Schedule.

THE HOSPITALS ACT, 1927.

Regulations.

1. Subject to the approval and directions of the Governor, persons to be appointed by the Governor as members of boards of management of hospitals may first be nominated for such appointment in the manner hereinafter mentioned.

2. The Governor may, on the recommendation of the Minister, determine from time to time the hospitals to which regulation 1 hereof shall apply, and direct the particular method of nomination which shall be adopted by those hospitals, respectively.

3. (1) Subject to the direction of the Governor, the nomination may be made—

- (a) by persons enrolled as electors on the electoral roll of the municipality or road district in which the hospital is situated; or
- (b) by the persons registered in the register of subscribers to the hospital;
- (c) by the council of a municipality or the road board of a road district, or by both bodies;
- (d) by the board of management of the hospital; or
- (e) by persons resident in the district and present at the annual general meeting of such persons convened by the board of management of the hospital.

(2) The Governor may direct that nominations may be made either wholly by one of the methods mentioned in paragraph (1) hereof, or partly by one such method and partly by another or others of the said methods.

4. When, in accordance with the direction of the Governor, the nomination is to be made by the persons enrolled as electors on the electoral roll of a municipality or road board, the following provisions shall apply, namely:—

- (a) upon receipt of a notice from the Under Secretary of the Department of Public Health that a vacancy has occurred or is about to occur in the office of a member of the board of management of the hospital, the chairman of the board shall fix—
 - (i) a day and time on or before which submission of candidates for nomination for appointment may be made; and
 - (ii) the day on which and the times between which a poll shall be taken (if necessary) to determine which of the candidates submitted for nomination shall be nominated;

- (b) the nomination day shall be not less than fourteen days after the receipt of the notice aforesaid, and the election day shall not be less than fourteen days or more than thirty days after the day fixed as the nomination day;
- (c) full particulars of the day and time for nominations and the day and time for the election (if any) shall be published throughout the municipal or road district by newspaper advertisement and by such other means of publication as in the opinion of the board of management is reasonably sufficient to bring the said particulars to the knowledge of all persons interested or concerned;
- (d) only persons who are enrolled as electors on the current electoral roll of the municipality or road board shall be eligible as candidates for submission for nomination for appointment; only persons who are so enrolled shall be qualified to propose or second the nomination of any such candidate; and only persons so enrolled shall be eligible to vote at the election (if any) held to elect the candidate to be nominated for appointment as aforesaid;
- (e) nominations shall be in writing, signed by the candidate himself and also by a proposer and seconder, and shall be delivered or sent to the secretary of the board of management of the hospital not later than the time specified for the close of nominations on the nomination day;
- (f) a copy of the current electoral roll of the municipality or the road board, as the case may be, certified by the town clerk of the municipality or by the secretary of the road board, as the case may require, shall be used as the evidence of the qualification of candidates and electors and as the roll for the election;
- (g) where the number of candidates submitted for nomination and appointment does not exceed the number of vacancies on the board to which members are required to be appointed, the secretary of the board of management of the hospital shall, in writing under his hand, certify that fact to the Under Secretary of the Department of Public Health, together with the names, addresses, and occupations of the candidates submitted, and such certificate shall be deemed to be, and shall constitute, the nomination of the persons named therein for appointment by the Governor as members of the board of management of the hospital. Forthwith, after issuing the certificate mentioned in this paragraph, the secretary of the said board shall give notice thereof by public advertisement, either in a newspaper or otherwise, and cancel the date fixed for the election which has become unnecessary;
- (h) when the number of candidates submitted for nomination exceeds the number of persons to be nominated for appointment as members of the board of management, the secretary of the said board shall forthwith, after the nomination day, make the necessary arrangement for and hold an election on the day fixed for such election;
- (i) in relation to the election mentioned in paragraph (h) hereof—
- (i) the secretary shall, as soon as practicable, cause ballot papers to be printed or typed containing the names of all the candidates in alphabetical order;
- (ii) the ballot paper shall state, in a space to be provided for the purpose, particulars of the day on which the election will take place and the time for the closing of the poll;
- (iii) subject to subparagraph (iv) hereof, the secretary shall send by prepaid letter post to each person whose name appears on the electoral roll for the election at his postal address on such roll, one ballot paper, with the initials of the secretary indorsed on the back thereof, together with an envelope marked "Ballot Paper Envelope;"
- (iv) instead of posting the ballot papers to the electors, as provided for in subparagraph (iii) hereof, the secretary may arrange for a booth or booths at which electors may obtain ballot papers and vote on the day fixed for the election; (in such case the secretary shall, by such reasonable means as are available, give public notice to the electors of the day on which the election is to be held and the times during which ballot papers may be obtained and votes may be recorded).
- (v) the secretary of the board shall provide such sealed ballot boxes as may be necessary, and all ballot papers with votes recorded thereon, when received from the electors, shall be placed in such ballot boxes and be left therein until the close of the poll;
- (vi) for the purpose of casting his vote at the election, the elector shall mark on the ballot paper a cross against the name or names of the candidate for whom he votes;
- (vii) except where an elector votes in person at a booth, the elector shall place the ballot paper, with the vote marked thereon, in the ballot paper envelope, seal such envelope and then deliver or send (and if sent by post, by prepaid post) such envelope to the secretary of the board of management of the hospital;
- (viii) where an elector votes in person at a booth on the election day, and a ballot box is available at such booth, the elector shall place his ballot paper with his vote marked thereon in such ballot box, without enclosing the same in a ballot paper envelope;

- (ix) where an elector votes in person at a booth on the election day and a ballot box is not available at such booth, the elector shall be given a ballot paper envelope, in which he shall enclose the ballot paper on which he has marked his vote. The elector shall then deliver such envelope, with the ballot paper contained therein, to the person in charge of the booth, and such person shall, immediately after the close of the poll, deliver all the envelopes, with the ballot papers therein so received by him, to the secretary of the board of management aforesaid, who shall place the same unopened in the ballot box kept by him;
- (x) as soon as reasonably may be after the close of the poll and after all the ballot boxes or all the ballot papers received from electors at booths have been received by the secretary, the secretary, in the presence of scrutineers to be appointed by the candidates or by the secretary, as the case may require, shall:—
- (a) remove the ballot paper envelopes from the ballot boxes and remove the ballot papers therefrom;
 - (b) examine the ballot papers, and reject those which are informal; and
 - (c) count the votes as cast in the formal ballot papers.
- (xi) A ballot paper shall be informal—
- (a) if the initials of the secretary of the board of management of the hospital are not endorsed on the back thereof;
 - (b) if the elector has marked thereon crosses against the names of candidates in excess of the number of candidates required to be nominated for appointment; or
 - (c) if the elector has not marked any cross at all on the ballot paper against the name of at least one candidate.
- (xii) In the event of two or more candidates receiving an equal number of votes, the secretary shall, if necessary, give a casting vote.
- (j) according to the number of candidates required to be nominated for appointment, the candidates receiving the highest number of votes shall be deemed to have been elected in the order of the number of votes which they have received respectively;
- (k) when the result of the election has been ascertained by the counting of the votes, the secretary of the board of management of the hospital shall, by writing under his hand sent to the Under Secretary of the Department of Public Health, certify that such election has been duly held, together with the names, addresses, and occupations of the candidates who have been elected, and such certificate shall be deemed to be and shall constitute the nomination of the persons named therein for appointment by the Governor as members of the board of management of the hospital;
- (l) upon receipt from the secretary of the board of management of a hospital of a certificate under paragraph (g) or paragraph (k) hereof, the Under Secretary of the Department of Public Health shall transmit such certificate to the Minister for submission by him to the Governor in Council.
5. When, in accordance with the direction of the Governor, the nomination of persons for appointment as members of the board of management of a hospital is to be made by the persons registered in the register of subscribers to the hospital, the following provisions shall apply, namely:—

 - (ii) the day on which the times between which a poll shall be taken (if necessary) to determine which of the candidates submitted for nomination shall be nominated;
 - (b) The nomination day shall not be less than fourteen days after the receipt of the notice aforesaid and the election day shall not be less than fourteen days or more than thirty days after the day fixed as the nomination day.
 - (c) Full particulars of the day and time for nominations and the day and times for the election (if any) shall be notified to every subscriber whose name appears in the register of subscribers to the hospital.
 - (d) Only persons who are registered as subscribers for a period of six months in the register of subscribers aforesaid shall be eligible as candidates for submission for nomination or be qualified to propose or second the nomination of any such candidate, or be qualified to vote at the election (if any) held to elect the candidates to be nominated for appointment as aforesaid.

- (f) The register of subscribers to the hospital shall be used as the evidence of the qualifications of candidates and electors and as the roll for election.
- (g) Where the number of candidates submitted for nomination and appointment does not exceed the number of vacancies on the board to which members are required to be appointed, the secretary of the board of management of the hospital shall, in writing under his hand, certify that fact to the Under Secretary of the Department of Public Health, together with the names, addresses, and occupations of the candidates submitted, and such certificate shall be deemed to be and shall constitute the nomination of the persons named therein for appointment by the Governor as members of the board of management of the hospital. Forthwith, after issuing the certificate mentioned in this paragraph, the secretary of the said board shall, by notice in writing to the subscribers to the hospital, cancel the date fixed for the election which has become unnecessary.

- (i) In relation to the election mentioned in paragraph (h) hereof, all the provisions prescribed in paragraph (i) of regulation 4 of these regulations, with such adjustments as may be necessary, shall apply and shall be deemed to be incorporated in and form part of these regulations.
- (j) According to the number of candidates required to be nominated for appointment, the candidates receiving the highest number of votes shall be deemed to have been elected in the order of the number of votes which they have received respectively.
- (k) When the result of the election has been ascertained by the counting of the votes the secretary of the board of management of the hospital shall, by writing under his hand sent to the Under Secretary of the Department of Public Health, certify that such election has been duly held, together with the names, addresses, and occupations of the candidates who have been elected, and such certificate shall be deemed to be and shall constitute the nomination of the persons named therein for appointment by the Governor as members of the board of management of the hospital.

BALINGUP DISTRICT VERMIN BOARD—NOTICE.

TO owners and occupiers of all holdings within the Balingup Vermin District, with the exception of town-sites:—

You are hereby notified, under section 96 (2) of the Vermin Act, 1918, to carry out the work of destroying rabbits on the whole of your property, and on roads bounding and intersecting same, once by the 20th January, 1941, and again by the 20th March, 1941. These prescribed poisonings are to be started not earlier than the 1st January, in the first case, and not earlier than the 1st March, in the second case.

The method to be adopted is the laying of poison baits, not more than seven feet apart, in furrows. The Board will insist that sufficient poison be laid to cover

Where it is not possible to lay furrows three chains apart on the uncleared land, then the furrows on the cleared land or feeding grounds adjacent may need to be one chain apart. For failure to carry out this work efficiently and to the satisfaction of the Inspector, the Board will prosecute and do the poisoning at your expense.
