(2) The Returning Officer may appoint such officers as he deems necessary to assist in the conduct of an election and count thereof.

(3) Subject as hereunder provided, the method of conducting the count shall be the same as that prescribed under the Electoral Act, 1907-1936, for the counting of the votes taken at an election of members of the Legislative Assembly. Provided that—

(a) When two candidates are to be elected the count of the votes will proceed until one candidate has received an absolute majority, when he shall be declared elected. The first elected candidate shall then be eliminated from the count, and to proceed with the election of the second candidate, all the ballot papers, including those which have been set aside as exhausted, shall be brought into operation and again sorted into first preference votes. The first preference votes of the eliminated successful candidate shall be distributed according to the second preference markings shown thereon to the remainder of the candidates, and when added to their respective first preference votes shall constitute the first count for the second candidate. The procedure from then on shall be the same as in the counting of votes for the election of one candidate.

(b) Votes shall not be deemed to be informal except in the case hereinafter mentioned.

(4) As soon as practicable after the closing of the poll, the Returning Officer shall, in the presence of the scrutineers—

(b) if, subject as hereinafter provided, it is marked in any other manner than prescribed in regulation (11) of these regulations; or

(c) if it has upon it any mark or writing not authorised by these regulations, which in the opinion of the Returning Officer will enable any person to identify the elector; or

(d) if it does not indicate the elector's vote, or, if when there are more than two candidates it is not marked so as effectively to indicate the elector's preference as regards all candidates; or

(e) if no mark is indicated on it.

(2) A ballot paper shall not be informal for any reason other than the reasons stated in paragraph (1) hereof, but shall be given effect to according to the elector's intention so far as his intention is clear, and, in particular when only one candidate is to be elected and there are only two candidates, a ballot paper shall not be informal by reason only of the elector having indicated his vote or first preference by a cross instead of the numeral 1.

18. As and when the Returning Officer shall have completed the counting of the votes, he shall declare the result of the election in the presence of the scrutineers and of any candidates who may be present at the time.

19. (1) When the result of an election has been ascertained and declared, the Returning Officer shall forthwith furnish to the Board a certificate of such result in accordance with Form No. 7 in the Appendix to these regulations, and state therein the names, addresses, and occupations of the candidates who have been elected; and such certificate, when received by the Board, shall be final and conclusive evidence of the election of the said candidates as members of the Board.

(2) As soon as reasonably may be after the receipt by him from the Returning Officer of the certificate mentioned in paragraph (1) hereof, the Board shall cause a copy thereof to be published in the *Government Gazette*, and a newspaper published in Perth.

20. Where any person whose name appears on the electoral roll to be used at any election has since such enrolment ceased to be a commercial producer within the meaning of the Act, such person shall not be entitled to vote at any election held subsequently to his ceasing to be a commercial producer as aforesaid merely because his name appears as an elector on the said electoral roll, and in any such case the Returning Officer, upon it coming to his knowledge that the person is no longer a commercial producer shall cause his name to be struck off such roll.

21. The Returning Officer shall retain all ballot papers and statements received by him in connection with any election held under these regulations until the expiration of three months after the declaration of the result of such election, and may then cause the same to be destroyed.

22. Any person who, not being entitled to be enrolled as an elector for the purpose of an election held under the Act and these regulations, makes a claim to be enrolled, and any person who makes any statement which is to his knowledge false in

any application for enrolment, or in any statement accompanying a ballot paper verifying the voter's right to vote, shall be guilty of an offence against these regulations and shall be liable to a penalty not exceeding twenty pounds.

23. Subject to subsection (2) of section 8 of the Act, all costs, charges, and expenses as incurred by the Returning Officer in connection with the publication of notices, the receipt of nominations of candidates for election, application for enrolment by commercial producers, preparation of electoral rolls, and the conduct of elections, including any fee that may be allowed, or in connection with any other matters incidental thereto and as certified in writing by the Returning Officer under his hand, and communicated by the Returning Officer to the Board, shall be borne and paid by the Board or reimbursed to the Returning Officer by the Board out of moneys from time to time in its hands: Provided that the Board may at its own expense have the accounts of the Returning Officer audited by the Auditor General, whose decision thereon shall be final as between the parties concerned.
