Department of Agriculture,
Perth, 23rd December, 1936.

HIS Excellency the Lieutenant-Governor in Council, acting in exercise of the powers conferred by Section 11 of "The Fruit Cases Act, 1919-1933," has been pleased to repeal all Regulations heretofore made under and for the purposes of the said Act, and in lieu thereof to make new Regulations under and for the purposes of the said Act as set forth in the Schedule hereunder.

(Sgd.) GEO. L. SUTTON,
Director of Agriculture.

Schedule.

THE FRUIT CASES ACT, 1919-1933.

1. Fruit cases shall be in conformity with the measurements and capacities prescribed in the First Appendix to these Regulations.

Provided that the dimensions of such cases may be varied to the extent of not more than ten per cent. (i.e., five per cent. under or five per cent. above) on the total cubic capacity of each of such cases.

2. (1) Every person who desires to register a fruit brand for the purposes of paragraph (b) of Section five of the Act shall make application to the Director of Agriculture in accordance with Form No. 1 in the Second Appendix to these Regulations.

(2) Such application shall be accompanied by duplicate copies of the form of the brand proposed to be registered together with the registration fee of seven shillings and sixpence.

(3) The Director of Agriculture shall keep a register for the purpose of registering therein fruit brands in respect whereof applications for registration under Regulation 2 hereof are granted.

(4) Upon receipt of an application for registration of a fruit brand made in accordance with Regulation 2, the Director of Agriculture, if satisfied concerning the truth of the particulars contained in the application, shall submit to the Minister for his approval the form of the brand proposed to be registered.

(5) If the form of such brand is approved by the Minister, such brand shall be registered by the Director of Agriculture by inserting in the said register one copy of the said form of brand, together with the particulars contained in the application and by returning the other copy of the form of brand, with a certificate of approval and registration annexed thereto to the applicant.

(6) If an application for registration of a fruit brand is not approved by the Minister, the applicant shall be notified thereof, and the registration fee which accompanied the application shall be refunded to the applicant.

3. Before any second-hand fruit case is again used for containing fruit under the authority of the proviso to Subsection (1) of Section eight of the said Act, all brands appearing on such case shall be removed, and the case shall be steamed or dipped in boiling water at the registered factory or place where the case is to be packed with fruit as aforesaid, and such steaming or dipping shall be carried out under the supervision of an inspector.

4. Before any second-hand fruit case, which has been treated as provided for in Regulation 3, is forwarded from the registered factory to a fruit-grower or seller, such case shall be legibly branded on one end thereof in stencilled letters with the words "Steamed" or "Dipped" (as the case may be), and shall also be branded with the name of the registered factory or place where such steaming or dipping was effected. The stencilled letters so used shall not be less than one-half of an inch in height.

5. Any second-hand fruit case which has been treated as provided for in Regulation 3, and which is subsequently received at a registered factory with fruit contained therein, shall not again be used for the carriage of fruit or be forwarded to a grower or seller of fruit unless and until such case has again been treated in accordance with the requirements of Regulation 3.

6. All prescribed cases imported into the State containing bananas or pineapples shall be steamed or dipped in boiling water and branded as directed by an inspector before being again used.
