13. The Chief Inspector, or in his absence, such other person as the Chief Inspector may appoint, shall be the returning officer for the purpose of any poll taken under subsection (2) of section 14 of the Act.

14. Upon receipt of a request from any person carrying on the business of a baker in any municipal or road district that a poll be taken pursuant to subsection (2) of section 14 of the Act, the Chief Inspector shall as soon as practicable cause a roll of every person carrying on the business of a baker in such municipal or road district to be prepared.

15. The Chief Inspector shall fix the day, date, and time for the return of the ballot papers and the closing of the poll, which shall not be more than one calendar month or less than one week from the date on which the ballot papers are forwarded to the voter.

When voting on the question numbered (2) the voter shall strike out the name of the day on which he desires that bread shall be baked in such district.

20. (1) A ballot paper shall be deemed to be informal if the voter when voting on question numbered (1) fails to strike out one of the words "YES" or "NO" appearing on such ballot paper, or strikes out both of such words, or if the voter when voting on question numbered (2) fails to strike out the name of one day mentioned therein, or if the voter strikes out the names of both days.

(2) A ballot paper shall also be informal if it does not bear thereon the initials of the Chief Inspector or other authorised officer.

21. When the voter has marked the ballot paper as provided for by regulation 19 he shall enclose and seal the same in the ballot paper envelope sent to him for the purpose, and shall sign the counterfoil with his name in full, and shall then place such counterfoil, together with the sealed ballot paper envelope, in the stamped and addressed envelope and forward such envelope to the Chief Inspector.

22. The scrutiny and count of votes returned in the poll shall be conducted by the Returning Officer and shall be commenced as soon as practicable after the closing of the poll.

23. For the purposes of such scrutiny and count the Returning Officer shall—
- (a) open each stamped and addressed envelope and remove therefrom the counterfoil and sealed ballot paper envelope contained therein;
  - (b) before opening the sealed ballot paper envelope, check the name of the voter on the counterfoil with the roll of voters entitled to vote at the poll;
  - (c) where the name of the voter on the counterfoil does not appear on the said roll of voters, place the said counterfoil and the sealed ballot paper envelope which accompanied the same, unopened on one side, and exclude such ballot paper envelope with any ballot paper contained therein from the count of votes;
  - (d) where the name of the voter on the counterfoil appears on the said roll of voters, open the sealed ballot paper envelope which accompanied the said counterfoil and remove therefrom the ballot paper contained therein;
  - (e) examine such ballot paper for any informality, and, if found to be informal, reject the same and exclude it from the count of votes, and
  - (f) count the votes contained in all the formal ballot papers not excluded from such count for any reason aforesaid, and ascertain the determination of the majority of voters by such count of the said votes.

24. The Returning Officer shall report in writing to the Minister the result of every poll of bakers taken under section 14 of the Act as soon as reasonably may be after the result of such poll has been ascertained.
