the satisfaction of the Secretary or Surveyor.

22. Any person taking part in dressing or attending to any grave shall comply with the following rules, namely:—

(1) That no rubbish or any other material removed in dressing a grave shall be placed on any other grave or pathway, and, if placed on any adjoining ground, shall be removed immediately after the completion of the work.

(2) That no loam shall be taken from any portion of the Cemetery for the purpose of dressing any grave.

(3) That no grave shall be dressed in wet weather, except by special permission of the surveyor, nor shall any materials be wheeled or carted along any path or road while the surface is soft with rain or otherwise. Work in all cases must be carried on with due despatch, and only during regulation hours.

(4) That monumental masons, grave-dressers or grave-decorators shall not be permitted to carry on work in the Cemetery during other than the hours of from 8 a.m. to 5 p.m. week days, Saturdays and Sundays excepted, when no work is to be done from noon Saturday till 8 a.m. on the Monday morning, without the written permission of the Secretary or Surveyor.

23. Licenses for grave dressing or decorating may be issued by the Trustees in the form contained in Schedule E; such license to be renewed annually in the month of July.

24. That any workman or other employee, whether employed by the Trustees or by any other person, shall at all times, while in the Cemetery, be subject to the supervision, direction, and control of the Surveyor, and shall obey all such directions, and shall be removable from the Cemetery upon any breach of the By-laws, or any refusal or neglect to comply with or obey any such directions.

25. That no child under the age of fourteen years shall be admitted into the Cemetery, except in charge of a responsible person.

26. That no smoking shall be allowed within the Cemetery, nor shall any explosives be discharged therein, except by special permission.

27. That every driver of a hearse, mourning-coach, or other vehicle, and every pedestrian shall keep strictly to the roads and pathways as laid out for vehicles and pedestrians respectively, and vehicles shall only be turned at points where provision for so doing is made.

28. That no animals other than horses drawing hearses or mourning-coaches shall be permitted to enter the Cemetery, except by permission.

29. That no person in the Cemetery or its approaches shall commit any nuisance or trespass, or be guilty of any breach of decorum, or cut, pluck, gather or take out of the Cemetery any flower, plant, shrub or tree, or any part thereof, or do any injury whatsoever thereto or to any plot, border railing, fence or any erection or road, or remove or interfere in any way with anything laid,

built or placed on or in any grave or burying place; and any person or persons so offending may be proceeded against in accordance with the Act.

30. That no person shall promote or advertise or carry on within the Cemetery or its approaches any trade, business, or calling, either by solicitation, distribution of circulars or cards or otherwise, or by any other system of advertisement whatever.

31. That any person committing any breach of any of these By-laws shall thereupon be forthwith removable from the Cemetery by the Trustees or Secretary or Surveyor, and shall be treated as a trespasser, and may be proceeded against accordingly, in addition to any other proceedings or penalties to which such person may be subject.

32. That licenses to undertakers, monumental masons, grave-dressers, or grave-decorators, and licenses for various purposes not otherwise provided for, may be issued by the Trustees in the form set out in Schedule E.
