RURAL RELIEF FUND ACT, 1935.

Application for Stay Order.

I,, of, in the State of Western Australia, farmer, do hereby apply for a stay order under the provisions of Section six of "The Rural Relief Fund Act, 1935."

My reason for making this application is that on theday of, 19 .., I called a meeting of my creditors under "The Farmers' Debts Adjustment Act, 1930-1935," for the purpose of considering a proposition put forward by me for the writing down or suspension or both the writing down and suspension of my

debts, and after consideration by the creditors no effective resolution was passed agreeing to the scheme. The scheme put forward was as follows:—

The scheme put forward by me was a reasonable scheme, and if it had been passed I contend that I would have been able to carry on my business successfully.

Annexed hereto is a statement showing my financial position.

I desire to obtain a stay order for the purpose of preventing all my creditors from taking any of the actions or proceedings against me as set out in "The Farmers' Debts Adjustment Act, 1930-1935."

(Where the stay order is only against certain creditors cross out the foregoing and leave the following:—)

I desire to obtain a stay order against the following creditors, whose debts are stated hereunder:—

These creditors are, I contend, making unreasonable demands against me and I would, if their debts were stayed under the Act, have a reasonable chance of carrying on my business successfully and/or of making a satisfactory arrangement with the rest of my creditors.

Under Secretary for Law.

To His Excellency the Governor of the State of Western Australia:

WE, the undersigned, being the electors living in an area comprised within a circle having a radius of forty chains from the centre of all those pieces of land, being portion of Canning Location 105, and being part of the land described in Certificate of Title registered Vol. 1008, Fol. 132, and having a frontage of 195 feet or thereabouts to Perth-Albany road by a depth of 324 feet or thereabouts to Cecil avenue, at Queen's Park, in the said State of Western Australia, within the Licensing District of Canning, do hereby humbly Petition that the Licensing Court may have authority to grant a new Publican's General License at Queen's Park aforesaid within the said Licensing District.

And your Petitioners humbly submit as follows:—

1. That they constitute a majority in number of the electors living in the said defined area.

2. That there has been an increase of population in such area and that such increase is likely to be permanent.

3. That there are insufficient licensed premises to meet the public requirements within such area.

And your Petitioners as in duty bound humbly pray that Your Excellency may be pleased to refer this Petition for inquiry by the Licenses Reduction Board under the provisions of "The Licensing Act, 1911-1922" (Section 47, Subsection 2).

INDUSTRIAL AGREEMENT.

No. 1 of 1936.

(Registered 11-1-1936.)

Nurses' Association—Long Service Leave.

THIS Agreement, made in pursuance of "The Industrial Arbitration Act, 1912-1935," this Thirteenth day of December, 1935, between the Minister of Public Health, the Minister for Employment, and the Chief Secretary, on behalf of the Government of the State of Western Australia (hereinafter referred to as the "Ministers"), of the one part, and the Western Australian Nurses' Association Industrial Union of Workers, Perth (hereinafter referred to as the "Union"), of the other part: Whereby it is mutually agreed by and between the parties hereto as follows:—

1. All full time workers after serving the Ministers continuously for ten or more years after attaining the age of eighteen years will be entitled, subject to the following conditions, to three months' long service leave on full pay, to be granted at the convenience of the Minister.

In regard to workers engaged at the date of this Agreement at the Perth (Public) Hospital and the Fremantle Public Hospital, their continuous service as from the 17th day of February, One thousand nine hundred and thirty-one, shall be deemed "service" for the purposes of this Agreement.

2. Workers will be similarly entitled to a further period of three months' long service leave for the subsequent ten years' continuous service, and to a further period of three months for seven years' subsequent continuous service, and thereafter to a further period of three months' long service leave in respect of each seven years' subsequent continuous service. The words "continuous service" do not include the period during which a worker is on long service leave or any period exceeding two weeks a worker is absent without pay.

3. The qualifying period for the second grant of long service leave to wages workers having more than ten years' continuous service on the first January, One thousand nine hundred and twenty-seven, will, without regard to the grant of the first period of such leave, commence as follows:—

To workers of twenty-eight years' service or over on 1st January, 1927—1st January, 1927.

To workers of twenty-two years' service and of less than twenty-eight years' service on 1st January, 1927—1st July, 1927.

To workers of sixteen years' service and of less than twenty-two years' service on 1st January, 1927—1st July, 1928.

To workers of thirteen years' service and of less than sixteen years' service on 1st January, 1927—1st July, 1929.

To workers of ten years' service and of less than thirteen years' service on 1st January, 1927—1st January, 1930.

To workers of less than ten years' service on 1st January, 1927, but who have completed ten years' service by 1st July, 1930—1st July, 1930.

4. Public holidays occurring during the period in which a worker is on long service leave will be calculated as portion of the long service leave, and extra days in lieu thereof will not be granted.

5. Long service leave is granted solely for recuperative purposes. During long service leave no worker shall undertake, without the written consent of the Minister, any form of employment for hire or reward. Contravention of this condition will be followed by dismissal.

6. A worker dismissed from the Service shall not be entitled to payment in respect of long service leave, unless three months' leave was actually due at the date of

the offence for which she was dismissed. Payment in such cases shall not exceed the equivalent of three months' leave.

7. Workers may be paid their salary in advance, at their permanent classified rate of pay, for a period equivalent to the leave taken.

8. Any worker who is eligible for three months' long service leave and who resigns, or is retired from the service, shall be paid for such long service leave due.

9. A worker who retires at or over the age of 60, or who is retired on account of incapacity due to old age, or through ill-health, and who has served continuously for at least twelve months next before such retirement, shall be paid for long service leave *pro rata* to date of retirement.

10. If a deceased worker who had served continuously for at least twelve months next before her death leaves dependant children, dependant mother, dependant invalid sister, dependant invalid husband, dependant invalid father, or dependant invalid brother, payment *pro rata* of long service leave accrued in respect of service up to date of such worker's death shall be granted to such dependants, in such manner as the Minister shall decide.

11. District allowances will not be paid during the period of long service leave, except when the worker or above-mentioned dependants of the worker remain in the District.

12. Whenever possible, not less than one month's notice will be given each worker prior to the date on which her long service leave is to commence.

13. This Agreement shall apply to workers employed by the Ministers in Government Hospitals and Institutions, and shall operate over the whole of the State of Western Australia.

14. The term of this Agreement shall be three years from date hereof.
