4.—Casual Workers.

(a) Casual workers shall be paid at the rate of two shillings and sixpence (2s. 6d.) per day in addition to an hourly rate calculated upon the weekly wage prescribed in Clause 3 hereof, and on the basis that forty-eight (48) hours constitutes a week's work: Provided that the minimum payment to a casual worker for work performed on any one day shall not be less than five shillings (5s.): Provided, further, that the rate of payment for casual workers for work done on any Sunday or public holiday shall be at the rate of time and a half of the ordinary rate for casual workers. "Public holiday" for this purpose shall have the same meaning as in Section 4 of "The Factories and Shops Act, 1920."

(b) The maximum number of casual workers allowed to be employed by any employer shall be in the proportion of one casual worker to every fifteen (15) or fraction of fifteen (15) weekly workers employed under the provisions of this Award: Provided that, where a casual worker is engaged to take the place temporarily of a weekly worker, such casual worker shall for the purpose of this subclause be regarded as and be deemed to be a weekly worker.

5.—Hours.

(i) Forty-eight (48) hours shall constitute a week's work. The hours that the different classes of workers may be called upon to work without payment of overtime shall be as follows:—

- (a) Omnibus drivers, and/or fare collectors, and/or taxi-car drivers:—Forty-eight (48) hours per week, or ten (10) hours in any one day.
- (b) All other workers:—Forty-eight (48) hours per week, or eight (8) hours in any one day.

Provided that any time worked on any day or days to make up the hours of duty in any week shall be worked in a continuous shift, except in the case of omnibus drivers, and/or fare collectors, and/or taxi-car drivers, who may be worked in broken shifts to suit the exigencies of the employer's business.

(ii) Where a worker is worked in a continuous shift of eight (8) hours or more on any day, one half hour per day shall be allowed such worker for a meal time. Such meal time shall not be given or taken within three (3) hours of starting work and such meal time shall not be included when computing the hours worked each day.

(iii) A worker failing to take up his rostered or appointed shift, unless owing to illness or other unavoidable cause (the onus of proof of unavoidable cause shall rest upon the worker), shall pay the employer for any extra payment incurred thereby through another worker being called upon to work the shift.

(iv) Where a worker is required to work a shift off his regular route, he shall be paid for time which elapses between the time he leaves the starting place until he returns to that place, but not exceeding in any case eight (8) hours' pay in any one day, notwithstanding that such absence may be longer than eight (8) hours: Provided that, where the time so taken is less than eight (8) hours, the worker shall only be entitled to payment for the actual time he is away, and if the eight (8) hours is exceeded he shall be paid for the actual working time in any event.

6.—Spread of Shifts.

(a) The spread of hours for omnibus drivers and/or taxi-car drivers and/or fare collectors from the beginning to the end of the day's work shall not exceed twelve (12) hours, excepting on Saturdays and holidays, when the spread of hours shall not exceed fourteen (14) hours. All work done outside the daily spread shall be paid for at overtime rates. No worker shall be booked off for a lesser period than a half hour.

(b) No worker shall be called on for duty until he has had eight (8) hours off duty between the shifts, excepting in case of sickness of a worker, the default of a worker, or in case of an accident.

7.—Overtime.

(a) Omnibus drivers, and/or fare collectors, and/or taxi-car drivers shall be paid overtime at the rate of time and a quarter for the first four (4) hours, and thereafter at the rate of time and a half for all time off duty:—

- (i) in excess of forty-eight (48) hours of duty in any one week; or
- (ii) in excess of ten (10) hours of duty in any one day; or
- (iii) outside the daily rostered hours of duty, unless where altered under the provisions of Clause 19.

Provided always, that overtime shall not be paid twice for the same hours of work.

(b) All other workers shall be paid overtime at the rate of time and a quarter for the first four (4) hours and time and a half thereafter for all time of duty in excess of eight (8) hours in any one day or forty-eight (48) hours in any one week.

8.—Sunday Work.

All work performed on Sundays by workers shall be paid for at the rate of time and a quarter: Provided that this clause shall not apply to workers who finish duty by 1.30 o'clock a.m. on Sunday.

9.—Holidays.

(a) Two (2) consecutive weeks' holiday on full pay shall be allowed to all workers at the expiration of every twelve (12) months of service, to be given to and taken by the worker within three (3) months of becoming due: Provided that, where the engagement of any worker is terminated after three (3) calendar months' continuous service, or after any period of continuous service from the date on which the previous annual holidays became due, he shall be paid in lieu of holidays in proportion to the length of his service. This proviso shall not apply, however, in any case where the worker is dismissed for wilful misconduct or neglect of duty.

(b) All time of duty on New Year's Day, Good Friday, Easter Monday, Labour Day, Christmas Day, and Boxing Day shall be paid for at the rate of double time: Provided that the minimum payment for work on any of these days shall be for four (4) hours at the rate before mentioned.

(c) Holiday pay shall not accrue during a worker's absence from his employment through any cause whatsoever, except where such absence is on account of annual leave to which he is entitled under this Award.

10.—Away from home Allowance.

Workers engaged on work from which they are unable to return to their homes at night shall be paid such personal expenses as they may reasonably incur: Provided that such expenses shall not be less than seven shillings and sixpence (7s. 6d.) per day.

11.—Payment for Highest Function.

A worker who is called upon to perform two (2) or more classes of work on any day shall, for the purpose of the wages to be paid to him, be deemed to have worked the day at the class for which the highest rate of wage is prescribed.

12.—Time and Wages Book.

Each employer shall provide a time and wages book, to be kept at a place where it is easily accessible to the employer and the worker. This book shall show the name of each worker, the nature of the work performed, the times he starts and finishes work each day, the number of hours worked by and the wages and overtime paid to each worker, and the worker's signature therefor. The employer and the worker shall be jointly responsible for the proper posting of the book daily. Such book shall be open to inspection during working hours between 9 a.m. and 5 p.m., Monday to Friday inclusive, and between 9 a.m. and 12 noon Saturdays, by the secretary of the Union or any other person authorised in writing by him: Provided that an employer may, at his option, in lieu of a time book, provide a mechanical clock for the purpose of recording the starting and finishing times of workers, in which case a record of the number of hours worked each day by each worker, and the wages and overtime paid to such worker, shall be entered on a card or check (used in connection with such clock) which shall be signed by the worker on receipt of wages each week. The employer and worker shall be jointly responsible for the correct keeping daily of such card or check, which shall be open to inspection in the same manner as the time and wages book before mentioned.

13.—Term.

This Award shall come into force as from the date hereof and shall continue in operation for a period of three (3) years therefrom.

14.—Termination of Employment.

One week's notice at any time on either side shall be required before the engagement of any but a casual hand shall be determined: Provided that an employer may at any time dismiss a worker for refusal or neglect to obey orders, misconduct, carelessness in the performance of his duties, or if, after receiving one week's notice, he does not carry out his duties in the same manner as he did prior to such notice.

Notice given every week to determine the employment without any intention to determine the employment at the end of the week, but only with a view of dismissing men at any time, shall not be deemed notice for the purpose of this Award.

15.—Contract of Employment.

(a) Weekly hands ready and willing to work for the whole week and not dismissed for any reason set out in Clause 14 of this Award shall be paid a full week's wages.

(b) Employers shall, when engaging workers, state definitely whether such worker is engaged as a weekly or casual hand. Failing such notice the worker shall be deemed to be engaged as a weekly worker.

(c) The employer shall be under no obligation to pay for any day not worked upon which the worker is required to present himself for duty, except such absence from work is due to illness and comes within the provisions of Clause 24, or such absence is on account of holiday to which the worker is entitled under the provisions of this Award, or such absence is on account of some other unavoidable cause, the onus of proof of which shall rest upon the worker.

16.—Pay Day.

All wages shall be paid weekly. No employer shall hold more than three (3) days' wages in hand.

17.—Temporary Change of Garage or Starting and Finishing Place.

Where an employer transfers a worker after he comes to work, from one garage, depot, or place situated more than two (2) miles distant from the garage, depot, or place at which he usually works, fares to and from such altered garage, depot, or place shall be allowed by the employer. If he is transferred temporarily to work at a garage, depot, or place which requires him to travel one mile or more from his home beyond the distance he usually travels, the fares to and from and excess time shall be paid for by the employer. Any dispute arising under this clause shall be referred to a Board of Reference for determination.

18.—Uniforms.

Employers requiring workers to wear uniforms or wearing apparel of any specified description shall provide same free of cost to workers; such uniform or wearing apparel shall remain the property of the employer, and shall be returned to the employer, on demand, in good order and condition, subject to fair wear and tear.

19.—Posting Roster.

(a) A roster of the ordinary hours to be worked each week by weekly omnibus drivers, taxi-car drivers, and fare collectors, other than relief workers, shall be exhibited in each establishment in such a place as it may be conveniently and readily seen by each worker concerned.

Such roster shall be posted by the employer not less than two (2) days before the start of the working week, and may only be altered on account of sickness or absence of a worker, or on account of any contingency that the employer could not reasonably foresee.

(b) Rostered shifts shall change weekly as far as practicable.

(c) The secretary of the union or any person authorised in writing by him shall be permitted to inspect the roster at any time between the hours of 9 a.m. and 5 p.m.

20.—Board of Reference.

The Court appoints for the purposes of the Award a Board or Boards of Reference. Each Board shall consist of a Chairman and two (2) other representatives, one to be nominated by each of the parties. There are assigned to each such Board, in the event of no agreement being arrived at between the parties to the Award, the functions of:—

- (i) adjusting any matters of difference which may arise between the parties from time to time, except such as involve interpretations of the provisions of the Award or any of them;
- (ii) classifying and fixing wages, rates, and conditions for any occupation or calling not specifically mentioned in the Award;
- (iii) deciding any other matter that the Court may refer to such Board from time to time;
- (iv) an appeal shall lie from any decision of such Board in the manner and subject to the conditions prescribed in the Regulations to "The Industrial Arbitration Act, 1912-1935," which for this purpose are embodied in this Award.

21.—Change.

Where an employer requires a worker to give change to clients, such change shall be supplied by the employer.

22.—Shortages.

If any worker is charged with any shortage in the cash collected by him, he shall have the right, when so charged, to check the Running Sheets Revenue Journal or other record issued to him. A worker shall be notified of any shortage which it is intended to charge against him as soon as possible after same has been discovered.

23.—Minimum Hours per Day.

Any worker required to report for duty in any day shall be deemed to have worked two (2) hours at least on such day, except where such reporting for duty is owing to another worker failing to report for duty at the appointed time.

24.—Absence through Sickness.

A worker shall be entitled to payment for non-attendance on the ground of personal ill-health for one half day for each completed month of service; provided that payment for absence through such ill-health shall be limited to six (6) days in each calendar year. Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

25.—Junior Worker's Certificate.

Junior workers shall furnish the employer with a certificate, showing the following particulars:—

- (i) Name in full;
- (ii) Age and date of birth.

(a) The certificate shall be signed by the worker.

(b) No worker shall have any claim upon the employer for additional wages, in the event of his age being

wrongly stated on this certificate: Provided that this subclause shall operate only for the first three (3) months from the date of the worker's first engagement, thereby enabling the employer, if he so desires, to obtain proof of the junior worker's age.

26.—Definitions.

(a) "Taxi-car driver" shall mean any person employed to drive a motor vehicle registered under the Traffic Act to carry not more than seven (7) persons including the driver, but shall not include any person driving such a vehicle when it is not being used to carry passengers: Provided that it is not available for the use of passengers.

(b) "Omnibus driver" shall mean any person employed to drive a motor vehicle registered under "The State Transport Co-ordination Act, 1933," to carry passengers at separate fares, but shall not include any person driving such a vehicle when it is not being used to carry passengers: Provided that it is not available for the use of passengers.

(c) "Fare collector" shall mean any person except the driver who collects fares from passengers travelling in omnibuses.

(d) "Casual worker" shall mean any person who is engaged as a casual worker and who is dismissed or refused work without any fault of his own before the expiration of six (6) days from the date of commencing work.

In witness whereof this Award has been signed by the President of the Court and the Seal of the Court has been hereto affixed this 7th day of September, 1936.

WALTER DWYER,

(L.S.)

President.
