## Notice of Intention to Borrow—Proposed Loan of £2,000.

NOTICE is hereby given that the Katanning Road Board proposes to borrow the sum of £2,000 to be expended on the construction of works and undertakings in the Katanning Road Board District, the said works and undertakings being the cementing of portion of the floor area of the Katanning Stock Yards.

Plans and specifications of the proposed works and undertakings and an estimate of the cost thereof and a statement showing the proposed expenditure of the money to be borrowed, including the cost of supervision and initial expenditure in connection with the raising of the Loan are open for inspection by ratepayers at the office of the Board for one calendar month after the publication of this notice, during office hours. The hours during which such inspection may be made are 8.30 a.m. to 5 p.m. on week days.

The amount of £2,000 is proposed to be raised by the sale of debentures, repayable with interest by 20 equal half-yearly instalments of £118 13s. 2d. over a period of 10 years after the date of issue thereof, in lieu of the formation of a sinking fund. The debentures shall bear interest at a rate of £3 7s. 6d. per centum per annum, payable half-yearly. The amount of the said debentures and interest thereon is to be paid at the Commonwealth Bank of Australia, Perth.

As it is proposed to invest the proceeds of the Loan in an undertaking of a reproductive character, a loan rate in respect of the Loan will only be struck if the net income from the undertaking is not sufficient in any year to meet the Board's commitments for that year in respect of the said Loan.

The works and undertakings for which the Loan is proposed to be raised will, in the opinion of the Board, be of special benefit to the country wards of the Katanning Road District, and any rate which may be struck in respect of such Loan will be levied on all rateable land within the country wards of the district.

Dated this 9th day of February, 1949.

No. 80 of 1948.

Between The Metropolitan and South-Western  
Federated Engine Drivers and Firemen's Union of  
Workers of Western Australia, Applicant, and The  
Colonial Sugar Refining Company Limited, Re-  
spondent.

WHEREAS an industrial dispute existed between the abovenamed parties, and Whereas the said dispute was referred into Court for the purpose of hearing and determination, and whereas the parties subsequently met and conferred and have arrived at agreement on all matters in difference, and whereas the parties have this day appeared before the Court by their respective representatives and requested the Court to make the said Agreement an Award of the Court: Now, therefore, the Court, pursuant to section 65 of the Industrial Arbitration Act, 1912-1941, and all other powers therein enabling it, hereby declares the memorandum hereunder written to have the same effect as and be deemed an Award of the Court.

Memorandum of Agreement.

(Note.—Wherever the word "Award" occurs herein, it shall be taken to mean and include "Agreement.")

1.—Term.

The term of this Award shall be for a period of two (2) years commencing as from the beginning of the first pay period after the date hereof.

2.—Area.

This Award shall have effect over the area comprised within a radius of fifteen (15) miles from the General Post Office, Perth.

3.—Definition.

"Casual worker" means a worker employed for less than six (6) consecutive working days. He shall be paid at the rate of ten per cent. (10%) in addition to the rates prescribed in this Award upon an hourly basis.

4.—Hours of Work.

(a) Forty (40) hours shall constitute a week's work for all workers.

(b) Workers employed on shift work shall work five (5) shifts of eight (8) hours, including crib time. All shifts shall rotate weekly: Provided that the foregoing hours may be altered at any time by agreement in writing between the parties.

(c) Single shift workers shall work eight (8) hours per day, exclusive of crib time, Monday to Friday inclusive.

(d) Shift workers may commence work at 11 p.m., in which case the hours worked from 11 p.m. to midnight on any Sunday or public holiday shall be paid for at ordinary rates and included as part of their ordinary shift work hours.

(e) In all cases of reckoning time of duty all time necessarily occupied in raising steam, in starting up or closing down engines, or in banking fires, shall be included.

5.—Overtime.

Except as otherwise provided:—

(a) For all work done outside the hours of duty on any day payment shall be made at the rate of time and a half for the first four (4) hours and double time thereafter.

(b) When any worker is required to work overtime by reason of a relieving man not coming on duty at the proper time and failing to give at least three (3) hours' notice of his inability to attend, he shall be paid at ordinary rates for the first two (2) hours after which his overtime rate shall begin to accrue. The employer shall be entitled to make a "pro rata" deduction for the time not worked in the case of the worker so failing to attend and give notice as aforesaid from any moneys due or becoming due to him.

(c) All time worked on Sundays and holidays prescribed in clause 5 hereof shall be paid for at double time.

(d) Where a worker is called on to work a quick shift he shall be paid at the rate of time and a quarter. A "quick shift" shall mean a shift where a worker is brought on to work a full shift before having had at least eight (8) hours off.

(e) Notwithstanding anything contained in this Award—

i. An employer may require any worker to work reasonable overtime at overtime rates and such worker shall work overtime in accordance with such requirement.

ii. No organisation, party to this Award or worker or workers covered by this Award shall in any way, whether directly or indirectly, be a party to or concerned in any ban, limitation, or restriction upon the working of overtime in accordance with the requirements of this sub-clause.

iii. This subclause shall remain in operation only until otherwise determined by the Court.

6.—Holidays.

(a) The following days, or the days observed in lieu, shall, subject to clause 6 (c) hereof, be allowed as holidays without deduction of pay, namely, New Year's Day, Australia Day, Good Friday, Easter Saturday, Easter Monday, Anzac Day, Labour Day, State Foundation Day, Christmas Day and Boxing Day.

(b) On any public holiday not prescribed as a holiday under this Award the employer's establishment or place of business may be closed, in which case a worker need not present himself for duty and payment may be deducted, but if work be done ordinary rates of pay shall apply.

(c) Except as hereinafter provided a period of two consecutive weeks' leave with payment of ordinary wages as prescribed shall be allowed annually to a worker by his employer after a period of twelve months' continuous service with such employer.

(d) If any Award holiday falls within a worker's period of annual leave and is observed on a day which in the case of that worker would have been an ordinary working day there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(e) If after one month's continuous service in any qualifying twelve-monthly period a worker lawfully

leaves his employment or his employment is terminated by the employer through no fault of the worker, the worker shall be paid one-sixth of a week's pay at his ordinary rate of wage in respect of each completed month of continuous service.

(f) Any time in respect of which a worker is absent from work except time for which he is entitled to claim sick pay or time spent on holidays or annual leave as prescribed by this Award shall not count for the purpose of determining his right to annual leave.

(g) In the event of a worker being employed by an employer for portion only of a year, he shall only be entitled, subject to subclause (e) of this clause, to such leave on full pay as is proportionate to his length of service during that period with such employer, and if such leave is not equal to the leave given to the other workers he shall not be entitled to work or pay whilst the other workers of such employer are on leave on full pay.

(h) A worker who is dismissed for misconduct or who illegally severs his contract of service shall not be entitled to the benefit of the provisions of this clause.

(i) The provisions of this clause shall not apply to casual workers.

7.—Sick Pay.

(a) A worker shall be entitled to payment for non-attendance, on the ground of personal ill-health, for one-twelfth (1/12th) of a week for each completed month of service: Provided that payment for absence through such ill-health shall be limited to one (1) week in each calendar year. Payment hereunder may be adjusted at the end of each calendar year or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of or in the course of his employment, or for any accident, wherever sustained, arising out of his own wilful default or for sickness arising out of his own wilful default.

(c) No worker shall be entitled to the benefits of this clause unless he produces proof satisfactory to his employer of sickness, but the employer shall not be entitled to a medical certificate unless the absence is for three (3) days or more.

8.—Wages.

The minimum rates of wages payable to workers covered by this Award shall be as follows:—

(c) Firemen:

(d) This Award shall not of itself operate to reduce the wages of any worker who is at present being paid in excess of the amounts prescribed for his class of work.

(e) The margins set out in this clause include shift allowances.

9.—Special Allowances

(a) If an engine driver also attends to an electric generator or dynamo exceeding ten (10) kilowatt capacity, he shall be paid an additional sum of nine shillings (9s.) per week.

(b) Cleaners of boilers, enclosed hot water tanks, and other confined spaces: Any person engaged inside the gas or water space of a boiler, flue, or economiser or an enclosed hot water tank which when working is under pressure in cleaning or scraping work, shall be paid ninepence (9d.) per hour in addition to his ordinary or overtime rate of pay, as the case may be, whilst so employed.

10.—Mixed Functions.

Where a worker is employed for four (4) hours or less on any day on work in a higher grade than his ordinary occupation, he shall be paid for the time so occupied at the higher rate. If employed for more than four (4) hours, he shall be paid at the higher rate for the whole of the shift.

11.—Contract of Service.

(a) Except in the case of a casual worker, whose engagement shall be by the hour, the contract of hiring of every worker shall be a weekly contract, terminable on either side by one (1) week's notice given on any day.

(b) Any worker not attending for duty shall lose his pay for the actual time of such non-attendance, subject to the provisions of clause 7 hereof, as to payment for absence on account of illness. Where any absence extends for more than six (6) days, the employment shall be deemed to have terminated upon the expiration of the said six (6) days.

(c) This clause does not affect the right to dismiss for misconduct, in which case wages shall be paid up to the time of dismissal only.

(d) The employer shall be entitled to deduct payment for any day or portion of a day upon which the worker cannot be usefully employed because of any strike by the Union or unions affiliated with it or by any other association or union, or through the breakdown of the employers' machinery, or any stoppage of work by any cause which the employer cannot reasonably prevent.

12.—Meal Money.

When a worker, without being notified on the previous day, is required to continue working after the usual knock-off time for more than one hour, he shall be provided with any meal required, or shall be paid one shilling and sixpence (1s. 6d.) in lieu thereof: Provided that such payment need not be made to a worker living in the same locality as his place of employment who can reasonably return home for a meal.

I certify pursuant to section 65 of the Industrial Arbitration Act, 1912-1941, that the foregoing is a copy of the agreement arrived at between the parties mentioned above.
