J. A. KLEIN,
Director of Education.

APPENDIX IV.

Government University Exhibitions.

1. Ten Exhibitions, to be held at the University of Western Australia, shall be open for competition to any boy or girl under the age of 19 years on the first day of December in the year in which the examination is held, who shall have been a resident in the State of Western Australia for a period of one year at least previous to the holding of the examination provided for by these regulations.

2. (a) The said Exhibitions shall be tenable for a period of three years and shall each be of the value of £32 per annum, in the case of students who are able to live at home while attending the University, and of £48 per annum, in the case of students who are obliged to live away from home in order to attend the University. The Hon. the Minister for Education shall be the sole judge if there is any question as to the necessity for a student's living away from home.

Payment of the Exhibition and living away from home allowance will only be made where the income of the parents is less than £450 per annum, or if there are more dependants (including the parents) than six, an additional £75 per annum income will be allowed for each dependant over and above six. The continuance of this allowance will come up for review at the beginning of each year.

(b) An Exhibitioner who is proceeding to an Honours Degree in Arts or Science, or to a Diploma in Education, may have his or her Exhibition prolonged for a fourth year, if the results of his or her three years' work are thoroughly satisfactory.

(c) An Exhibition held by a Law student may be prolonged for a fourth year, if the results of his or her three years' work are thoroughly satisfactory.

(d) An Exhibition held by an Engineering student may be prolonged for a fourth year, if the results of his three years' work are thoroughly satisfactory, and for the first and second terms of a fifth year, if his fourth year's work is thoroughly satisfactory.

(e) An Exhibitioner who desires to study Medicine may be granted permission to hold his or her Exhibition at some other approved University; provided that he or she has passed those examinations in the University of Western Australia which are accepted by the other University in question, as exempting him or her from a part of the course in Medicine. His or her Exhibition may be prolonged for a fourth year, if the results of his or her third year's work are thoroughly satisfactory; for a fifth year, if his or her fourth year's work is thoroughly satisfactory; and for a sixth year, if his or her fifth year's work is thoroughly satisfactory.

(f) Special permission in writing must be obtained from the Education Department before an Exhibition may be prolonged, or be held at any other approved University.

3. The Exhibitions shall be held subject to the following conditions, namely:—

(a) A successful candidate shall, as soon as the regulations of the University will allow, become enrolled as an undergraduate of the University;

(b) An Exhibitioner shall enter at once upon a full course of study leading to a degree;

(c) He or she shall begin residence at the University to which he or she may have been admitted as soon after such admission as the regulations of such University shall allow.

(d) He or she shall give his or her time wholly to his or her University work, and shall not undertake additional work or enter into any form of employment without the consent of the Education Department and the University.

4. The holder of an Exhibition shall be entitled to receive the said sums of £32 or £48 by three equal instalments, payable at any time, when he or she has furnished proof that he or she has satisfactorily completed his or her term, subject to the production of such certificates or other evidence as the Education Department may from time to time direct. In necessitous cases monthly payments in advance will be granted if application in writing is made to the Hon. the Minister for Education, and the parent or guardian enters into a bond, on the prescribed form, to refund such advance should the Exhibitor not satisfactorily complete the term for which the payment has been advanced.

5. Candidates for these Exhibitions shall be required to pass the Leaving Certificate Examination, and to satisfy the Department that they have reached the necessary standard for matriculation in all such subjects as are prescribed by the University. No candidate shall be eligible for an Exhibition unless he or she has passed in English for the Leaving Certificate, either at the examination at which he or she competes for an Exhibition or at some previous examination.

6. (a) One Exhibition will be awarded to the candidate who obtains the highest marks in English and either History or Geography, one to the candidate who obtains the highest marks in Latin and any other language except English. (The first Exhibition awarded under this amended regulation will be granted on the result of the 1938 Leaving Certificate examination), one to the candidate who obtains the highest marks in French and German, one to the candidate who obtains the highest marks in Mathematics "A" and "B" and either Applied Mathematics or Physics, and one to the candidate who obtains the highest marks in any two of the following:—Biology, Geology, Chemistry, Physics, Agricultural Science: Provided that if the Minister considers that no candidate of sufficient merit has presented himself or herself in any of the above groups, the Exhibition in question shall be awarded on the same conditions as the remaining five.

(b) The remaining five Exhibitions shall be awarded to the five candidates who, after the exclusion of any who have been successful in gaining Exhibitions under Section (a) have obtained the highest aggregates in any five subjects in which they have passed the examination. If Mathematics "A," Mathematics "B," and Applied Mathematics are taken, candidates will be allowed to count only the two best marks in these three subjects.

(c) The Minister reserves to himself the right to withhold all or any of the above Exhibitions in the event of candidates not showing sufficient merit.

7. Every competitor shall give to the Education Department notice of his or her intention to compete at such examination. A Government University Exhibition form will be forwarded to candidates on application to the Education Department. The completed entry form must reach the Education Department on or before the first day of September of the year in which the Leaving Certificate examination is held and must be accompanied by—

- (a) a certificate of birth;
- (b) two certificates attesting the good character and repute of the competitor, one signed by the headmaster of the school which he or she has been attending and one by some person holding a prominent position in the district in which the candidate lives; and
- (c) a copy of his or her entry form for the Leaving Certificate Examination.

It will be necessary for all candidates to pay to the University authorities a marking fee of 1s. (one shilling) per subject for each subject for which they are sitting at the Leaving Certificate Examination.

8. An additional Exhibition will be awarded annually to a candidate who has specially entered for it, and who is prepared to take the course prescribed for the Degree of Bachelor of Science in Agriculture. The Exhibition will be of the same value as the others, and will be tenable on the same conditions during three years of attendance at classes. Candidates for this Exhibition must pass in four subjects at the Leaving Certificate Examination, including English, Mathematics "A" or "B" or both and at least one of the following:—Agricultural Science, Biology, Chemistry,

Geology, Physics. The Exhibition will not necessarily be given to the candidate obtaining the highest marks. The candidate's personality and aptitude for an Agricultural career may also be taken into consideration.

9. (a) Two additional Exhibitions will be awarded annually to candidates who wish to become teachers of Science. The successful candidates will be required to devote three years to the course for the B.Sc. Degree and a fourth year at the Teachers' College. They will be required to enter into a bond, pledging them to teach in the Education Department's service for five years after the completion of their training. The Exhibitions will be of the same value as the others, and will be awarded on the results of the Leaving Certificate Examination. Candidates, when giving notice in accordance with Regulation 7, should state that they desire to compete for the "Science Teachers' Exhibitions."

(b) Candidates for these Exhibitions must have completed the Leaving Certificate and have passed in English, Mathematics A or B, and at least one of the following sciences:—Agricultural Science, Biology, Chemistry, Geology, Physics.

(c) A candidate's personality and aptitude for the career of a teacher of Science will also be taken into consideration.

10. (a) No candidate shall be eligible to hold more than one Exhibition.

(b) A candidate who enters for several Exhibitions must state the order of his or her preference.

11. The Education Department may from time to time, with the approval of the Governor, revoke, add to, or amend these regulations. The Minister may at any time cancel any Exhibition if the work or conduct of the holder is unsatisfactory.

(g) Standing time shall be paid for any shortage at the rate of five shillings (5s.) per hour night and four shillings (4s.) per hour day.

Failing such nomination or nominations the Court may appoint such person or persons as it may deem fit. In the event of a disagreement between the examiners, the matter in dispute shall be referred to the Apprenticeship Board, at the request of any one of the examiners, and the decision of such Apprenticeship Board shall be final and conclusive.

36. It shall be the duty of the examiners to examine the work, inquire into the diligence of each apprentice, and, where any apprentice fails to show progress, to inquire as to the opportunities provided by the employer for such apprentice to learn, and to submit a report to the Court in writing as to the result of the examination within fourteen days from the date of holding the examination.

(c) The terminal (June) examination shall be for theory only, and shall be conducted by the instructors during the last week but one preceding the end of the term. The questions shall also be set by the instructors,

and the written answers checked, and the deserved marks allotted. Those, with each student's practical work for the term under review, shall be handed to the examiners, who shall approve, or otherwise, of the instructors' decisions. Any divergence of opinion that cannot be agreed upon mutually shall be referred to the Apprenticeship Board, whose decision shall be final.

(d) The examiners shall, during the month of June, make their annual visit of inspection to each factory where apprentices are employed, and personally interview the employer (or foreman), and also the apprentice, and shall satisfy themselves as to the assiduity of the apprentice in his daily work, and especially as to the facilities afforded him to enable him to make the required progress in his particular branch of the trade.

(e) The examiners shall present a report to the Court as to the progress made by the students during the term, and at the same time forward a copy to the Apprenticeship Board. The terminal report shall also cover their inspection of factories.

(f) The annual examination shall take place in November. The test papers shall be set by the examiners in collaboration with the instructors. The practical tests set during the term shall be checked by the examiners, who shall also set each student a special practical test which shall be performed under their direct supervision at the Technical School class room during the second week of the examination. With these three results before them, viz., the written answers of the theory examination, the term's progressive tests already marked by the instructors, and the special tests judged by themselves, the examiners shall draw up their annual report and submit same to the Court at least three days before the date fixed for the final day of the term. A copy of such report shall be forwarded to the secretary of the Apprenticeship Board.

(g) Marks shall be awarded for these examinations as follows:—A first-class certificate shall be granted to all who secure 90 per cent. and over of marks. A student securing marks totalling 96 per cent. and over shall be deemed to have obtained "Honours," and shall be entitled to receive an additional "Honours" certificate. Upon any proceedings against him in respect of such breach, the report may be received in evidence.

(k) Any apprentice claiming to have cause for complaint regarding instruction, either in Technical College or in workshop, shall have the right to appeal to the Apprenticeship Board.

39. Such fees shall be paid by the Clerk to the Examiners as the Court shall allow.

40. The employer shall pay the apprentice, in respect of time lost through compulsory military or naval training, the amount (if any) by which the wages prescribed by the Award for the trade, calling, craft, occupation, or industry exceeds the amount received by the apprentice from the Department of Defence. Provided, however, that this clause shall not apply to military or naval training imposed through failure to attend compulsory parades.

41. All time lost by reason of compulsory military or naval training, other than the additional training mentioned in the above proviso, shall count as part of the apprenticeship.

42. When an apprentice attends a Technical College during his ordinary working hours, the time so occupied shall be regarded as part of the term of his apprenticeship, and the employer shall not be entitled to make any deduction from the wages of the apprentice for such time.

43. If the Apprenticeship Board makes representations to the Court that the facilities provided by the Technical College or other place of vocational training for the teaching of apprentices are inadequate, the Court may make such investigations and such report to the Minister controlling such Technical College or other such place as it deems necessary.

44. The term of apprenticeship may be extended by the Court on the failure of an apprentice to pass any of the examinations, and for such purpose it shall be the duty of the examiners to make any necessary recommendation to the Court. Any extension of the term of apprenticeship shall be subject to all conditions and stipulations in the original Award except as to rates of wages, which shall be such amount as the Court may determine.

45. Upon the failure of an apprentice to pass two consecutive examinations, it shall be the duty of the examiners to report same to Court, with a recommendation as to the cancellation of the apprenticeship agreement, or such other remedial measures as they may deem advisable. IN THE COURT OF ARBITRATION OF WESTERN AUSTRALIA.

No. 5 of 1936.

Between the Hotel, Club, Caterers, Tearoom, and Restaurant Employees' Industrial Union of Workers, W.A. Goldfields Branch, Applicant, and Frank Forkin, Lily Embleton, George Robert Mewburn, Respondents.

THE Court of Arbitration of Western Australia doth hereby make the following Award in connection with the Industrial Dispute between the abovenamed parties:—

Award.

1.—Hours.

(a) Forty-four (44) hours shall constitute a week's work for barmaids; and forty-eight (48) hours shall constitute a week's work for barmen.

(b) The time worked, and which shall be paid for, shall be as disclosed by the record provided by Clause 10 hereof.

2.—Spread of Shifts.

Daily spread of shifts shall mean the time which elapses from the time the worker first starts work until the time when he or she finishes work for the day.

Weekly spread of shifts shall mean the aggregate number of hours contained in the daily spread of shifts for a week.

The weekly spread of shifts shall not exceed eighty-four (84) hours.

The longest spread of shifts in any one day shall not be more than fourteen (14) hours.

There shall not be more than three (3) breaks in any shift.

3.—Overtime.

All work done in excess of forty-eight (48) hours in any one week in the case of barmen, or forty-four (44) hours in any one week in the case of barmaids, or of the rostered hours in any one day, shall be deemed to be overtime, and shall be paid for at the rate of time and a third. Such overtime rates shall stand alone and shall be paid for separately and apart from the ordinary week's wages.

4.—Wages.

Basic wage:—Males, £4 7s. 0d.; females; £2 7s. 0d.

The margins above the basic wage per week shall be:—Barmen, £1 0s. 0d.; barmaids, £3 0s. 0d.

Provided that, in respect of any basic wage variation that may occur from time to time, the total wages prescribed for a barmaid shall be increased or decreased by the same amount that the basic wage for barmen is increased or decreased, as a result of such variation; in order to ensure that the rate of pay for a barmaid and barman shall remain equal.

For all work performed at picnics, races, or other functions away from an employer's regular place of business the following rates shall be payable:—

	£	s.	d.
(a) For day engagements (not exceeding eight (8) hours) between the hours of 10 a.m. and 7 p.m. ..	1	10	0

(d) For all work performed beyond the hours set out in the foregoing, five shillings (5s.) per hour shall be paid.			

5.—Weekly Holiday.

All workers shall receive one half-day off duty on some one week day in each week, to commence not later than 1.30 p.m.

6.—Roster.

(a) A roster of the working hours shall be exhibited in the office of each establishment, and in such other place as it may conveniently and readily be seen by each worker concerned.

(b) Such roster shall denote the hours to be worked by each worker and shall be open for inspection by a duly accredited representative of the Union in the office at such time and place as the record is so open for inspection.

(c) Such roster shall be drawn up in such a manner as to show the hours of each worker for one week in advance of the date of the roster, and may only be altered on account of the sickness or absence of a worker, or on account of any contingency that the employer could not reasonably foresee.

7.—Weekly Wages.

(a) Wages shall be paid weekly. In the absence of a written agreement providing for a longer period, twenty-four (24) hours' notice on either side shall be sufficient for termination of employment.

(b) The employer shall be under no obligation to pay for any day not worked upon which the worker is required to present himself for duty, except such absence from work is due to illness and comes within the provisions of Clause 19, or such absence is on account of holidays to which the worker is entitled under the provisions of the Award.

(c) This clause does not affect the right to dismiss for misconduct, and in such case wages shall be paid up to the time of dismissal only.

(d) The employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed because of any strike by the Union or Unions affiliated with it, or by any other Association or Union, or any stoppage of work by any cause which the employer cannot reasonably prevent.

8.—Meal Hours.

All workers shall be allowed one hour off for each meal.

9.—Payment for Sundays, Etc.

All work done on Christmas Day and Good Friday shall be paid for at the rate of double time.

All work done on Labour Day and Anzac Day shall be paid for at the rate of time and one third.

All work done on Sundays shall be paid for at the rate of three shillings and ninepence (3s. 9d.) per hour.

10.—Record Book.

(a) The employer shall keep or cause to be kept at his premises a time and wages record, wherein shall be entered the name, the time the worker commences and finishes work each day, and the total hours worked each week, and the wages paid to each worker. Such record shall be signed by the worker concerned.

(b) The employer and the worker shall be jointly responsible for the proper weekly posting of the record.

(c) The record shall be open for inspection by a duly accredited representative of the Union, at the office of the employer, on days other than Saturday or Sunday, between the hours of 9 a.m. and 5 p.m. (except from 1 p.m. to 2 p.m.).

11.—No Discrimination.

No employer shall in any way discriminate against any member of the Union.

12.—Meals.

Where meals are provided by the employer, such shall be as are daily served in ordinary family hotels. Such meals shall include a dinner consisting of at least three (3) courses.

13.—Board and Residence.

(b) any hotel, or any barmaid or barman, to which, or to whom, in the opinion of the Board of Reference, it is inexpedient that such provision should apply.

(iii) For all workers permitted to board and/or lodge on the licensed premises of an employer, the employer shall be entitled to deduct twenty shillings (20s.) per week for board provided, as specified in Clause 11, and ten shillings and sixpence (10s. 6d.) per week for lodging.

The accommodation provided for the worker as lodging shall be suitable for the purpose.

If the worker considers the accommodation unsuitable, any party to this Award may refer the matter to the Board of Reference for decision.

14.—Annual Holiday.

On completion of twelve (12) months' service, each worker shall be entitled to two (2) weeks' holiday on full pay, including board and lodging allowance.

The annual holiday shall be granted within three (3) months of its becoming due.

Provided that, any worker who shall have served one month or over, and whose contract of service shall have been terminated by either party for any cause other than gross misconduct before the annual holiday became due, such worker shall be entitled to receive a proportionate allowance of holiday pay for the time actually served.

15.—Uniform.

Employers shall pay for the laundering of all stiff white cuffs and collars where the same are demanded to be worn, and shall also pay one shilling (1s.) per week extra to all workers who are required to wear white aprons.

16.—Area.

This Award shall have effect over the area comprised within a radius of twenty-five (25) miles from the Post Office at Kalgoorlie.

17.—Term of Award.

The currency of this Award shall be three (3) years from the date hereof.

18.—Inspection of Award.

Each employer shall keep on some portion of his business premises a copy of this Award, where it shall be open to the inspection of the worker at all reasonable times.

19.—Payment for Sickness.

A worker shall be entitled to payment for non-attendance, on the ground of personal ill-health, for one half day for each completed month of service: Provided that payment for absence through such ill-health shall be limited to six (6) days in each calendar year. Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred.

This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

20.—Board of Reference.

The Court appoints for the purposes of the Award a Board of Reference. Such Board shall consist of a Chairman and two (2) other representatives, one to be nominated by each of the parties. There are assigned to such Board, in the event of no agreement being arrived at between the parties to the Award, the functions of:—

- (i) adjusting any matters of difference which may arise between the parties from time to time, except such as involve interpretations of the provisions of the Award or any of them;
- (ii) deciding any other matter that the Court may refer to such Board from time to time;
- (iii) an appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the Regulations to "The Industrial Arbitration Act, 1912-1935," which for this purpose are embodied in this Award.

21.—Definition.
