12.—Termination of Employment.

One (1) week's notice at any time on either side shall be required before the engagement of any but a casual worker shall be determined: Provided that an employer may at any time dismiss a worker for refusal or neglect to obey orders, misconduct, carelessness in the performance of his duties, or, if after receiving one week's notice, he does not carry out his duties in the same manner as he did prior to such notice: Provided also that, except for the reasons mentioned in the first proviso to this clause, the engagement shall not be terminated by any notice expiring within a week of the Christmas or Easter holidays, if it is intended to re-engage the worker immediately or very shortly after

the holidays mentioned, and men in permanent employment shall not be changed to casual workers within one week of the Christmas or Easter holidays.

Notice given every week to determine the employment without any intention to determine the employment at the end of the week, but only with a view of dismissing men at any time, shall not be deemed notice for the purpose of this Award, unless given during any strike which affects the employer's business.

13.—Heavy Work.

Where workers are called upon to handle, without proper mechanical appliances, any one article of over two hundredweight, an extra man shall be provided.

14.—Time and Wages Book.

Each employer shall provide a time and wages book, to be kept in a place where it is easily accessible to both the employer and the worker. Such book shall show the name of the worker, the time he starts and finishes work each day, the number of hours worked by and the wages and overtime paid to each worker, and his signature for same. The employer and the worker shall be severally responsible for the proper posting of such book daily, except in the case of milk carters, when the book may be posted weekly. Such book shall be open on one day in each week during working hours to inspection by the secretary of the union or any other person authorised in writing by him: Provided that an employer may, at his option, in lieu of a time book, provide a mechanical clock for the purpose of recording the starting and finishing times of workers, in which case a record of the number of hours worked each day by each worker, and the wages and overtime paid to such worker, shall be entered on a card or check (used in connection with such clock), which shall be signed by the worker on receipt of wages each week. The employer and the worker shall be severally responsible for the correct keeping daily of such card or check, which shall be open to inspection in the same manner as the time and wages book beforementioned.

15.—Travelling Allowances.

Workers engaged on work from which they are unable to return to their homes at night shall be paid such personal expenses as they reasonably incur, but they shall be paid at the rate of seven shillings and sixpence (7s. 6d.) per day at the least. A worker prevented from returning with his turn-out to the depot or yard from which he started shall be paid any travelling expenses he has to incur and for the time he reasonably takes to get to his home beyond the time he would have taken to get to his home from the depot or yard.

16.—Pay Day.

All wages shall be paid on either Wednesday, Thursday, or Friday of each week, but the day once fixed shall not be altered more than once in three (3) months or without two (2) weeks' notice to the workers. Such pays shall be available within ten minutes of the time the worker ceases duty, where it is practicable to pay the worker on pay day at the yard or depot. If not made available within that time through any fault or delay of the employer, or because the worker ceases work at a place which causes more than ten minutes delay, overtime shall be paid for any excess of the ten minutes referred to. No employer shall hold more than two days' wages in hand.

17.—Payment for Highest Function.

Where a worker is called upon to perform two (2) or more classes of work on any one day he shall, for the purpose of assessing the wages to be paid, be deemed to have worked the day at the class for which the highest rate of wages is prescribed: Provided that, where the starting and finishing times of work done in a higher grade is entered in the time and wages book, or recorded on a trip card, and such work done in a higher grade is under two (2) hours in any one day, no extra payment shall be made. In the event of no record being made in either the time and wages book, or on a trip card, the provisions of the first paragraph of this clause shall apply.

The trip card referred to shall be open to inspection by the secretary of the union or any other person authorised in writing by him.

18.—Temporary Change of Stable.

Where an employer transfers a worker after he comes to work from one stable, garage, yard, or place situated more than two (2) miles distant from the stable, garage, yard, or place at which he usually works, fares to and from such altered stable, garage, yard, or place shall be allowed by the employer. If he is transferred temporarily to work at a stable, garage, yard, or place which requires him to travel one mile or more from his home beyond the distance he usually travels, the fares to and from and excess time shall be paid for by the employer.

19.—Proportion of Juniors.

(a) Juniors may be employed in the proportion of one junior to every five (5) adult drivers employed.

(b) Provided that, where less than five (5) adult drivers are employed, one junior driver may be employed.

(c) Provided also, that where no adult driver is employed one junior driver may be employed.

(d) Provided further, that junior driver assistants may be employed in the proportion of one junior to every three (3) adult drivers.

(e) When ascertaining the number of junior drivers and junior driver assistants to be allowed at the one time, the same adult drivers shall not be used twice in the calculations.

20.—Annual Holidays.

(a) All workers shall be given one week's leave of absence on full pay after the expiration of each twelve (12) months' service. Such leave shall be given to and taken by the worker within three (3) months of becoming due. Where the engagement of any worker to which this subclause applies is terminated after one month's continuous service, or after any period of continuous service from the date on which the previous annual holidays became due, he shall be paid, in lieu of holidays, in proportion to the length of his service.

(b) Provided that ice, ice-cream, pastrycook, and cordial factory carters shall be given two and two-thirds (2-2/3rds) weeks' leave of absence on full pay after the expiration of each twelve (12) months' service. Such leave shall be given to and taken by the worker within three (3) months of becoming due. Where the engagement of any worker to which this subclause applies is terminated after one month's continuous service, or after any period of continuous service from the date on which the previous annual holidays became due, he shall be paid, in lieu of holidays, in proportion to the length of his service.

(c) Provided also, that milk and/or cream carters shall, if required, generally speaking, to work continuously seven (7) days in the week, be allowed two and four-sevenths (2-4/7ths) weeks' holiday on full pay at the expiration of each twelve (12) months' service. Where the engagement of any worker to which this subclause applies is terminated after one month's continuous service, or after any period of continuous service from the date on which the previous annual holidays became due, he shall be paid, in lieu of holidays, in proportion to the length of his service.

(d) A worker dismissed for misconduct, or who illegally severs his contract of service, shall lose all rights under this clause.

(e) Holiday pay shall not accrue during a worker's absence from his employment for any cause whatsoever.

(f) Each worker shall receive at least two (2) weeks' notice from his employer of the date when his annual leave is to commence.

21.—General.

(a) Stablemen shall be entitled to receive one clear day's rest in seven (7). If they work on seven (7) days in any week they shall receive Sunday rates for all time worked on Sunday of such week.

(b) Stablemen required to live at the stable shall be provided with suitable housing accommodation for a stableman free of cost, but if proper housing accom-

modation is provided for a stableman and his wife and family, and they elect to live there, the employer shall be entitled to charge a rent not exceeding half the rent a similar house in that locality would readily let at not exceeding ten shillings (10s.) a week.

(c) During the first six (6) consecutive working days that a worker is employed by the employer as a driver, the employer shall be permitted to reduce the prescribed wage by fifty per cent. (50%) whilst the worker is learning the round: Provided that this shall apply only where the worker learning the round is accompanied by some other person for the purpose of teaching such worker the round.

(d) No junior under nineteen years of age shall be allowed to drive or be in charge of more than one horse.

(e) Employers shall, when engaging workers, state definitely whether such worker is engaged as a weekly or casual hand. Failing such notice, the worker shall be deemed to be engaged as a weekly worker.

(f) Casual hands shall be notified at the end of the day if their services are not required next day. Failing such notice, a full day's wages shall be paid.

(g) Employers shall notify their workers other than casual workers on the working day preceding a holiday if their services are required next day. Failing such notice the worker shall be entitled to take the holiday and to receive a full week's wages.

(h) Workers shall be provided free by the employer with all shovels, ropes, gear, and other tools necessary for the loading and unloading of goods or materials on to or from any vehicle.

(i) Each worker, with the exception of milk, cream, ice, ice cream, pastrycook, and cordial factory carters shall be entitled to holidays as defined, and all carters and drivers shall be entitled to a half-holiday from the hour of 1 p.m. on some working day in the week: Provided that, where milk and/or cream carters do not, generally speaking, work continuously seven (7) days in the week, they shall be entitled to holidays as defined.

(j) A copy of this Award shall be kept by each employer where the industry is carried on, where it is easily accessible to the workers.

(k) Weekly hands ready and willing to work for the whole week, and not dismissed during the week for any reason set out in clause 12 of this Award, shall be entitled to a full week's wages.

(l) Where an employer desires to vary or change his starting and finishing time (in accordance with the provisions of clause 8 of this Award), he shall give one week's notice of such variation or change to his workers, and post a notice of the intended change at the depot, garage, or yard.

(m) A worker, other than a casual hand, shall be entitled to payment for non-attendance, on the ground of personal ill-health, for one-half ($\frac{1}{2}$) day for each completed month of service: Provided that payment for absence through such ill-health shall be limited to six (6) days in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

Except where a seven (7) day week is to be worked, an employer, when engaging any worker, shall state definitely whether such worker is to work on the basis of a five (5) or a six (6) day week. Failing such notice the worker shall be deemed to be employed on the basis of a six (6) day week.

An employer desiring to change the basis of any worker from a six (6) day week to a five (5) day week or vice versa, shall give one (1) week's notice of such intended change to the worker concerned.

8.—Meal Times.

Except as hereinafter provided, all workers shall have a break of one hour for a meal on all the days in the week, between 12 noon and 2 p.m., except Saturday.

Where a worker is required to work on Saturday beyond 2 p.m. he shall be allowed a break of half an hour for a meal, or an hour, if he has to continue after 3 p.m. Provided that workers referred to as exceptions in the next succeeding clause shall not be compelled or entitled to have a meal-time between 12 noon and 2 p.m., but they shall have one hour off for a meal-time during each working day.

9.—Starting and Finishing Times.

The starting time for the purpose of calculating overtime shall (with the exceptions hereinafter mentioned) be 7 a.m. or after; and the finishing time, on Mondays to Fridays, inclusive, shall not be later than 6 p.m. and on Saturdays not later than 1 p.m.

12.—Holiday Pay.

All time of duty on holidays shall stand alone and be paid for in addition to the weekly wage at the rate of ordinary time. Any worker required to work on a holiday shall be paid at least half a day's pay at holiday rates. Provided that this clause shall not apply to milk carters, cream carters, ice carters or ice-cream carters.

13.—Termination of Employment.

One week's notice at any time on either side shall be required before the engagement of any but a casual worker shall be determined: Provided that an employer may at any time dismiss a worker for refusal or neglect to obey orders, misconduct, carelessness in the performance of his duties, or if, after receiving one week's

notice, he does not carry out his duties in the same manner as he did prior to such notice: Provided also, that except for the reasons mentioned in the first proviso to this clause the engagement shall not be terminated by any notice expiring within a week of the Christmas or Easter holidays, if it is intended to re-engage the worker immediately or very shortly after the holidays mentioned, and men in permanent employment shall not be changed to casual workers within one week of the Christmas or Easter holidays.

Notice given every week to determine the employment without any intention to determine the employment at the end of the week, but only with a view to dismissing men at any time, shall not be deemed notice for the purpose of this Award unless given during any strike which affects the employer's business.

14.—Heavy Work.

Where workers are called upon to handle, without proper mechanical appliances, any one article of over two hundredweight (2 cwt.) an extra man shall be provided.

15.—Time and Wages Book.

Each employer shall provide a time and wages book, to be kept in a place where it is easily accessible to both the employer and the worker. Such book shall show the name of the worker, the time he starts and finishes work each day, the number of hours worked by and the wages and overtime paid to each worker, and his signature for same. The employer and the worker shall be severally responsible for the proper posting of such book daily, except in the case of milk carters, when the book may be posted weekly. Such book shall be open on one day in each week, during working hours, to inspection by the secretary of the union or any other person authorised in writing by him: Provided that an employer may at his option, in lieu of a time book, provide a mechanical clock for the purpose of recording the starting and finishing times of workers, in which case a record of the number of hours worked each day by each worker, and the wages and overtime paid to such worker, shall be entered on a card or check (used in connection with such clock), which shall be signed by the worker on receipt of wages each week. The employer and the worker shall be severally responsible for the correct keeping daily of such card or check, which shall be open to inspection in the same manner as the time and wages book beforementioned.

16.—Travelling Allowances.

Workers engaged on work from which they are unable to return to their homes at night shall be paid such personal expenses as they reasonably incur, but they shall be paid at the rate of seven shillings and sixpence (7s. 6d.) per day at the least. A worker prevented from returning with his turn-out to the depot or yard from which he started shall be paid any travelling expenses he has to incur and for the time he reasonably takes to get to his home beyond the time he would have taken to get to his home from the depot or yard.

17.—Pay Day.

All wages shall be paid on either Wednesday, Thursday, or Friday of each week, but the day, once fixed, shall not be altered more than once in three (3) months or without two (2) weeks' notice to the workers. Such pays shall be available within ten (10) minutes of the time the worker ceases duty, where it is practicable to pay the worker on pay day at the yard or depot. If not made available within that time through any fault, or delay of the employer, or because the worker ceases work at a place which causes more than ten (10) minutes' delay, overtime shall be paid for any excess of the ten (10) minutes referred to. No employer shall hold more than two (2) days' wages in hand.

18.—Payment for Highest Function.

Where a worker is called upon to perform two (2) or more classes of work on any one day he shall, for the purpose of assessing the wages to be paid, be deemed to have worked the day at the class for which the highest rate of wages is prescribed: Provided that, where the starting and finishing times of work done in a higher grade is entered in the time and wages book, or recorded on a trip card, and such work done in a higher grade is under two (2) hours in any one day, no extra payment shall be made. In the event of no record being

made in either the time and wages book, or on a trip card, the provisions of the first paragraph of this clause shall apply.

The trip card referred to shall be open to inspection by the secretary of the union or any other person authorised in writing by him.

19.—Temporary Change of Stable, etc.

Where an employer transfers a worker, after he comes to work, from one stable, garage, yard or place situated more than two (2) miles distant from the stable, garage, yard, or place, at which he usually works, fares to and from such altered stable, garage, yard, or place shall be allowed by the employer. If he is transferred temporarily to work at a stable, garage, yard, or place which requires him to travel one mile or more from his home beyond the distance he usually travels, the fares to and from and excess time shall be paid for by the employer.

20.—Proportion of Juniors.

(a) Juniors may be employed in the proportion of one junior to every five (5) adult drivers employed.

(b) Provided that, where less than five (5) adult drivers are employed, one junior driver may be employed.

(c) Provided also, that where no adult driver is employed one junior driver may be employed. This shall not apply to retail milk vendors.

(d) Provided further, that junior driver assistants may be employed in the proportion of one junior to every three (3) adult drivers.

(e) When ascertaining the number of junior drivers and junior driver assistants to be allowed at the one time, the same adult drivers shall not be used twice in the calculations.

21.—Annual Holidays.

(a) All workers shall be given one week's leave of absence on full pay after the expiration of each twelve (12) months' service. Such leave shall be given to and taken by the worker within three (3) months of becoming due. Where the engagement of any worker to which this subclause applies is terminated after one month's continuous service, or after any period of continuous service from the date on which the previous annual holidays became due, he shall be paid in lieu of holidays in proportion to the length of his service.

(b) Provided that ice and/or ice-cream carters shall be given two and two-thirds (2-2/3rds) weeks' or in the case of five (5) day week workers, two and three-fifths (2-3/5ths) weeks' leave of absence on full pay after the expiration of each twelve (12) months' service. Such leave shall be given to and taken by the worker within three (3) months of becoming due. Where the engagement of any worker to which this subclause applies is terminated after one month's continuous service, or after any period of continuous service from the date on which the previous annual holidays became due, he shall be paid in lieu of holidays in proportion to the length of his service.

(c) Provided also, that milk and/or cream carters shall, if required, generally speaking, to work continuously seven (7) days in the week, be allowed two and four sevenths (2-4/7ths) weeks' holiday on full pay at the expiration of each twelve (12) months' service. Where the engagement of any worker to which this subclause applies is terminated after one month's continuous service, or after any period of continuous service from the date on which the previous annual holidays became due, he shall be paid in lieu of holidays in proportion to the length of his service.

(d) A worker dismissed for misconduct, or who illegally severs his contract of service, shall lose all rights under this clause.

(e) Holiday pay shall not accrue during a worker's absence from his employment for any cause whatsoever.

(f) Each worker shall receive at least two (2) weeks' notice from his employer of the date when his annual leave is to commence.

22.—Board and Lodging.

Except in the case of parent and son, or retail milk carters, no worker shall board or lodge with his employer or on his premises. Where a worker boards and/or lodges with his employer in accordance with this clause, the employer shall be permitted to deduct from

the wages of such worker for board seventeen shillings and sixpence (17s. 6d.) per week, and for lodging six shillings and sixpence (6s. 6d.) per week: Provided that nothing in this clause shall apply to stablemen.

23.—General.

(a) Stablemen shall be entitled to receive one clear day's rest in seven (7). If they work on seven (7) days in any week they shall receive Sunday rates for all time worked on Sunday of such week.

(b) Stablemen required to live at the stable shall be provided with suitable housing accommodation for a stableman, free of cost, but if proper housing accommodation is provided for a stableman and his wife and family, and they elect to live there, the employer shall be entitled to charge a rent not exceeding half of the rent a similar house in that locality would readily let at not exceeding ten shillings (10s.) a week.

(c) During the first working week that a worker is employed by the employer as a driver, the employer shall be permitted to reduce the prescribed wage by fifty per cent. (50 per cent.) whilst the worker is learning the round: Provided that this shall apply only where the worker learning the round is accompanied by some other person for the purpose of teaching such worker the round.

(d) No junior under nineteen (19) years of age shall be allowed to drive or be in charge of more than one horse in the cities of Perth or Fremantle.

(e) Employers shall, when engaging workers, state definitely whether such worker is engaged as a weekly or casual hand. Failing such notice, the worker shall be deemed to be engaged as a weekly employee.

(f) Casual hands shall be notified at the end of the day if their services are not required next day. Failing such notice a full day's wages shall be paid.

(g) Employers shall notify their workers, other than casual workers, on the working day preceding a holiday if their services are required next day. Failing such notice, the worker shall be entitled to take the holiday and to receive a full week's wages.

(h) Workers shall be provided free by the employer with all shovels, ropes, gear, and other tools necessary for the loading and unloading of goods or material on to or from any vehicle.

(i) Each worker, with the exception of milk, cream, ice, or ice-cream carters, shall be entitled to holidays as defined, and all carters and drivers shall be entitled to a half-holiday from the hour of 1 p.m. on some working day in the week, except where a five (5) day week is worked: Provided that, where milk and/or cream carters do not, generally speaking, work continuously seven (7) days in the week, they shall be entitled to holidays as defined.

(j) A copy of this award shall be kept by each employer, where the industry is carried on, where it is easily accessible to the workers.

(k) Weekly hands ready and willing to work for the whole week and not dismissed during the week for any reason set out in clause 13 of this Award shall be entitled to a full week's wages.

(l) Where an employer desires to vary or change his starting and finishing time (in accordance with the provisions of clause 9 of this Award), he shall give one week's notice of such variation or change to his workers and post a notice of the intended change at the depot, garage or yard.

(m) A worker other than a casual hand shall be entitled to payment for non-attendance on the ground of personal ill-health for one half day for each completed month of service: Provided that payment for absence through such ill-health shall be limited to six (6) days (one week's pay) in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled to service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.
