## IN THE COURT OF ARBITRATION OF WESTERN AUSTRALIA.

No. 13 of 1935.

Between Australian Workers Union Westralian Branch Forestry Workers' Industrial Union of Workers, Perth, Applicant, and the Conservator of Forests, Perth, Respondent.

THE Court of Arbitration of Western Australia doth hereby make the following Award in connection with the industrial dispute between the abovenamed parties:—

## AWARD.

*Part I.—Overseers.*

## 1.—Area and Application.

This Part of the Award shall apply to workers employed in the capacity of overseers by the Forests Department throughout the South-West Land Division of Western Australia.

## 2.—Payment of Fares.

(a) An overseer shall be paid by the Department his railway and other transport fares, or the Department shall provide transport free of charge from place of engagement to the place of work.

(b) When an overseer is transferred to suit the convenience or in the interests of the Department, the actual reasonable cost of conveyance of such overseer, as well as that of his wife and children dependent upon him, shall be paid by the Department.

In addition, the cost of transferring necessary household furniture and effects up to a maximum of fifteen pounds (£15) shall be paid by the Department, subject to the production of satisfactory evidence in support of the amount claimed.

## 3.—Accidents, Transportation, etc.

In cases of accident the Department shall pay the railway and any other transportation fare of the injured overseer to the nearest hospital town: Provided that, when it is deemed necessary by the officer in charge that an attendant shall accompany an injured person, the Department shall not only pay the attendant's transportation fare but also pay such attendant's wages, not exceeding eight (8) hours per day, for the actual time occupied on the journey.

## 4.—Hours of Labour.

Subject to the provisions hereinafter contained forty-four (44) hours shall constitute a week's work. The ordinary working hours shall be as follow:—Monday to Friday inclusive, from 8 a.m. to noon and 1 p.m. to 5 p.m. Saturday, 8 a.m. to noon.

## 5.—Overtime.

(a) The weekly wage hereinafter provided is an inclusive rate and no overtime other than payment for fire service shall be paid.

(b) Fire Service:—(i) During the fire season an overseer, if so required, shall remain on his block or plantation, to be available for patrol or fire fighting during the week-end.

(ii) When fire service involves more than one hour's work outside the ordinary working hours specified in Clause 4, an overseer shall be paid at the rate of Two shillings and sixpence (2s. 6d.) per hour for such period in excess of one hour.

## 6.—Holidays.

(a) Upon completion of twelve (12) months' continuous service, an overseer shall be entitled to two (2) weeks' recreation leave on full pay.

(b) In the case of an overseer who is required under Clause 5 (b) to remain on his block or plantation during the fire season, leave on full pay shall be allowed at the rate of half a day for each week-end or portion thereof.

(c) For any lesser period than twelve (12) months, as mentioned in Subclause (a) of this clause leave on full pay shall be granted *pro rata* to the leave mentioned in the said Subclause (a): Provided that no leave shall be due until one month's continuous service shall have been completed. And provided further, that an overseer who shall have served during the fire season shall be entitled thereby to the extra leave referred to in Subclause (b) of this clause if he shall have completed the full fire season, or to the relative proportion of such leave, if he has served more than one month continuously during the fire season.

## 7.—Delivery of Stores.

The Department shall make provision for the delivery of stores at reasonable intervals, and shall provide potable water.

## 8.—Tools.

All tools required for the performance of the work shall be provided by the Department, and such tools shall be satisfactorily accounted for when required.

## 9.—Wages.

Basic wage:—£3 10s. 6d. and £3 11s. 2d. per week (according to District).

An overseer shall receive a margin of twenty-five shillings (25s.) per week over the basic wage.

## 10.—Contract of Service.

(a) The employment of overseers is terminable on either side by one week's notice given on any day.

(b) If an overseer absents himself from duty without reasonable cause, a sum proportionate to his time of absence may be deducted from his pay.

(c) An overseer shall not be entitled to payment for non-attendance on the grounds of *bona fide* personal ill-health for more than six (6) days each year of service. Such sick leave shall only be granted on production of a medical certificate or other evidence satisfactory to the Conservator.

(d) Nothing contained in this clause shall affect the right to dismiss for misconduct.

#### 11.—Camping Allowance.

An overseer who is obliged to live in a tent at or near the works on which he is engaged shall receive a camping allowance at the rate of five shillings and threepence (5s. 3d.) per week.

#### 12.—Rent.

Existing customs regarding rent of cottage shall continue.

#### 13.—Long Service Leave.

The conditions governing long service leave to Government wages' workers generally shall be deemed to be embodied in this Award.

#### 14.—Board of Reference.

The parties agree that a Board of Reference shall be appointed. Such Board shall consist of a Chairman and two (2) members, one nominated by the Conservator and the other by the Union. The Chairman shall be some person agreed upon by the parties, but if the parties are unable to agree upon an appointment, they hereby agree to accept any person nominated by the Court of Arbitration. There are assigned to such Board, in the event of no agreement being arrived at between the parties, the functions of:—

- (i) adjusting any matters of difference which may arise between the parties from time to time, except such as involve interpretations of the provisions of the Award or any of them;
- (ii) classifying and fixing wages and conditions for any occupation or calling not specifically mentioned in the Award;
- (iii) deciding any other matter the Court may refer to such Board from time to time.
- (iv) An appeal shall lie from any decision of such Board, in the manner and subject to the conditions prescribed in the Regulations to "The Industrial Arbitration Act, 1912-1935."

#### 15.—Term.

This Award shall have a currency of three (3) years from date hereof: Provided that, after the first year's operations, it will be permissible for either party, on giving one month's notice in writing, to apply for variation or amendment of the rates, conditions, or classifications.

#### 16.—Preference.

Preference shall be given to unionists with regard to employment.

### Part II.—General Workers.

#### 17.—Interpretations.

For the purpose of this Award the following words shall have the meanings set against them:—

- (a) "Officer-in-charge" shall mean any person appointed by the Conservator to take charge of any working circle, plantation, or other work.
- (b) "Department" shall mean the Forests Department of the Western Australian Government.
- (c) "Casual" shall mean one for whom work over a period of twelve (12) consecutive working days, not counting holidays, is not provided by the employer. Casual workers shall be paid ten per cent. (10 per cent.) over the rate provided by this Award for the particular worker's occupation. This subclause shall not apply to regular part-time or rationed work.

#### 18.—Area and Application.

This Award shall apply to workers employed by the Department on classes of work, enumerated hereinafter, throughout the South-West Land Division of the State.

#### 19.—Payment of Fares.

The Department shall pay railway and other transport fares, or shall provide transport free of charge from the place of engagement to the place of work: Provided that, in the event of any worker leaving the work on his own accord, or being dismissed on account of misconduct or unsatisfactory work within six (6) weeks of time of engagement, the amount of fare may be deducted from any amounts due to such worker at the time of dismissal.

#### 20.—Accidents, Transportation, etc.

In cases of accident the Department shall pay the railway and any other transportation fare of the injured worker to the nearest hospital town: Provided that, when it is deemed necessary by the Officer-in-charge that an attendant shall accompany an injured worker, the Department shall not only pay the attendant the transportation fare, but also pay such attendant's wages, not exceeding eight (8) hours per day, for the actual time occupied on the journey.

#### 21.—Payment of Wages.

Workers, when discharged or who resign during or on completion of the work, shall be paid wages due by cash or cash order, and, as far as practicable, the wages shall be paid at the particular place where such worker has been working. In the event of the paying officer residing at District Headquarters, the worker shall be paid within twenty-four (24) hours from the time he reports to the District Forester or other paying officer at District Headquarters, and for all working time during which workers are kept waiting for their wages beyond such twenty-four (24) hours they shall be paid at ordinary rates.

#### 22.—Hours.

(a) Forty-four (44) hours shall constitute a week's work. The ordinary working hours shall be as follows:—Monday to Friday inclusive, from 8 a.m. to noon and 1 p.m. to 5 p.m.; Saturday, 8 a.m. to noon, except in the case of "top disposal" workers, whose hours shall be forty-four (44) per week.

(b) In classification and topographical survey camps, the time worked shall not exceed forty-four (44) hours in any one week or ten (10) hours in any one day. Time worked in excess of these hours shall be deemed overtime and rates paid in accordance with Clause 23 (a) hereof.

#### 23.—Overtime.

(a) Except where otherwise expressly stated in this Award, all time worked outside of or in excess of the usual hours shall be paid for the first four (4) hours after the usual stopping time, time and a half, and thereafter double time: Provided that workers called to start work within one hour and a half of the usual starting time shall be paid at time and a half until the usual starting time. Double time shall be paid for work required to be done on Sunday, Labour Day, Christmas Day and Good Friday.

(b) Notwithstanding any provisions contained in Clauses 22 and 23, any worker may be called upon to carry out or assist in controlled burning, burning of hazards, burning of felled or treated country, fire-fighting or counter-firing at any time, and the conditions governing such fire service shall be as follows:—

- (i) During the recognised working hours set out in Clause 22, no additional remuneration shall be paid for fire service, but the worker shall receive the rate fixed for the class of work on which he was engaged when taken off to carry out necessary fire control work.
- (ii) With the exception of men engaged on "top disposal" work, fire service outside ordinary hours shall be paid for at the rate of two shillings and sixpence (2s. 6d.) per hour. If circumstances beyond the control of the Department render it necessary for a worker to be on the job for a period of more than twelve (12) hours in any one day, such worker shall not be entitled to work until after the mid-day meal hour on the following day.
- (c) Standing Patrol on Week-ends:—During the fire season any worker may be called upon to act as standing patrol during the week-end, and for such service he shall be credited with twelve (12) hours towards his week's work of forty-four (44) hours: Provided:—

- (i) that the worker's regular rate of pay shall apply to the time booked as standing patrol;
- (ii) that he shall receive an additional amount of ten shillings (10s.) for each such week-end;
- (iii) that, if required for fire service outside hours corresponding to ordinary working hours in a week day (namely, 8 a.m. to 5 p.m., or 8 a.m. to noon, or as the case may be), he shall receive two shillings and sixpence (2s. 6d.) per hour for such time as provided by Clause 23 (b) (ii).
- (iv) that no worker shall be required by the Conservator to act as standing patrol for more than one week-end in each four (4).

## 24.—Holidays.

A worker, after one month's continuous service, shall receive, inclusive of all public holidays taken, holiday pay equivalent to one day's pay of eight (8) hours for each month of continuous service, and the portion of a day's pay for a broken period of a month, including any Sundays occurring in such broken period, calculated on the basis of the days in the month in which payment is made. Absence from work for any of the following reasons shall not break continuity of service, and the periods shall be considered as service for the purpose of this clause only:—

- (a) Inclemency of the weather, provided the worker is ready and willing to work if called upon.
- (b) Leave granted by the Officer-in-charge on account of illness, or special necessity, up to a period not exceeding six (6) days in any one year.
- (c) Periods occupied in proceeding from job to job as provided in Clause 27 of this Award.
- (d) Absence up to one month whilst in receipt of payment under the Workers' Compensation Act owing to an accident incurred at work.

## 25.—Wet Places.

Workers while working in wet places shall be paid one shilling (1s.) per day in addition to the rate prescribed.

"Wet places" shall mean places where the water is over the workers' ankles or where, in performing the work, the splashing of the water and mud saturates their clothing, or where protection is not provided to prevent splashing, or the dripping is sufficient to saturate their clothing. The Officer-in-Charge shall decide whether the place is a "wet place" within the meaning of this clause.

## 26.—Walking Time.

Workers shall be paid at ordinary rates for time occupied in walking from camp or residence to work: Provided that time so allowed shall not exceed twenty (20) minutes per mile: Provided also, that when the distance exceeds two (2) miles a similar allowance shall be allowed for the distance in excess of the two (2) miles for return to camp or residence.

## 27.—Payment for Pitching, Striking, and Removing Camp.

(a) For workers starting work for the first time the Department shall have the camp-site cleared and tents pitched before workers arrive on the job; failing this, workers shall be paid at ordinary rates for the actual time taken to erect the camps.

(b) When it is necessary to shift a man or gang of men from one camp site to another within the same District, the Department shall have the new camp site cleared and tent poles cut in advance, and shall provide transport at a time which will allow workers concerned to shift camp without any loss of working time. Should any of such workers be required to perform work incidental to the foregoing they shall be paid for same at ordinary rates.

(c) When a worker on a work is paid off and is offered and accepts re-engagement in another District, he shall be paid for ordinary working hours in getting to the new work: Provided that the total payment in any such instance shall not exceed eight (8) hours at the rate he was receiving at the time he finished the old job: And, further provided, that the worker shall travel to the new work as directed by the Department.

(d) For the purpose of this clause "camp" means a tent with fly properly erected and drained, together with a stretcher or bed usually known as a bush bunk.

## 28.—Medical Chest.

The Department shall provide an efficiently equipped medicine chest at District Headquarters and any Block Headquarters where more than ten (10) men are employed on the block. A small first-aid cabinet shall be kept readily accessible at places where work is proceeding.

## 29.—Delivery of Stores and Water.

The Department shall make provision for the delivery of stores at reasonable intervals and shall provide potable water for workers.

## 30.—Tools.

All tools required for the performance of the work shall be provided by the Department, and such tools shall be satisfactorily accounted for when required, failing which the value of any missing equipment, less a fair depreciation allowance, may be deducted from the wages of the worker concerned.

## 31.—Accommodation.

(a) Where workers in the performance of their work have to camp out, the Department shall supply sufficient hut or tent accommodation on each work to properly house the men employed.

(c) Every such ranch shall have a committee of management appointed by the workers whose names shall be notified from time to time to the Officer-in-charge of the particular work, and such committee shall be personally responsible for the loss or damage to any of the articles supplied to the ranch by the Department, fair wear and tear excepted, and the committee shall return them.

## 33.—Mixed Functions.

(a) Any worker carrying out work classified at a higher minimum than his ordinary rate for two (2) hours in any shift shall be paid at the minimum rate for such work for the whole of that shift: Provided that such minimum is not lower than such worker's regular rate of pay. If he be employed for less than two (2) hours at work classified at a higher minimum than his ordinary rate, he shall be paid his ordinary rate for the whole shift.

(b) A worker's regular rate of pay shall not be reduced whilst he is temporarily employed at work classified with a lower minimum, owing to shortage of material occasioned by the Department's default, or for any other cause within the control of the Department.

## 34.—Waterbags.

The Department shall provide a sufficient number of waterbags for each camp, where work is proceeding, for the use of the workers. If such waterbags be removed by the worker from the camp to his place of work he shall satisfactorily account for same when required, or the value thereof, less a fair depreciation allowance, may be deducted from his wages.

## 35.—Waterproofs.

Where the Department requires workers to work in the rain or on coppice cleaning or thinning small sapling stands during the winter months, the Department shall provide suitable waterproof jackets free of charge. Such waterproof jacket shall remain the property of the Department.

## 36.—Camp Allowance.

Where workers are required to live in a tent at or in the neighbourhood of the job, an allowance at the rate of five shillings and threepence (5s. 3d.) per week will be paid.

## 37.—Piecework.

(a) The rate of payment for any system of piecework shall be fixed on the basis that it shall be sufficient to yield to a worker of average capacity for a full week's work of the ordinary hours at least ten per cent. (10 per cent.) above the minimum time rate of pay as prescribed herein for such week's work: Provided that, where a worker works part of a full week at piecework rates and part at time rates, he shall be paid so much as he is entitled to receive under such piecework rates, plus the proportionate amount which he is entitled to receive under this Award at time rates of pay.

(b) All disputes between the Department and worker, or between the Department and the Union, as to any matters relating to payment by results, including any question as to whether the rates or prices are properly based on the capacity of an average workman, and as to the extension of any system of payment by results by the Department to workers shall, in default of agreement between the Department and the Union, be referred to the Board of Reference.

## 38.—Lookout Man.

Any worker detailed for work on lookout tower shall receive a margin of seventeen shillings and sixpence (17s. 6d.) over the basic wage, exclusive of camp allowance, for a week of seven days, including payment for any overtime worked. A worker shall not be required to serve two (2) consecutive lookout periods of seven (7) days, unless he so desires. On completion of a seven (7) day period, a worker shall be allowed, if he so desires, to take out one day's leave without pay.

## 39.—Theodolite Survey Camp.

The Chairman shall be some person agreed upon by the parties, but if the parties are unable to agree upon an appointment, they hereby agree to accept any person nominated by the Court of Arbitration. There are assigned to such Board, in the event of no agreement being arrived at between the parties, the functions of:—

- (iv) An appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the Regulations to "The Industrial Arbitration Act, 1912-1935."

## 42.—Term.

This Award shall have a currency of three (3) years from date hereof: Provided that, after the first year's operations, it will be permissible for either party, on giving one month's notice in writing, to apply for a variation or amendment of the rates, conditions, or classifications.

## 43.—Contract of Service.

(a) The rate of pay is fixed on a weekly basis, subject to the following conditions, namely:—That if in the case of any worker for any reason whatever during any portion of the working hours of any week no work is available or performed, the worker will only be paid for the time actually worked at the rate of pay as above prescribed (per week of forty-four (44) hours) apportioned to the time actually worked during the week.
