(h) Except as hereinafter provided, a period of two consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of twelve months' continuous service with such employer.

(i) If any award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(j) A worker may be rostered off and granted annual leave with payment of ordinary wages as prescribed prior to his having completed a period of twelve months' continuous service, in which case should the services of such worker terminate or be terminated prior to the completion of twelve months' continuous service, the said worker shall refund to the Minister the difference between the amount received by him for wages in respect of the period of his annual leave and the amount which would have accrued to him by reason of the length of his service up to the date of the termination of his services.

A worker shall be entitled to payment for non-attendance on the ground of personal ill-health, for one-half day for each completed month of service. Provided that payment for absence through such ill-health shall be limited to six (6) days in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of a worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act. Evidence satisfactory to the employer shall be produced before payment of any wages is made under this clause, but the employer shall not be entitled to a medical certificate unless the absence is for three consecutive working days or more. No payment shall be made for any absence due to the worker's own fault, neglect, or misconduct.

## 16—Higher Duties.

Any worker called upon to perform work carrying a higher minimum than his regular pay for two (2) hours in any day shall be paid such higher minimum for the whole of that day. Provided that acting time less than two (2) hours in any one shift shall not be counted; and provided further, that this clause shall not apply to any worker employed as a garden or park labourer or a labourer on construction and/or maintenance.

## 17—Appliances and Materials.

(a) All materials, appliances, and tools, excepting carpenters' tools, required in connection with the performance of the worker's duties shall be supplied to such worker by the employer without charge.

(b) Uniforms—In every case where the employer requires an employee to wear a uniform for his work the same shall be supplied by the employer.

## 18—Travelling Time.

Where a worker is sent to work from an employer's recognised place of business, the employer shall pay all travelling time from such place of business to the job, and, if the worker is required to return the same day to the employer's place of business, the employer shall pay travelling time to the place of business.

Provided that a maintenance man may be required to report for work at any of the employer's premises at the usual time of starting, without payment for travelling time. A worker sent for duty to a place other than his regular place of duty shall be paid his excess travelling expenses.

#### 19—Change Room.

Suitable dressing accommodation shall be provided by the employer where employees may change their clothes. Tools and appliances shall not be kept in the dressing room.

#### 20—Boiling Water.

All workers shall be provided with facilities for boiling water.

Workers shall be permitted to eat their meals in a convenient and clean place, protected from the weather, and each such worker shall remove all litter and food-stuff after use.

#### 22—Payment of Wages.

#### 23—Preference.

Every person who is at present employed, or who may at any time hereafter become employed, on work to which this Agreement applies, shall not be continued in employment unless he or she is a member of the West Australian Cleaners, Caretakers, Lift Attendants, Window Cleaners, Attendants, Watchmen and Domestics' Industrial Union of Workers (Perth), or makes application to join the said Union within fourteen (14) days of engagement.

Provided that any person who is a member of another recognised Union shall not be required to join the Cleaners and Caretakers' Union until the expiry of his current ticket with such other Union.

Provided also that this clause shall not operate in regard to casual workers.

#### 24—Board of Reference.

A Board of Reference is hereby appointed for the purpose of this Agreement. The Board shall consist of a chairman and two (2) other representatives, one to be nominated by each of the parties.

There are assigned to such Board, in the event of disagreement, the functions of:—

(a) Adjusting any matters of difference which may arise between parties.

(b) Classifying and fixing wages, rates and conditions for any occupation or calling not specifically mentioned in the Agreement.

(c) Deciding any other matters that the Court may refer to such Board from time to time.

An appeal shall lie from any decision of such Board, in the manner and subject to the conditions prescribed in the regulations to the Industrial Arbitration Act, 1912-1941, which for this purpose are embodied in this Agreement.
