IN THE COURT OF ARBITRATION OF WESTERN AUSTRALIA.

File No. 9 of 1944.

In the matter of Award, numbered 9 of 1941 as amended, made between the Australian Workers' Union, Western Goldfields Mining Branch Industrial Union of Workers (Applicant) and the Goldfields Firewood Supply Limited (Respondent), and in the matter of a Board of Reference appointed pursuant to the provisions of the Award.

Before Mr. G. E. Brockway, Chairman, Mr. C. T. Oliver, Workers' Representative, Mr. W. M. Lyall, Employers' Representative.

*Determination of the Board.*

Delete subclauses (u), (w) and (x) of clause 13 of the Award (General Conditions of Piecework) and insert in lieu thereof the following:—

(u) (i) Loaders shall be started from the home camp at 7 a.m. In the event of delay in starting, and provided loaders have presented themselves for work and are willing to work, waiting time shall be paid for time lost, except that in any delay through breakdown or other cause beyond the control of the employer, and provided that the loaders' representative has been notified not later than 6 a.m. of such delay, the starting time shall be retarded not more than one half hour without payment of waiting time. Should the delay be greater than one half hour, then waiting time shall be payable from 7 a.m.

(ii) From the time trucks are placed for the morning or afternoon loading, no waiting time shall accrue until the expiry of the time equivalent to one hour and ten minutes for each truck placed per pair of loaders.

Where sufficient trucks have been placed for the morning loading and loaders have taken their crib, no waiting time shall accrue until after the expiry of one hour and ten minutes per truck placed plus one hour for crib.

When loaders are returned to the home camp for lunch, they shall be picked up for return to work in one hour from the time of their arrival in the camp.

(iii) If in the opinion of the employer's representative waiting time will exceed one hour, loaders may at the option of the employer be placed on other work.

Waiting time shall be paid to the nearest quarter of an hour and shall not be payable for any period of less than eight minutes. It shall be at the following rates:—

(a) On any half day on which no loading is done but on which the loaders are willing to work, time rate shall be paid. If during the period they are employed on other work the time rate shall be that applicable to such work. A half day shall be considered to be that portion of the working day prior to the lunch time or that portion from lunch time onwards.

(b) For any waiting time after the completion of the day's loading, payment shall be at time rate.

(c) For waiting time other than that specified in (a) and (b), payment shall be at piecework rates calculated on the basis of one-eighth of the average amount earned for each complete day worked during the pay period in which the liability for such payment arises. District allowances and any basic wage adjustment not incorporated in the piecework rate shall be excluded from this calculation.

(w) Loaders prevented from loading by wet weather shall receive no payment for time lost. The employer shall return them to the home camp as quickly as possible.

(x) Loaders required to travel more than six miles from the camp to the place of working shall take their crib and be paid one penny halfpenny per ton extra.

Dated at Kalgoorlie this 21st day of February, 1947.
