AT a meeting of the Executive Council held in the Executive Council Chamber, at Perth, on the 11th day of May, 1944, the following Order in Council was authorised to be issued:—

The Health Act, 1911-1942.

ORDER IN COUNCIL.

WHEREAS it is enacted by section 19 of the Health Act, 1911-1942, that the Governor may by Order in Council constitute any portion of the State, not being a municipal district, a health district with such boundaries and by such name as may be specified in the Order, and that if the boundaries of such district are not co-terminous with a road district the local authority for such district shall be the road board of the road district within the boundaries whereof the health district is situated or a local board of health constituted as in the said Act provided as the Governor may from time to time direct: And whereas prior to the year 1913 the Governor had duly in accordance with the provisions of the said Act constituted a portion of the State, being a portion of the Ashburton Road District a health district with the name of "Onslow health district" and

such health district under the said name still exists, and prior to the year aforesaid the Governor appointed a local board of Health for the said health district; and whereas by notice published in the *Government Gazette* on the 12th day of December, 1913, the Governor directed that the road board (within whose road district the said Onslow health district is situated) shall be the local authority for the said Onslow health district in lieu of the said local board of health theretofore appointed as aforesaid but erroneously referred to the said road board as the "Onslow Road Board" instead of the "Ashburton Road Board," there not being any Onslow road district or Onslow road board in existence; and whereas in accordance with the provisions of the said Act the said Ashburton Road Board has since the date of the said publication in the *Government Gazette* acted and is still acting as the local authority for the said Onslow health district as being situated within the Ashburton road district; and whereas it is necessary to rectify the said error and to name correctly the Ashburton Road Board as the local authority for the said Onslow health district: Now, therefore, His Excellency the Lieutenant-Governor acting with the advice and consent of the Executive Council and in exercise of the powers conferred by the said Act and of all other powers in this behalf enabling him doth hereby declare that the said notice published in the *Government Gazette* on the 12th day of December, 1913, erroneously named the Onslow Road Board as the local authority for the Onslow health district and should have named the Ashburton Road Board as such local authority, and doth hereby direct that the said Ashburton Road Board shall be deemed since the said 12th day of December, 1913, to have been, and hereafter shall be the local authority of the said Onslow health district under and for the purposes of the said Act.
