Department of Lands and Surveys,
Corres. No. 1485/94. Perth, 15th August, 1944.

HIS Excellency the Lieutenant-Governor in Executive
Council, acting under the provisions of the Cemeteries
Act, 1897, and the Acts amending the same, has been
pleased to approve of the following by-laws for the
control and management of the Albany Public Cemetery,
Reserve No. 22406.

G. L. NEEDHAM, Under Secretary for Lands.

PUBLIC CEMETERY, ALBANY—BY-LAWS.

By virtue of all powers in that behalf vested in the
trustees of the Albany Public Cemetery, the said trustees
make the following by-laws:—

1. All fees and charges payable to the trustees, as
set forth in Schedule A, shall be paid at the times and
manner therein mentioned, unless otherwise ordered.

2. The "secretary," as referred to in these by-laws,
means the person for the time being employed by the
trustees as the secretary of the Cemetery, and such

person shall, subject to the trustees, exercise a general
superintendence and control over all matters pertaining to
the Cemetery and to the carrying out and enforcement
of these by-laws, and the direction of such person shall
in all cases and for all purposes be presumed to be and
to have been the direction of the trustees.

3. The "superintendent," as referred to in these by-
laws, means the person for the time being employed by
the trustees as the superintendent of the Cemetery, and
such person shall, subject to the trustees, have charge of
the general care of the Cemetery, the supervision of
the erection or placing of monumental work and fix-
tures, also the supervision of interments, the opening,
closing and dressing of graves, and such other duties as
are mentioned in these by-laws or ordered by the
trustees.

4. Any person desiring to inter any dead body in the
Cemetery shall make an application in the form con-
tained in Schedule B.

5. All applications for interment shall be made at
the offices of the trustees in such time as to allow at
least five working hours' notice being given to the
superintendent at the Cemetery prior to the time fixed
for burial, otherwise an extra charge shall be made.

6. The trustees shall cause all graves to be dug and
vaults, brick graves, or graves to be re-opened as and
when required.

7. Every coffin shall have upon the lid an approved
metal plate bearing the name of the deceased stamped
or otherwise indelibly inscribed in legible characters
thereon. Any coffin not complying with this by-law
will not be admitted to or be interred in the Cemetery.

8. Every grave shall be at least 7ft. deep at the
first interment, and no interment shall be allowed in
any grave with a less depth than 3ft. from the top of
the coffin to the original surface of the surrounding
ground.

9. In the case of an application for interment in
any private grave or vault to which the deceased had
no claim during life, the written and verified consent
of the grantee shall be handed in with the application.

10. If application be made for an "interment" in
any grave or vault of the remains of any person other
than the person to whom the grant was issued, or his
registered assign, the written and verified consent of
such grantee or assignee shall be produced, together
with the "Grant of Right of Burial."

11. Should the grantee be unable to produce the
"Grant of Right of Burial" on making application for
a grave to be re-opened, for the purposes of interment,
through having lost same, the said grantee shall make
a sworn declaration to this effect, and shall pay the fee
for a copy of such "Grant of Right of Burial," as
prescribed in Schedule A, before the interment takes
place.

12. No burial shall be allowed to take place in the
Cemetery, nor shall any coffin be allowed to enter the
Cemetery, unless a certificate from the District Registrar
of Deaths that the death has been registered or a
Coroner's order for burial is handed to the secretary,
at the latest, upon the funeral entering the Cemetery.
Should the undertaker or his representative be unable
to produce the said certificate from the Registrar, he
shall give a written guarantee to produce same within
three days, and satisfactory reasons must be given for
the non-production of such certificate in the first instance.
In default of the production of the said certificate
within three days, the undertaker's license may be sus-
pended until such certificate is produced. The certificate
will be retained, but the Coroner's order shall be re-
turned to the person delivering the same.

13. No interment shall be allowed on Sunday except
when it is certified in writing by a Medical Officer of
Health, or by a Police Magistrate, or by two Justices
of the Peace, that for sanitary or special religious re-
asons it is necessary or advisable that the burial take place
on that day.

14. Unless otherwise ordered the principal entrance
to the Cemetery shall be open daily between the hours
of 8 a.m. and 5 p.m.

15. The hours for burial shall be as follows:—Week-
days—from 8 a.m. to 4.30 p.m.; Sundays—from 2 p.m. to
4.30 p.m., and no burial shall be allowed to take place,
nor any coffin allowed to enter the Cemetery, at any
other hour except by written permission of the trustees.

16. The time fixed for any burial shall be the time at which the funeral is to arrive at the Cemetery gates, and, if not punctually observed, the undertaker responsible shall be liable to a fine of 10s. 6d.

17. If for any reason the funeral shall, on arrival at the entrance gates of the Cemetery, remain there for more than 15 minutes prior to proceeding to the graveside, the undertaker responsible shall be liable to a fine of ten shillings and sixpence.

18. Every funeral shall enter by the principal entrance, and no vehicle, except the hearse and mourning coaches, shall be permitted to enter the Cemetery, or stand opposite the entrance gates. Horses shall not be allowed to proceed faster than at a walking pace within the Cemetery, and shall proceed at and by such roads as directed by the superintendent or other officer of the trustees from time to time. Any driver or other person failing or neglecting to observe such directions may be forthwith expelled from the Cemetery. No bicycle shall be ridden within the Cemetery.

19. If application be made to the trustees to exhume any corpse for the purpose of examination or identification, or for the purpose of its being buried elsewhere in accordance with the wishes of the deceased or of his family, an order from the Governor or the warrant of a Coroner or of a Justice of the Peace issued in accordance with the law authorising the Board to permit of the exhumation must be attached to the application form.

20. Children under the age of ten years entering the Cemetery must be in charge of some responsible person.

21. Smoking shall not be allowed within the Cemetery, nor any fireworks discharged therein.

22. No dogs shall be admitted into the Cemetery, and any found there shall be liable to be destroyed.

23. No person shall remove any plant, tree, shrub, flower (other than withered flowers, which are to be placed in the receptacles provided by the trustees for same), or any article from any grave without first obtaining a permit from the trustees or their representatives.

24. No person shall pluck any tree, plant, shrub, or flower growing in any portion of the Cemetery.

25. No person shall remove or carry out of or attempt to carry out of the Cemetery any tree, plant, shrub, flower, earth or other material without the written authority of the trustees or their representative.

26. No person shall promote or advertise, or carry on within the Cemetery any trade, business, or calling, either by solicitation, distribution of circulars, by cards or otherwise, or by any other system of advertisement whatsoever, without the written consent of the trustees, and any person infringing this by-law shall be expelled from the Cemetery.

27. No person employed by or under the trustees shall be permitted to accept any gratuity whatever, nor shall he be pecuniarily interested in any work in the Cemetery, other than the remuneration he receives from the trustees, and any such person proved guilty of accepting any gratuity, or being pecuniarily interested in any such work, shall be liable to summary dismissal.

28. Any person desiring to place or erect, or to alter or add to any monument, tombstone, or enclosure in any part of the Cemetery must first obtain the written consent and approval of the trustees, and otherwise comply with section 23 of the Act (61 Vict., No. 23).

29. Every tombstone, monument, or enclosure shall be placed on proper and substantial foundations, which, if required by the trustees or their officers, shall extend to the bottom of the grave.

30. The materials used in every such erection shall be subject to the approval of the superintendent or other officer appointed by the trustees, and any material rejected shall be immediately removed from the Cemetery by the contractor for the erection. All refuse and other rubbish remaining after any work is completed shall be immediately removed from the Cemetery by the person causing the same.

31. Should any work by masons or others be not completed before a Sunday, they shall be required to leave the work in a neat and safe condition, to the satisfaction of the superintendent.

32. Monumental masons and other tradesmen shall, before commencing any work within the Cemetery, deposit with the secretary to the trustees the sum of one

pound (£1) which shall be forfeited if the provisions of either of the two preceding by-laws be not complied with to the satisfaction of the superintendent.

33. All material required in the erection and completion of any work shall, as far as possible, be prepared before being taken to the Cemetery; and all materials required by tradesmen shall be admitted at such entrance as the superintendent shall direct, and no vehicle conveying any such materials with wheels less than four inches broad shall be permitted to enter the Cemetery. No sand, earth or other material shall be taken from any part of the Cemetery for use in the erection of any monument or work except with the written approval of the trustees.

34. No catacomb shall be allowed.

35. Monumental masons shall not be permitted to carry on work within the Cemetery during other than the hours specified for the opening and closing of the gates on week days, Saturday and Sunday excepted, when no work is to be done from noon Saturday to the opening of gates on the Monday morning, without the written permission of the trustees.

36. Subject to the approval of the trustees, each applicant for an "Order for Burial" shall, within three months from date of the application, enclose the grave mentioned in such application with a kerbing of tiles, slate, or stone, and shall cause to be placed thereon a number plate bearing the number of the grave or vault. The kerbing enclosing a grave shall have engraved thereon in figures not less than two inches in height, the number of the grave so enclosed. Every grave, vault, monument, tombstone, kerbing, or any other erection, shall be maintained and kept in thorough repair and proper condition by, and at the expense of the grantee. Should the grantee's residence not be known, or be out of the State, the trustees to have power to do the work and keep an account against the grantee. No mounds shall be allowed.

37. No wooden fence, railing, cross or other wooden erection shall be allowed on or around any grave or vault.

39. All workmen, whether employed by the trustees or by any other person, shall at all times whilst within the boundaries of the Cemetery, be subject to the supervision of the superintendent, and shall obey such directions as that officer may find it necessary to give; and any workman committing any breach of these regulations and by-laws, or refusing or neglecting to comply with any directions of the said superintendent, shall be removed from the Cemetery.

40. Licenses for grave dressing or decorating may be issued by the trustees, such licenses to be renewed annually in the month of July.

41. (d) Work in all cases to be carried on with due dispatch, and only during regulation hours.

42. Prior to conducting any interment within the Cemetery or making use of the Cemetery for any purpose connected with interments every undertaker shall pay to the trustees an annual fee as prescribed in Schedule A and shall at the time of making such payment give his assent in writing to such conditions as the trustees may deem fit to impose. Upon such assent being given, and payment of the fee made, he shall receive a "Permit," to hold good during good behaviour and until the first day of July following, and unless in the possession of such a "Permit" no undertaker shall be allowed to engage in or carry out any duty or work within the Cemetery.

43. The trustees may decorate graves from time to time, when desired by the grantee so to do. If the grantees do not desire the trustees to carry out this work, the grantees may either do it themselves or employ any person licensed by the trustees for that purpose.

44. No person, except the relatives of the deceased, the trustees, or those licensed by the trustees, shall be permitted to decorate any grave.

45. If for the purpose of re-opening a grave the trustees find it necessary to remove edging tiles, plants, shrubs, etc., from off the grave, the person so ordering the re-opening shall pay to the trustees the charges laid down in Schedule A.

46. Notwithstanding anything contained in the existing by-laws to the contrary, permission may be granted to the Defence Department of the Commonwealth to erect headstones on the graves of deceased soldiers without payment of any fee.
