List of Officers employed under the Provisions of the Public Service Act on 1st July, 1939.

NOTE.—The work attached to the position is classified, not the official. Salaries are based on Perth rates. This is in order to create a common basis on which to transfer and promote. The difference in localities is recognised and adjusted by means of "District Allowances."

The officers throughout this List who served with the Australian Imperial Force are marked †. Those who volunteered and were not accepted are marked (v).
