1. The term "subscriber" shall mean any person, male or female, who has paid his or her subscription, and is financial, and has paid at last two weeks' sub-

2. The subscription to be paid by a subscriber shall be—single person 1s. 9d. per week or 22s. 9d. per quarter; married person, 2s. per week or 26s. per quarter.

Subscribers whose subscriptions are fourteen days or more in arrears will not be entitled to any benefits.

4. Every subscriber and his dependants shall, if required, submit to a medical examination by the Medical Officer of the Fund before he is accepted as a subscriber.

5. Subscribers may nominate to have their names placed on the list of any Medical Officer approved by the Board; but having done so may not change to another Medical Officer's list, except as from first days of January, April, July or October, respectively, in which cases the secretary shall be given seven days' notice of the desired changes.

6. Every subscriber shall be entitled to surgical and medical treatment at the hospital as an indoor or outdoor patient, and to medical and surgical dressings, subject to the conditions and limitations set forth in the by-laws, and for so long as the Medical Officer on whose list the subscriber's name appears, deems necessary, free of charge.

7. (a) The Board shall have discretionary powers regarding the payment of hospital maintenance incurred in any subsidised public hospital by subscribers or their dependants who are temporarily outside the district, and who suddenly become seriously ill, or meet with a serious accident, which precludes their returning to the hospital covered by their subscription. In approved cases the Board will be responsible for payment to the other hospital concerned at the rate of 7s. 6d. per day for a period not exceeding 60 days in any one year, but any amount in addition to this, charged as fees by the other hospital, will be a matter for settlement between the subscriber and the hospital concerned. The Board will not be responsible for any payment to doctors for treatment of such cases.

(b) If the Medical Officer of the hospital recommends the transfer of a patient to another hospital because he deems the appliances at hand inadequate for the proper treatment of such patient, then the Board will pay, for a period not exceeding 60 days in any one year, the hospital to which this patient is transferred at the rate of 7s. 6d. per day. The Board will not, however, be responsible for any fares or cost of transfer.

(b) Where operation fees are charged they will be at the rates usually adopted for Compensation Act cases, and for cases not in that Schedule at 75 per cent. of the ordinary chargeable fees.

(c) Certain appliances, e.g., crutches, splints, etc., will be available for the use of subscribers on payment of a deposit, which will be refunded on the return of such appliances in good order.
