Second Quota of Wheat and/or Sheep Farms.

IT is hereby notified for the information of ex-Servicemen who have been classified as suitable and sufficiently experienced (or suitable but requiring only eight weeks' intensive training) that a further quota of twenty-one (21) wheat and/or sheep farms has been made available for selection under the Land Act, 1933-1946, and the War Service Land Settlement Agreement Act, 1945, and the regulations appertaining thereto.

Brochures (with amendments) setting out full particulars, with plans indicating the position of improvements, may be examined at any of the offices mentioned hereunder.

Rents and sale prices of structural improvements will be announced later.

Applications must be lodged at the office of the Department of Lands and Surveys on or before the 28th November, 1947. All applications received on or before that date will be treated as having been received on the closing day, and if there are more applications than one for any holding the Allotment Board shall determine who shall be the successful applicant. Applications will be restricted to ex-Servicemen who have been classified for wheat and/or sheep farming or grazing.

The Allotment Board will examine the applications and arrange for such applicants as is considered necessary to appear before it for further examination. The Board shall then make its recommendation as to whom the farms shall be allotted. Holdings will be allotted under perpetual leasehold tenure.

In accordance with the conditions of the lease, a valuation shall be made at the end of the assistance period, or on the completion of the planned work, to ascertain the value of the additional non-structural improvements, for the purpose of adjusting the rent, and the value of the structural improvements, for the purpose of determining the half-yearly payments for the purchase of them.

It has been decided to defer the sale of the structural improvements until the end of the assistance period. Until then, they will remain the property of the Crown, and should not be removed or altered without approval in writing of the Field Superintendent, Farm Planner, District Supervisor or other authorised Officer.

Applicants are requested to supply all information required on application forms and Allotment Board Questionnaire, but the questionnaire will be required only if one has not already been submitted or, if particulars as supplied in the form already completed, have altered.
